- 28. A medical spa has been defined² as a hybrid between an aesthetic medical center and a day spa with four core elements: (1) the provision of non-invasive (i.e. non-surgical) aesthetic medical services; (2) under the general supervision of a licensed physician; (3) performed by trained, experienced and qualified practitioners; (4) with onsite supervision by a licensed healthcare professional.
- 29. OrangeTwist is a national network of "med spas," controlled by a network of 'OrangeTwist-brand' corporations. Since its incorporation in 2015, OrangeTwist has opened sixteen locations throughout California, Nevada, New Jersey, Texas and Washington.
- 30. Each OrangeTwist location has a "medical director" who is hired as an independent contractor by a professional medical corporation, "Body Concepts by Orange Twist 1."
- 31. OrangeTwist locations in California are staffed by roughly one to three physician assistants, nurse practitioners and/or registered nurses, per location, along with other employees who do not have a medical license. At some locations, at times, the only medical provider is a registered nurse.
- 32. Registered nurses are not permitted to perform good faith examinations, while physician assistants and nurse practitioners may do so under the supervision of a physician and surgeon. All three categories of physician extenders require the supervision of a licensed physician and surgeon.

- 33. Any person who diagnoses, treats, operates for, or prescribes for any ailment, blemish, deformity, disease, disfigurement, disorder, injury, or other physical or mental condition of any person, is practicing medicine and must do so within the bounds of their license. Treatments offered at OrangeTwist constitute the practice of medicine and include, but are not limited to: dermal fillers, neuromodulator treatments, Clear and Brilliant treatments, Vivace (microneedling, collagen induction) treatments, intramuscular injections, intravenous treatments, microneedling, Diolaze, Fractora, Lumecca, and hair restoration. These modalities alter or reshape normal structures of the body and are advertised to consumers as means to improve appearance, "self-care" or for some other "health" outcome.
- 34. Dermal fillers are gel-like substances injected under the skin. Dermal fillers are meant to create a smoother or fuller appearance, or both. The FDA regulates dermal fillers as medical devices.
- 35. Clear and Brilliant is a low-level diode 1140 nanometer laser that does very mild skin resurfacing. Diolaze is a laser treatment that uses a diode laser beam to direct high-energy light to hair follicles, destroying the hair. Lumecca is a very powerful intense pulsed light (IPL) that treats pigmented and vascular lesions. In California, physicians may use lasers or intense pulse light devices. In addition, physician assistants and registered nurses may perform these treatments under a physician's supervision.
- 36. Botox (anabotulinumtoxinA) is a neuromodulator used as an injection to reduce frown lines, crow's feet and forehead lines. Dysport (abotulinumtoxinA) is a neuromodulator used as an injection to reduce frown lines. In California, only licensed physicians may inject neuromodulators without supervision by another professional. Registered nurses (including nurse practitioners) and physician assistants may inject Botox under the supervision or direction of a licensed physician.
- 37. Microneedling is a minimally invasive procedure for your skin. Thin needles are used to make tiny holes in the top layer of the skin. The damage helps stimulate the skin's healing process, so it produces more collagen and elastin. Vivace is a form of microneedling that combines microneedling and radiofrequency energy to stimulate collagen production. Fractora is

radiofrequency microneedling. Only licensed physicians may do microneedling without supervision by another professional. Registered nurses (including nurse practitioners) and physician assistants perform microneedling under the supervision or direction of a licensed physician.

- 38. Before receiving any medical procedure or intervention, patients must be competent to make a voluntary decision about whether to undergo the procedure or intervention, otherwise known as "informed consent." Patients need to be educated about the nature of the procedure, the attendant risks and benefits of the procedure, and reasonable alternatives to the procedure by someone sufficiently knowledgeable and qualified to do so. Informed consent is both an ethical and legal obligation of medical practitioners in California.
- 39. The Board provides³ the following guidance to its licensees regarding the corporate practice of medicine:

... [T]he following "business" or "management" decisions and activities, resulting in control over the physician's practice of medicine, should be made by a licensed California physician and not by an unlicensed person or entity:

- Ownership is an indicator of control of a patient's medical records, including determining the contents thereof, and should be retained by a California-licensed physician;
- Selection, hiring/firing (as it relates to clinical competency or proficiency) of physicians, allied health staff and medical assistants;
- Setting the parameters under which the physician will enter into contractual relationships with third-party payers;
- Decisions regarding coding and billing procedures for patient care services; and
- Approving of the selection of medical equipment and medical supplies for the medical practice.

