**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

19  
20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of  
24 California (Board). He brought this action solely in his official capacity and is represented in  
25 this matter by Rob Bonta, Attorney General of the State of California, by Jason J. Ahn, Deputy  
26 Attorney General.

1 CULPABILITY

2 9. Respondent does not contest that, at an administrative hearing, Complainant could  
3 establish a *prima facie* case with respect to the charges and allegations contained in First  
4 Amended Accusation No. 800-2022-088916, a copy of which is attached hereto as Exhibit A, and  
5 that he has thereby subjected his Physician's and Surgeon's Certificate No. G 75727 to  
6 disciplinary action.

7 10. Respondent agrees that if an accusation is ever filed against him before the Medical  
8 Board of California, all of the charges and allegations contained in First Amended Accusation  
9 No. 800-2022-088916 shall be deemed true, correct, and fully admitted by Respondent for  
10 purposes of that proceeding or any other licensing proceeding involving Respondent in the State  
11 of California.

12 11. Respondent agrees that his Physician's and Surgeon's Certificate No. G 75727 is  
13 subject to discipline and he agrees to be bound by the Board's imposition of discipline as set forth  
14 in the Disciplinary Order below.

15 CONTINGENCY

16 12. This stipulation shall be subject to approval by the Medical Board of California.  
17 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
18 Board of California may communicate directly with the Board regarding this stipulation and  
19 settlement, without notice to or participation by Respondent or his counsel. By signing the  
20 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
21 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
22 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
23 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
24 action between the parties, and the Board shall not be disqualified from further action by having  
25 considered this matter.

26 13. Respondent agrees that if he ever petitions for early termination or modification of  
27 probation, or if an accusation and/or petition to revoke probation is filed against him before the  
28 Board, all of the charges and allegations contained in Accusation No. 800-2022-088916 shall be

1 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any  
2 other licensing proceeding involving Respondent in the State of California.

3 **ADDITIONAL PROVISIONS**

4 14. This Stipulated Settlement and Disciplinary Order is intended by the parties herein  
5 to be an integrated writing representing the complete, final, and exclusive embodiment of the  
6 agreements of the parties in the above-entitled matter.

7 15. The parties agree that copies of this Stipulated Settlement and Disciplinary Order,  
8 including copies of the signatures of the parties, may be used in lieu of original documents and  
9 signatures and, further, that such copies shall have the same force and effect as originals.

10 16. In consideration of the foregoing admissions and stipulations, the parties agree the  
11 Board may, without further notice to or opportunity to be heard by Respondent, issue and enter  
12 the following Disciplinary Order:

13 **DISCIPLINARY ORDER**

14 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 75727 issued  
15 to Respondent Bryce Andrew Morton, M.D. is revoked. However, the revocation is stayed and  
16 Respondent is placed on probation for four (4) years on the following terms and conditions:

17 1. **CONTROLLED SUBSTANCES - ABSTAIN FROM USE.** Respondent shall abstain  
18 completely from the personal use or possession of controlled substances as defined in the  
19 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and  
20 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not  
21 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide  
22 illness or condition.

23 Within 15 calendar days of receiving any lawfully prescribed medications, Respondent  
24 shall notify the Board or its designee of the: issuing practitioner's name, address, and telephone  
25 number; medication name, strength, and quantity; and issuing pharmacy name, address, and  
26 telephone number.

27 ///

28 ///

1           2.    ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the  
2 use of products or beverages containing alcohol.

3           3.    NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7)  
4 days of the effective date of this Decision, Respondent shall provide to the Board the names,  
5 physical addresses, mailing addresses, and telephone numbers of any and all employers and  
6 supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's  
7 worksite monitor, and Respondent's employers and supervisors to communicate regarding  
8 Respondent's work status, performance, and monitoring.

9           For purposes of this section, "supervisors" shall include the Chief of Staff and Health or  
10 Well Being Committee Chair, or equivalent, if applicable, when the Respondent has medical staff  
11 privileges.

