11 In the Matter of the Accusation Against:

12 **SAI-SUN HO, M.D.**  
13 **2858 San Bruno Ave.**  
**San Francisco, CA 94134-1511**

14 **Physician's and Surgeon's Certificate No. G**  
15 **66825**

16 Respondent.

Case No. 800-2019-062128

**STIPULATED SETTLEMENT AND**  
**DISCIPLINARY ORDER**

17  
18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of  
22 California (Board). He brought this action solely in his official capacity and is represented in this  
23 matter by Rob Bonta, Attorney General of the State of California, by Greg W. Chambers,  
24 Supervising Deputy Attorney General.

25 2. Respondent Sai-Sun Ho, M.D. (Respondent) is represented in this proceeding by  
26 attorney Marglyn E. Paseka, Esq., whose address is: 50 California Street, 34th Floor  
27 San Francisco, CA 94111-4799.  
28

3. On or about August 25, 1989, the Board issued Physician's and Surgeon's Certificate No. G 66825 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2019-062128, and will expire on September 30, 2024, unless renewed.

## JURISDICTION

4. Accusation No. 800-2019-062128 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on November 3, 2022. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A copy of Accusation No. 800-2019-062128 is attached as exhibit A and incorporated herein by reference.

## ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2019-062128. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

## CULPABILITY

9. Respondent understands and agrees that the charges and allegations in Accusation No. 800-2019-062128, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and Surgeon's Certificate, No. G 66825.

10. For the purpose of resolving the Accusation without the expense and uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual basis for the allegations in the Accusation. Respondent hereby gives up his right to contest those charges.

11. Respondent agrees that if he ever petitions for early termination or modification of probation, or if the Board ever petitions for revocation of probation, all of the charges and allegations contained in Accusation No. 800-2019-062128 shall be deemed true, correct, and fully admitted by Respondent for purposes of that proceeding or any other licensing proceeding involving Respondent in the State of California.

12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to discipline and he agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

## CONTINGENCY

13. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

14. Respondent agrees that if he ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against him before the Board, all of the charges and allegations contained in Accusation No. 800-2019-062128 shall be

1 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any  
2 other licensing proceeding involving Respondent in the State of California.

3 15. The parties understand and agree that Portable Document Format (PDF) and facsimile  
4 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
5 signatures thereto, shall have the same force and effect as the originals.

6 16. In consideration of the foregoing admissions and stipulations, the parties agree that  
7 the Board may, without further notice or opportunity to be heard by the Respondent, issue and  
8 enter the following Disciplinary Order:

9 **DISCIPLINARY ORDER**

10 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 66825 issued  
11 to Respondent SAI-SUN HO, M.D. is revoked. However, the revocation is stayed and  
12 Respondent is placed on probation for five (5) years on the following terms and conditions:

13 1. **EDUCATION COURSE.** Within 60 calendar days of the effective date of this  
14 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee  
15 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours  
16 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at  
17 correcting any areas of deficient practice or knowledge and shall be Category I certified. The  
18 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to  
19 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the  
20 completion of each course, the Board or its designee may administer an examination to test  
21 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65  
22 hours of CME of which 40 hours were in satisfaction of this condition.

23 2. **PRESCRIBING PRACTICES COURSE.** Within 60 calendar days of the effective  
24 date of this Decision, Respondent shall enroll in a course in prescribing practices approved in  
25 advance by the Board or its designee. Respondent shall provide the approved course provider  
26 with any information and documents that the approved course provider may deem pertinent.  
27 Respondent shall participate in and successfully complete the classroom component of the course  
28 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully

1 complete any other component of the course within one (1) year of enrollment. The prescribing  
2 practices course shall be at Respondent's expense and shall be in addition to the Continuing  
3 Medical Education (CME) requirements for renewal of licensure.

4 A prescribing practices course taken after the acts that gave rise to the charges in the  
5 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
6 or its designee, be accepted towards the fulfillment of this condition if the course would have  
7 been approved by the Board or its designee had the course been taken after the effective date of  
8 this Decision.

9 Respondent shall submit a certification of successful completion to the Board or its  
10 designee not later than 15 calendar days after successfully completing the course, or not later than  
11 15 calendar days after the effective date of the Decision, whichever is later.

12 3. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective  
13 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in  
14 advance by the Board or its designee. Respondent shall provide the approved course provider  
15 with any information and documents that the approved course provider may deem pertinent.  
16 Respondent shall participate in and successfully complete the classroom component of the course  
17 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully  
18 complete any other component of the course within one (1) year of enrollment. The medical  
19 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing  
20 Medical Education (CME) requirements for renewal of licensure.