The types of decisions and activities described above cannot be delegated to an unlicensed person, including (for example) management service organizations. While a physician may consult with unlicensed persons in making the "business" or "management" decisions described above, the physician must retain the ultimate responsibility for, or approval of, those decisions.

The following types of medical practice ownership and operating structures also are prohibited:

³ https://www.mbc.ca.gov/Licensing/Physicians-and-Surgeons/Practice-Information/ (as at February 9, 2023)

• Non-physicians owning or operating a business that offers patient evaluation, diagnosis, care and/or treatment;

...

- Management service organizations arranging for, advertising, or providing medical services rather than only providing administrative staff and services for a physician's medical practice (non-physician exercising controls over a physician's medical practice, even where physicians own and operate the business); and
- A physician acting as "medical director" when the physician does not own the
 practice. For example, a business offering spa treatments that include medical
 procedures such as Botox injections, laser hair removal, and medical
 microdermabrasion, that contracts with or hires a physician as its "medical director."

In the examples above, non-physicians would be engaged in the unlicensed practice of medicine, and the physician may be aiding and abetting the unlicensed practice of medicine.

40. Regarding medical spas, the Board⁴ offers the following:

Medical spas are marketing vehicles for medical procedures. If they are offering medical procedures, they must be owned by physicians.

41. In this case, Respondent and a lay corporation contrived to make it appear that Respondent was "the licensed owner[] of a medical spa" and that the lay corporation was purely offering "key business management services" to him. In reality, Respondent owned nothing – the lay corporation owned and controlled the medical equipment, the practice premises and their lease(s), the corporate trademark under which the medical practice was required to do business, and all of the multiple bank accounts that were opened in the name of the practice (but operated exclusively by the lay corporation). Of note, profit motivations in such arrangements subjugate consumer safety.⁵

⁵ The American Med Spa Association ("AmSpa") is a for-profit LLC whose mission is to "help its members ... operate both legally and profitably." It was founded by an attorney at a Dallas-based law firm who "identified the need for an organization that focused on the legal and compliance issues of the newly evolving medical spa and medical aesthetic industry." The Dallas-based law firm reportedly "powers" the legal resources provided by AmSpa. One of the attorneys associated with the Dallas-based firm is RF, Esq. An AmSpa blog entitled "Who Can Own a Medical Spa," provides the following information to would be investors: "... [M]edical spas primarily offer medical treatments. Accordingly, most states regulate medical spas in the same way they do other medical practices. ... [I]t is the licenses of the health care providers who work in the medical spa that allow it to offer its services. The main qualification a person needs to own a medical spa is having the proper qualification that allows them to own a medical practice and employ health care personnel. ... Many states prohibit non-physicians from owning

The business model Respondent employed poses multiple threats to patients, including: the lay corporation may not understand the quality of care implications of their business decisions, the lay corporation does not have any professional ethical obligation to place the patient's interests foremost, and the lay corporation is not subject to the full panoply of healthcare regulation and enforcement powers of the Board.