12           4.    BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to  
13 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.  
14 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair  
15 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall  
16 make daily contact with the Board or its designee to determine whether biological fluid testing is  
17 required. Respondent shall be tested on the date of the notification as directed by the Board or its  
18 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at  
19 any time, including weekends and holidays. Except when testing on a specific date as ordered by  
20 the Board or its designee, the scheduling of biological fluid testing shall be done on a random  
21 basis. The cost of biological fluid testing shall be borne by the Respondent.

22           During the first year of probation, Respondent shall be subject to 52 to 104 random tests.  
23 During the second year of probation and for the duration of the probationary term, up to five (5)  
24 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no  
25 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing  
26 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number  
27 of random tests to the first-year level of frequency for any reason.

28           Prior to practicing medicine, Respondent shall contract with a laboratory or service,

1 approved in advance by the Board or its designee, that will conduct random, unannounced,  
2 observed, biological fluid testing and meets all of the following standards:

3 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry  
4 Association or have completed the training required to serve as a collector for the United  
5 States Department of Transportation.

6 (b) Its specimen collectors conform to the current United States Department of  
7 Transportation Specimen Collection Guidelines.

8 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published  
9 by the United States Department of Transportation without regard to the type of test  
10 administered.

11 (d) Its specimen collectors observe the collection of testing specimens.

12 (e) Its laboratories are certified and accredited by the United States Department of Health  
13 and Human Services.

14 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day  
15 of receipt and all specimens collected shall be handled pursuant to chain of custody  
16 procedures. The laboratory shall process and analyze the specimens and provide legally  
17 defensible test results to the Board within seven (7) business days of receipt of the  
18 specimen. The Board will be notified of non-negative results within one (1) business day  
19 and will be notified of negative test results within seven (7) business days.

20 (g) Its testing locations possess all the materials, equipment, and technical expertise  
21 necessary in order to test Respondent on any day of the week.

22 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens  
23 for the detection of alcohol and illegal and controlled substances.

24 (i) It maintains testing sites located throughout California.

25 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line

28 access to drug test results and compliance reporting information that is available 24 hours a

day.

(l) It employs or contracts with toxicologists that are licensed physicians and have knowledge of substance abuse disorders and the appropriate medical training to interpret and evaluate laboratory biological fluid test results, medical histories, and any other information relevant to biomedical information.

(m) It will not consider a toxicology screen to be negative if a positive result is obtained while practicing, even if the Respondent holds a valid prescription for the substance.

Prior to changing testing locations for any reason, including during vacation or other travel, alternative testing locations must be approved by the Board and meet the requirements above.

The contract shall require that the laboratory directly notify the Board or its designee of non-negative results within one (1) business day and negative test results within seven (7) business days of the results becoming available. Respondent shall maintain this laboratory or service contract during the period of probation.

A certified copy of any laboratory test result may be received in evidence in any proceedings between the Board and Respondent.

If a biological fluid test result indicates Respondent has used, consumed, ingested, or administered to himself or herself a prohibited substance, the Board shall order Respondent to cease practice and instruct Respondent to leave any place of work where Respondent is practicing medicine or providing medical services. The Board shall immediately notify all of Respondent's employers, supervisors and work monitors, if any, that Respondent may not practice medicine or provide medical services while the cease-practice order is in effect.

A biological fluid test will not be considered negative if a positive result is obtained while practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited substance use exists, the Board shall lift the cease-practice order within one (1) business day.

After the issuance of a cease-practice order, the Board shall determine whether the positive biological fluid test is in fact evidence of prohibited substance use by consulting with the specimen collector and the laboratory, communicating with the licensee, his or her treating physician(s), other health care provider, or group facilitator, as applicable.

1 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the  
2 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

3 For purposes of this condition, the term "prohibited substance" means an illegal drug, a  
4 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by  
5 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been  
6 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

7 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited  
8 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the  
9 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to  
10 any other terms or conditions the Board determines are necessary for public protection or to  
11 enhance Respondent's rehabilitation.

12 5. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision,  
13 Respondent shall submit to the Board or its designee for prior approval the name and  
14 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who  
15 has a doctoral degree in psychology and at least five years of postgraduate experience in the  
16 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall  
17 undergo and continue psychotherapy treatment, including any modifications to the frequency of  
18 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

19 The psychotherapist shall consider any information provided by the Board or its designee  
20 and any other information the psychotherapist deems relevant and shall furnish a written  
21 evaluation report to the Board or its designee. Respondent shall cooperate in providing the  
22 psychotherapist with any information and documents that the psychotherapist may deem  
23 pertinent.

