**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of  
23 California (Board). He brought this action solely in his official capacity and is represented in this  
24 matter by Rob Bonta, Attorney General of the State of California, by Giovanni F. Mejia, Deputy  
25 Attorney General.

26 2. Respondent Rick T. Chac, M.D. (Respondent) is represented in this proceeding by  
27 attorney David Rosenberg, whose address is: Rosenberg, Shpall & Zeigen, APLC, 10815 Rancho  
28 Bernardo Rd., Suite 310, San Diego, CA 92127.

1 No. 800-2019-055102, a copy of which is attached hereto as exhibit A, and that he has thereby  
2 subjected his Physician's and Surgeon's Certificate No. A 105379 to disciplinary action.

3 10. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
4 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
5 Disciplinary Order below.

6 11. Respondent agrees that if he ever petitions for early termination or modification of  
7 probation, or if an accusation and/or petition to revoke probation is filed against him before the  
8 Board, all of the charges and allegations contained in Accusation No. 800-2019-055102 shall be  
9 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any  
10 other licensing proceeding involving Respondent in the State of California.

#### 11 CONTINGENCY

12 12. This stipulation shall be subject to approval by the Medical Board of California.  
13 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
14 Board of California may communicate directly with the Board regarding this stipulation and  
15 settlement, without notice to or participation by Respondent or his counsel. By signing the  
16 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
17 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
18 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
19 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
20 action between the parties, and the Board shall not be disqualified from further action by having  
21 considered this matter.

#### 22 ADDITIONAL PROVISIONS

23 13. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to  
24 be an integrated writing representing the complete, final and exclusive embodiment of the  
25 agreements of the parties in the above-entitled matter.

26 14. The parties understand and agree that Portable Document Format (PDF) and facsimile  
27 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
28 signatures thereto, shall have the same force and effect as the originals.

1 A professionalism program taken after the acts that gave rise to the charges in the  
2 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
3 or its designee, be accepted towards the fulfillment of this condition if the program would have  
4 been approved by the Board or its designee had the program been taken after the effective date of  
5 this Decision.

6 Respondent shall submit a certification of successful completion to the Board or its  
7 designee not later than 15 calendar days after successfully completing the program or not later  
8 than 15 calendar days after the effective date of the Decision, whichever is later.

9 3. MONITORING - PRACTICE. Within 30 calendar days of the effective  
10 date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a  
11 practice monitor(s), the name and qualifications of one or more licensed physicians and surgeons  
12 whose licenses are valid and in good standing, and who are preferably American Board of  
13 Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or  
14 personal relationship with Respondent, or other relationship that could reasonably be expected to  
15 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
16 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
17 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

18 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
19 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the  
20 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed  
21 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role  
22 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
23 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
24 signed statement for approval by the Board or its designee.

25 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
26 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
27 make all records available for immediate inspection and copying on the premises by the monitor  
28 at all times during business hours and shall retain the records for the entire term of probation.

1 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
2 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
3 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
4 shall cease the practice of medicine until a monitor is approved to provide monitoring  
5 responsibility.

6 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
7 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
8 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
9 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
10 that the monitor submits the quarterly written reports to the Board or its designee within 10  
11 calendar days after the end of the preceding quarter.

12 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
13 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
14 name and qualifications of a replacement monitor who will be assuming that responsibility within  
15 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
16 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
17 notification from the Board or its designee to cease the practice of medicine within three (3)  
18 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
19 replacement monitor is approved and assumes monitoring responsibility.

20 In lieu of a monitor, Respondent may participate in a professional enhancement program  
21 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
22 review, semi-annual practice assessment, and semi-annual review of professional growth and  
23 education. Respondent shall participate in the professional enhancement program at Respondent's  
24 expense during the term of probation.

25 4. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
26 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
27 Chief Executive Officer at every hospital where privileges or membership are extended to  
28 Respondent, at any other facility where Respondent engages in the practice of medicine,

1 including all physician and locum tenens registries or other similar agencies, and to the Chief  
2 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
3 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
4 calendar days.

5 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

6 5. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
7 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
8 advanced practice nurses.

9 6. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
10 governing the practice of medicine in California and remain in full compliance with any court  
11 ordered criminal probation, payments, and other orders.

12 7. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby  
13 ordered to reimburse the Board its costs of investigation and enforcement, including, but not  
14 limited to, expert review, amended accusations, legal reviews, investigation(s), and subpoena  
15 enforcement, as applicable, in the amount of \$30,000. Costs shall be payable to the Medical  
16 Board of California. Failure to pay such costs shall be considered a violation of probation.

17 Payment must be made in full within 30 calendar days of the effective date of the Order, or  
18 by a payment plan approved by the Medical Board of California. Any and all requests for a  
19 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with the  
20 payment plan shall be considered a violation of probation.

