3 A professionalism program taken after the acts that gave rise to the charges in the  
4 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
5 or its designee, be accepted towards the fulfillment of this condition if the program would have  
6 been approved by the Board or its designee had the program been taken after the effective date of  
7 this Decision.

8 Respondent shall submit a certification of successful completion to the Board or its  
9 designee not later than 15 calendar days after successfully completing the program or not later  
10 than 15 calendar days after the effective date of the Decision, whichever is later.

11 3. PROHIBITED PRACTICE. During probation, Respondent is prohibited from  
12 supervising, practicing, and/or performing any laser and/or cosmetic or other type of procedures.

15 laser and/or cosmetic or other type of procedures. Any new patients must be provided this  
16 notification at the time of their initial appointment.

17 Respondent shall maintain a log of all patients to whom the required oral notification was

19 medical record number, if available; 3) the full name of the person making the notification; 4) the  
20 date the notification was made; and 5) a description of the notification given. Respondent shall  
21 keep this log in a separate file or ledger, in chronological order, shall make the log available for  
22 immediate inspection and copying on the premises at all times during business hours by the Board  
23 or its designee, and shall retain the log for the entire term of probation.

1 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
2 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15

15 dollars and twenty-five cents). Costs shall be payable to the Medical Board of California. Failure  
16 to pay such costs shall be considered a violation of probation.

17 Payment must be made in full within 30 calendar days of the effective date of the Order, or  
18 by a payment plan approved by the Medical Board of California. Any and all requests for a  
19 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with  
20 the payment plan shall be considered a violation of probation.

21 The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to  
22 repay investigation and enforcement costs, including expert review costs.

23 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
24 under penalty of perjury on forms provided by the Board, stating whether there has been  
25 compliance with all the conditions of probation.

26 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
27 of the preceding quarter.

28 9. GENERAL PROBATION REQUIREMENTS.

1           Compliance with Probation Unit

2           Respondent shall comply with the Board's probation unit.

3           Address Changes

4           Respondent shall, at all times, keep the Board informed of Respondent's business and  
5 residence addresses, email address (if available), and telephone number. Changes of such  
6 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
7 circumstances shall a post office box serve as an address of record, except as allowed by Business  
8 and Professions Code section 2021, subdivision (b).

9           Place of Practice

10          Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
11 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
12 facility.

13          License Renewal

14          Respondent shall maintain a current and renewed California physician's and surgeon's  
15 license.

16          Travel or Residence Outside California

17          Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
18 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
19 (30) calendar days.

20          In the event Respondent should leave the State of California to reside or to practice  
21 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
22 departure and return.

23          10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
24 available in person upon request for interviews either at Respondent's place of business or at the  
25 probation unit office, with or without prior notice throughout the term of probation.

26          11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
27 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
28 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is

1 defined as any period of time Respondent is not practicing medicine as defined in Business and  
2 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
3 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
4 Respondent resides in California and is considered to be in non-practice, Respondent shall  
5 comply with all terms and conditions of probation. All time spent in an intensive training  
6 program which has been approved by the Board or its designee shall not be considered non-  
7 practice and does not relieve Respondent from complying with all the terms and conditions of  
8 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
9 on probation with the medical licensing authority of that state or jurisdiction shall not be  
10 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
11 period of non-practice.

12 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
13 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
14 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
15 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
16 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

17 Respondent's period of non-practice while on probation shall not exceed two (2) years.

18 Periods of non-practice will not apply to the reduction of the probationary term.

19 Periods of non-practice for a Respondent residing outside of California will relieve  
20 Respondent of the responsibility to comply with the probationary terms and conditions with the  
21 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
22 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
23 Controlled Substances; and Biological Fluid Testing..

24 12. COMPLETION OF PROBATION. Respondent shall comply with all financial  
25 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
26 completion of probation. This term does not include cost recovery, which is due within 30  
27 calendar days of the effective date of the Order, or by a payment plan approved by the Medical  
28 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate

1 shall be fully restored.

2 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
3 of probation is a violation of probation. If Respondent violates probation in any respect, the  
4 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
5 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
6 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
7 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
8 the matter is final.

