///

1 **CULPABILITY**

2 8. Respondent admits the truth of each and every charge and allegation in Petition to
3 Revoke Probation No. 800-2022-094056, agrees that cause exists for discipline and hereby
4 surrenders his Physician's and Surgeon's Certificate No. G 56073 for the Board's formal
5 acceptance.

6 9. Respondent understands that by signing this stipulation he enables the Board to issue
7 an order accepting the surrender of his Physician's and Surgeon's Certificate without further
8 process.

9 **CONTINGENCY**

10 10. Business and Professions Code section 2224, subdivision (b), provides, in pertinent
11 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...
12 stipulation for surrender of a license."

13 11. Respondent understands that, by signing this stipulation, he enables the Executive
14 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his
15 Physician's and Surgeon's Certificate No. G 56073 without further notice to, or opportunity to be

22 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands
23 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the
24 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

25 13. The parties agree that this Stipulated Surrender of License and Disciplinary Order
26 shall be null and void and not binding upon the parties unless approved and adopted by the
27 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full
28 force and effect. Respondent fully understands and agrees that in deciding whether or not to

1 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive
2 Director and/or the Board may receive oral and written communications from its staff and/or the
3 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the
4 Executive Director, the Board, any member thereof, and/or any other person from future
5 participation in this or any other matter affecting or involving respondent. In the event that the
6 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this
7 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it
8 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied
9 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees
10 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason

13 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or
14 of any matter or matters related hereto.

15 **ADDITIONAL PROVISIONS**

20 Order, including copies of the signatures of the parties, may be used in lieu of original documents
21 and signatures and, further, that such copies shall have the same force and effect as originals.

22 16. In consideration of the foregoing admissions and stipulations, the parties agree the
23 Executive Director of the Board may, without further notice to or opportunity to be heard by
24 Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

24 2. On or about September 23, 1985, the Medical Board of California issued Physician's

3. In a disciplinary action titled "In the Matter of the Accusation Against Arthur Kwok-Kwong Chiu, M.D.," Case No. 800-2016-023573, the Medical Board of California, issued a decision, effective April 14, 2017, in which Respondent's Physician's and Surgeon's Certificate was revoked. However, the revocation was stayed and Respondent's Physician's and Surgeon's Certificate was placed on probation for a period of three years with certain terms and conditions. Those terms and conditions included, but were not limited to, enrollment and successful completion of a clinical training program; practice monitor; solo practice probation; submitting proof of notification of Decision to required parties, submitting quarterly declarations of compliance with all conditions of probation, complying with the Board's probation unit, and paying costs associated with probation monitoring. A copy of that decision is attached to Exhibit A and is incorporated by reference.

JURISDICTION

4. This First Amended Petition to Revoke Probation is brought before the Medical Board of California (Board), Department of Consumer Affairs, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

5. Section 2221 of the Code states:

“(a) The board may deny a physician’s and surgeon’s certificate or postgraduate training authorization letter to an applicant guilty of unprofessional conduct or of any cause that would subject a licensee to revocation or suspension of his or her license. The board in its sole discretion, may issue a probationary physician’s and surgeon’s certificate to an applicant subject to terms and conditions, including, but not limited to, any of the following conditions of probation:

“(1) Practice limited to a supervised, structured environment where the licensee’s activities shall be supervised by another physician and surgeon.

“(2) Total or partial restrictions on drug prescribing privileges for controlled substances.

“(3) Continuing medical or psychiatric treatment.

“(4) Ongoing participation in a specified rehabilitation program.

1 “(5) Enrollment and successful completion of a clinical training program.

2 “(6) Abstention from the use of alcohol or drugs.

3 “(7) Restrictions against engaging in certain types of medical practice.

4 “(8) Compliance with all provisions of this chapter.

5 “(9) Payment of the cost of probation monitoring.”

6 6. Section 2227 of the Code provides that a licensee who is found guilty under the
7 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
8 one year, placed on probation and required to pay the costs of probation monitoring, or such other
9 action taken in relation to discipline as the Board deems proper.

10 7. Section 2227 of the Code provides that a licensee who is found guilty under the
11 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
12 one year, placed on probation and required to pay the costs of probation monitoring, or such other
13 action taken in relation to discipline as the Board deems proper.