21 The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to  
22 repay investigation and enforcement costs, including expert review costs (if applicable).

23 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
24 under penalty of perjury on forms provided by the Board, stating whether there has been  
25 compliance with all the conditions of probation.

26 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
27 of the preceding quarter.

28 ///

1           9.    GENERAL PROBATION REQUIREMENTS.

2           Compliance with Probation Unit

3           Respondent shall comply with the Board's probation unit.

4           Address Changes

5           Respondent shall, at all times, keep the Board informed of Respondent's business and  
6 residence addresses, email address (if available), and telephone number. Changes of such  
7 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
8 circumstances shall a post office box serve as an address of record, except as allowed by Business  
9 and Professions Code section 2021, subdivision (b).

10          Place of Practice

11          Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
12 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
13 facility.

14          License Renewal

15          Respondent shall maintain a current and renewed California physician's and surgeon's  
16 license.

17          Travel or Residence Outside California

18          Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
19 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
20 (30) calendar days.

21          In the event Respondent should leave the State of California to reside or to practice  
22 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
23 departure and return.

24          10.   INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
25 available in person upon request for interviews either at Respondent's place of business or at the  
26 probation unit office, with or without prior notice throughout the term of probation.

27          11.   NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
28 its designee in writing within 15 calendar days of any periods of non-practice lasting more than

1 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
2 defined as any period of time Respondent is not practicing medicine as defined in Business and  
3 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
4 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
5 Respondent resides in California and is considered to be in non-practice, Respondent shall  
6 comply with all terms and conditions of probation. All time spent in an intensive training program  
7 which has been approved by the Board or its designee shall not be considered non-practice and  
8 does not relieve Respondent from complying with all the terms and conditions of probation.  
9 Practicing medicine in another state of the United States or Federal jurisdiction while on  
10 probation with the medical licensing authority of that state or jurisdiction shall not be considered  
11 non-practice. A Board-ordered suspension of practice shall not be considered as a period of non-  
12 practice.

13 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
14 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
15 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
16 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
17 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

18 Respondent's period of non-practice while on probation shall not exceed two (2) years.

19 Periods of non-practice will not apply to the reduction of the probationary term.

20 Periods of non-practice for a Respondent residing outside of California will relieve  
21 Respondent of the responsibility to comply with the probationary terms and conditions with the  
22 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
23 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
24 Controlled Substances; and Biological Fluid Testing.

25 12. COMPLETION OF PROBATION. Respondent shall comply with all financial  
26 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
27 completion of probation. This term does not include cost recovery, which is due within 30  
28 calendar days of the effective date of the Order, or by a payment plan approved by the Medical

1 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate  
2 shall be fully restored.

3 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
4 of probation is a violation of probation. If Respondent violates probation in any respect, the  
5 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
6 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
7 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
8 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
9 the matter is final.

10 14. LICENSE SURRENDER. Following the effective date of this Decision, if  
11 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
12 the terms and conditions of probation, Respondent may request to surrender his or her license.  
13 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
14 determining whether or not to grant the request, or to take any other action deemed appropriate  
15 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
16 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
17 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
18 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
19 application shall be treated as a petition for reinstatement of a revoked certificate.

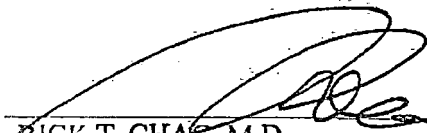

20 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
21 with probation monitoring each and every year of probation, as designated by the Board, which  
22 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
23 California and delivered to the Board or its designee no later than January 31 of each calendar  
24 year.

25 16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for a  
26 new license or certification, or petition for reinstatement of a license, by any other health care  
27 licensing action agency in the State of California, all of the charges and allegations contained in  
28 Accusation No. 800-2019-055102 shall be deemed to be true, correct, and admitted by

1 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
2 restrict license.

## JURISDICTION

1  
2           3.    This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
4 indicated.

5           4.    Section 2227, subdivision (a) of the Code states:

6                   (a) A licensee whose matter has been heard by an administrative law judge of  
7 the Medical Quality Hearing Panel as designated in Section 11371 of the Government  
8 Code, or whose default has been entered, and who is found guilty, or who has entered  
9 into a stipulation for disciplinary action with the board, may, in accordance with the  
10 provisions of this chapter:

11                           (1) Have his or her license revoked upon order of the board.

12                           (2) Have his or her right to practice suspended for a period not to exceed one  
13 year upon order of the board.

14                           (3) Be placed on probation and be required to pay the costs of probation  
15 monitoring upon order of the board.

16                           (4) Be publicly reprimanded by the board. The public reprimand may include a  
17 requirement that the licensee complete relevant educational courses approved by the  
18 board.

19                           (5) Have any other action taken in relation to discipline as part of an order of  
20 probation, as the board or an administrative law judge may deem proper.

