4. Section 2220 of the Code states:

Except as otherwise provided by law, the board may take action against all persons guilty of violating this chapter. The board shall enforce and administer this article as to physician and surgeon certificate holders, including those who hold certificates that do not permit them to practice medicine, such as, but not limited to, retired, inactive, or disabled status certificate holders, and the board shall have all the powers granted in this chapter for these purposes including, but not limited to:

(a) Investigating complaints from the public, from other licensees, from health care facilities, or from the board that a physician and surgeon may be guilty of unprofessional conduct. The board shall investigate the circumstances underlying a report received pursuant to Section 805 or 805.01 within 30 days to determine if an interim suspension order or temporary restraining order should be issued. The board shall otherwise provide timely disposition of the reports received pursuant to Section 805 and Section 805.01.

(b) Investigating the circumstances of practice of any physician and surgeon where there have been any judgments, settlements, or arbitration awards requiring the physician and surgeon or his or her professional liability insurer to pay an amount in damages in excess of a cumulative total of thirty thousand dollars (\$30,000) with respect to any claim that injury or damage was proximately caused by the physician's and surgeon's error, negligence, or omission.

(c) Investigating the nature and causes of injuries from cases which shall be reported of a high number of judgments, settlements, or arbitration awards against a physician and surgeon.

5. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

STATUTORY PROVISIONS

6. Section 2234 of the Code, states:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

(b) Gross negligence.

(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically

1 appropriate for that negligent diagnosis of the patient shall constitute a single
negligent act.

2 (2) When the standard of care requires a change in the diagnosis, act, or
3 omission that constitutes the negligent act described in paragraph (1), including, but
4 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
licensee's conduct departs from the applicable standard of care, each departure
constitutes a separate and distinct breach of the standard of care.

5 (d) Incompetence.

6 (e) The commission of any act involving dishonesty or corruption that is
7 substantially related to the qualifications, functions, or duties of a physician and
surgeon.

8 (f) Any action or conduct that would have warranted the denial of a certificate.

9 (g) The failure by a certificate holder, in the absence of good cause, to attend
10 and participate in an interview by the board. This subdivision shall only apply to a
certificate holder who is the subject of an investigation by the board.

11 **COST RECOVERY**

12 7. Section 125.3 of the Code provides:

13 (a) Except as otherwise provided by law, in any order issued in resolution of a
14 disciplinary proceeding before any board within the department or before the
15 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
16 administrative law judge may direct a licensee found to have committed a violation or
violations of the licensing act to pay a sum not to exceed the reasonable costs of the
investigation and enforcement of the case.

17 (b) In the case of a disciplined licensee that is a corporation or a partnership, the
18 order may be made against the licensed corporate entity or licensed partnership.

19 (c) A certified copy of the actual costs, or a good faith estimate of costs where
20 actual costs are not available, signed by the entity bringing the proceeding or its
21 designated representative shall be prima facie evidence of reasonable costs of
investigation and prosecution of the case. The costs shall include the amount of
investigative and enforcement costs up to the date of the hearing, including, but not
limited to, charges imposed by the Attorney General.

22 (d) The administrative law judge shall make a proposed finding of the amount
23 of reasonable costs of investigation and prosecution of the case when requested
24 pursuant to subdivision (a). The finding of the administrative law judge with regard
25 to costs shall not be reviewable by the board to increase the cost award. The board
may reduce or eliminate the cost award, or remand to the administrative law judge if
the proposed decision fails to make a finding on costs requested pursuant to
subdivision (a).

26 (e) If an order for recovery of costs is made and timely payment is not made as
27 directed in the board's decision, the board may enforce the order for repayment in any
28 appropriate court. This right of enforcement shall be in addition to any other rights
the board may have as to any licensee to pay costs.

1 (f) In any action for recovery of costs, proof of the board's decision shall be
conclusive proof of the validity of the order of payment and the terms for payment.

2 (g) (1) Except as provided in paragraph (2), the board shall not renew or
3 reinstate the license of any licensee who has failed to pay all of the costs ordered
under this section.

4 (2) Notwithstanding paragraph (1), the board may, in its discretion,
5 conditionally renew or reinstate for a maximum of one year the license of any
6 licensee who demonstrates financial hardship and who enters into a formal agreement
with the board to reimburse the board within that one-year period for the unpaid
costs.

7 (h) All costs recovered under this section shall be considered a reimbursement
8 for costs incurred and shall be deposited in the fund of the board recovering the costs
to be available upon appropriation by the Legislature.

9 (i) Nothing in this section shall preclude a board from including the recovery of
10 the costs of investigation and enforcement of a case in any stipulated settlement.

11 (j) This section does not apply to any board if a specific statutory provision in
12 that board's licensing act provides for recovery of costs in an administrative
disciplinary proceeding.