- 47. In or after April 2015, an application was filed with the City of Costa Mesa for a business license tax certificate for BCOT1. The license was issued effective May 1, 2015⁷ with a recorded mailing address of 485 17th St., Ste 500, Costa Mesa, for the attention of Gary Fischer.⁸
- 48. On or about July 27, 2015, BCOT1 (through its then President, Grant Stevens, M.D.) amended its articles of incorporation to indicate that the entity was a California professional medical corporation.
- 49. On or about February 23, 2017, BCOT1 and/or Dr. Stevens applied to the Board for a Fictitious Name Permit ("FNP") to be issued in the name of "OrangeTwist." The address of record for the FNP was given as 485 E. 17th St., Costa Mesa. OrangeTwist FNP No. 547154 was issued on or about April 21, 2017. The contact person for the FNP was RF., Esq. (Dallas).
- 50. FNP 54714 expired on or about April 30, 2019, and was delinquent until its renewal on or about January 30, 2020. At the same time as the renewal, the address of record for FNP 54714 was changed to 730 S. Allied Way Ste C, El Segundo, California. An email of record was provided as gary@orangetwist.com, and the phone contact number provided was the cell phone of Mr. Fischer.
- 51. On or about March 7, 2017, RF, Esq., submitted a Statement of Information for BCOT1, describing the business of the corporation as "aesthetic medical procedures."
- 52. Effective September 1, 2018, Francis R. Palmer, III, M.D. (Dr. Palmer), became a Medical Director of two (2) BCOT1 medical offices, at the OrangeTwist locations in Westlake Village and 730 S Allied Way, Suite C, El Segundo, California, respectively.
- 53. As an independent contractor to BCOT1, Dr. Palmer received compensation of \$1,500 per month, per practice location.
- 54. Effective November 1; 2018, Dr. Palmer became the sole owner and CEO of BCOT1 after his purported purchase of Dr. Stevens' 10,000 shares in BCOT1 at their original total value of ten dollars (\$10).

⁷ BCOT1's business license tax certificate in Costa Mesa expired on April 30, 2020, and the OrangeTwist branch in Costa Mesa was closed down at some earlier time.

⁸ Mr. Fischer is a former Chief Financial Officer for OrangeTwist.

55. For his new role as Chief Medical Director for OrangeTwist, Dr. Palmer was paid an additional \$6,250 per month.

- 56. Also effective November 1, 2018, in his new dual roles as both CEO of BCOT1 and independent contractor to BCOT1, Dr. Palmer entered into an "Amended and Restated Medical Director Agreement" with BCOT1 (whose principal office was reported as being in Costa Mesa). The new agreement, while substantially similar to the former Medical Director Agreement, also provided that Dr. Palmer had entered into a "Consulting Agreement with Orange Twist, LLC, a Delaware limited liability company."
- 57. On or about March 6, 2019, RF, Esq., submitted Statements of Information for both BCOT1 and OrangeTwist Delaware, respectively, with the CA SOS. The companies shared the same business address in Costa Mesa, California. While BCOT1's type of business was given as "medical spa," OrangeTwist Delaware reportedly engaged in "medical spa management." Its Chief Executive Officer was Clint Carnell.⁹

OrangeTwist Expansion and Acquisitions/Mergers:

- 58. In late 2017 through 2018, a similar "management services" relationship existed in regard to the "Illuminate Face & Body Bar" med spas, which operated out of five (5) locations in California and one in Nevada. Thus, MSA's existed between the Illuminate "Manager" (an LLC, in each case) and the Illuminate "PC" (a professional medical corporation, in each case). The Illuminate lay corporations (one for each med spa location) were headed by co-trustees Jeffrey Seery and Kenneth Kay, while the owner of the Illuminate professional medical corporations was OF, M.D.
- 59. In late 2018 and/or early 2019, without consultation with OF, M.D., OrangeTwist merged with and/or acquired the Illuminate LLC's, and the former "Illuminate" medi spa locations were turned into "OrangeTwist" medi spa locations. The MSA's between the Illuminate LLC's and Illuminate PC's were terminated and the Illuminate medical practices run by OF, M.D., were effectively forced to close.

⁹ A similar form was submitted by RF, Esq., for OrangeTwist Delaware, on or about September 29, 2020, with the type of business described as "aesthetic medical procedures."

All Illuminate Face & Body Bar locations will be fully branded as OrangeTwist locations by July 2019.

"OrangeTwist was already one of the fastest-growing brands in the United States," Carnell says. "The expansion of our footprint just makes us more convenient for more clients, and it allows us to put more resources back into our products and services. If you're not growing, you're dying, so I'm just really fortunate to have met Jeff and to have found a partner who wants to work to make this one of the preeminent brands in the country. ... We are really excited about the future and look forward to putting the new company together and continuing to lead California aesthetics."

