LICENSE AND ORDER**

14 **Physician's and Surgeon's Certificate**  
15 **No. C 133563,**

16 Respondent.

17  
18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of  
22 California (Board). He brought this action solely in his official capacity and is represented in this  
23 matter by Rob Bonta, Attorney General of the State of California, by Christine Friar Walton,  
24 Deputy Attorney General.

25 2. Respondent Brian Glen Boatman, M.D. (Respondent) is representing himself in this  
26 proceeding and has chosen not to exercise his right to be represented by counsel.

27 3. On December 3, 2014, the Board issued Physician's and Surgeon's Certificate No. C  
28 133563 to Respondent. That Physician's and Surgeon's Certificate expired on July 31, 2022, and

1 has not been renewed.

2 **JURISDICTION**

3 4. Accusation No. 800-2020-064852 was filed before the Board on February 1, 2023,  
4 and was properly served on Respondent along with all other statutorily required documents.  
5 Respondent timely filed his Notice of Defense contesting the Accusation. Thereafter, First  
6 Amended Accusation No. 800-2020-064852 was filed before the Board, and is currently pending  
7 against Respondent. The First Amended Accusation and all other statutorily required documents  
8 were properly served on Respondent.

9 5. A copy of First Amended Accusation No. 800-2020-064852 is attached as Exhibit A  
10 and incorporated by reference.

11 **ADVISEMENT AND WAIVERS**

12 6. Respondent has carefully read, and understands the charges and allegations in First  
13 Amended Accusation No. 800-2020-064852. Respondent also has carefully read, and  
14 understands the effects of this Stipulated Surrender of License and Order.

15 7. Respondent is fully aware of his legal rights in this matter, including the right to a  
16 hearing on the charges and allegations in the First Amended Accusation; the right to be  
17 represented by counsel, at his own expense; the right to confront and cross-examine the witnesses  
18 against him; the right to present evidence and to testify on his own behalf; the right to the  
19 issuance of subpoenas to compel the attendance of witnesses and the production of documents;  
20 the right to reconsideration and court review of an adverse decision; and all other rights accorded  
21 by the California Administrative Procedure Act and other applicable laws.

22 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
23 every right set forth above.

24 **CULPABILITY**

25 9. Respondent admits the truth of the allegations contained in the Fifth Cause for  
26 Discipline in First Amended Accusation No. 800-2020-064852, agrees that cause exists for Board  
27 action, and hereby surrenders his Physician's and Surgeon's Certificate No. C 133563 for the  
28 Board's formal acceptance. In addition, for the purpose of resolving First Amended Accusation

1 No. 800-2020-064852 without the expense and uncertainty of further proceedings, Respondent  
2 agrees that, at a hearing, Complainant could establish a factual basis for the remaining charges in  
3 First Amended Accusation No. 800-2020-064852 and that those charges also constitute cause for  
4 discipline. Respondent hereby gives up his right to contest that cause for discipline exists based  
5 on those charges.

6 10. Respondent understands that by signing this stipulation he enables the Board to issue  
7 an order accepting the surrender of his Physician's and Surgeon's Certificate without further  
8 process.

9 11. Respondent agrees that if he ever files an application for licensure or a petition for  
10 reinstatement in the State of California, the Board shall treat it as a petition for reinstatement, and  
11 all of the charges and allegations contained in First Amended Accusation No. 800-2020-064852  
12 shall be deemed true, correct and fully admitted by Respondent for purposes of any such  
13 proceeding or any other licensing proceeding involving Respondent in the State of California.

#### 14 CONTINGENCY

15 12. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
16 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...  
17 stipulation for surrender of a license."

18 13. Respondent understands that, by signing this stipulation, he enables the Executive  
19 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his  
20 Physician's and Surgeon's Certificate No. C 133563 without further notice to, or opportunity to be  
21 heard by, Respondent.