13 FACTUAL ALLEGATIONS

14 8. Respondent is currently retired. He previously practiced as a board certified
15 obstetrician and gynecologist at Sierra Vista Regional Medical Center and Community Health
16 Centers.

17 9. On or about March 28, 2017, Respondent entered into a three-year behavior
18 agreement with the Medical Executive Committee (MEC) of Sierra Vista Regional Medical
19 Center wherein he agreed to also take the Physician Assessment and Clinical Education (PACE)
20 Boundaries Program at the University of California, San Diego-School of Medicine. The
21 behavior agreement was prompted because some of the nurses in the Labor and Delivery
22 department complained that Respondent touched them on their back or hugged them (the
23 touching was unwanted and uninvited and made the nurses feel uncomfortable) or made
24 inappropriate and unwelcomed comments. Respondent admitted that he had issues with
25 boundaries.

26 10. Terms of the three-year behavior agreement included that an initial violation of the
27 agreement would result in a one week suspension of Respondent's staff privileges and a second
28 violation would result in a two week suspension of his staff privileges. A third and final violation

1 would result in suspension of Respondent's staff privileges. If Respondent's conduct was found
2 to sustain the final violation, his staff membership would be terminated. The three-year behavior
3 agreement was considered rehabilitative by the hospital and not punitive action.

4 **First Violation**

5 11. On or about February 8, 2018, Respondent interrupted a conversation between Nurse
6 S. and a physician, Dr. K.¹ Respondent told Dr. K., "you know Nurse S. is my wife?" Nurse S.,
7 who has the same first name as Respondent's wife, stated, "I told you to stop saying that. If
8 anything, Dr. K. is my work-husband." Respondent replied, "Oh, a menage a trois?" Nurse S.
9 was offended by the remark and reported Respondent to her chain-of-command, which made its
10 way to the MEC. Although Respondent apologized, he was suspended for one week.

11 **Second Violation**

12 12. On or about January 1, 2019, Respondent encountered Lactation Consultant S. sitting
13 at a desk with her back to the door. To get Lactation Consultant S.'s attention, Respondent,
14 stroked her back, from the mid-back, up and down. Lactation Consultant S. was offended, told
15 Respondent that his unwanted touching was inappropriate, and he apologized. Lactation
16 Consultant S. filed an online complaint with Human Resources. The MEC suspended
17 Respondent for two weeks.

18 **Third Violation**

19 13. On or about December 20, 2019, Respondent allegedly touched the back of a nurse
20 and stated that he wanted to be reported for sexual harassment and fired. In response to the
21 MEC's request to meet and discuss the incident, Respondent resigned his staff privileges effective
22 January 1, 2020.

23 **CAUSE FOR DISCIPLINE**

24 **(Unprofessional Conduct)**

25 14. Respondent George Randolph Kunhardt, M.D. is subject to disciplinary action under
26 sections 2227, 2234, and 2234, subdivision (a), of the Code, in that Respondent engaged in
27 disruptive behavior and conduct that breached the rules or ethical code of the medical profession

28 ¹ The individuals in this Accusation are identified by first initial to protect their privacy.

1 and/or which was unbecoming of a member in good standing of the medical profession, and
2 which demonstrates an unfitness to practice medicine. The circumstances are as follows:

3 15. The facts and allegations set forth in Paragraphs 8 through 13 are incorporated by
4 reference as if fully set forth.

5 ***Disruptive Behavior and Language***

6 16. Disruptive behavior is a patient safety issue. The physician is the captain of the ship
7 in the Labor and Delivery Department of the hospital and is expected to set the tone for the team
8 and lead the group in professionalism, regardless of the challenges faced in the Department.
9 When a physician's disruptive behavior and language cause staff to feel sexually harassed or feel
10 constantly demeaned by the physician, staff may be reluctant to work with the physician and
11 errors can occur as the staff will not speak up when an imminent problem is recognized. The
12 disruptive behavior and language demonstrated by Respondent is conduct unbecoming of a
13 physician and an extreme departure from the standards of behavior expected from a physician.

14 **SECOND CAUSE FOR DISCIPLINE**

15 **(Gross Negligence)**

16 17. Respondent George Randolph Kunhardt, M.D. is subject to disciplinary action under
17 section 2234, subdivision (b), of the Code, in that Respondent's disruptive behavior and sexual
18 harassment of staff, as set forth above, was grossly negligent. The circumstances are as follows:

19 18. The facts and allegations set forth in the First Cause for Discipline are incorporated
20 by reference as if fully set forth.

21 19. Each of the alleged acts of unprofessional conduct set forth in the First Cause for
22 Discipline, above, is also a grossly negligent act.