21 A medical record keeping course taken after the acts that gave rise to the charges in the  
22 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
23 or its designee, be accepted towards the fulfillment of this condition if the course would have  
24 been approved by the Board or its designee had the course been taken after the effective date of  
25 this Decision.

26 Respondent shall submit a certification of successful completion to the Board or its  
27 designee not later than 15 calendar days after successfully completing the course, or not later than  
28 15 calendar days after the effective date of the Decision, whichever is later.

1           4.    PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of  
2 the effective date of this Decision, Respondent shall enroll in a professionalism program, that  
3 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
4 Respondent shall participate in and successfully complete that program. Respondent shall  
5 provide any information and documents that the program may deem pertinent. Respondent shall  
6 successfully complete the classroom component of the program not later than six (6) months after  
7 Respondent's initial enrollment, and the longitudinal component of the program not later than the  
8 time specified by the program, but no later than one (1) year after attending the classroom  
9 component. The professionalism program shall be at Respondent's expense and shall be in  
10 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

11           A professionalism program taken after the acts that gave rise to the charges in the  
12 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
13 or its designee, be accepted towards the fulfillment of this condition if the program would have  
14 been approved by the Board or its designee had the program been taken after the effective date of  
15 this Decision.

16           Respondent shall submit a certification of successful completion to the Board or its  
17 designee not later than 15 calendar days after successfully completing the program or not later  
18 than 15 calendar days after the effective date of the Decision, whichever is later.

19           5.    MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
20 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
21 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose  
22 licenses are valid and in good standing, and who are preferably American Board of Medical  
23 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
24 relationship with Respondent, or other relationship that could reasonably be expected to  
25 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
26 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
27 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

28           The Board or its designee shall provide the approved monitor with copies of the Decision(s)

1 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the  
2 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed  
3 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role  
4 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
5 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
6 signed statement for approval by the Board or its designee.

7 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
8 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
9 make all records available for immediate inspection and copying on the premises by the monitor  
10 at all times during business hours and shall retain the records for the entire term of probation.

11 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
12 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
13 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
14 shall cease the practice of medicine until a monitor is approved to provide monitoring  
15 responsibility.

16 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
17 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
18 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
19 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
20 that the monitor submits the quarterly written reports to the Board or its designee within 10  
21 calendar days after the end of the preceding quarter.

22 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
23 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
24 name and qualifications of a replacement monitor who will be assuming that responsibility within  
25 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
26 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
27 notification from the Board or its designee to cease the practice of medicine within three (3)  
28 calendar days after being so notified. Respondent shall cease the practice of medicine until a

1 replacement monitor is approved and assumes monitoring responsibility.

2 In lieu of a monitor, Respondent may participate in a professional enhancement program  
3 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
4 review, semi-annual practice assessment, and semi-annual review of professional growth and  
5 education. Respondent shall participate in the professional enhancement program at Respondent's  
6 expense during the term of probation.

7 6. PROHIBITED PRACTICE. During probation, Respondent is prohibited from  
8 registering for a DEA certificate until Respondent has successfully completed the Prescribing  
9 Practices Course identified in this Stipulated Settlement and Disciplinary Order.

10 7. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
11 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
12 Chief Executive Officer at every hospital where privileges or membership are extended to  
13 Respondent, at any other facility where Respondent engages in the practice of medicine,  
14 including all physician and locum tenens registries or other similar agencies, and to the Chief  
15 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
16 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
17 calendar days.

18 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

19 8. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
20 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
21 advanced practice nurses.

22 9. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
23 governing the practice of medicine in California and remain in full compliance with any court  
24 ordered criminal probation, payments, and other orders.

25 10. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby  
26 ordered to reimburse the Board its costs of investigation and enforcement, including, but not  
27 limited to, expert review, amended accusations, legal reviews, investigation(s), and subpoena  
28 enforcement, as applicable, in the amount of \$10,537.25 (ten thousand five hundred thirty-seven

dollars and twenty-five cents). Costs shall be payable to the Medical Board of California. Failure to pay such costs shall be considered a violation of probation.

Payment must be made in full within 30 calendar days of the effective date of the Order, or by a payment plan approved by the Medical Board of California. Any and all requests for a payment plan shall be submitted in writing by respondent to the Board. Failure to comply with the payment plan shall be considered a violation of probation.

The filing of bankruptcy by Respondent shall not relieve respondent of the responsibility to repay investigation and enforcement costs, including expert review costs (if applicable).

11. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probation.

Respondent shall submit quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

12. GENERAL PROBATION REQUIREMENTS.

Compliance with Probation Unit

Respondent shall comply with the Board's probation unit.

Address Changes

Respondent shall, at all times, keep the Board informed of Respondent's business and residence addresses, email address (if available), and telephone number. Changes of such addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021, subdivision (b).