22 14. This Stipulated Surrender of License and Disciplinary Order shall be subject to the  
23 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated  
24 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his  
25 consideration in the above-entitled matter and, further, that the Executive Director shall have a  
26 reasonable period of time in which to consider and act on this Stipulated Surrender of License and  
27 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands  
28 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the

1 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

2 15. The parties agree that this Stipulated Surrender of License and Disciplinary Order  
3 shall be null and void and not binding upon the parties unless approved and adopted by the  
4 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full  
5 force and effect. Respondent fully understands and agrees that in deciding whether or not to  
6 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive  
7 Director and/or the Board may receive oral and written communications from its staff and/or the  
8 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the  
9 Executive Director, the Board, any member thereof, and/or any other person from future  
10 participation in this or any other matter affecting or involving respondent. In the event that the  
11 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this  
12 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it  
13 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied  
14 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees  
15 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason  
16 by the Executive Director on behalf of the Board, Respondent will assert no claim that the  
17 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,  
18 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or  
19 of any matter or matters related hereto.

20 **ADDITIONAL PROVISIONS**

21 16. This Stipulated Surrender of License and Disciplinary Order is intended by the parties  
22 herein to be an integrated writing representing the complete, final and exclusive embodiment of  
23 the agreements of the parties in the above-entitled matter.

24 17. The parties agree that copies of this Stipulated Surrender of License and Disciplinary  
25 Order, including copies of the signatures of the parties, may be used in lieu of original documents  
26 and signatures and, further, that such copies shall have the same force and effect as originals.

27 18. In consideration of the foregoing admissions and stipulations, the parties agree the  
28 Executive Director of the Board may, without further notice to or opportunity to be heard by

1 Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

2 **ORDER**

3 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. C 133563,  
4 issued to Respondent Brian Glen Boatman, M.D., is surrendered and accepted by the Board.

5 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the  
6 acceptance of the surrendered license by the Board shall constitute the imposition of discipline  
7 against Respondent. This stipulation constitutes a record of the discipline and shall become a part  
8 of Respondent's license history with the Board.

9 2. Respondent shall lose all rights and privileges as a physician and surgeon in  
10 California as of the effective date of the Board's Decision and Order.

11 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was  
12 issued, his wall certificate on or before the effective date of the Decision and Order.

13 4. If Respondent ever files an application for licensure or a petition for reinstatement in  
14 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must  
15 comply with all the laws, regulations and procedures for reinstatement of a revoked or  
16 surrendered license in effect at the time the petition is filed, and all of the charges and allegations  
17 contained in First Amended Accusation No. 800-2020-064852 shall be deemed to be true, correct  
18 and admitted by Respondent when the Board determines whether to grant or deny the petition.

19 5. Respondent shall pay the agency its costs of investigation and enforcement in the  
20 amount of \$17,959.50 prior to issuance of a new or reinstated license.

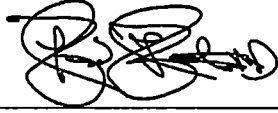

21 6. If Respondent should ever apply or reapply for a new license or certification, or  
22 petition for reinstatement of a license, by any other health care licensing agency in the State of  
23 California, all of the charges and allegations contained in First Amended Accusation No. 800-  
24 2020-064852 shall be deemed to be true, correct, and admitted by Respondent for the purpose of  
25 any Statement of Issues or any other proceeding seeking to deny or restrict licensure.

**JURISDICTION**

1  
2       3.     This First Amended Accusation is brought before the Board, under the authority of  
3 the following laws. All section references are to the Business and Professions Code (Code)  
4 unless otherwise indicated.

5       4.     Section 118, subdivision (b) of the Code provides:

6             The suspension, expiration, or forfeiture by operation of law of a license issued  
7 by a board in the department, or its suspension, forfeiture, or cancellation by order of  
8 the board or by order of a court of law, or its surrender without the written consent of  
9 the board, shall not, during any period in which it may be renewed, restored, reissued,  
10 or reinstated, deprive the board of its authority to institute or continue a disciplinary  
11 proceeding against the licensee upon any ground provided by law or to enter an order  
12 suspending or revoking the license or otherwise taking disciplinary action against the  
13 license on any such ground.

14       5.     Section 2004 of the Code states:

15             The board shall have the responsibility for the following:

16             (a) The enforcement of the disciplinary and criminal provisions of the Medical  
17 Practice Act.

18             (b) The administration and hearing of disciplinary actions.

19             (c) Carrying out disciplinary actions appropriate to findings made by a panel or  
20 an administrative law judge.

