15 **19923 Hemmingway Street**

**DEFAULT DECISION**  
**AND ORDER**

[Gov. Code, §11520]

16 **Physician's and Surgeon's Certificate**  
17 **No. A 53396,**

Respondent.

18  
19  
20 **FINDINGS OF FACT**

21 1. On or about October 19, 2023, Complainant Reji Varghese, in his official capacity as  
22 the Executive Director of the Medical Board of California, Department of Consumer Affairs, filed  
23 Accusation No. 800-2022-084831 against MASSOUD SIAHKALROUDI AMINI, M.D.  
24 (Respondent) before the Medical Board of California.

25 2. On or about August 17, 1994, the Medical Board of California (Board) issued  
26 Physician's and Surgeon's Certificate No. A 53396 to Respondent. On or about October 3, 2023,  
27 Respondent's Physician's and Surgeon's Certificate was suspended, pending a full administrative  
28 hearing. The Physician's and Surgeon's Certificate was in full force and effect at all other times

1 relevant to the charges brought herein and will expire on February 29, 2024, unless renewed. A  
2 copy of the Certificate of Licensure is attached as **Exhibit A to the accompanying Evidence**  
3 **Packet.**

4 3. On or about October 19, 2023, Sharee Woods, an employee of the Board, served by  
5 Certified Mail a copy of Accusation No. 800-2022-084831, Statement to Respondent, Notice of  
6 Defense, Request for Discovery, and Government Code sections 11507.5, 11507.6, and 11507.7  
7 to Respondent at his address of record with the Board, which was and is 19923 Hemmingway  
8 Street, Winnetka, California 91306-2341. Ms. Woods also served by Certified Mailed a copy of  
9 the aforementioned documents to an address provided by Respondent and noted as his updated  
10 address, which is 17845 Valley Vista Boulevard, Encino, California 91316. A copy of the  
11 Accusation, the related documents, and Declaration of Service are attached as **Exhibit B to the**  
12 **accompanying Evidence Packet**, and are incorporated herein by reference.

13 4. On or about October 23, 2023, the U.S. Postal Service (USPS) forwarded the  
14 documents that were originally mailed to Respondent's Winnetka address. Additionally, on or  
15 about October 23, 2023, the USPS successfully delivered the documents mailed to Respondent's  
16 Encino address. Copies of the U.S. Postal Service Tracking History are attached as **Exhibit C to**  
17 **the accompanying Evidence Packet.**

18 5. Service of the Accusation was effective as a matter of law under the provisions of  
19 Government Code section 11505, subdivision (c).

20 6. Government Code section 11506 states, in pertinent part:

21 (c) The respondent shall be entitled to a hearing on the merits if the respondent  
22 files a notice of defense, and the notice shall be deemed a specific denial of all parts  
23 of the accusation not expressly admitted. Failure to file a notice of defense shall  
constitute a waiver of respondent's right to a hearing, but the agency in its discretion  
may nevertheless grant a hearing.

24 7. Respondent failed to file a Notice of Defense within 15 days after service upon him  
25 of the Accusation, and therefore waived his right to a hearing on the merits of Accusation No.  
26 800-2022-084831.

28 ///

1           8.     Additionally, on or around November 6, 2023, Respondent was sent a Courtesy  
2 Notice of Default, which included a copy of the Accusation and Notice of Defense previously  
3 served on Respondent, advising him that if he failed to take action to file a Notice of Defense by  
4 November 20, 2023, the Board would enter a Default Decision against his license, which may be  
5 revoked without a hearing. (See **Exhibit D to the accompanying Evidence Packet.**) Service of  
6 the Courtesy Notice of Default was perfected to Respondent's addresses in Winnetka and Encino,  
7 California. The USPS attempted to deliver the Courtesy Notice of Default at Respondent's  
8 address of record in Winnetka, but the documents were forwarded. On or about November 20,  
9 2023, the documents served to the Winnetka address were designated "Return to Sender" by the  
10 USPS. On or about November 10, 2023, the USPS attempted delivery of the Courtesy Notice of  
11 Default at Respondent's address in Encino. On or about November 14, 2023, the USPS left a  
12 notice for Respondent to retrieve the Courtesy Notice of Default or to schedule redelivery of the  
13 documents, or the documents would be returned to the sender. On or about November 29, 2023,  
14 the documents served to the Encino address were designated "Return to Sender" by the USPS.  
15 (See **Exhibit D to the accompanying Evidence Packet.**)