Place of Practice

Respondent shall not engage in the practice of medicine in Respondent's or patient's place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

License Renewal

Respondent shall maintain a current and renewed California physician's and surgeon's

1 license.

2 Travel or Residence Outside California

3 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
4 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
5 (30) calendar days.

6 In the event Respondent should leave the State of California to reside or to practice  
7 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
8 departure and return.

9 13. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
10 available in person upon request for interviews either at Respondent's place of business or at the  
11 probation unit office, with or without prior notice throughout the term of probation.

12 14. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
13 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
14 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
15 defined as any period of time Respondent is not practicing medicine as defined in Business and  
16 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
17 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
18 Respondent resides in California and is considered to be in non-practice, Respondent shall  
19 comply with all terms and conditions of probation. All time spent in an intensive training  
20 program which has been approved by the Board or its designee shall not be considered non-  
21 practice and does not relieve Respondent from complying with all the terms and conditions of  
22 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
23 on probation with the medical licensing authority of that state or jurisdiction shall not be  
24 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
25 period of non-practice.

26 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
27 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
28 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program

1 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
2 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

3 Respondent's period of non-practice while on probation shall not exceed two (2) years.

4 Periods of non-practice will not apply to the reduction of the probationary term.

5 Periods of non-practice for a Respondent residing outside of California will relieve  
6 Respondent of the responsibility to comply with the probationary terms and conditions with the  
7 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
8 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
9 Controlled Substances; and Biological Fluid Testing.

10 15. COMPLETION OF PROBATION. Respondent shall comply with all financial  
11 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
12 completion of probation. This term does not include cost recovery, which is due within 30  
13 calendar days of the effective date of the Order, or by a payment plan approved by the Medical  
14 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate  
15 shall be fully restored.

16 16. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
17 of probation is a violation of probation. If Respondent violates probation in any respect, the  
18 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
19 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
20 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
21 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
22 the matter is final.

23 17. LICENSE SURRENDER. Following the effective date of this Decision, if  
24 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
25 the terms and conditions of probation, Respondent may request to surrender his license. The  
26 Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
27 determining whether or not to grant the request, or to take any other action deemed appropriate  
28 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent

1 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
2 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
3 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
4 application shall be treated as a petition for reinstatement of a revoked certificate.

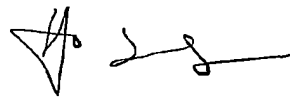

5 18. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
6 with probation monitoring each and every year of probation, as designated by the Board, which  
7 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
8 California and delivered to the Board or its designee no later than January 31 of each calendar  
9 year.

10 19. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
11 a new license or certification, or petition for reinstatement of a license, by any other health care  
12 licensing action agency in the State of California, all of the charges and allegations contained in  
13 Accusation No. 800-2019-062128 shall be deemed to be true, correct, and admitted by  
14 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
15 restrict license.

16 ACCEPTANCE

17 I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully  
18 discussed it with my attorney, Marglyn E. Paseka, Esq. I understand the stipulation and the effect  
19 it will have on my Physician's and Surgeon's Certificate. I enter into this Stipulated Settlement  
20 and Disciplinary Order voluntarily, knowingly, and intelligently, and agree to be bound by the  
21 Decision and Order of the Medical Board of California.

## JURISDICTION

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2220 of the Code states:

Except as otherwise provided by law, the Board may take action against all persons guilty of violating this chapter. The Board shall enforce and administer this article as to physician and surgeon certificate holders, including those who hold certificates that do not permit them to practice medicine, such as, but not limited to, retired, inactive, or disabled status certificate holders, and the Board shall have all the powers granted in this chapter for these purposes including, but not limited to:

(a) Investigating complaints from the public, from other licensees, from health care facilities, or from the Board that a physician and surgeon may be guilty of unprofessional conduct. The Board shall investigate the circumstances underlying a report received pursuant to Section 805 or 805.01 within 30 days to determine if an interim suspension order or temporary restraining order should be issued. The Board shall otherwise provide timely disposition of the reports received pursuant to Section 805 and Section 805.01.

(b) Investigating the circumstances of practice of any physician and surgeon where there have been any judgments, settlements, or arbitration awards requiring the physician and surgeon or his or her professional liability insurer to pay an amount in damages in excess of a cumulative total of thirty thousand dollars (\$30,000) with respect to any claim that injury or damage was proximately caused by the physician's and surgeon's error, negligence, or omission.

(c) Investigating the nature and causes of injuries from cases which shall be reported of a high number of judgments, settlements, or arbitration awards against a physician and surgeon.

5. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed

one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

6. Section 2234 of the Code states:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

(b) Gross negligence.

(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

(d) Incompetence.