Neither report mentions any participation in the merger by OF, M.D., or Illuminate Medical corporation.

- 63. Also in or around late 2018, the Pure Aesthetics and Wellness med spa operated in Newport Coast. A MSA existed between a lay corporation owned by Tom Forbath (DBA Pure Aesthetics and Wellness), and a professional medical corporation, the Pure Aesthetics and Wellness Medical Group (purportedly owned by TP, M.D.).
- 64. On or about May 17, 2019, both the DBA Pure Aesthetics and the medical corporation Pure Aesthetics were sold, in a single or simultaneous transaction(s), to OrangeTwist and BCOT1, respectively. As part of the sale of Pure Aesthetics to OrangeTwist, Mr. Forbath received a 40 percent ownership interest in a new OrangeTwist/Pure entity. Neither TP, M.D., nor the Pure Aesthetics medical corporation¹³ received any compensation.
- 65. Pursuant to the sale agreement, all Pure Aesthetics' patient records were to be transferred to BCOT1. Further, the sale agreement, which was also signed by Dr. Palmer as a purchaser, included the following:

Purchasers ¹⁴ [including BCOT1] recognize ... that it may be in Purchasers' best interest to provide minor adjustments to patients' prior treatments to ensure the transfer of goodwill associated with such patients. Notwithstanding anything to the contrary, Purchasers will have no responsibility or liability to Sellers or any patient to provide any adjustment, repair, or replacement for any of Seller's Treatments, and Purchasers, in their sole discretion, may decline the right to treat any of Seller's former patients.

¹³ Pure Aesthetics, the medical corporation, was dissolved on December 29, 2020, and reportedly "never incurred any known debts or liabilities."

¹⁴ "Purchasers" are "Orange Twist Pure Management, LLC" and BCOT1.

On or about June 2019, Orange Twist announced the acquisition of Pure Aesthetics With this acquisition, OrangeTwist will now have a 15-center footprint across California, Nevada, Texas and Washington. All centers will look and operate as an Orange Twist shop, including offering the existing curated menu of services, with the addition of IV therapy and wellness vitamin shots to help clients achieve results that "At PURE Aesthetics + Wellness, we are committed to working closely with all of our clients to determine their specific needs and adapting each service or treatment accordingly for a personalized approach that guarantees these needs are safely and effectively met," said Tom Forbath, President of PURE Aesthetics + Wellness. "With the acquisition, this approach will be expanded to reach new clients that are specifically interested in these type of offerings in the wellness space." Effective May 25, 2019, BCOT1 entered into an "Amended and Restated Management Services Agreement" ("2019 MSA") with OrangeTwist, LLC ("OrangeTwist"). By its terms, the 2019 MSA gives OrangeTwist control over BCOT1's medical practice in multiple ways, either directly or indirectly. BCOT1 has no rights to determine where it practices, and it has no control or authority over the medical equipment it uses, the name it practices under, or its bookkeeping and own bank accounts. OrangeTwist can terminate the 2019 MSA without cause, effectively causing the closure of BCOT1's medical practice, without any Effective August 28, 2019, Respondent became the Medical Director of the OrangeTwist Brentwood location, situated at 11710 Barrington Court, Los Angeles, California. Effective November 20, 2019, Respondent became the Medical Director of a second OrangeTwist location, namely, Sephora The Grove, located at 189 The Grove Drive, Suite J1A, In February 2020, Dr. Palmer became ill and was unable to fulfill his duties as medical director or chief medical director. He informed OrangeTwist management accordingly.

Resp	onden	t.