24 Respondent shall have the treating psychotherapist submit quarterly status reports to the  
25 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric  
26 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of  
27 probation, Respondent is found to be mentally unfit to resume the practice of medicine without  
28 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the

1 period of probation shall be extended until the Board determines that Respondent is mentally fit  
2 to resume the practice of medicine without restrictions.

3 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

4 6. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty  
5 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or  
6 its designee for prior approval as a worksite monitor, the name and qualifications of one or more  
7 licensed physician and surgeon, other licensed health care professional if no physician and  
8 surgeon is available, or, as approved by the Board or its designee, a person in a position of  
9 authority who is capable of monitoring the Respondent at work.

10 The worksite monitor shall not have a current or former financial, personal, or familial  
11 relationship with Respondent, or any other relationship that could reasonably be expected to  
12 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its  
13 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite  
14 monitor, this requirement may be waived by the Board or its designee, however, under no  
15 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

16 The worksite monitor shall have an active unrestricted license with no disciplinary action  
17 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms  
18 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth  
19 by the Board or its designee.

20 Respondent shall pay all worksite monitoring costs.

21 The worksite monitor shall have face-to-face contact with Respondent in the work  
22 environment on as frequent a basis as determined by the Board or its designee, but not less than  
23 once per week; interview other staff in the office regarding Respondent's behavior, if requested  
24 by the Board or its designee; and review Respondent's work attendance.

25 The worksite monitor shall verbally report any suspected substance abuse to the Board and  
26 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected  
27 substance abuse does not occur during the Board's normal business hours, the verbal report shall  
28 be made to the Board or its designee within one (1) hour of the next business day. A written

1 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and  
2 any other information deemed important by the worksite monitor shall be submitted to the Board  
3 or its designee within 48 hours of the occurrence.

4 The worksite monitor shall complete and submit a written report monthly or as directed by  
5 the Board or its designee which shall include the following: (1) Respondent's name and  
6 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)  
7 the worksite monitor's license number, if applicable; (4) the location or location(s) of the  
8 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the  
9 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;  
10 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can  
11 lead to suspected substance abuse by Respondent. Respondent shall complete any required  
12 consent forms and execute agreements with the approved worksite monitor and the Board, or its  
13 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

14 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)  
15 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior  
16 approval, the name and qualifications of a replacement monitor who will be assuming that  
17 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a  
18 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the  
19 monitor, Respondent shall receive a notification from the Board or its designee to cease the  
20 practice of medicine within three (3) calendar days after being so notified. Respondent shall  
21 cease the practice of medicine until a replacement monitor is approved and assumes monitoring  
22 responsibility.

1           7.    VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING

2    LICENSEES . Failure to fully comply with any term or condition of probation is a violation of  
3    probation.

4           A.       If Respondent commits a major violation of probation as defined by section  
5    1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take  
6    one or more of the following actions:

7           (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical  
8    diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of  
9    Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice  
10   order issued by the Board or its designee shall state that Respondent must test negative for at least  
11   a month of continuous biological fluid testing before being allowed to resume practice. For  
12   purposes of determining the length of time a Respondent must test negative while undergoing  
13   continuous biological fluid testing following issuance of a cease-practice order, a month is  
14   defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until  
15   notified in writing by the Board or its designee that he or she may do so.

16           (2) Increase the frequency of biological fluid testing.

17           (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or  
18   other action as determined by the Board or its designee.

19           B.       If Respondent commits a minor violation of probation as defined by section  
20    1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take  
21    one or more of the following actions:

22           (1) Issue a cease-practice order;

23           (2) Order practice limitations;

24           (3) Order or increase supervision of Respondent;

25           (4) Order increased documentation;

26           (5) Issue a citation and fine, or a warning letter;

27           (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in  
28    accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of

1 Regulations, at Respondent's expense;

2 (7) Take any other action as determined by the Board or its designee.