21             (d) Suspending, revoking, or otherwise limiting certificates after the conclusion  
22 of disciplinary actions.

23             (e) Reviewing the quality of medical practice carried out by physician and  
24 surgeon certificate holders under the jurisdiction of the board.

25             (f) Approving undergraduate and graduate medical education programs.

26             (g) Approving clinical clerkship and special programs and hospitals for the  
27 programs in subdivision (f).

28             (h) Issuing licenses and certificates under the board's jurisdiction.

              (i) Administering the board's continuing medical education program.

              6.     Section 2220 of the Code states:

              Except as otherwise provided by law, the board may take action against all  
persons guilty of violating this chapter. The board shall enforce and administer this  
article as to physician and surgeon certificate holders, including those who hold  
certificates that do not permit them to practice medicine, such as, but not limited to,  
retired, inactive, or disabled status certificate holders, and the board shall have all the

1 powers granted in this chapter for these purposes including, but not limited to:

2 (a) Investigating complaints from the public, from other licensees, from health  
3 care facilities, or from the board that a physician and surgeon may be guilty of  
4 unprofessional conduct. The board shall investigate the circumstances underlying a  
5 report received pursuant to Section 805 or 805.01 within 30 days to determine if an  
interim suspension order or temporary restraining order should be issued. The board  
shall otherwise provide timely disposition of the reports received pursuant to Section  
805 and Section 805.01.

6 (b) Investigating the circumstances of practice of any physician and surgeon  
7 where there have been any judgments, settlements, or arbitration awards requiring the  
8 physician and surgeon or his or her professional liability insurer to pay an amount in  
9 damages in excess of a cumulative total of thirty thousand dollars (\$30,000) with  
respect to any claim that injury or damage was proximately caused by the physician's  
and surgeon's error, negligence, or omission.

10 (c) Investigating the nature and causes of injuries from cases which shall be  
11 reported of a high number of judgments, settlements, or arbitration awards against a  
physician and surgeon.

12 7. Section 2227 of the Code provides that a licensee who is found guilty under the  
13 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
14 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
15 action taken in relation to discipline as the Board deems proper.

### 16 STATUTORY PROVISIONS

17 8. Section 2234 of the Code states:

18 The board shall take action against any licensee who is charged with  
19 unprofessional conduct. In addition to other provisions of this article, unprofessional  
conduct includes, but is not limited to, the following:

20 (a) Violating or attempting to violate, directly or indirectly, assisting in or  
21 abetting the violation of, or conspiring to violate any provision of this chapter.

22 (b) Gross negligence.

23 (c) Repeated negligent acts. To be repeated, there must be two or more  
24 negligent acts or omissions. An initial negligent act or omission followed by a  
separate and distinct departure from the applicable standard of care shall constitute  
repeated negligent acts.

25 (1) An initial negligent diagnosis followed by an act or omission medically  
26 appropriate for that negligent diagnosis of the patient shall constitute a single  
negligent act.

27 (2) When the standard of care requires a change in the diagnosis, act, or  
28 omission that constitutes the negligent act described in paragraph (1), including, but  
not limited to, a reevaluation of the diagnosis or a change in treatment, and the

1 licensee's conduct departs from the applicable standard of care, each departure  
2 constitutes a separate and distinct breach of the standard of care.

3 (d) Incompetence.

4 (e) The commission of any act involving dishonesty or corruption that is  
5 substantially related to the qualifications, functions, or duties of a physician and  
6 surgeon.

7 (f) Any action or conduct that would have warranted the denial of a certificate.

8 (g) The failure by a certificate holder, in the absence of good cause, to attend  
9 and participate in an interview by the board. This subdivision shall only apply to a  
10 certificate holder who is the subject of an investigation by the board.

11 9. Section 2236 of the Code states:

12 (a) The conviction of any offense substantially related to the qualifications,  
13 functions, or duties of a physician and surgeon constitutes unprofessional conduct  
14 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record  
15 of conviction shall be conclusive evidence only of the fact that the conviction  
16 occurred.