- 73. Around the end of May 2020, Dr. Palmer purportedly transferred his 10,000 shares in BCOT1 to Respondent for the reported price of ten dollars (\$10), thereby making Respondent the CEO of BCOT1. The transaction was marked by a Stock Purchase Agreement, purportedly effective May 20, 2020, but signed by Dr. Palmer on May 28, 2020, and by Respondent on June 3, 2020.
- 74. Effective August 3, 2020, Respondent became the Medical Director of a third OrangeTwist location, namely, Rancho Mirage, located at 42452 Bob Hope Drive, Suite C, Rancho Mirage, California.
- 75. As an independent contractor to BCOT1, Respondent received compensation of \$1,500 per month, per practice location. For his new role as Chief Medical Director for OrangeTwist, Respondent was paid an additional \$6,500 per month.
- 76. Notwithstanding the \$10 purchase price for the medical corporation, no money changed hands. This was, in part, based on Respondent's view that the value of BCOT1 was "minimal to nonexistent." Respondent did not look at the corporate bank account when he took over BCOT1 and did not know how much was in it at that time.
- 77. As the new CEO of BCOT1, Respondent made no changes to how the business was run, and maintained BCOT1's relationship with OrangeTwist as set out in the 2019 MSA.

 OrangeTwist / BCOT1 2019 Management Services Agreement:
- 78. The 2019 MSA provides the contractual relationship between "Manager" (OrangeTwist, represented by Clint Carnell) and "Practice" (BCOT1, represented by Dr. Palmer), whereby OrangeTwist provides management and administrative functions to BCOT1, ¹⁶ including

The 2019 MSA states, in its Recitals, that "Practice is engaged in the practice of medicine ... and is owned solely by a physician..." The party who bound "Practice" to the contract is BCOT1/Respondent. In the definitions section, however, "Practice" is "the medical services provided under the OrangeTwist name by [BCOT1]..." In this pleading, "Practice" and "BCOT1" are used interchangeably, as are "Practice" and "OrangeTwist," with their true meanings to be determined by reference to the relevant section of the 2019 MSA.

billing, collections, accounting, finding real estate locations, subletting to BCOT1, the use of the OrangeTwist name and trademarks, and other non-medical services. At each clinic location, OrangeTwist serves as the tenant and subleases the space to BCOT1.¹⁷

79. The 2019 MSA shows that OrangeTwist is a separate business entity rather than merely providing an administrative service to BCOT1. For instance, OrangeTwist's protected "Proprietary Information" is defined as:

[A]ny and all (1) operating manuals, symbols, Trademarks, trade names, service marks, designs, contracts, vendor and supplier lists, procedures, protocols, processes, systems, records and files respecting services provided and to be provided to Practice, provider lists and fee schedules, vendor price lists, third-party payor payment rates, outside provider information, provider contracting information, and documentation relating to the provision of services performed under this Agreement; (2) photographs, books, publications, records, correspondence, notes, letters, documents, plan, proposed plans, manuals, forms; or any other material, files or data, including ledger cards, bookkeeping records, computer programs, and all other records or files of, affecting, or relating to the business of Manager; (3) inventions, discoveries, formulae, processes, products, designs, literary works, programs or other written material or documents conceived or developed by a Manager alone or in conjunction with others related to the subject matter of the Manager's business; (4) Manager's unique skills, concepts, sales presentations, marketing programs, marketing strategy, business practices, methods of operation, licenses, technical information, computer software, financial and other information concerning the Manager's operations and expansion plans, and any tapes, discs, or other storage medium with information concerning the Manager's operations, systems, hiring or training methods; and (5) all memoranda, notes, records, drawings, documents, computer software programs, tapes and discs, or other writings whatsoever made, compiled, acquired, or received in connection with, or related to any activity or business of Manager, including the Manager's suppliers, vendors, or others with whom Manager has a business relationship, Manager's arrangements with such parties, and Manager pricing and expansion policies and strategy. (Appendix A, paragraph (hh))

80. The 2019 MSA gives OrangeTwist direct and indirect control and/or influence over the medical practice, making decisions which bear directly and indirectly on the practice of medicine, including by diminishing physician independence, establishing the terms of employment and the physicians' rate of pay, influencing advertising, and vetting medical providers. OrangeTwist negotiates the medical practice's contracts with third-party payors, it requires physicians to assign their rights to the proceeds of their medical billings to OrangeTwist

¹⁷ At one location (within Sephora), OrangeTwist leases space within Sephora which is then subleased to BCOT1.

who decides how accounts will be settled in the event of disputes, and determines which charges to write off, among others.

