1 **CULPABILITY**

2 8. Respondent admits that, at an administrative hearing, Complainant could establish a  
3 *prima facie* case with respect to the charges and allegations contained in First Amended  
4 Accusation No. 800-2021-079828, and agrees that he has thereby subjected his Physician's and  
5 Surgeon's Certificate No. C 53051 to discipline, and hereby surrenders his Physician's and  
6 Surgeon's Certificate No. C 53051 for the Board's formal acceptance.

7 9. Respondent understands that by signing this stipulation he enables the Executive  
8 Director of the Board to issue an order accepting the surrender of his Physician's and Surgeon's  
9 Certificate without further process.

10 **RESERVATION**

11 10. The admissions made by Respondent herein are only for the purposes of this  
12 proceeding, or any other proceedings in which the Board or other professional licensing agency is  
13 involved, and shall not be admissible in any other criminal or civil proceeding.

14 **CONTINGENCY**

15 11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
16 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...  
17 stipulation for surrender of a license."

18 12. This Stipulated Surrender of License and Disciplinary Order shall be subject to the  
19 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated  
20 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his  
21 consideration in the above-entitled matter and, further, that the Executive Director shall have a  
22 reasonable period of time in which to consider and act on this Stipulated Surrender of License and  
23 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands  
24 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the  
25 time the Executive Director, on behalf of the Board, considers and acts upon it.

26 13. The parties agree that this Stipulated Surrender of License and Disciplinary Order  
27 shall be null and void and not binding upon the parties unless approved and adopted by the  
28 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full

1 force and effect. Respondent fully understands and agrees that in deciding whether or not to  
2 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive  
3 Director and/or the Board may receive oral and written communications from its staff and/or the  
4 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the  
5 Executive Director, the Board, any member thereof, and/or any other person from future  
6 participation in this or any other matter affecting or involving Respondent. In the event that the  
7 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this  
8 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it  
9 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied  
10 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees  
11 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason  
12 by the Executive Director on behalf of the Board, Respondent will assert no claim that the  
13 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,  
14 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or  
15 of any matter or matters related hereto.

16 **ADDITIONAL PROVISIONS**

17 14. This Stipulated Surrender of License and Disciplinary Order is intended by the parties  
18 herein to be an integrated writing representing the complete, final, and exclusive embodiment of  
19 the agreements of the parties in the above-entitled matter.

20 15. The parties agree that copies of this Stipulated Surrender of License and Disciplinary  
21 Order, including copies of the signatures of the parties, may be used in lieu of original documents  
22 and signatures and, further, that such copies shall have the same force and effect as originals.

23 16. In consideration of the foregoing admissions and stipulations, the parties agree the  
24 Executive Director of the Board may, without further notice to or opportunity to be heard by  
25 Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

1 JURISDICTION

2 3. This First Amended Accusation, which supersedes the Accusation filed on September  
3 6, 2022, is brought before the Board, under the authority of the following laws. All section  
4 references are to the Business and Professions Code (Code) unless otherwise indicated.

5 4. Section 2227 of the Code states, in pertinent part:

6 (a) A licensee whose matter has been heard by an administrative law judge of  
7 the Medical Quality Hearing Panel as designated in Section 11371 of the Government  
8 Code, or whose default has been entered, and who is found guilty, or who has entered

12 (2) Have his or her right to practice suspended for a period not to exceed one  
13 year upon order of the board.

14 (3) Be placed on probation and be required to pay the costs of probation  
15 monitoring upon order of the board.

16 (4) Be publicly reprimanded by the board. The public reprimand may include a

18 board.

19 (5) Have any other action taken in relation to discipline as part of an order of  
20 probation, as the board or an administrative law judge may deem proper.

21 ...

22 5. Section 2228.1 of the Code states, in pertinent part:

26 of the probation, the probation end date, all practice restrictions placed on the licensee  
27 by the board, the board's telephone number, and an explanation of how the patient  
28 can find further information on the licensee's probation on the licensee's profile page  
on the board's online license information internet web site, to a patient or the  
patient's guardian or health care surrogate before the patient's first visit following the  
probationary order while the licensee is on probation pursuant to a probationary order  
made on and after July 1, 2019, in any of the following circumstances:

(1) A final adjudication by the board following an administrative hearing or  
admitted findings or prima facie showing in a stipulated settlement establishing any  
of the following:

(A) The commission of any act of sexual abuse, misconduct, or relations with a

...

1 (2) An accusation or statement of issues alleged that the licensee committed any  
2 of the acts described in subparagraphs (A) to (D), inclusive, of paragraph (1), and a  
3 stipulated settlement based upon a nolo contendere or other similar compromise that  
4 does not include any prima facie showing or admission of guilt or fact but does  
include an express acknowledgment that the disclosure requirements of this section  
would serve to protect the public interest.