14 8. Section 2228 of the Code states:

15 “The authority of the board or the California Board of Podiatric Medicine to discipline a
16 licensee by placing him or her on probation includes, but is not limited to, the following:

17 “(a) Requiring the licensee to obtain additional professional training and to pass an
18 examination upon the completion of the training. The examination may be written or oral, or
19 both, and may be a practical or clinical examination, or both, at the option of the board or the
20 administrative law judge.

21 “(b) Requiring the licensee to submit to a complete diagnostic examination by one or more
22 physicians and surgeons appointed by the board. If an examination is ordered, the board shall
23 receive and consider any other report of a complete diagnostic examination given by one or more
24 physicians and surgeons of the licensee's choice.

25 “(c) Restricting or limiting the extent, scope, or type of practice of the licensee, including
26 requiring notice to applicable patients that the licensee is unable to perform the indicated
27 treatment, where appropriate.

28 ///

“(d) Providing the option of alternative community service in cases other than violations relating to quality of care.”

9. Under the terms of the 2017 Decision, Respondent's failure to comply with any term or condition of probation is a violation of probation. If Respondent violates probation, the Board, after giving notice and opportunity to be heard, may revoke probation and impose all or any portion of the disciplinary order that was stayed. If a Petition to Revoke Probation is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.

CAUSE TO REVOKE PROBATION

(Violation of Terms and Conditions of Probation)

10. Respondent's probation is subject to revocation because he failed to comply with Probation Condition No. 7 (Quarterly Declaration); Probation Condition No. 8 (General Probation Requirements); Probation No. 10 (Non-Practice While on Probation); and Probation Condition No. 12 (Failure to Comply with Probationary Terms) of the Decision in Case No. 800-2016-023573. The facts and circumstances regarding these violations are as follows:

11. Pursuant to Probation Condition No. 7, Respondent is required to submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probations. Respondent is required to submit quarterly declarations no later than ten calendar days after the end of the preceding quarter. Respondent has not submitted quarterly declaration to the Board since April 1, 2019.

12. Pursuant to Probation Condition No. 8, Respondent is required to maintain a current and renewed California Physician's and Surgeon's Certificate during the period of probation. Respondent's Physician's and Surgeon's Certificate expired on October 31, 2020, and has not been renewed.

13. Pursuant to Probation Condition No. 10, Respondent's period of non-practice of medicine while on probation cannot exceed 2 years without being in violation of probation. If Respondent's period of non-practice exceeds 18 months, Respondent must successfully complete the Federation of State Medical Board's Special Purpose Examination, or at the Board's

1 discretion, a clinical assessment program. On January 10, 2021, Respondent's period of
2 non-practice exceeded 18 months. On July 10, 2021, Respondent's period of non-practice
3 exceeded two years. Respondent has not completed the Federation of State Medical Board's
4 Special Purpose Examination, or the required clinical assessment program.

5 14. Pursuant to Probation Condition No. 12, Respondent's failure to comply with any
6 terms or conditions of probation is itself a violation of probation. Respondent's failure to comply
7 with Probation Conditions No. 8 and 10 are violations of Probation Condition No. 12.

8 **PRAYER**

9 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
10 and that following the hearing, the Board issue a decision:

11 1. Revoking the probation that the Board granted in Case No. 800-2016-023573 and
12 imposing the disciplinary order that was stayed thereby revoking Physician's and Surgeon's
13 Certificate No. G 56073 issued to Arthur Kwok-Kwong Chiu, M.D.;

14 2. Revoking or suspending Physician's and Surgeon's Certificate No. G 56073, issued to
15 Respondent, Arthur Kwok-Kwong Chiu, M.D.;

16 3. Revoking, suspending or denying approval of Respondent, Arthur Kwok-Kwong
17 Chiu, M.D.'s authority to supervise physician's assistants, pursuant to section 3527 of the Code;
18 and

19 4. Taking such other and further action as deemed necessary and proper.

12 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate number G56073
13 issued to respondent Arthur Kwok-Kwong Chiu, M.D. is revoked. However, the revocation is
14 stayed and Respondent is placed on probation for three (3) years on the following terms and
15 conditions.

16 1. Clinical Training Program

17 Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a
18 clinical training or educational program equivalent to the Physician Assessment and Clinical
19 Education Program (PACE) offered at the University of California - San Diego School of
20 Medicine (Program).

21 Respondent shall successfully complete the Program not later than six (6) months after

25 communication skills common to all clinicians; and medical knowledge, skill and judgment
26 pertaining to Respondent's area of practice in which Respondent was alleged to be deficient, and
27 at minimum, a 40 hour program of clinical education in the area of practice in which Respondent

2 relevant. Respondent shall pay all expenses associated with the clinical training program.