(e) The commission of any act involving dishonesty or corruption that is substantially related to the qualifications, functions, or duties of a physician and surgeon.

(f) Any action or conduct that would have warranted the denial of a certificate.

(g) The failure by a certificate holder, in the absence of good cause, to attend and participate in an interview by the board. This subdivision shall only apply to a certificate holder who is the subject of an investigation by the board.

1       7.     Section 2238 of the Code states: A violation of any federal statute or federal  
2 regulation or any other statutes or regulation of this state regulating dangerous drugs or controlled  
3 substances constitutes unprofessional conduct.

4       8.     Section 2266 of the Code states: The failure of a physician and surgeon to maintain  
5 adequate and accurate records relating to the provision of services to their patients constitutes  
6 unprofessional conduct.

7       9.     21 Code of Federal Regulations section 1301.11(a) states in pertinent part:

8       “Every person who manufactures, distributes, dispenses, imports, or exports any controlled  
9 substance or who proposes to engage in the manufacture, distribution, dispensing, importation or  
10 exportation of any controlled substance shall obtain a registration unless exempted by law or  
11 pursuant to §§ 1301.22 through 1301.26.”

#### 12                                   **COST RECOVERY**

13       10.    Section 125.3 of the Code provides, in pertinent part, that the Board may request the  
14 administrative law judge to direct a licensee found to have committed a violation or violations of  
15 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and  
16 enforcement of the case, with failure of the licensee to comply subjecting the license to not being  
17 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be  
18 included in a stipulated settlement.

#### 19                                   **DEFINITIONS**

20       11.    Acetaminophen with hydrocodone, known by the trade name Norco, is a non-opiate,  
21 non-salicylate analgesic and antipyretic. It is semisynthetic narcotic analgesic and a dangerous  
22 drug as defined in section 4022 of the Code. Norco is a schedule II controlled substance and  
23 narcotic as defined by section 11055, subdivision (e) of the Health and Safety Code.

24       12.    Ambien, a trade name for zolpidem tartrate, is a non-benzodiazepine hypnotic of the  
25 imidazopyridine class. It is a dangerous drug as defined in Business and Professions Code  
26 section 4022 and a schedule IV controlled substance as defined by section 11057 of the Health  
27 and Safety Code.

1           13. Ativan is a trade name for lorazepam, a psychotropic drug for the management of  
2 anxiety disorders or for the short-term relief of the symptoms of anxiety. It is a dangerous drug as  
3 defined in Business and Professions Code section 4022 and a schedule IV controlled substance as  
4 defined by section 11057, subdivision (d) of the Health and Safety Code.

5           14. Carisoprodol, also known by the trade name SOMA, is a muscle-relaxant and  
6 sedative. It is a dangerous drug as defined in section 4022 of the Business and Professions Code,  
7 and a schedule IV controlled substance as defined by section 11057 of the Health and Safety  
8 Code.

9           15. Dilaudid is a trade name for hydromorphone hydrochloride. It is a dangerous drug as  
10 defined in section 4022 and a schedule II controlled substance as defined by section 11055,  
11 subdivision (d) of the Health and Safety Code.

12           16. Diazepam, known by the trade name Valium, is a psychotropic drug for the  
13 management of anxiety disorders or for the short-term relief of the symptoms of anxiety. It is a  
14 dangerous drug as defined in section 4022 of the Code and a Schedule IV controlled substance as  
15 defined by section 11057 of the Health and Safety Code.

16           17. Klonopin is a trade name for clonazepam, an anticonvulsant of the benzodiazepine  
17 class of drugs. It is a dangerous drug as defined in section 4022 and a schedule IV controlled  
18 substance as defined by section 11057 of the Health and Safety Code.

19           18. Morphine sulfate is for use in patients who require a potent opioid analgesic for relief  
20 of moderate to severe pain. Morphine is a dangerous drug as defined in section 4022 of the Code,  
21 a schedule II controlled substance and narcotic as defined by section 11055, subdivision (b)(1) of  
22 the Health and Safety Code. Morphine can produce drug dependence and has a potential for  
23 being abused.

24           19. Mirabegron, sold under the brand name Myrbetriq among others, is a medication used  
25 to treat overactive bladder. It is a dangerous drug as defined in Code section 4022.

26           20. Oxycodone is a semisynthetic narcotic analgesic with multiple actions qualitatively  
27 similar to those of morphine. It is a dangerous drug as defined in Code section 4022 and a  
28

1 schedule II controlled substance and narcotic as defined by section 11055, subdivision (b)(1) of  
2 the Health and Safety Code.

3 21. Phenergan is a trade name for promethazine HCl. It is a dangerous drug as defined in  
4 section 4022 of the Code, and has antihistaminic, sedative, antinotion-sickness, antiemetic, and  
5 anticholinergic effects. It may be used as a preoperative sedative.