5 (b) A licensee required to provide a disclosure pursuant to subdivision (a) shall  
6 obtain from the patient, or the patient's guardian or health care surrogate, a separate,  
signed copy of that disclosure.

7 (c) A licensee shall not be required to provide a disclosure pursuant to  
8 subdivision (a) if any of the following applies:

9 (1) The patient is unconscious or otherwise unable to comprehend the  
10 disclosure and sign the copy of the disclosure pursuant to subdivision (b) and a  
11 guardian or health care surrogate is unavailable to comprehend the disclosure and  
12 sign the copy.

13 (2) The visit occurs in an emergency room or an urgent care facility or the visit  
14 is unscheduled, including consultations in inpatient facilities.

15 (3) The licensee who will be treating the patient during the visit is not known to

2 abetting the violation of, or conspiring to violate any provision of this chapter.

3 (b) Gross negligence.

4 (c) Repeated negligent acts. To be repeated, there must be two or more

8 (1) An initial negligent diagnosis followed by an act or omission medically  
9 appropriate for that negligent diagnosis of the patient shall constitute a single  
10 negligent act.

11 (2) When the standard of care requires a change in the diagnosis, act, or  
12 omission that constitutes the negligent act described in paragraph (1), including, but  
13 not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
14 licensee's conduct departs from the applicable standard of care, each departure  
15 constitutes a separate and distinct breach of the standard of care.

16 ...

17 (e) The commission of any act involving dishonesty or corruption that is  
18 substantially related to the qualifications, functions, or duties of a physician and  
19 surgeon.

20 ...

21 7. Unprofessional conduct under section 2234 of the Code is conduct which breaches  
22 the rules or ethical code of the medical profession, or conduct which is unbecoming a member in

27 patient, client, or customer constitutes unprofessional conduct and grounds for  
28 disciplinary action for any person licensed under this or under any initiative act  
referred to in this division.

...

### COST RECOVERY

9. Section 125.3 of the Code states:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board, upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the

1 investigation and enforcement of the case.

2 (b) In the case of a disciplined licensee that is a corporation or a partnership, the  
3 order may be made against the licensed corporate entity or licensed partnership.

4 (c) A certified copy of the actual costs, or a good faith estimate of costs where  
5 actual costs are not available, signed by the entity bringing the proceeding or its  
6 designated representative shall be prima facie evidence of reasonable costs of  
7 investigation and prosecution of the case. The costs shall include the amount of  
8 investigative and enforcement costs up to the date of the hearing, including, but not  
9 limited to, charges imposed by the Attorney General.

10 (d) The administrative law judge shall make a proposed finding of the amount  
11 of reasonable costs of investigation and prosecution of the case when requested  
12 pursuant to subdivision (a). The finding of the administrative law judge with regard to  
13 costs shall not be reviewable by the board to increase the cost award. The board may  
14 reduce or eliminate the cost award, or remand to the administrative law judge if the  
15 proposed decision fails to make a finding on costs requested pursuant to subdivision  
16 (a).

17 (e) If an order for recovery of costs is made and timely payment is not made as  
18 directed in the board's decision, the board may enforce the order for repayment in any  
19 appropriate court. This right of enforcement shall be in addition to any other rights  
20 the board may have as to any licensee to pay costs.

21 (f) In any action for recovery of costs, proof of the board's decision shall be  
22 conclusive proof of the validity of the order of payment and the terms for payment.

23 (g) (1) Except as provided in paragraph (2), the board shall not renew or  
24 reinstate the license of any licensee who has failed to pay all of the costs ordered  
25 under this section.

26 (2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally  
27 renew or reinstate for a maximum of one year the license of any licensee who  
28 demonstrates financial hardship and who enters into a formal agreement with the board  
to reimburse the board within that one-year period for the unpaid costs.

(h) All costs recovered under this section shall be considered a reimbursement  
for costs incurred and shall be deposited in the fund of the board recovering the costs  
to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of  
the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in  
that board's licensing act provides for recovery of costs in an administrative  
disciplinary proceeding.

1 STATEMENT OF FACTS

2 PATIENT A<sup>1</sup>

3 10. On or about December 9, 2016, Patient A, a then thirty-year-old female, presented to  
4 the emergency department at Hi-Desert Medical Center with complaints of weakness, fatigue, and  
5 a syncopal episode, and was seen by Respondent. Prior to entering the examination cubicle,  
6 Respondent intentionally placed his personal cell phone into his shirt pocket and recorded his  
7 evaluation of Patient A. Respondent did not inform Patient A that he was recording the  
8 evaluation and did not obtain her consent before doing so. While performing a chest  
9 examination, Respondent told Patient A that he was "going to get a little fresh here," and then  
10 lowered the upper portion of Patient A's gown, exposing both of her naked breasts. Respondent  
11 left Patient A's naked breasts exposed throughout his chest examination. Respondent did not  
12 document in Patient A's chart that he recorded the evaluation.