17 (b) The district attorney, city attorney, or other prosecuting agency shall notify  
18 the Medical Board of the pendency of an action against a licensee charging a felony  
19 or misdemeanor immediately upon obtaining information that the defendant is a  
20 licensee. The notice shall identify the licensee and describe the crimes charged and  
21 the facts alleged. The prosecuting agency shall also notify the clerk of the court in  
22 which the action is pending that the defendant is a licensee, and the clerk shall record  
23 prominently in the file that the defendant holds a license as a physician and surgeon.

24 (c) The clerk of the court in which a licensee is convicted of a crime shall,  
25 within 48 hours after the conviction, transmit a certified copy of the record of  
26 conviction to the board. The division may inquire into the circumstances surrounding  
27 the commission of a crime in order to fix the degree of discipline or to determine if  
28 the conviction is of an offense substantially related to the qualifications, functions, or  
duties of a physician and surgeon.

(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is  
deemed to be a conviction within the meaning of this section and Section 2236.1.  
The record of conviction shall be conclusive evidence of the fact that the conviction  
occurred.

10. Section 2236.1 of the Code states:

(a) A physician and surgeon's certificate shall be suspended automatically  
during any time that the holder of the certificate is incarcerated after conviction of a  
felony, regardless of whether the conviction has been appealed. The Division of  
Medical Quality shall, immediately upon receipt of the certified copy of the record of  
conviction, determine whether the certificate of the physician and surgeon has been  
automatically suspended by virtue of the physician and surgeon's incarceration, and if  
so, the duration of that suspension. The division shall notify the physician and  
surgeon of the license suspension and of the right to elect to have the issue of penalty  
heard as provided in this section.

1 (b) Upon receipt of the certified copy of the record of conviction, if after a  
2 hearing it is determined therefrom that the felony of which the licensee was convicted  
3 was substantially related to the qualifications, functions, or duties of a physician and  
4 surgeon, the Division of Medical Quality shall suspend the license until the time for  
5 appeal has elapsed, if an appeal has not been taken, or until the judgment of  
conviction has been affirmed on appeal or has otherwise become final, and until  
further order of the division. The issue of substantial relationship shall be heard by an  
administrative law judge from the Medical Quality Hearing Panel sitting alone or  
with a panel of the division, in the discretion of the division.

6 (c) Notwithstanding subdivision (b), a conviction of any crime referred to in  
7 Section 2237, or a conviction of Section 187, 261, 288, or former Section 262, of the  
8 Penal Code, shall be conclusively presumed to be substantially related to the  
9 qualifications, functions, or duties of a physician and surgeon and a hearing shall not  
10 be held on this issue. Upon its own motion or for good cause shown, the division may  
decline to impose or may set aside the suspension when it appears to be in the interest  
of justice to do so, with due regard to maintaining the integrity of and confidence in  
the medical profession.

11 (d) (1) Discipline may be ordered in accordance with Section 2227, or the  
12 Division of Licensing may order the denial of the license when the time for appeal  
13 has elapsed, the judgment of conviction has been affirmed on appeal, or an order  
14 granting probation is made suspending the imposition of sentence, irrespective of a  
subsequent order under Section 1203.4 of the Penal Code allowing the person to  
withdraw the plea of guilty and to enter a plea of not guilty, setting aside the verdict  
of guilty, or dismissing the accusation, complaint, information, or indictment.

15 (2) The issue of penalty shall be heard by an administrative law judge from the  
16 Medical Quality Hearing Panel sitting alone or with a panel of the division, in the  
17 discretion of the division. The hearing shall not be had until the judgment of  
18 conviction has become final or, irrespective of a subsequent order under Section  
19 1203.4 of the Penal Code, an order granting probation has been made suspending the  
20 imposition of sentence; except that a licensee may, at the licensee's option, elect to  
21 have the issue of penalty decided before those time periods have elapsed. Where the  
licensee so elects, the issue of penalty shall be heard in the manner described in this  
section at the hearing to determine whether the conviction was substantially related to  
the qualifications, functions, or duties of a physician and surgeon. If the conviction of  
a licensee who has made this election is overturned on appeal, any discipline ordered  
pursuant to this section shall automatically cease. This subdivision does not prohibit  
the division from pursuing disciplinary action based on any cause other than the  
overturned conviction.