6 22. Ultram, a trade name for tramadol hydrochloride, is a centrally acting synthetic  
7 analgesic compound. It is a dangerous drug as defined in section 4022 of the Business and  
8 Professions Code, and a schedule II controlled substance as defined by section 11057 of the  
9 Health and Safety Code.

10 23. Xanax is a trade name for alprazolam tablets. Alprazolam (trade name Xanax) is a  
11 psychotropic triazolo analogue of the 1, 4 benzodiazepine class of central nervous system-active  
12 compounds. Xanax is used for the management of anxiety disorders or for the short-term relief of  
13 the symptoms of anxiety. It is a dangerous drug as defined in section 4022 and a schedule IV  
14 controlled substance and narcotic as defined by section 11057, subdivision (d) of the Health and  
15 Safety Code.

#### 16 **FACTUAL ALLEGATIONS**

17 24. On June 26 2019, the United States Drug Enforcement Agency (DEA) executed a  
18 search warrant at Respondent's office. Respondent was interviewed and voluntarily surrendered  
19 his DEA registration. Respondent signed a form stating that he understood that he was no longer  
20 authorized to "order, manufacture, distribute, possess, dispense, administer, prescribe, or engage  
21 in any other activities with controlled substances."

22 25. On October 6, 2019, Respondent ordered Norco and tramadol via phone for Patient 1,  
23 a male born in 1973.<sup>1</sup> On October 8, 2019, Respondent ordered Ativan via phone for Patient 1.  
24 On October 11, 2019, Respondent signed all of these prescribing orders. Respondent did not  
25 have a valid controlled substances (DEA) registration at that time.

26  
27  
28 <sup>1</sup> Numbers are used to protect patient privacy. Respondent may learn the names of the  
patients through the discovery process.

1       26. On October 7, 2019, Respondent ordered morphine 2 mg, morphine 4 mg, and  
2 Ambien for Patient 2, a female born in 1988. Respondent did not have a valid controlled  
3 substances (DEA) registration at that time.

4       27. On October 10, 2019, Respondent, via a verbal order, prescribed morphine to Patient  
5 3, a male born in 1956. On October 11, 2019, Respondent signed this prescribing order.  
6 Respondent did not have a valid controlled substances (DEA) registration at that time.

7       28. On October 11, 2019, Respondent twice ordered Ativan for Patient 4, a male born in  
8 1948. On the same date, Respondent also prescribed Tramadol for Patient 4. Respondent did not  
9 have a valid controlled substances (DEA) registration at that time.

10       29. On October 20, 2019, Respondent ordered Dilaudid for Patient 5, a male born in  
11 1954. Respondent did not have a valid controlled substances (DEA) registration at that time.

12       30. On October 23, 2019, Respondent ordered Ambien for Patient 6, a male born in 1961.  
13 Respondent did not have a valid controlled substances (DEA) registration at that time.

14       31. On October 23 2019, Respondent ordered Dilaudid and Ativan for Patient 7, a male  
15 born in 1980. On October 24, 2019, Respondent ordered morphine for Patient 7. Respondent did  
16 not have a valid controlled substances (DEA) registration at that time he ordered the Dilaudid,  
17 Ativan and morphine for Patient 7.

18                                   **FIRST CAUSE FOR DISCIPLINE**

19                   **(Unprofessional Conduct: Gross Negligence/Repeated Negligent Acts – Patients 1 - 7)**

20       32. Paragraphs 24 through 31 are incorporated by reference as if fully set forth.

21       33. Respondent is subject to disciplinary action under sections 2234 [unprofessional  
22 conduct] and/or 2234(b) [gross negligence] and/or 2234(c) [repeated negligent acts], and/or 2238  
23 [violation of drug statutes] in that Respondent engaged in unprofessional conduct, was grossly  
24 negligent, and/or repeatedly negligent in the care and treatment of Patients 1 through 7, including  
25 but not limited to:

26           A. Prescribing controlled substances to Patients 1 through 7 without a valid controlled  
27 substances (DEA) registration at the time.  
28

**SECOND CAUSE FOR DISCIPLINE**

**(Unprofessional Conduct: Gross Negligence/Repeated Negligent Acts/Failure to Adequately and Accurately Maintain Documents – Patient 8)**

34. Respondent is subject to disciplinary action under sections 2234 [unprofessional conduct] and/or 2234(b [gross negligence] and/or 2234(c) [repeated negligent acts] and/or 2266 [failure to maintain adequate or accurate records] in that Respondent engaged in unprofessional conduct, was grossly negligent and/or repeatedly negligent, and failed to adequately and accurately maintain records in the care and treatment of Patients 8. The circumstances are as follows:

35. In 2011, Respondent commenced treating Patient 8, a female born in 1966, for pain in her hips and knees. She was subsequently treated for other maladies including “chronic bronchitis” and “anxiety.” From May 16, 2018 to June 30, 2019, Respondent regularly prescribed to Patient 8 Norco 10/325 mg. #180 for a 30-day supply, diazepam 10 mg. #60 for a 30-day supply, and phenergan with codeine 16 ounce, presumably for a 30-day supply.