13 PATIENT B

14 11. On or about April 11, 2017, Patient B, an unidentified female, presented to the  
15 emergency department at Hi-Desert Medical Center with complaints of abdominal pain. Prior to  
16 entering the examination cubicle, Respondent intentionally placed his personal cell phone into his  
17 shirt pocket and recorded his evaluation of Patient B. Respondent did not inform Patient B that  
18 he was recording the evaluation and did not obtain her consent before doing so. While palpating  
19 Patient B's abdomen, Respondent lifted the bottom portion of Patient B's gown, exposing her  
20 pubic region, including the top portion of her genitalia. While performing a chest examination,  
21 Respondent lowered the upper portion of Patient B's gown, exposing her naked breast.  
22 Respondent left Patient B's naked breast exposed throughout his chest examination.

23 PATIENT C

24 12. On or about June 26, 2017, Patient C, an unidentified pregnant female, presented to  
25 the emergency department at Hi-Desert Medical Center with complaints of nausea. Patient C had

27 <sup>1</sup> To protect the privacy of the patients and persons involved, the patients' and persons'  
28 names have not been included in this pleading. Respondent is aware of the identity of the patients  
and persons referred to herein.

1 a male companion present with her during the visit. Prior to entering the examination cubicle,  
2 Respondent intentionally placed his personal cell phone into his shirt pocket and recorded his  
3 evaluation of Patient C. Respondent did not inform Patient C that he was recording the  
4 evaluation and did not obtain her consent before doing so. Respondent quickly evaluated Patient  
5 C and then left the examination cubicle.

6 PATIENT D

7 13. On or about June 26, 2017, after completing his evaluation of Patient C, Respondent  
8 then walked into another examination cubicle and met with Patient D. Patient D, a then twenty-  
9 two-year old pregnant female, presented to the emergency department at Hi-Desert Medical  
10 Center with complaints of abdominal pain. Respondent's personal cell phone was still in his shirt  
11 pocket and recorded his evaluation of Patient D. Respondent did not inform Patient D that he was  
12 recording the evaluation and did not obtain her consent before doing so. While palpating Patient  
13 D's abdomen, Respondent lifted the bottom portion of Patient D's gown, exposing her pubic  
14 region. While performing a chest examination, Respondent lowered the upper portion of Patient  
15 D's gown, exposing her naked breast. Respondent left Patient D's naked breast exposed  
16 throughout his chest examination. Respondent did not document in Patient D's chart that he  
17 recorded the evaluation.

18 PATIENT E

19 14. On or about July 16, 2021, Patient E, a then nine-year-old male, presented to the  
20 emergency department at Bear Valley Community Hospital with complaints of a wrist injury after  
21 a fall from his bicycle, and was seen by Respondent. During the course of the visit, Patient E had  
22 x-rays taken of his arm to confirm his injury.

23 15. After reviewing Patient E's x-rays, Respondent met with Patient E and his mother  
24 (Victim) in a private clinical area. Respondent informed them that Patient E's wrist was broken.  
25 Respondent asked Victim if she wanted him to take pictures of the x-rays on her cell phone so she  
26 could use it at future medical appointments. Victim agreed and provided her cell phone to  
27 Respondent. Respondent then left the clinical area with Victim's cell phone.

28 ///

1 16. After approximately one minute, Respondent returned to the clinical area with  
2 Victim's cell phone. Victim unlocked her phone to view the pictures. Respondent then asked for  
3 the phone back so he could take more pictures. Victim then handed Respondent her unlocked cell  
4 phone. Respondent then left the clinical area with Victim's cell phone.

5 17. After approximately two to three minutes, Respondent had not returned to the clinical  
6 area. Victim then walked out of the clinical area and found Respondent sitting at his desk  
7 hunched over with Victim's cell phone on his lap. Victim demanded Respondent return her cell  
8 phone, to which Respondent complied.

9 18. After Respondent returned Victim's cell phone, Victim immediately noted her camera  
10 roll was open and approximately 20-25 personal sexual images and videos of Victim were in the  
11 process of being AirDropped.<sup>2</sup> When confronted, Respondent admitted to Victim that he had  
12 AirDropped sexual photos from Victim's cell phone to his own cell phone. Victim was visibly  
13 upset and, sometime thereafter, police were called to the hospital.

14 19. When police officers arrived, Respondent admitted to viewing Victim's sexual photos