Control Over Medical Records and Protected Health Information

- "Business records" is defined as "all records relating to the operation of Practice excluding all patient medical records and patient files and other records or documents which relate to patient treatment by physicians." (Emphasis added; Appendix A, paragraph (b).) Since "physician extenders" are separately defined and almost all the medical treatments are performed by "physician extenders," this effectively means that OrangeTwist maintains control over almost all patient medical records.
- OrangeTwist is responsible for the maintenance, storage, retention, and custody of 82. medical records of the Practice, "subject to Practice's oversight and ultimate authority and subject to strict compliance with the requirements of HIPAA and state law." (Art. 1.04.) When the 2019 MSA ends, Practice will retain all patient medical records and patient files maintained by Practice. (Emphasis added; Appendix B, paragraph (a).)
- OrangeTwist is given broad power to use and/or disclose Protected Health 83. Information ("PHI"), including "for the proper management and administration of [OrangeTwist]," provided the disclosures are either required by law or OrangeTwist has obtained "reasonable assurances" from the person to whom the PHI is disclosed that it will remain confidential and used or further disclosed only as required by law or for the purpose for which it was disclosed to the person. (Appendix C, art. 1.01.) But "a breach of this confidentiality [by OrangeTwist] is not a default under this Agreement." (Appendix B, paragraph (a).)

Control and Authority over the Business and its Facilities

- OrangeTwist is appointed as the exclusive manager of BCOT1 and is given exclusive 84. control to manage the practice at all its locations. BCOT1 may not assign the MSA or any of its obligations under the MSA without the prior written consent of OrangeTwist. (Art. 9.01.)
- 85. OrangeTwist may terminate the Agreement without cause upon at least 90 days prior written notice to BCOT1. (Article 6.03(c).) BCOT1 does not have a reciprocal right.

. 27

- 86. BCOT1 is required to sublease its practice premises from OrangeTwist on prescribed terms as included in the MSA. (Appendix. B, clause (d).)
- 87. OrangeTwist has "the right at all times to have access to Practice facilities for the purposes of performing its responsibilities under this Agreement, or for any reasonable purpose." (Art. 1.01.) If BCOT1 prevents Manager's access to the medical facilities, OrangeTwist may immediately terminate the 2019 MSA, cease providing all services and terminate any other agreements between the parties. (Article 2.06.)
- 88. If the 2019 MSA is terminated, the subleases will automatically terminate, without any liability of OrangeTwist to BCOT1. (Schedule B(d), clause 4.) Similarly, if (tenant) OrangeTwist's own lease(s) should terminate for any reason, BCOT1's sublease would automatically terminate, without liability of OrangeTwist to BCOT1. (Schedule B(d), clause 4.)
- 89. BCOT1 may not assign or further sublet any part of the premises without the consent of OrangeTwist. (Schedule B(d), clauses 8, 9.)
- 90. BCOT1 is required to grant an "exclusive special power of attorney" to OrangeTwist, giving OrangeTwist wide powers that include obtaining and taking possession of all mail addressed to "Practice" and signing on BCOT1's behalf for any accountable piece of mail, and "to exercise dominion over any mail piece of [BCOT1] ..." (Appendix D.)
- 91. Services provided to patients are part of Orange Twist's business model.

 Control and Authority over How the Practice is Advertised and Marketed
- 92. The medical services at OrangeTwist were ostensibly provided by BCOT1, but BCOT1 was not permitted to market, advertise, or otherwise operate its business under any name or trademark(s) other than OrangeTwist's trademark.
 - ... Manager grants to Practice a limited, nonexclusive, nontransferable license to use Manager's Trademark "OrangeTwist" and the OrangeTwist Materials in ... the operation of Practice's operations including the use of "OrangeTwist" in Practice's assumed name at Practice's physical locations identified [in] this agreement. In partial consideration of Manager's grant of the foregoing rights, Practice covenants with Manager that Practice will not market, advertise, or otherwise operate its business under any name or Trademark(s) other than Manager's Trademark during the Term unless otherwise required by law. (Schedule B(m), art. 1.01.)