3 C. Nothing in this Decision shall be considered a limitation on the Board's authority  
4 to revoke Respondent's probation if he or she has violated any term or condition of probation. If  
5 Respondent violates probation in any respect, the Board, after giving Respondent notice and the  
6 opportunity to be heard, may revoke probation and carry out the disciplinary order that was  
7 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed  
8 against Respondent during probation, the Board shall have continuing jurisdiction until the matter  
9 is final, and the period of probation shall be extended until the matter is final.

10 8. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
11 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
12 Chief Executive Officer at every hospital where privileges or membership are extended to  
13 Respondent, at any other facility where Respondent engages in the practice of medicine,  
14 including all physician and locum tenens registries or other similar agencies, and to the Chief  
15 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
16 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
17 calendar days.

18 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

19 9. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
20 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
21 advanced practice nurses.

22 10. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
23 governing the practice of medicine in California and remain in full compliance with any court  
24 ordered criminal probation, payments, and other orders.

25 ///

26 ///

27 ///

28 ///

1           11. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby  
2 ordered to reimburse the Board its costs of investigation and enforcement, including, but not  
3 limited to, expert review, accusation, legal reviews, and investigation(s), in the amount of  
4 \$20,000.00 (twenty thousand dollars). Costs shall be payable to the Medical Board of California.  
5 Failure to pay such costs shall be considered a violation of probation.

6           Payment must be made in full within 30 calendar days of the effective date of the Order, or  
7 by a payment plan approved by the Medical Board of California. Any and all requests for a  
8 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with  
9 the payment plan shall be considered a violation of probation.

10           The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to  
11 repay investigation and enforcement costs, including expert review costs.

12           12. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
13 under penalty of perjury on forms provided by the Board, stating whether there has been  
14 compliance with all the conditions of probation.

15           Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
16 of the preceding quarter.

17           13. GENERAL PROBATION REQUIREMENTS.

18           Compliance with Probation Unit

19           Respondent shall comply with the Board's probation unit.

20           Address Changes

21           Respondent shall, at all times, keep the Board informed of Respondent's business and  
22 residence addresses, email address (if available), and telephone number. Changes of such  
23 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
24 circumstances shall a post office box serve as an address of record, except as allowed by Business  
25 and Professions Code section 2021, subdivision (b).

26           Place of Practice

27           Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
28 of residence, unless the patient resides in a skilled nursing facility or other similar licensed

1 facility.

2 License Renewal

3 Respondent shall maintain a current and renewed California physician's and surgeon's  
4 license.

5 Travel or Residence Outside California

6 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
7 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
8 (30) calendar days.

9 In the event Respondent should leave the State of California to reside or to practice  
10 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
11 departure and return.

12 14. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
13 available in person upon request for interviews either at Respondent's place of business or at the  
14 probation unit office, with or without prior notice throughout the term of probation.

15 15. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
16 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
17 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
18 defined as any period of time Respondent is not practicing medicine as defined in Business and  
19 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
20 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
21 Respondent resides in California and is considered to be in non-practice, Respondent shall  
22 comply with all terms and conditions of probation. All time spent in an intensive training  
23 program which has been approved by the Board or its designee shall not be considered non-  
24 practice and does not relieve Respondent from complying with all the terms and conditions of  
25 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
26 on probation with the medical licensing authority of that state or jurisdiction shall not be  
27 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
28 period of non-practice.

1 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
2 months, Respondent shall successfully complete the Federation of State Medical Boards' Special  
3 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
4 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
5 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

6 Respondent's period of non-practice while on probation shall not exceed two (2) years.

7 Periods of non-practice will not apply to the reduction of the probationary term.

8 Periods of non-practice for a Respondent residing outside of California will relieve  
9 Respondent of the responsibility to comply with the probationary terms and conditions with the  
10 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
11 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
12 Controlled Substances; and Biological Fluid Tests.

13 16. COMPLETION OF PROBATION. Respondent shall comply with all financial  
14 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
15 completion of probation. This term does not include cost recovery, which is due within 30  
16 calendar days of the effective date of the Order, or by a payment plan approved by the Medical  
17 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate  
18 shall be fully restored.

19 17. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
20 of probation is a violation of probation. If Respondent violates probation in any respect, the  
21 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
22 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
23 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
24 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
25 the matter is final.

