**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

18
19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of
23 California (Board). He brought this action solely in his official capacity and is represented in this
24 matter by Rob Bonta, Attorney General of the State of California, by Latrice R. Hemphill, Deputy
25 Attorney General.

26 2. Respondent John Nathaniel Alvarez, M.D. (Respondent) is represented in this
27 proceeding by attorney Kevin D. Cauley, Esq., whose address is: 225 South Lake Avenue, Suite
28 300, Pasadena, CA 91101-3009.

3. On or about April 9, 2018, the Board issued Physician's and Surgeon's Certificate No. A 155288 to John Nathaniel Alvarez, M.D. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2021-076670, and will expire on July 31, 2025, unless renewed.

JURISDICTION

4. Accusation No. 800-2021-076670 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on March 3, 2023. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A copy of Accusation No. 800-2021-076670 is attached as exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2021-076670. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

9. Respondent understands and agrees that the charges and allegations in Accusation No. 800-2021-076670, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and Surgeon's Certificate.

10. Respondent does not contest that, at an administrative hearing, complainant could establish a prima facie case with respect to the charges and allegations in Accusation No. 800-2021-076670, a true and correct copy of which is attached hereto as Exhibit A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. A 155288 to disciplinary action.

11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to discipline and he agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

CONTINGENCY

12. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

13. Respondent agrees that if he ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against him before the Board, all of the charges and allegations contained in Accusation No. 800-2021-076670 shall be deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the State of California.

14. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

15 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

16 A professionalism program taken after the acts that gave rise to the charges in the
17 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board

6 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
7 advanced practice nurses.

9 governing the practice of medicine in California and remain in full compliance with any court
10 ordered criminal probation, payments, and other orders.

11 8. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
12 ordered to reimburse the Board its costs of investigation and enforcement in the amount of
13 \$10,045.00 (ten thousand forty five dollars). Costs shall be payable to the Medical Board of
14 California. Failure to pay such costs shall be considered a violation of probation.

15 Payment must be made in full within 30 calendar days of the effective date of the Order, or
16 by a payment plan approved by the Medical Board of California. Any and all requests for a
17 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with
18 the payment plan shall be considered a violation of probation.

19 The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to
20 repay investigation and enforcement costs.

21 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
22 under penalty of perjury on forms provided by the Board, stating whether there has been
23 compliance with all the conditions of probation.

24 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
25 of the preceding quarter.

26 10. GENERAL PROBATION REQUIREMENTS.

27 Compliance with Probation Unit

28 Respondent shall comply with the Board's probation unit.

1 Address Changes

2 Respondent shall, at all times, keep the Board informed of Respondent's business and
3 residence addresses, email address (if available), and telephone number. Changes of such
4 addresses shall be immediately communicated in writing to the Board or its designee. Under no
5 circumstances shall a post office box serve as an address of record, except as allowed by Business
6 and Professions Code section 2021, subdivision (b).

7 Place of Practice

8 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
9 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
10 facility.

11 License Renewal

12 Respondent shall maintain a current and renewed California physician's and surgeon's
13 license.

14 Travel or Residence Outside California

15 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
16 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
17 (30) calendar days.

18 In the event Respondent should leave the State of California to reside or to practice
19 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
20 departure and return.

21 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
22 available in person upon request for interviews either at Respondent's place of business or at the
23 probation unit office, with or without prior notice throughout the term of probation.

24 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
25 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
26 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
27 defined as any period of time Respondent is not practicing medicine as defined in Business and
28 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct

1 patient care, clinical activity or teaching, or other activity as approved by the Board. If
2 Respondent resides in California and is considered to be in non-practice, Respondent shall
3 comply with all terms and conditions of probation. All time spent in an intensive training
4 program which has been approved by the Board or its designee shall not be considered non-
5 practice and does not relieve Respondent from complying with all the terms and conditions of
6 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
7 on probation with the medical licensing authority of that state or jurisdiction shall not be
8 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
9 period of non-practice.

10 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
11 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
12 Purpose Examination; or, at the Board's discretion, a clinical competence assessment program
13 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
14 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

15 Respondent's period of non-practice while on probation shall not exceed two (2) years.

16 Periods of non-practice will not apply to the reduction of the probationary term.

17 Periods of non-practice for a Respondent residing outside of California will relieve
18 Respondent of the responsibility to comply with the probationary terms and conditions with the
19 exception of this condition and the following terms and conditions of probation: Obey All Laws;
20 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
21 Controlled Substances; and Biological Fluid Testing..

22 13. COMPLETION OF PROBATION. Respondent shall comply with all financial
23 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
24 completion of probation. This term does not include cost recovery, which is due within 30
25 calendar days of the effective date of the Order, or by a payment plan approved by the Medical
26 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate
27 shall be fully restored.

28 ///

1 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
2 of probation is a violation of probation. If Respondent violates probation in any respect, the
3 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
4 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
5 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
6 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
7 be extended until the matter is final.

8 15. LICENSE SURRENDER. Following the effective date of this Decision, if
9 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
10 the terms and conditions of probation, Respondent may request to surrender his or her license.
11 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
12 determining whether or not to grant the request, or to take any other action deemed appropriate
13 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
14 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
15 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
16 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
17 application shall be treated as a petition for reinstatement of a revoked certificate.

18 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
19 with probation monitoring each and every year of probation, as designated by the Board, which
20 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
21 California and delivered to the Board or its designee no later than January 31 of each calendar
22 year.