22 (e) The record of the proceedings resulting in the conviction, including a  
23 transcript of the testimony therein, may be received in evidence.

24 (f) The other provisions of this article setting forth a procedure for the  
25 suspension or revocation of a physician and surgeon's certificate shall not apply to  
26 proceedings conducted pursuant to this section.

27 11. Section 2237 of the Code states:

28 (a) The conviction of a charge of violating any federal statutes or regulations or  
any statute or regulation of this state, regulating dangerous drugs or controlled  
substances, constitutes unprofessional conduct. The record of the conviction is

1 conclusive evidence of such unprofessional conduct. A plea or verdict of guilty or a  
2 conviction following a plea of nolo contendere is deemed to be a conviction within  
the meaning of this section.

3 (b) Discipline may be ordered in accordance with Section 2227 or the Medical  
4 Board may order the denial of the license when the time for appeal has elapsed, or the  
5 judgment of conviction has been affirmed on appeal, or when an order granting  
6 probation is made suspending the imposition of sentence, irrespective of a subsequent  
7 order under the provisions of Section 1203.4 of the Penal Code allowing such person  
to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside  
the verdict of guilty, or dismissing the accusation, complaint, information, or  
indictment.

8 12. Section 2238 of the Code states:

9 A violation of any federal statute or federal regulation or any of the statutes or  
10 regulations of this state regulating dangerous drugs or controlled substances  
constitutes unprofessional conduct.

11 13. Section 490 of the Code states:

12 (a) In addition to any other action that a board is permitted to take against a  
13 licensee, a board may suspend or revoke a license on the ground that the licensee has  
14 been convicted of a crime, if the crime is substantially related to the qualifications,  
functions, or duties of the business or profession for which the license was issued.

15 (b) Notwithstanding any other provision of law, a board may exercise any  
16 authority to discipline a licensee for conviction of a crime that is independent of the  
17 authority granted under subdivision (a) only if the crime is substantially related to the  
qualifications, functions, or duties of the business or profession for which the  
licensee's license was issued.

18 (c) A conviction within the meaning of this section means a plea or verdict of  
19 guilty or a conviction following a plea of nolo contendere. Any action that a board is  
20 permitted to take following the establishment of a conviction may be taken when the  
21 time for appeal has elapsed, or the judgment of conviction has been affirmed on  
appeal, or when an order granting probation is made suspending the imposition of  
sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of  
the Penal Code.

22 (d) The Legislature hereby finds and declares that the application of this section  
23 has been made unclear by the holding in *Petropoulos v. Department of Real Estate*  
24 (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant  
25 number of statutes and regulations in question, resulting in potential harm to the  
26 consumers of California from licensees who have been convicted of crimes.  
Therefore, the Legislature finds and declares that this section establishes an  
independent basis for a board to impose discipline upon a licensee, and that the  
amendments to this section made by Chapter 33 of the Statutes of 2008 do not  
constitute a change to, but rather are declaratory of, existing law.

27 14. Section 822 of the Code states:

28 If a licensing agency determines that its licentiate's ability to practice his or her

1 profession safely is impaired because the licentiate is mentally ill, or physically ill  
2 affecting competency, the licensing agency may take action by any one of the  
3 following methods:

4 (a) Revoking the licentiate's certificate or license.

5 (b) Suspending the licentiate's right to practice.

6 (c) Placing the licentiate on probation.

7 (d) Taking such other action in relation to the licentiate as the licensing agency  
8 in its discretion deems proper.

9 The licensing section shall not reinstate a revoked or suspended certificate or  
10 license until it has received competent evidence of the absence or control of the  
11 condition which caused its action and until it is satisfied that with due regard for the  
12 public health and safety the person's right to practice his or her profession may be  
13 safely reinstated.

14 15. Health and Safety Code section 11378 states:

15 Except as otherwise provided in Article 7 (commencing with Section 4110) of  
16 Chapter 9 of Division 2 of the Business and Professions Code, a person who  
17 possesses for sale a controlled substance that meets any of the following criteria shall  
18 be punished by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal  
19 Code:

20 (1) The substance is classified in Schedule III, IV, or V and is not a narcotic  
21 drug, except the substance specified in subdivision (g) of Section 11056.<sup>1</sup>

22 (2) The substance is specified in subdivision (d) of Section 11054, except  
23 paragraphs (13), (14), (15), (20), (21), (22), and (23) of subdivision (d).