36. Discussion of medical side effects and risks were not documented in the records regarding Norco and diazepam taken at the same time, and no prescription for or discussion of Narcan was noted in the records. No pain contract was found in the records. There was no documentation of urine drug screens. The records contain no rationale why Patient 8’s anxiety was treated with only diazepam, twice daily, every day; and no documented rationale why Patient 8’s chronic bronchitis was treated with phenergan with codeine, with an average of three doses per day, every day.

37. On May 16, 2018 Patient 8’s blood pressure was elevated at 180/110. There was no review of systems and no physical examination documented. There was no follow-up planned. On March 11, 2019, Patient 8’s blood pressure was again elevated, 160/105. Again, there was no follow-up planned and no further blood pressure readings on her chart.

38. On May 16, 2018, Patient 8 complained of left shoulder pain. There was no history of present illness, no review of symptom, no physical examination, and no assessment and plan. On November 16, 2018, Patient 8 complained of abdominal pain. There was no review of systems, no physical examination, and no assessment and plan. On February 7, 2019, Patient 8

1 complained of coughing with earache, chest congestion and tightness. There was no review of  
2 systems and no physical examination.

3 **THIRD CAUSE FOR DISCIPLINE**  
4 **(Unprofessional Conduct: Gross Negligence/Repeated Negligent Acts/Failure to Adequately  
and Accurately Maintain Documents – Patient 9)**

5 39. Respondent is subject to disciplinary action under sections 2234 [unprofessional  
6 conduct] and/or 2234(b [gross negligence] and/or 2234(c) [repeated negligent acts] and/or 2266  
7 [failure to maintain adequate or accurate records] in that Respondent engaged in unprofessional  
8 conduct, was grossly negligent and/or repeatedly negligent, and failed to adequately and  
9 accurately maintain records in the care and treatment of Patient 9. The circumstances are as  
10 follows:

11 40. Patient 9 was a male born in 1967 who had a chronic pain diagnosis of traumatic  
12 arthritis of right shoulder with occasional notation of chronic neck pain and cervical  
13 radiculopathy. Patient 9 also had a diagnosis of anxiety disorder. There is no documentation of a  
14 physical exam of the neck, shoulders, nor mental status.

15 41. From June 20, 2018 through June 5, 2019, Respondent regularly prescribed to  
16 Patient 9 oxycodone 10 mg #300 for a 30-day supply, Xanax 2 mg #180 for a 30-day supply, and  
17 Soma 350 mg #180 for a 30-day supply. There was no documentation of medication side effects  
18 or of urine drug screen results. Patient 9 had an MME of 450.<sup>2</sup> There was no documentation why  
19 Patient 9's anxiety was treated with only Xanax, 6 pills per day;

20 42. Discussion of medical side effects and risks were not documented in the records  
21 regarding Norco and diazepam taken at the same time, and no discussion of Narcan was noted in  
22 the records. No pain contract was found in the records, and no documentation of a referral or  
23 consultation for Patient 9's anxiety.

24 43. On June 20, 2018, Patient 9's blood pressure was 140/110. On July 27, 2018, the  
25 blood pressure was 140/110. On August 10, 2018, the blood pressure was 145/100. On

26  
27 <sup>2</sup> Morphine Milligram Equivalency or morphine equivalent doses (MED) are values that  
28 represent the potency of an opioid dose relative to morphine. The calculation or conversion  
amount of each opioid the patient takes on a daily basis is intended to help clinicians make safe,  
appropriate decisions concerning changes to opioid regimens.

1 September 12, 2018, the reading was 170/110 and on October 9, 2018, the blood pressure was  
2 160/120. After each of those test results Respondent failed to conduct a review of systems or  
3 physical evaluation of Patient 9.

4 44. On July 27, 2018, Patient 9 complained of left shoulder pain, vague abdominal pain,  
5 and an altercation with his wife and son. There was no history of present illness, no review of  
6 systems, no physical examination, and no assessment and plan related to these complaints. On  
7 November 7, 2018, Patient 9 complained of urinary frequency. There was no review of systems,  
8 and no physical examination. The assessment was just a repeat of the symptom "urinary  
9 frequency" with a plan to trial a medication called Myrbetriq. This medication is usually given  
10 for overactive bladder but this diagnosis was not made. On April 10, 2019, Patient 9 complained  
11 of rectal bleeding and abdominal gas. There was no history of present illness, no review of  
12 systems, no physical examination, and no assessment and plan related to these complaints. It is  
13 unclear how the diagnosis of "bleeding hemorrhoid" versus other possible causes for rectal  
14 bleeding was made.