3 Based on Respondent's performance and test results in the assessment and clinical

14 Respondent shall make all records available for immediate inspection and copying on the
15 premises by the monitor at all times during business hours and shall retain the records for the
16 entire term of probation. If Respondent fails to obtain approval of a monitor within sixty (60)
17 calendar days of the effective date of the Decision, Respondent shall receive a notification from
18 the Board or its designee to cease the practice of medicine within three (3) calendar days after
19 being so notified. Respondent shall cease the practice of medicine until a monitor is approved to
20 provide monitoring responsibility.

21 The monitor shall submit a quarterly written report to the Board or its designee which
22 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
23 are within the standards of practice of medicine, and whether Respondent is practicing medicine
24 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the
25 quarterly written reports to the Board or its designee within 10 calendar days after the end of the
26 preceding quarter.

27 ///

28 ///

1 If the monitor resigns or is no longer available, Respondent shall, within five (5) calendar
2 days of such resignation or unavailability, submit to the Board or its designee, for prior approval,
3 the name and qualifications of a replacement monitor who will be assuming that responsibility
4 within fifteen (15) calendar days. If Respondent fails to obtain approval of a replacement monitor
5 within thirty (30) calendar days of the resignation or unavailability of the monitor, Respondent
6 shall receive a notification from the Board or its designee to cease the practice of medicine within
7 three (3) calendar days after being so notified. Respondent shall cease the practice of medicine
8 until a replacement monitor is approved and assumes monitoring responsibility.

9 **3. Solo Practice Prohibition**

10 Respondent is prohibited from engaging in the solo practice of medicine. Prohibited solo
11 practice includes, but is not limited to, a practice where: 1) Respondent merely shares office space
12 with another physician but is not affiliated for purposes of providing patient care, or 2)
13 Respondent is the sole physician practitioner at that location.

14 Respondent shall not practice medicine in California until Respondent has demonstrated
15 to the Board or its designee that he has established a practice with another physician or secured
16 employment in an appropriate practice. In the event Respondent fails to demonstrate compliance
17 with this provision, Respondent shall receive a notification from the Board or its designee to
18 cease the practice of medicine within three (3) calendar days after being so notified. The
19 Respondent shall not resume practice until an appropriate practice setting is established and
20 approved by the Board or its designee.

21 If, during the course of the probation, the Respondent's practice setting changes and the
22 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent
23 shall notify the Board or its designee within 5 calendar days of the practice setting change. If
24 Respondent fails to establish a practice with another physician or secure employment in an
25 appropriate practice setting within 60 calendar days of the practice setting change, Respondent
26 shall receive a notification from the Board or its designee to cease the practice of medicine within
27 three (3) calendar days after being so notified. The Respondent shall not resume practice until an
28 appropriate practice setting is established.

1 4. Notification

2 Within seven (7) days of the effective date of this Decision, Respondent shall provide a
3 true copy of this Decision and Accusation to the Chief of Staff or the Chief Executive Officer at
4 every hospital where privileges or membership are extended to Respondent, at any other facility
5 where Respondent engages in the practice of medicine, including all physician and locum tenens
6 registries or other similar agencies, and to the Chief Executive Officer at every insurance carrier
7 which extends malpractice insurance coverage to respondent. Respondent shall submit proof of
8 compliance to the Board or its designee within fifteen (15) calendar days. This condition shall
9 apply to any change(s) in hospitals, other facilities or insurance carrier.

10 5. Supervision of Physician Assistants

11 During probation, Respondent is prohibited from supervising Physician Assistants.

12 6. Obey all Laws

13 Respondent shall obey all federal, state and local laws, all rules governing the
14 practice of medicine in California, and remain in full compliance with any court ordered criminal
15 probation, payments and other orders.

16 7. Quarterly Declarations

17 Respondent shall submit quarterly declarations under penalty of perjury on forms
18 provided by the Board, stating whether there has been compliance with all the conditions of
19 probation. Respondent shall submit quarterly declarations not later than ten (10) calendar days
20 after the end of the preceding quarter.