21           5.    Section 2234 of the Code states, in pertinent part:

22                   The board shall take action against any licensee who is charged with  
23 unprofessional conduct. In addition to other provisions of this article, unprofessional  
24 conduct includes, but is not limited to, the following:

25                           (a) Violating or attempting to violate, directly or indirectly, assisting in or  
26 abetting the violation of, or conspiring to violate any provision of this chapter.

27                           (b) Gross negligence.

28                           (c) Repeated negligent acts. To be repeated, there must be two or more  
negligent acts or omissions. An initial negligent act or omission followed by a  
separate and distinct departure from the applicable standard of care shall constitute  
repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically  
appropriate for that negligent diagnosis of the patient shall constitute a single  
negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or  
omission that constitutes the negligent act described in paragraph (1), including, but  
not limited to, a reevaluation of the diagnosis or a change in treatment, and the

1 licensee's conduct departs from the applicable standard of care, each departure  
2 constitutes a separate and distinct breach of the standard of care.

3 ....

4 COST RECOVERY

5 6. Business and Professions Code section 125.3 states:

6 (a) Except as otherwise provided by law, in any order issued in resolution of a  
7 disciplinary proceeding before any board within the department or before the  
8 Osteopathic Medical Board upon request of the entity bringing the proceeding, the  
9 administrative law judge may direct a licensee found to have committed a violation or  
10 violations of the licensing act to pay a sum not to exceed the reasonable costs of the  
11 investigation and enforcement of the case.

12 (b) In the case of a disciplined licentiate that is a corporation or a partnership,  
13 the order may be made against the licensed corporate entity or licensed partnership.

14 (c) A certified copy of the actual costs, or a good faith estimate of costs where  
15 actual costs are not available, signed by the entity bringing the proceeding or its  
16 designated representative shall be prima facie evidence of reasonable costs of  
17 investigation and prosecution of the case. The costs shall include the amount of  
18 investigative and enforcement costs up to the date of the hearing, including, but not  
19 limited to, charges imposed by the Attorney General.

20 (d) The administrative law judge shall make a proposed finding of the amount  
21 of reasonable costs of investigation and prosecution of the case when requested  
22 pursuant to subdivision (a). The finding of the administrative law judge with regard to  
23 costs shall not be reviewable by the board to increase the cost award. The board may  
24 reduce or eliminate the cost award, or remand to the administrative law judge if the  
25 proposed decision fails to make a finding on costs requested pursuant to  
26 subdivision (a).

27 (e) If an order for recovery of costs is made and timely payment is not made as  
28 directed in the board's decision, the board may enforce the order for repayment in any  
appropriate court. This right of enforcement shall be in addition to any other rights  
the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be  
conclusive proof of the validity of the order of payment and the terms for payment.

(g)(1) Except as provided in paragraph (2), the board shall not renew or  
reinstate the license of any licensee who has failed to pay all of the costs ordered  
under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion,  
conditionally renew or reinstate for a maximum of one year the license of any  
licensee who demonstrates financial hardship and who enters into a formal agreement  
with the board to reimburse the board within that one-year period for the unpaid  
costs.

////

////

(h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in that board's licensing act provides for recovery of costs in an administrative disciplinary proceeding.

<sup>1</sup> In the interests of preserving patient confidentiality, a pseudonym is used for any patient referenced in this Accusation. The true identity of any such patient is known to Respondent or will be disclosed to Respondent following Complainant's receipt of a duly issued request for discovery.

1 13. Respondent failed to perform or order, or document performing or ordering, a  
2 repeated blood pressure reading, a shorter interval for Patient A's subsequent clinic visit, or  
3 laboratory evaluation in response to the elevated blood pressure reading.

4 14. On or about February 12, 2019, Respondent scheduled an induction of labor for  
5 Patient A for February 18, 2019.

6 15. On or about February 18, 2019, Patient A was admitted to the hospital for the  
7 scheduled induction.

8 16. On or about February 19, 2019, as Patient A's induction continued, Respondent was  
9 made aware of the results of Patient A's 11-week ultrasound. The results of such ultrasound  
10 yielded an estimated EDD of March 8, 2019.

11 17. Respondent proceeded with the induction and Patient A gave birth to her infant on or  
12 about February 20, 2019.

13 18. Patient A's infant was admitted to the hospital's newborn intensive care unit (NICU)  
14 for respiratory distress and later transferred to another facility for continued care.

15 19. Respondent committed gross negligence in the course of his care and treatment of  
16 Patient A by rendering inadequate prenatal care and an improper induction to the patient.

17 20. Respondent committed negligence in the course of his care and treatment of Patient A  
18 by failing to properly assess and manage the patient's documented elevated blood pressure.

19 **Patient B**

20 21. On or about April 11, 2017, Patient B presented to Respondent for prenatal care.