#### 15 **FOURTH CAUSE FOR DISCIPLINE**

16 **(Unprofessional Conduct: Gross Negligence/Repeated Negligent Acts/Failure to Adequately  
and Accurately Maintain Documents – Patient 10)**

17 45. Respondent is subject to disciplinary action under sections 2234 [unprofessional  
18 conduct] and/or 2234(b [gross negligence] and/or 2234(c) [repeated negligent acts] and/or 2266  
19 [failure to maintain adequate or accurate records] in that Respondent engaged in unprofessional  
20 conduct, was grossly negligent and/or repeatedly negligent, and failed to adequately and  
21 accurately maintain records in the care and treatment of Patients 10. The circumstances are as  
22 follows:

23 46. Patient 10 was a male born in 1974 who had chronic pain from a 2008 accident.  
24 Patient 10 was diagnosed with "left shoulder pain"; "history of traumatic fracture of vertebra";  
25 "panic disorder"; and "insomnia." There is one visit with a diagnosis of lumbar "degenerative  
26 disc disease" and one visit with a diagnosis of "right hip pain." From May 1, 2018 through June  
27 21, 2019, there are no documented vital signs and no documented physical examinations of the  
28 shoulder, back, hip, nor mental status.

1        47. From May 1, 2018 through June 21, 2019, Respondent regularly prescribed  
2        oxycodone 30 mg #120 for a 30-day supply and Xanax 2 mg #30 for a 30-day supply. There is  
3        no documentation of medication side effects, of urine drug screens, of using non-narcotic and/or  
4        non-medication modalities for pain control, of considering a long-acting pain medication, nor of  
5        attempts to wean Patient 10, who was averaging 4 oxycodone pills per day, which is 180 MME  
6        per day.

7        48. The records failed to note why Patient 10's insomnia was treated only with daily  
8        Xanax, nor did they contain any referrals or consultations for the pain or insomnia. No pain  
9        contract or risk of overdose was noted in the records, and no prescription for or discussion of  
10       Narcan was in the records. The records also lacked results for urine drug screens, vital signs and  
11       physical examinations.

#### 12        **FOURTH CAUSE FOR DISCIPLINE**

#### 13        **(Unprofessional Conduct: Gross Negligence/Repeated Negligent Acts/Failure to Adequately 14        and Accurately Maintain Documents – Patient 11)**

15        49. Respondent is subject to disciplinary action under sections 2234 [unprofessional  
16        conduct] and/or 2234(b [gross negligence] and/or 2234(c) [repeated negligent acts] and/or 2266  
17        [failure to maintain adequate or accurate records] in that Respondent engaged in unprofessional  
18        conduct, was grossly negligent and/or repeatedly negligent, and failed to adequately and  
19        accurately maintain records in the care and treatment of Patients 11. The circumstances are as  
20        follows:

21        50. Patient 11 was a male born in 1961. Respondent regularly saw Patient 11 about once  
22        per month from July 22, 2018 to May 31, 2019. During this time, Respondent regularly  
23        prescribed Patient 11 morphine extended release 200 mg #90 for a 30-day supply, oxycodone 30  
24        mg #180 for a 30-day supply, and Klonopin 2 mg #90 for a 30-day supply.

25        51. Patient 11 had a diagnosis of "osteoarthritis of hip," which dated as far back as 2013  
26        and persisted despite having surgery. There are also diagnoses of "general anxiety disorder" and  
27        "insomnia." There was no physical examination of the hips nor mental status in the records.

28        52. Medication side effects are not specifically addressed in the records, although on  
February 1, 2019, Respondent noted that Patient 11 had frequent falls "multiple times weekly."

1 On March 1, 2019, the note says "multiple falls." There is no examination of his gait. The only  
2 plan is to get carpet and a wheelchair. It is unclear whether the falls could have been related to  
3 Patient 11's medications. There is no information in the chart about urine drug screen results  
4 even though Respondent was prescribing Patient 11 a daily 870 MME.

5 53. There is no mention of using non-narcotic and/or non-medication modalities for pain  
6 control. There is no information about why Patient 11's anxiety was treated with only Klonopin,  
7 3 pills per day. There is no information about why an additional benzodiazepine, Xanax, was  
8 prescribed for insomnia. A July 2, 2018, the note says that Xanax is "not to be used with opiate,"  
9 but Patient 11 was taking 3 extended release morphine pills plus an average of 6 oxycodone pills  
10 each day.