26 18. LICENSE SURRENDER. Following the effective date of this Decision, if  
27 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
28 the terms and conditions of probation, Respondent may request to surrender his or her license.

1 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
2 determining whether or not to grant the request, or to take any other action deemed appropriate  
3 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
4 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
5 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
6 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
7 application shall be treated as a petition for reinstatement of a revoked certificate.

8 19. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
9 with probation monitoring each and every year of probation, as designated by the Board, which  
10 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
11 California and delivered to the Board or its designee no later than January 31 of each calendar  
12 year.

13 20. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
14 a new license or certification, or petition for reinstatement of a license, by any other health care  
15 licensing action agency in the State of California, all of the charges and allegations contained in  
16 Accusation No. 800-2022-088916 shall be deemed to be true, correct, and admitted by  
17 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
18 restrict license.

14 under this division or under any initiative act referred to in this division may be  
15 unable to practice his or her profession safely because the licentiate's ability to  
16 practice is impaired due to mental illness, or physical illness affecting competency,  
17 the licensing agency may order the licentiate to be examined by one or more  
18 -physicians and surgeons or psychologists designated by the agency. The report of the

10 **FIRST CAUSE FOR DISCIPLINE**

11 **(Conviction of Crimes Substantially Related to Qualifications, Functions  
12 or Duties of a Physician and Surgeon)**

13 17. Respondent has subjected his Physician's and Surgeon's Certificate No. G 75727 to  
14 disciplinary action under sections 2227 and 2234, as defined by sections 2236 and 2273, of the  
15 Code, and section 1360 of title 16 of the California Code of Regulations, in that he has been  
16 convicted of crimes substantially related to the qualifications, functions, or duties of a physician  
17 and surgeon, as more particularly alleged herein:

18 18. On or about May 23, 2022, B.L., who works at U-Haul, was at work when  
19 Respondent arrived at the U-Haul location at 28781 Old Town Front Street, Temecula, CA  
20 92590. Respondent pulled into the parking lot to drop off a rented trailer. As Respondent was  
21 backing up the trailer, Respondent struck another parked trailer. Respondent parked the rented  
22 trailer and checked out his reservation with B.L. After approximately 15 minutes, B.L. noticed  
23 Respondent was still parked in his vehicle in the U-Haul parking lot. B.L. approached  
24 Respondent, which startled Respondent. B.L. asked Respondent if everything was all right, to  
25 which Respondent replied yes. As Respondent was speaking to B.L., B.L. observed an orange  
26 syringe tip in the cheek of Respondent's mouth. Respondent had an excitable demeanor. After  
27 their verbal encounter, Respondent pulled out of the driveway of the U-Haul store.

28 19. On or about May 23, 2022, Officer Hansen from Riverside County Sheriff's  
Department received a call for a possible intoxicated driver in the area of Santiago Road and Old  
Town Front Street in Temecula, CA. Officer Hansen received statements from several witnesses  
and Riverside County Fire personnel. Officer Hansen conducted a field sobriety test on

1 Respondent and [based on his training and experience] opined that Respondent was under the  
2 influence of drug(s) and impaired for the purposes of driving. Officer Hansen then placed  
3 Respondent under arrest for driving under the influence of drug(s). During a subsequent search of  
4 Respondent's vehicle, Officer Hansen located two glass vials. One glass vial was labeled  
5 Midazolam<sup>1</sup> with a lot number of 186205 and the other glass vial was labeled Fentanyl.<sup>2</sup> On June  
6 8, 2022, Officer Hansen executed a search warrant at Murrieta Valley Surgical Center, in  
7 Wildomar, California. Officer Hansen made contact with Director of Nursing, N.A. Officer  
8 Hansen was able to match the vial of Midazolam found inside Respondent's car at the time of the  
9 DUI with the lot number of Midazolam at the facility. Officer Hansen stated that he was unable to  
10 match the Fentanyl to a lot number because that specific manufacturer does not have lot numbers  
11 associated with Murrieta Valley Surgical Center's medications.

12 20. On or about September 19, 2022, a criminal complaint was filed against  
13 Respondent in the case entitled *The People of the State of California v. Bruce Andrew*
