RE: Physician's and Surgeon's Certificate No. G 28239
Case No. 800-2022-084760

Public Letter of Reprimand

An investigation by the Medical Board of California revealed that you deviated from the standard of care in that you failed to place yourself on medical/disability leave until your vision issues were resolved, which led to the failure of identifying skin cancers on a patient.

These actions constitute a violation of Business and Professions Code Section(s): 2234.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