11 54. There was no documented pain contract, no documentation to refer Patient 11 to a  
12 pain management consultant or specialist, and no documentation referring Patient 11 to an expert  
13 for anxiety and insomnia.

14 55. On October 2, 2018, Patient 11 complained of palpitations. There was no history of  
15 present illness, no review of systems, no physical examination related to this complaint, with only  
16 a plan to increase the clonidine dose.

17 56. On April 1, 2019, Patient 11 complained of "heart racing." There was no review of  
18 systems, no physical examination and no assessment and plan related to this complaint.

19 **FOURTH CAUSE FOR DISCIPLINE**

20 **(Unprofessional Conduct: Gross Negligence/Repeated Negligent Acts/Failure to Adequately  
21 and Accurately Maintain Documents – Patient 12)**

22 57. Respondent is subject to disciplinary action under sections 2234 [unprofessional  
23 conduct] and/or 2234(b [gross negligence] and/or 2234(c) [repeated negligent acts] and/or 2266  
24 [failure to maintain adequate or accurate records] in that Respondent engaged in unprofessional  
25 conduct, was grossly negligent and/or repeatedly negligent, and failed to adequately and  
26 accurately maintain records in the care and treatment of Patients 12. The circumstances are as  
27 follows:

28 58. Patient 12 was a male born in 1947 who was a former construction worker and had  
chronic pain from a motorcycle accident and surgeries. There was a diagnosis of "traumatic

1 arthritis of hip" and "osteoarthritis of knee" in the notes. There were also diagnoses of "major  
2 depressive disorder"; "general anxiety disorder"; "seasonal affective disorder"; and "insomnia."  
3 There was no physical examination of the hips, knees, nor mental status.

4 59. From June 26, 2018 through June 26, 2019, Respondent saw Patient 12 about once a  
5 month and repeatedly prescribed Norco 10/325 mg #180 for a 30-day supply, oxycodone 10 mg  
6 #180 for a 30 -day supply, Valium 10 mg #60 or #90 for a 30-day supply, and Xanax 2 mg #60 or  
7 #90 for a 30-day supply. No urine drug screen results are reported.

8 60. Respondent intermittently changed Patient 12 from Norco to Oxycodone without  
9 documenting the rationale for doing so, and failing to note the differing MMEs between the two  
10 controlled substances.

11 61. There is no mention in the records reviewed of any referrals nor consultations.

12 62. On April 24, 2019, Patient 12 had a stool test for fecal globin that was positive  
13 ("detected"). There is nothing on the chart documenting that Patient 12 was informed of this  
14 result. There is nothing in the chart about a plan to manage this abnormal result. There was a  
15 Wellness visit on May 1, 2019 that populates "data" of fecal globin done on April 24, 2019 and  
16 that CRC screening is "satisfied for 2019." There is no mention about the abnormal result in this  
17 note, nor in the notes on June 3, 2019 and June 26, 2019.

18 63. On March 12, 2019, Patient 12 reported that "both ears are plugged up." There was no  
19 history of present illness, no review of systems, and no physical examination related to this  
20 complaint. The assessment and plan was "serous otitis media" and "suggest claritin." The note  
21 does not support this diagnosis and the suggestion of Claritin is inadequate treatment for otitis  
22 media.

23 64. On January 2, 2019 and February 4, 2019, Patient 12 complained of dizziness. There  
24 was scant history of present illness, no review of systems, and no physical examination related to  
25 this complaint. The assessment and plan was vestibular disequilibrium. It was not addressed if  
26 this could have been related to Patient 12's medications.

27 65. On January 2, 2019, Patient 12 complained of "episodes of mild difficulty voiding on  
28 medication." There was no further history of present illness details, no review of systems, and no

1 physical examination. The assessment and plan was urinary retention likely due to opiate use.  
2 The record does not support this diagnosis. The note does not have a treatment and follow-up  
3 plan. The subsequent notes do not mention this issue again.

4 **PRAYER**

5 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
6 and that following the hearing, the Medical Board of California issue a decision:

- 7 1. Revoking or suspending Physician's and Surgeon's Certificate Number G 66825,  
8 issued to Sai-Sun Ho, M.D.;
- 9 2. Revoking, suspending or denying approval of Sai-Sun Ho, M.D.'s authority to  
10 supervise physician assistants and advanced practice nurses;
- 11 3. Ordering Sai-Sun Ho, M.D., to pay the Board the costs of the investigation and  
12 enforcement of this case, and if placed on probation, the costs of probation monitoring; and
- 13 4. Taking such other and further action as deemed necessary and proper.
