Communications pursuant to this paragraph shall not disqualify the Executive Director, the Board, any member thereof, and/or any other person from future participation in this or any other matter affecting or involving Respondent. In the event that the Executive Director on behalf of the Board does not, in his discretion, approve and adopt this Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party hereto. ADDITIONAL PROVISIONS

15. This Stipulated Surrender of License and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final and exclusive embodiment of the agreements of the parties in the above-entitled matter.

PROBATION

6. At all times after the effective date of the 2020 Decision, the Board's related disciplinary order contained the following conditions:

7. Condition 3 states:

ALCOHOL – ABSTAIN FROM USE. Respondent shall abstain completely from the use of products or beverages containing alcohol.

8. Condition 12 of the 2020 Decision states:

BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to biological fluid testing, at Respondent's expense, upon request of the Board or its designee. "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall make daily contact with the Board or its designee to determine whether biological fluid testing is required. Respondent shall be tested on the date of the notification as directed by the Board or its designee. The Board may order Respondent to undergo a biological fluid test on any day, at any time, including weekends and holidays. Except when testing on a specific date as ordered by the Board or its designee, the scheduling of biological fluid testing shall be done on a random basis. The cost of biological fluid testing shall be borne by Respondent.

During the first year of probation, Respondent shall be subject to fifty-two (52) to (one- hundred four) 104 random tests. During the second year of probation and for the duration of the probationary term, up to five (5) years, Respondent shall be subject to thirty-six (36) to (one- hundred four) 104 random tests per year. Only if there has been no positive biological fluid tests in the previous five (5) consecutive years of probation, may testing be reduced to one (1) time per month. Nothing precludes the Board from increasing the number of random tests to the first-year level of frequency for any reason.

Prior to practicing medicine, Respondent shall contract with a laboratory or service, approved in advance by the Board or its designee, that will conduct random, unannounced, observed, biological fluid testing and meets all of the following standards:

(a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry Association or have completed the training required to serve as a collector for the United States Department of Transportation.

(b) Its specimen collectors conform to the current United States Department of Transportation Specimen Collection Guidelines.

(c) Its testing locations comply with the Urine Specimen Collection Guidelines published by the United States Department of Transportation without regard to the type of test administered.

(d) Its specimen collectors observe the collection of testing specimens.

(e) Its laboratories are certified and accredited by the United States Department of Health and Human Services.

///

1 (f) Its testing locations shall submit a specimen to a laboratory within one (1)
2 business day of receipt and all specimens collected shall be handled pursuant to chain
3 of custody procedures. The laboratory shall process and analyze the specimens and
4 provide legally defensible test results to the Board within seven (7) business days of
5 receipt of the specimen. The Board will be notified of non-negative results within
6 one (1) business day and will be notified of negative test results within seven (7)
7 business days.

8 (g) Its testing locations possess all the materials, equipment, and technical
9 expertise necessary in order to test Respondent on any day of the week.

10 (h) Its testing locations are able to scientifically test for urine, blood, and hair
11 specimens for the detection of alcohol and illegal and controlled substances.

12 (i) It maintains testing sites located throughout California.

13 (j) It maintains an automated 24-hour toll-free telephone system and/or a
14 secure on-line computer database that allows Respondent to check in daily for testing.

15 (k) It maintains a secure, HIPAA-compliant website or computer system that
16 allows staff access to drug test results and compliance reporting information that is
17 available 24 hours a day.

18 (l) It employs or contracts with toxicologists that are licensed physicians and
19 have knowledge of substance abuse disorders and the appropriate medical training to
20 interpret and evaluate laboratory biological fluid test results, medical histories, and
21 any other information relevant to biomedical information.

22 (m) It will not consider a toxicology screen to be negative if a positive result is
23 obtained while practicing, even if Respondent holds a valid prescription for the
24 substance.

25 Prior to changing testing locations for any reason, including during vacation or
26 other travel, alternative testing locations must be approved by the Board and meet the
27 requirements above.