- 93. Patients would not know of the existence of BCOT1 when seeking care at OrangeTwist locations, nor would they know that Respondent had been its Chief Medical Director.
- 94. BCOT1 has no rights in OrangeTwist's licensed materials, which are owned by OrangeTwist. Upon termination of the 2019 MSA for any reason, BCOT1 may no longer use the OrangeTwist trade name and must vacate OrangeTwist premises. (Schedule B(m), para. 1.05.)
- 95. OrangeTwist had significant input authority on all advertising and marketing of the Practice/BCOT1, under the name of OrangeTwist.

Subject to Practice's oversight and ultimate authority, Manager will, following consultation with Practice, develop marketing and advertising programs for Practice; provide advice and assistance to Practice on overall marketing programs, and determine and analyze the effect of such programs; plan, create, write and prepare advertising materials; negotiate contracts with advertising media for space and time; and obtain services necessary in connection with the production and presentation of advertisements. Notwithstanding anything to the contrary, Practice must make all final decisions relating to marketing and advertising materials. (Appendix B, paragraph (f).)

The Practice will have approval authority over ... content of any advertising subject to [] Section 651 of the California Business and Professions Code. (Art. 2.01(c).)

96. OrangeTwist markets itself and the medical services offered at its locations on the website www.orangetwist.com (at least from February 9, 2021, through February 9, 2023).

Control over Business Decisions:

- 97. OrangeTwist is the sole and exclusive negotiator with all vendors and other entities for all service, software, and technology contracts, and the purchase and/or lease of equipment, supplies, and materials that are necessary for the operation of Practice. Goods and services are provided to BCOT1 by "persons affiliated with Manager." (Appendix B, paragraph (g).)
- 98. When negotiating with vendors and other entities, Manager may receive discounts that it is not required to pass on to BCOT1. In addition, Manager "may add a reasonable markup to the cost of goods and services obtained for Practice. (Appendix B, paragraph (g).)
- 99. Despite the Practice having the ultimate authority to settle all matters and direct the prosecution of such claims, the control of the litigation remains with the Manager rather than the providers operating under BCOT1, the professional corporation.

Control over billing, litigation

- 110. At the second Board interview, Respondent said the fee schedule "was set before [he] even started" and it "did not change." Respondent stated further, "whatever the market shows is probably what we're charging for things..."
- 111. OrangeTwist retained control over billing and collecting the charges, how accounts would be settled in the event of disputes, and the determination of which charges to write off.

Subject to Practice's oversight and ultimate authority, Manager will be responsible, for and on behalf of Practice, as its agent, for billing and collecting the charges made with respect to all medical services provided by Practice at the Practice unless otherwise agreed in writing. The extent to which Manager attempts to collect such charges, the methods of collection and the amount of settlements with respect to disputed charges, and the determination of which charges are not collectible, will be determined by Manager. ... (Appendix B, paragraph (b).)

- 112. OrangeTwist's exclusive special power of attorney also gave it the right to initiate legal proceedings in the name of Practice to collect monies owed to Practice, to enforce the rights of Practice as creditor under any contract or in connection with the rendering of any service, and to contest adjustments and denials by governmental agencies as third-party payors. (Appendix D, article 1.02(h).)
- 113. OrangeTwist controls the bookkeeping and accounting of the practice and the business records belong to OrangeTwist.

Manager will provide all bookkeeping and accounting services necessary or appropriate to the functioning of the Practice including maintenance, custody, and supervision of all Business Records. Manager will use reasonable efforts to preserve the confidentiality of patient medical records and use information contained in these records only for the limited purposes necessary to perform the services set forth in this Agreement. A breach of this confidentiality is not a default under this Agreement. All Business Records are the property of Manager. Upon expiration or termination of this [2019 MSA], Practice will retain all patient medical records and patient files maintained by Practice. (Appendix B, paragraph (a))