21 22. In a progress note dated April 11, 2017, Respondent documented or caused to be  
22 documented, among other things, that Patient B was a 24-year-old patient with a positive urine  
23 pregnancy test, an estimated gestational age of approximately eight weeks and four days, blood  
24 pressure measurements of approximately 154/120 and 150/110 mmHg, a history of hypertension,  
25 and the issuance of a prescription for labetalol.

28 ///

1 23. On or about August 1, 2017, Patient B presented for an ultrasound ordered by  
2 Respondent. The ultrasound yielded impressions including, but not limited to, an amniotic fluid  
3 index (AFI) of approximately 16.7 cm and an

4 [i]ncidental abnormal hyperechoic serpiginous ill-defined mass within the left  
5 hemiabdomen, possibly representing echogenic bowel, which may represent sequelae  
6 of intramniotic hemorrhage, aneuploidy, or infection. Recommend close attention on  
7 follow-up imaging studies and close clinical follow-up.

8 24. On or about August 15, 2017, Patient B presented to Respondent. Respondent's  
9 medical records for Patient B document blood pressure measurements dated August 15, 2017 of  
10 approximately 134/92 and 120/94 mmHg.

11 25. On or about August 15, 2017, Respondent referred Patient B to a hospital labor and  
12 delivery unit for further evaluation.

13 26. The labor and delivery unit's fetal heart rate tracing for Patient B, on or about  
14 August 15, 2017, demonstrated decreased fetal heart rate variability as well as concerning fetal  
15 heart rate decelerations.

16 27. On or about August 15, 2017, Respondent ordered the administration of terbutaline to  
17 Patient B.

18 28. Patient B did not exhibit uterine tachysystole or prolonged uterine tone during her  
19 admission on or about August 15, 2017.

20 29. Respondent ordered Patient B's discharge from the labor and delivery unit on or  
21 about August 15, 2017.

22 30. On or about August 16, 2017, Patient B presented for an ultrasound ordered by  
23 Respondent. The ultrasound yielded impressions including, but not limited to:

24 Amniotic fluid index diminished at 7.7 cm compared to 16.7 cm, raising the  
25 possibility of developing oligohydramnios. Close attention on follow-up is  
26 recommended.

27 ...

28 Previously suggested hyperechoic abdominal mass or mass-like lesion is not  
well depicted on this examination. A follow-up ultrasound is suggested within the  
next 2-3 days to specifically assess for this lesion, which may represent echogenic  
bowel.

////

1 31. On or about August 19, 2017, Patient B presented to the hospital labor and delivery  
2 unit reporting an absence of fetal movement.

3 32. A subsequent ultrasound performed the same day yielded findings of fetal demise and  
4 oligohydramnios.

5 33. On or about August 20, 2017, Patient B gave birth to a stillborn baby.

6 34. A subsequent placental pathology report dated August 23, 2017 included, but was not  
7 limited to, findings of areas with features of advanced maturation and focal avascular fibrotic  
8 villi.

9 35. Respondent committed negligence in the course of his care and treatment of Patient B  
10 by inappropriately discharging the patient from the hospital on or about August 15, 2017.

11 36. Respondent committed negligence in the course of his care and treatment of Patient B  
12 by ordering the administration of terbutaline to the patient, on or about August 15, 2017, without  
13 adequate medical indication.

14 37. Respondent committed negligence in the course of his care and treatment of Patient B  
15 by failing to appropriately manage the findings of a fetal abdominal mass and the post-demise  
16 evaluation.

17 **Patient C**

18 38. On or about September 13, 2017, Patient C presented to Respondent for a prenatal not  
19 appointment.

20 39. Respondent's medical records for Patient C document a gestational age of  
21 approximately 37 weeks and one day as of September 13, 2017.

22 40. Respondent performed at least one vaginal examination during the course of the  
23 appointment on or about September 13, 2017.

24 41. At or around the conclusion of the prenatal office appointment on or about  
25 September 13, 2017, Respondent referred Patient C to a hospital labor and delivery unit.

28 ///

1 42. On or about September 13, 2017, Respondent delivered Patient C's baby via cesarean  
2 section at the hospital labor and delivery unit. Patient C's baby had multiple lacerations or  
3 abrasions on her left buttocks.

4 43. In the hospital procedure note for the delivery of Patient C's baby on or about  
5 September 13, 2017, Respondent documented or caused to be documented the following:

6 Infant laceration (multiple) noted on Left [sic] buttocks. Multiple in different  
7 directions. One consistent with intraoperative laceration noted at time of uterotomy.  
8 The others likely from vaginal exam in clinic when patient presented with suspected  
9 [spontaneous rupture of membranes] earlier in the day....

10 44. Respondent committed negligence in the course of his care and treatment of Patient C  
11 by performing one or more medical interventions in a manner resulting in multiple lacerations or  
12 abrasions to the patient's fetus or infant.