28 The contract shall require that the laboratory directly notify the Board or its
designee of non-negative results within one (1) business day and negative test results
within seven (7) business days of the results becoming available. Respondent shall
maintain this laboratory or service contract during the period of probation.

A certified copy of any laboratory test result may be received in evidence in any
proceedings between the Board and Respondent.

If a biological fluid test result indicates Respondent has used, consumed,
ingested, or administered to herself a prohibited substance, the Board shall order
Respondent to cease practice and instruct Respondent to leave any place of work
where Respondent is practicing medicine or providing medical services. The Board
shall immediately notify all of Respondent's employers, supervisors and work
monitors, if any, that Respondent may not practice medicine or provide medical
services while the cease-practice order is in effect.

A biological fluid test will not be considered negative if a positive result is
obtained while practicing, even if the practitioner holds a valid prescription for the
substance. If no prohibited substance use exists, the Board shall lift the cease-
practice order within one (1) business day.

1 After the issuance of a cease-practice order, the Board shall determine whether
2 the positive biological fluid test is in fact evidence of prohibited substance use by
3 consulting with the specimen collector and the laboratory, communicating with the
4 licensee, his or her treating physician(s), other health care provider, or group
5 facilitator, as applicable.

6 For purposes of this condition, the terms "biological fluid testing" and "testing"
7 mean the acquisition and chemical analysis of a Respondent's urine, blood, breath, or
8 hair.

9 For purposes of this condition, the term "prohibited substance" means an illegal
10 drug, a lawful drug not prescribed or ordered by an appropriately licensed health care
11 provider for use by Respondent and approved by the Board, alcohol, or any other
12 substance Respondent has been instructed by the Board not to use, consume, ingest,
13 or administer to herself.

14 If the Board confirms that a positive biological fluid test is evidence of use of a
15 prohibited substance, Respondent has committed a major violation, as defined in
16 section 1361.52(a), and the Board shall impose any or all of the consequences set
17 forth in section 1361.52(b), in addition to any other terms or conditions the Board
18 determines are necessary for public protection or to enhance Respondent's
19 rehabilitation.

20 9. Condition 15 states:

21 VIOLETION OF PROBATION CONDITION FOR SUBSTANCE ABUSING
22 LICENSEES. Failure to fully comply with any term or condition of probation is a
23 violation of probation.

24 A. If Respondent commits a major violation of probation as defined by section
25 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board
26 shall take one or more of the following actions:

27 (1) Issue an immediate cease-practice order and order Respondent to undergo a
28 clinical diagnostic evaluation to be conducted in accordance with section 1361.5,
subdivision (c)(1), of Title 16 of the California Code of Regulations, at Respondent's
expense. The cease-practice order issued by the Board or its designee shall state that
Respondent must test negative for at least a month of continuous biological fluid
testing before being allowed to resume practice. For purposes of determining the
length of time a Respondent must test negative while undergoing continuous
biological fluid testing following issuance of a cease-practice order, a month is
defined as thirty (30) calendar days. Respondent may not resume the practice of
medicine until notified in writing by the Board or its designee that she may do so.

(2) Increase the frequency of biological fluid testing.

(3) Refer Respondent for further disciplinary action, such as suspension,
revocation, or other action as determined by the Board or its designee.

B. If Respondent commits a minor violation of probation as defined by section
1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board
shall take one or more of the following actions:

(1) Issue a cease-practice order;

(2) Order practice limitations;

1 (3) Order or increase supervision of Respondent;

2 (4) Order increased documentation;

3 (5) Issue a citation and fine, or a warning letter;

4 (6) Order Respondent to undergo a clinical diagnostic evaluation to be
5 conducted in accordance with section 1361.5, subdivision (c)(1), of Title 16 of the
6 California Code of Regulations, at Respondent's expense;

7 (7) Take any other action as determined by the Board or its designee.

