[illegible]

4. Section 2227 of the Code provides that a licensee found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(f) Any action or conduct that would have warranted the denial of a certificate.

(a) The conviction of any offense substantially related to the qualifications, or duties of a licensee constitutes unprofessional conduct within the meaning of [Chapter 5, the Medical Practice Act]. The record of conviction shall be evidence only of the fact that the conviction occurred.

(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is to be a conviction within the meaning of this section and Section 2236.1. The conviction shall be conclusive evidence of the fact that the conviction occurred.

(a) The use or prescribing for or administering to himself or herself, of any controlled or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to person or to the public, or to the extent that such use impairs the ability of the licensee

1 to practice medicine safely or more than one misdemeanor or any felony involving the use,
2 consumption, or self-administration of any of the substances referred to in this section, or any
3 combination thereof, constitutes unprofessional conduct. The record of the conviction is
4 conclusive evidence of such unprofessional conduct.

5 (b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is
6 deemed to be a conviction within the meaning of this section. The Medical Board may order
7 discipline of the licensee in accordance with Section 2227 or the Medical Board may order the
8 denial of the license when the time for appeal has elapsed or the judgment of conviction has been
9 affirmed on appeal or when an order granting probation is made suspending imposition of
10 sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal
11 Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty,
12 or setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or
13 indictment.

14 8. California Code of Regulations, title 16, section 1360, states:

15 For the purposes of denial, suspension or revocation of a license, certificate or permit
16 pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be
17 considered to be substantially related to the qualifications, functions or duties of a person holding
18 a license, certificate or permit under the Medical Practice Act if to a substantial degree it
19 evidences present or potential unfitness of a person holding a license, certificate or permit to
20 perform the functions authorized by the license, certificate or permit in a manner consistent with
21 the public health, safety or welfare. Such crimes or acts shall include but not be limited to the
22 following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the
23 violation of, or conspiring to violate any provision of the Medical Practice Act.

24 COST RECOVERY

25 9. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
26 administrative law judge to direct a licensee found to have violated the licensing act to pay a sum
27 not to exceed the reasonable costs of the investigation and enforcement of the case. Licensee's
28

1 failure to comply will result in the license not being renewed or reinstated. If a case settles,
2 recovery of investigation and enforcement costs may be included in a stipulated settlement.

3 **FACTUAL ALLEGATIONS**

4 10. On or about March 4, 2022, at approximately 12:50 a.m., Respondent was arrested for
5 driving under the influence of alcohol after being spotted repeatedly crossing double yellow lines
6 while driving in Amador County. Respondent had a BAC of 0.38% at the scene.

7 11. On or about June 15, 2022, in a criminal proceeding entitled *People of the State of*
8 *California v. Ryan Joseph Rocha*, in the Amador County Superior Court, Case No. 22CR31617,
9 Respondent was convicted by plea of "no contest" to violating California Vehicle Code section

11 Code Section 23578, driving with a BAC greater than .20%. Respondent was placed on 3 years'
12 probation with standard DUI terms, including, serving 10 days in jail, participating and
13 successfully completing the First Offender Program, ignition interlock device ordered installed on
14 any vehicle owned or operated for a term of 6 months, and payment of fees and fines.

15 **CAUSE FOR DISCIPLINE**

16 **(Unprofessional Conduct: Criminal Conviction/Dangerous Use of Alcohol)**

17 12. Paragraphs 10 through 12 are incorporated by reference as if fully set forth.

18 13. Respondent is subject to disciplinary action for engaging in unprofessional conduct,
19 pursuant to section 2234 of the Code by virtue of the fact that Respondent drove a vehicle while
20 under the influence of an excessive amount of alcohol in a manner dangerous to Respondent and
21 others in violation of section 2239 of the Code. Further, Respondent is subject to disciplinary
22 action by virtue of his criminal conviction in *People of the State of California v. Ryan Joseph*
23 *Rocha*, in the Amador County Superior Court, Case No. 22CR31617, which is substantially
24 related to the qualifications, functions and duties of a physician and surgeon, and constitutes