21 8. General Probation Requirements

22 Respondent shall cooperate and comply with the Board's probation unit and all terms and
23 conditions of this Decision. Respondent shall, at all times, keep the Board informed of
24 Respondent's business and residence addresses, email address (if available) and telephone
25 number(s). Changes of such information shall be immediately communicated in writing to the
26 Board or its designee. Under no circumstances shall a post office box serve as an address of
27 record, except as allowed by Business and Professions Code section 2021(b). Respondent shall
28 not engage in the practice of medicine in Respondent's or patient's place of residence, unless the

1 patient resides in a skilled nursing facility or other similar license facility. Respondent shall
2 maintain a current and renewed California physician's and surgeon's license. Respondent shall
3 immediately inform the Board, or its designee, in writing, of travel to any areas outside the
4 jurisdiction of California which lasts, or is contemplated to last, more than 30 calendar days. In
5 the event Respondent should leave the State of California to reside or to practice Respondent shall
6 notify the Board or its designee in writing thirty (30) calendar days prior to the dates of departure
7 and return.

8 9. Interview With the Board, or its Designee

9 Respondent shall be available in person upon request for interviews either at Respondent's
10 place of business or at the probation unit office, with or without prior notice throughout the term
11 of probation.

12 10. Non-Practice While on Probation

13 Respondent shall notify the Board or its designee in writing within fifteen (15)
14 calendar days of any periods of non-practice lasting more than thirty (30) days and within fifteen
15 (15) calendar days of Respondent's return to practice. Non-practice is defined as any period of
16 time Respondent is not practicing medicine in California as defined in Business and Professions
17 Code sections 2051 and 2052 for at least forty (40) hours in a calendar month in direct patient
18 care, clinical activity or teaching, or other activity as approved by the Board or its designee. All
19 time spent in an intensive training program which has been approved by the Board or its designee
20 shall not be considered non-practice. Practicing medicine in another state of the United States,
21 Federal jurisdiction or in another country, while on probation with the medical licensing authority
22 of that state, jurisdiction or country, shall not be considered non-practice. A Board-ordered
23 suspension of practice shall not be considered as a period of non-practice. In the event
24 Respondent's period of non-practice while on probation exceeds 18 calendar months, Respondent
25 shall successfully complete a clinical training program that meets the criteria of Condition 18 of
26 the current version of the Board's "Manual of Model Disciplinary Orders and Disciplinary
27 Guidelines" prior to resuming the practice of medicine. Respondent's period of non-practice
28 while on probation shall not exceed two (2) years. Periods of non-practice will not apply to the

1 reduction of the probationary term. Periods of non-practice will relieve Respondent of the
2 responsibility to comply with the probationary terms and conditions with the exception of this
3 condition and the following terms and conditions of probation: Notification; Obey All Laws; and
4 General Probation Requirements.

5 **11. Completion of Probation**

6 Respondent shall comply with all financial obligations (e.g., restitution, probation costs)
7 not later than one hundred twenty (120) calendar days prior to the completion of probation. Upon
8 successful completion of probation, Respondent's certificate shall be fully restored.

9 **12. Violation of Probation**

10 Failure to fully comply with any term or condition of probation is a violation of
11 probation. If Respondent violates probation in any respect, the Board, after giving Respondent
12 notice and the opportunity to be heard, may revoke probation and carry out the disciplinary order
13 that was stayed. If an Accusation, Petition to Revoke Probation, or an Interim Suspension Order
14 is filed against Respondent during probation, the Board shall have continuing jurisdiction until
15 the matter is final, and the period of probation shall be extended until the matter is final.

16 **13. License Surrender**

17 Following the effective date of this Decision, if Respondent ceases practicing due to
18 retirement, health reasons or is otherwise unable to satisfy the terms and conditions of probation,
19 Respondent may request to surrender of his or her license. The Board reserves the right to
20 evaluate Respondent's request and to exercise its discretion in determining whether or not to
21 grant the request, or to take any other action deemed appropriate and reasonable under the
22 circumstances. Upon formal acceptance of the surrender, Respondent shall within fifteen (15)
23 calendar days deliver Respondent's wallet and wall certificate to the Board or its designee and
24 Respondent shall no longer practice medicine. Respondent will no longer be subject to the terms
25 and conditions of probation. If Respondent re-applies for a medical license, the application shall
26 be treated as a petition for reinstatement of a revoked certificate.

27 **14. Probation Monitoring Costs**

28 Respondent shall pay the costs associated with probation monitoring each and every year

1 of probation, as designated by the Board and which may be adjusted on an annual basis. Such
2 costs shall be payable to the Medical Board of California and delivered to the Board or its
3 designee no later than January 31 of each calendar year.