8 C. Nothing in this Decision shall be considered a limitation on the Board's
9 authority to revoke Respondent's probation if she has violated any term or condition
10 of probation. If Respondent violates probation in any respect, the Board, after giving
11 Respondent notice and the opportunity to be heard, may revoke probation and carry
12 out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
13 Probation, or an Interim Suspension Order is filed against Respondent during
14 probation, the Board shall have continuing jurisdiction until the matter is final, and
15 the period of probation shall be extended until the matter is final.

16 10. Condition 24 states:

17 VIOLETION OF PROBATION. Failure to fully comply with any term or
18 condition of probation is a violation of probation. If Respondent violates probation in
19 any respect, the Board, after giving Respondent notice and the opportunity to be
20 heard, may revoke probation and carry out the disciplinary order that was stayed. If
21 an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is
22 filed against Respondent during probation, the Board shall have continuing
23 jurisdiction until the matter is final, and the period of probation shall be extended
24 until the matter is final.

25 CEASE PRACTICE ORDER

26 11. On or about January 4, 2024, the Board issued a Cease Practice Order (CPO) to
27 Respondent prohibiting her from engaging in the practice of medicine and ordering her not to
28 resume the practice of medicine until issuance of a final decision on an accusation and/or a
petition to revoke probation filed pursuant to this matter. The CPO was based on her failure to
obey/abide by, the conditions of her probation as ordered in the Decision, including by testing
positive for alcohol consumption.

12 12. Respondent's probation is subject to revocation because she failed to comply with the

STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER

16 Respondent.
17

18
19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 PARTIES

22 1. Christine J. Lally ("Complainant") is the Interim Executive Director of the Medical
23 Board of California ("Board"). She brought this action solely in her official capacity and is
24 represented in this matter by Xavier Becerra, Attorney General of the State of California, by
25 Rebecca L. Smith, Deputy Attorney General.

26 2. Respondent Victoria Ann Kumar, M.D. ("Respondent") is represented in this
27 proceeding by attorney Kevin D. Cauley, whose address is: 624 South Grand Avenue, 22nd Floor,
28 Los Angeles, California 90017-3323.

1 3. On or about May 21, 1996, the Board issued Physician's and Surgeon's Certificate
2 No. A 60124 to Victoria Ann Kumar, M.D. ("Respondent"). That license was in full force and
3 effect at all times relevant to the charges brought in Accusation No. 800-2016-028972, and will
4 expire on October 31, 2021, unless renewed.

5 JURISDICTION

6 Accusation No. 800-2016-028972 was filed before the Board, and is currently pending
7 against Respondent. The Accusation and all other statutorily required documents were properly
8 served on Respondent on December 10, 2019. Respondent timely filed her Notice of Defense
9 contesting the Accusation.

10 4. A copy of Accusation No. 800-2016-028972 is attached as Exhibit A and
11 incorporated herein by reference.

12 ADVISEMENT AND WAIVERS

13 5. Respondent has carefully read, fully discussed with counsel, and understands the
14 charges and allegations in Accusation No. 800-2016-028972. Respondent has also carefully read,
15 fully discussed with counsel, and understands the effects of this Stipulated Settlement and
16 Disciplinary Order.

17 6. Respondent is fully aware of her legal rights in this matter, including the right to a
18 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
19 the witnesses against her; the right to present evidence and to testify on her own behalf; the right
20 to the issuance of subpoenas to compel the attendance of witnesses and the production of
21 documents; the right to reconsideration and court review of an adverse decision; and all other
22 rights accorded by the California Administrative Procedure Act and other applicable laws.

23 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
24 every right set forth above.

25 CULPABILITY

26 8. Respondent does not contest that, at an administrative hearing, Complainant could
27 establish a prima facie case with respect to the charges and allegations contained in Accusation
28 No. 800-2016-028972 and that she has thereby subjected her license to disciplinary action.