16           9.     Despite being served with the Accusation, and related documents, to his address of  
17 record in Winnetka, California and his other known address in Encino, California, and being  
18 served with a Courtesy Notice of Default that enclosed the Accusation and Notice of Defense  
19 form, Respondent failed to file a Notice of Defense or give any notice to Complainant of his  
20 intent to contest the Accusation. **Exhibit E to the accompanying Evidence Packet** is a  
21 declaration stating that no Notice of Defense has been received or submitted.

22           10.    California Government Code section 11520 states, in pertinent part:

23                   (a) If the respondent either fails to file a notice of defense or to appear at the  
24 hearing, the agency may take action based upon the respondent's express admissions  
25 or upon other evidence and affidavits may be used as evidence without any notice to  
26 respondent.

26           11.    **Exhibit F to the accompanying Evidence Packet** contains a Declaration of Alex  
27 Sahba, M.D., declaring that he conducted a mental examination of Respondent and found that  
28

1 Respondent suffers from Major Neurocognitive Disorder, unspecified, which renders Respondent  
2 incapable of safely practicing medicine at this time.

3 12. **Exhibit G to the accompanying Evidence Packet** contains a Declaration of Lorne  
4 Label, M.D., declaring that he conducted a physical/neurological examination of Respondent and  
5 found that Respondent suffers from a moderately severe type of dementia, most likely  
6 Alzheimer's disease, with vascular dementia as a secondary possibility. Dr. Label opined that  
7 Respondent is not fit to care for patients and is a danger to himself and others.

8 13. Pursuant to its authority under Government Code section 11520, the Board finds  
9 Respondent is in default. The Board will take action without further hearing and, based on  
10 Respondent's express admissions by way of default and the evidence before it, contained in  
11 Exhibits A, B, C, D, E, F, and G, finds that the allegations in Accusation No. 800-2022-084831  
12 are true.

### 13 **DETERMINATION OF ISSUES**

14 1. Based on the foregoing findings of fact, Respondent MASSOUD SIAHKALROUDI  
15 AMINI, M.D. has subjected his Physician's and Surgeon's Certificate No. A 53396 to discipline.

16 2. A copy of the Accusation and the related documents and Declaration of Service are  
17 attached here as Exhibit B.

18 3. The Board has jurisdiction to adjudicate this case by default.

19 4. The Medical Board of California is authorized to revoke Respondent's Physician's and  
20 Surgeon's Certificate based upon the following violations alleged in the Accusation:

21 a. Inability to practice medicine safely, pursuant to Business and Professions Code  
22 section 822. (See Exhibits F and G.)

### **FACTUAL ALLEGATIONS**

8. Respondent is a seventy-three year-old family medicine practitioner, who works at Sina Urgent Care in Woodland Hills, CA.

10. On or about November 8, 2022, the Board began its investigation into Respondent and the patient complaint.

11. On or about July 7, 2023, a Board representative interviewed Respondent. During that interview, the Board representative requested that Respondent submit to a voluntary mental and physical examination to determine if he could safely practice medicine. Respondent agreed to the Board's request.

10 15. The physician, who performed the physical examination, determined that Respondent  
11 suffers from moderately severe dementia, most likely Alzheimer's disease, with vascular  
12 dementia as a secondary possibility. The physician determined that Respondent is not mentally  
13 fit to care for patients and is a danger to himself and others.

14 16. The physician recommended that Respondent undergo a complete evaluation and  
15 treatment for his condition, and that Respondent refrain from operating a motor vehicle.