9 14. LICENSE SURRENDER. Following the effective date of this Decision, if  
10 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
11 the terms and conditions of probation, Respondent may request to surrender his or her license.  
12 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
13 determining whether or not to grant the request, or to take any other action deemed appropriate  
14 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
15 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
16 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
17 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
18 application shall be treated as a petition for reinstatement of a revoked certificate.

19 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
20 with probation monitoring each and every year of probation, as designated by the Board, which  
21 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
22 California and delivered to the Board or its designee no later than January 31 of each calendar  
23 year.

24 16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
25 a new license or certification, or petition for reinstatement of a license, by any other health care  
26 licensing action agency in the State of California, all of the charges and allegations contained in  
27 Accusation No. 800-2019-054853 shall be deemed to be true, correct, and admitted by  
28 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or

1 restrict license.

2 P-1 signed a consent form detailing the risk of hyperpigmentation and scarring. On this date, P-1  
3 was determined to be skin type 5 and underwent YAG laser treatment<sup>2</sup> of the face, underarms and  
4 chest. The energy levels on the face, underarms, and chest were 12/10, 12, and 12 respectively.

5           10. On September 9, 2017, P-1 again visited The Skin Agency for laser hair removal. P-  
6 1 underwent YAG laser treatment of the face, underarms and chest. The energy levels on the  
7 face, underarms, and chest were unchanged.

10 12 respectively.

11          12. On November 8, 2017, P-1 underwent ALEX laser treatment<sup>3</sup> of the face and legs at  
12 the Skin Agency. The energy levels on the face and legs were 16 and 14 respectively.

13          13. On December 20, 2017, P-1 again visited The Skin Agency for laser hair removal.

18 burning her badly. H.B. told P-1 that the pain would go away. After leaving the appointment  
19 with H.B., P-1 felt that her legs were shaking and she appeared to be suffering from blistering and  
20 welts on her legs; therefore, she decided to seek emergency treatment at Providence Saint Joseph  
21 Medical Center. P-1 was determined to have minimum second degree burns on her neck and  
22 legs. She was further treated at the Burn Center at Sherman Oaks.

23 \_\_\_\_\_  
24 <sup>1</sup> For the purpose of privacy, the patient in this Accusation is referred to as Patient 1.  
Respondent is aware of the identity of Patient 1.

25 <sup>2</sup> The YAG laser is a solid-state laser using neodymium in a host of material of yttrium  
aluminum garnet in order to generate a light pulse. The light pulse targets hair follicles, causing  
26 the hairs to fall out and minimizing further growth.

27 <sup>3</sup> The ALEX laser is a solid-state laser using an alexandrite crystal to generate a light  
pulse. The light pulse targets hair follicles, causing the hairs to fall out and minimizing further  
28 growth.

<sup>4</sup> For the purpose of privacy, this individual is being referred to by initials only.  
Respondent is aware of the identity of H.B.

1 15. Prior to seeking emergency treatment, P-1 called The Skin Agency to inform them of  
2 the emergency situation and that she would be seeking treatment. P-1 was informed that  
3 Respondent could not be reached for assistance.

4 16. During the course of her treatment at The Skin Agency, P-1 never met or spoke with  
5 Respondent. Additionally, P-1 was never informed regarding the specific risks and benefits of  
6 the laser treatment procedure.

7 17. During her employment at The Skin Agency, H.B.'s training to provide laser hair  
8 treatment consisted of reading a manual and shadowing another registered nurse for two weeks.

9 18. Respondent never met, supervised, or trained H.B.

10 19. Respondent has specialized training or education in dermatology. Respondent's  
11 training with laser treatment procedures consisted of shadowing another medical doctor several  
12 years prior. Respondent has only personally performed laser hair removal treatment procedures a  
13 couple of times. Respondent lacked a basic understanding of the laser hair removal treatment.

14 20. Respondent's oversight of the nurses at The Skin Agency was limited to the set-up of  
15 the machines and the voltages of the machines. Respondent allowed the nurses at The Skin  
16 Agency to change the settings on the laser treatment machines without his consultation and  
17 Respondent had no protocol in place regarding the adjustment to the settings on the laser  
18 treatment machines.

19 21. The practice at The Skin Agency was for the patient to complete their own history