23 17. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
24 a new license or certification, or petition for reinstatement of a license, by any other health care
25 licensing action agency in the State of California, all of the charges and allegations contained in
26 Accusation No. 800-2021-076670 shall be deemed to be true, correct, and admitted by
27 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
28 restrict license.

10 (g) The failure by a certificate holder, in the absence of good cause, to attend
and participate in an interview by the board. This subdivision shall only apply to a
11 certificate holder who is the subject of an investigation by the board.

12 6. Section 2236 of the Code states:

13 (a) The conviction of any offense substantially related to the qualifications,
functions, or duties of a physician and surgeon constitutes unprofessional conduct
14 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record
of conviction shall be conclusive evidence only of the fact that the conviction
15 occurred.

16 (b) The district attorney, city attorney, or other prosecuting agency shall notify
the Medical Board of the pendency of an action against a licensee charging a felony
17 or misdemeanor immediately upon obtaining information that the defendant is a
licensee. The notice shall identify the licensee and describe the crimes charged and
18 the facts alleged. The prosecuting agency shall also notify the clerk of the court in
which the action is pending that the defendant is a licensee, and the clerk shall record
19 prominently in the file that the defendant holds a license as a physician and surgeon.

20 (c) The clerk of the court in which a licensee is convicted of a crime shall,
within 48 hours after the conviction, transmit a certified copy of the record of
21 conviction to the board. The division may inquire into the circumstances surrounding
the commission of a crime in order to fix the degree of discipline or to determine if
22 the conviction is of an offense substantially related to the qualifications, functions, or
duties of a physician and surgeon.

23 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is
24 deemed to be a conviction within the meaning of this section and Section 2236.1.
The record of conviction shall be conclusive evidence of the fact that the conviction
25 occurred.

26 7. Section 2239 of the Code states:

27 (a) The use or prescribing for or administering to himself or herself, of any
controlled substance; or the use of any of the dangerous drugs specified in Section
28 4022, or of alcoholic beverages, to the extent, or in such a manner as to be dangerous

1 or injurious to the licensee, or to any other person or to the public, or to the extent that
2 such use impairs the ability of the licensee to practice medicine safely or more than
3 one misdemeanor or any felony involving the use, consumption, or
4 self-administration of any of the substances referred to in this section, or any
5 combination thereof, constitutes unprofessional conduct. The record of the
6 conviction is conclusive evidence of such unprofessional conduct.

7 (b) A plea or verdict of guilty or a conviction following a plea of nolo
8 contendere is deemed to be a conviction within the meaning of this section. The
9 Medical Board may order discipline of the licensee in accordance with Section 2227
10 or the Medical Board may order the denial of the license when the time for appeal has
11 elapsed or the judgment of conviction has been affirmed on appeal or when an order
12 granting probation is made suspending imposition of sentence, irrespective of a
13 subsequent order under the provisions of Section 1203.4 of the Penal Code allowing
14 such person to withdraw his or her plea of guilty and to enter a plea of not guilty, or
15 setting aside the verdict of guilty, or dismissing the accusation, complaint,
16 information, or indictment.

17 8. Section 490 of the Code states:

18 (a) In addition to any other action that a board is permitted to take against a
19 licensee, a board may suspend or revoke a license on the ground that the licensee has
20 been convicted of a crime, if the crime is substantially related to the qualifications,
21 functions, or duties of the business or profession for which the license was issued.

22 (b) Notwithstanding any other provision of law, a board may exercise any
23 authority to discipline a licensee for conviction of a crime that is independent of the
24 authority granted under subdivision (a) only if the crime is substantially related to the
25 qualifications, functions, or duties of the business or profession for which the
26 licensee's license was issued.

27 (c) A conviction within the meaning of this section means a plea or verdict of
28 guilty or a conviction following a plea of nolo contendere. Any action that a board is
permitted to take following the establishment of a conviction may be taken when the
time for appeal has elapsed, or the judgment of conviction has been affirmed on
appeal, or when an order granting probation is made suspending the imposition of
sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of
the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section
has been made unclear by the holding in *Petropoulos v. Department of Real Estate*
(2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant
number of statutes and regulations in question, resulting in potential harm to the
consumers of California from licensees who have been convicted of crimes.
Therefore, the Legislature finds and declares that this section establishes an
independent basis for a board to impose discipline upon a licensee, and that the
amendments to this section made by Chapter 33 of the Statutes of 2008 do not
constitute a change to, but rather are declaratory of, existing law.

COST RECOVERY

11. Section 125.3 of the Code states:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board, upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

(b) In the case of a disciplined licensee that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).

(e) If an order for recovery of costs is made and timely payment is not made as directed in the board's decision, the board may enforce the order for repayment in any appropriate court. This right of enforcement shall be in addition to any other rights the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(g) (1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licensee who has failed to pay all of the costs ordered under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.

(h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in

1 that board's licensing act provides for recovery of costs in an administrative
2 disciplinary proceeding.

19 15. Respondent was placed under arrest and a non-consensual blood draw warrant was
20 obtained. Respondent was transported to French Hospital for the blood draw. Respondent
21 continually pulled away from the staff trying to draw his blood. Officers admonished
22 Respondent's behavior, but he repeatedly pulled the needle out of his arm and hand, flailed his
23 arms, and yelled. The hospital staff tried three times to obtain Respondent's blood but was
24 unable to do so.

25 16. Respondent was transported to the jail, where he began crying and made threats
26 against himself. Officers placed Respondent in a padded safety cell.