24 (3) The substance is specified in paragraph (11) of subdivision (c) of Section  
25 11056.

26 (4) The substance is specified in paragraph (2) or (3) of subdivision (f) of  
27 Section 11054.<sup>2</sup>

28 (5) The substance is specified in subdivision (d), (e), or (f), except paragraph  
(3) of subdivision (e) and subparagraphs (A) and (B) of paragraph (2) of subdivision  
(f), of Section 11055.<sup>3</sup>

16. Health and Safety Code section 11366 states:

Every person who opens or maintains any place for the purpose of unlawfully  
selling, giving away, or using any controlled substance which is (1) specified in  
subdivision (b), (c), or (e), or paragraph (1) of subdivision (f) of Section 11054,  
specified in paragraph (13), (14), (15), or (20) of subdivision (d) of Section 11054, or  
specified in subdivision (b), (c), paragraph (1) or (2) of subdivision (d), or paragraph  
(3) of subdivision (e) of Section 11055, or (2) which is a narcotic drug classified in

<sup>1</sup> Health and Safety Code section 11056 defines Schedule III controlled substances.

<sup>2</sup> Health and Safety Code section 11054 defines Schedule I controlled substances.

<sup>3</sup> Health and Safety Code section 11055 defines Schedule II controlled substances.

1 Schedule III, IV, or V, shall be punished by imprisonment in the county jail for a  
2 period of not more than one year or the state prison.

3 **REGULATORY PROVISIONS**

4 17. California Code of Regulations, title 16, section 1360, states:

5 For the purposes of denial, suspension or revocation of a license, certificate or  
6 permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime  
7 or act shall be considered to be substantially related to the qualifications, functions or  
8 duties of a person holding a license, certificate or permit under the Medical Practice  
9 Act if to a substantial degree it evidences present or potential unfitness of a person  
10 holding a license, certificate or permit to perform the functions authorized by the  
11 license, certificate or permit in a manner consistent with the public health, safety or  
12 welfare. Such crimes or acts shall include but not be limited to the following:  
13 Violating or attempting to violate, directly or indirectly, or assisting in or abetting the  
14 violation of, or conspiring to violate any provision of the Medical Practice Act.

11 **COST RECOVERY**

12 18. Section 125.3 of the Code states:

13 (a) Except as otherwise provided by law, in any order issued in resolution of a  
14 disciplinary proceeding before any board within the department or before the  
15 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the  
16 administrative law judge may direct a licensee found to have committed a violation or  
17 violations of the licensing act to pay a sum not to exceed the reasonable costs of the  
18 investigation and enforcement of the case.

17 (b) In the case of a disciplined licensee that is a corporation or a partnership, the  
18 order may be made against the licensed corporate entity or licensed partnership.

18 (c) A certified copy of the actual costs, or a good faith estimate of costs where  
19 actual costs are not available, signed by the entity bringing the proceeding or its  
20 designated representative shall be prima facie evidence of reasonable costs of  
21 investigation and prosecution of the case. The costs shall include the amount of  
22 investigative and enforcement costs up to the date of the hearing, including, but not  
23 limited to, charges imposed by the Attorney General.

22 (d) The administrative law judge shall make a proposed finding of the amount  
23 of reasonable costs of investigation and prosecution of the case when requested  
24 pursuant to subdivision (a). The finding of the administrative law judge with regard  
25 to costs shall not be reviewable by the board to increase the cost award. The board  
26 may reduce or eliminate the cost award, or remand to the administrative law judge if  
27 the proposed decision fails to make a finding on costs requested pursuant to  
28 subdivision (a).

26 (e) If an order for recovery of costs is made and timely payment is not made as  
27 directed in the board's decision, the board may enforce the order for repayment in any  
28 appropriate court. This right of enforcement shall be in addition to any other rights  
the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be

conclusive proof of the validity of the order of payment and the terms for payment.

(g) (1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licensee who has failed to pay all of the costs ordered under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.

(h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in that board's licensing act provides for recovery of costs in an administrative disciplinary proceeding.
