3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2001.1 of the Code states:

Protection of the public shall be the highest priority for the Medical Board of California in exercising its licensing, regulatory, and disciplinary functions. Whenever the protection of the public is inconsistent with other interests sought to be promoted, the protection of the public shall be paramount.

5. Section 2227 of the Code provides that a licensee found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

6. Section 3576 of the Code, in pertinent part, states:

(a) A registration under this chapter may be denied, suspended, revoked, placed on probation, or otherwise subjected to discipline for any of the following by the holder:

...

(3) Committing any act or being convicted of a crime constituting grounds for denial of licensure or registration under Section 480.

(4) Violating or attempting to violate this chapter or any regulation adopted under this chapter.

(b) Proceedings under this section shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the board shall have all powers granted therein.

7. Section 3576.3 of the Code states:

(a) The board may suspend or revoke the registration of a polysomnographic technologist, polysomnographic technician, or polysomnographic trainee for unprofessional conduct as described in this section.

1 (b) The use of any controlled substance or the use of any of the dangerous drugs
2 specified in Section 4022, or of alcoholic beverages, to the extent, or in such a manner as to be
3 dangerous or injurious to the registrant, or to any other person or to the public, or to the extent
4 that this use impairs the ability of the registrant to practice safely or more than one misdemeanor
5 or any felony conviction involving the use, consumption, or self-administration of any of the
6 substances referred to in this section, or any combination thereof, constitutes unprofessional
7 conduct. The record of the conviction is conclusive evidence of this unprofessional conduct.

8 (c) A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed
9 to be a conviction within the meaning of this section. The board may order discipline of the
10 registrant in accordance with Section 2227 or may order the denial of the registration when the
11 time for appeal has elapsed or the judgment of conviction has been affirmed on appeal or when an
12 order granting probation is made suspending imposition of sentence, irrespective of a subsequent
13 order under the provisions of Section 1203.4 of the Penal Code allowing this person to withdraw
14 his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or
15 dismissing the accusation, complaint, information, or indictment.

16 8. Section 480 of the Code, in pertinent part, states:

17 (a) Notwithstanding any other provision of this code, a board may deny a license regulated
18 by this code on the grounds that the applicant has been convicted of a crime or has been subject to
19 formal discipline only if either of the following conditions are met:

20 (1) The applicant has been convicted of a crime within the preceding seven years from the
21 date of application that is substantially related to the qualifications, functions, or duties of the
22 business or profession for which the application is made, regardless of whether the applicant was
23 incarcerated for that crime, or the applicant has been convicted of a crime that is substantially
24 related to the qualifications, functions, or duties of the business or profession for which the
25 application is made and for which the applicant is presently incarcerated or for which the
26 applicant was released from incarceration within the preceding seven years from the date of
27 application. ...

28 ...

1 COST RECOVERY

2 9. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
3 administrative law judge to direct a licensee found to have committed a violation or violations of
4 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
5 enforcement of the case, with failure of the licensee to comply subjecting the license to not being