1 14. In consideration of the foregoing admissions and stipulations, the parties agree that
2 the Board may, without further notice or formal proceeding, issue and enter the following
3 Disciplinary Order:

4 **DISCIPLINARY ORDER**

5 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 60124 issued
6 to Respondent Victoria Ann Kumar, M.D. is revoked. However, the revocation is stayed and
7 Respondent is placed on probation for five (5) years on the following terms and conditions.

8 1. **CONTROLLED SUBSTANCES - TOTAL RESTRICTION.** Respondent shall not
9 order, prescribe, dispense, administer, furnish, or possess any controlled substances as defined in
10 the California Uniform Controlled Substances Act.

11 Respondent shall not issue an oral or written recommendation or approval to a patient or a
12 patient's primary caregiver for the possession or cultivation of marijuana for the personal medical
13 purposes of the patient within the meaning of Health and Safety Code section 11362.5.

14 If Respondent forms the medical opinion, after an appropriate prior examination and a
15 medical indication, that a patient's medical condition may benefit from the use of marijuana,
16 Respondent shall so inform the patient and shall refer the patient to another physician who,
17 following an appropriate prior examination and a medical indication, may independently issue a
18 medically appropriate recommendation or approval for the possession or cultivation of marijuana
19 for the personal medical purposes of the patient within the meaning of Health and Safety Code
20 section 11362.5. In addition, Respondent shall inform the patient or the patient's primary
21 caregiver that Respondent is prohibited from issuing a recommendation or approval for the
22 possession or cultivation of marijuana for the personal medical purposes of the patient and that
23 the patient or the patient's primary caregiver may not rely on Respondent's statements to legally
24 possess or cultivate marijuana for the personal medical purposes of the patient. Respondent shall
25 fully document in the patient's chart that the patient or the patient's primary caregiver was so
26 informed. Nothing in this condition prohibits Respondent from providing the patient or the
27 patient's primary caregiver information about the possible medical benefits resulting from the use
28 of marijuana.

1 2. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain
2 completely from the personal use or possession of controlled substances as defined in the
3 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and
4 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not
5 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
6 illness or condition.

7 Within fifteen (15) calendar days of receiving any lawfully prescribed medications,
8 Respondent shall notify the Board or its designee of the: issuing practitioner's name, address, and
9 telephone number; medication name, strength, and quantity; and issuing pharmacy name, address,
10 and telephone number.

11 3. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the
12 use of products or beverages containing alcohol.

13 4. COMMUNITY SERVICE - FREE SERVICES. Within sixty (60) calendar days of
14 the effective date of this Decision, Respondent shall submit to the Board or its designee for prior
15 approval a community service plan in which Respondent shall, within the first two (2) years of
16 probation, provide forty (40) hours of free services (e.g., medical or nonmedical) to a community
17 or non-profit organization. If the term of probation is designated for two (2) years or less, the
18 community service hours must be completed not later than six (6) months prior to the completion
19 of probation.

20 Prior to engaging in any community service, Respondent shall provide a true copy of the
21 Decision(s) to the chief of staff, director, office manager, program manager, officer, or the chief
22 executive officer at every community or non-profit organization where Respondent provides
23 community service and shall submit proof of compliance to the Board or its designee within
24 fifteen (15) calendar days. This condition shall also apply to any change(s) in community service.

25 Community service performed prior to the effective date of the Decision shall not be
26 accepted in fulfillment of this condition.

27 5. EDUCATION COURSE. Within sixty (60) calendar days of the effective date of this
28 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee

1 for its prior approval educational program(s) or course(s) which shall not be less than forty (40)
2 hours per year, for each year of probation. The educational program(s) or course(s) shall be
3 aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified.
4 The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition
5 to the Continuing Medical Education ("CME") requirements for renewal of licensure. Following
6 the completion of each course, the Board or its designee may administer an examination to test
7 Respondent's knowledge of the course. Respondent shall provide proof of attendance for sixty-
8 five (65) hours of CME of which forty (40) hours were in satisfaction of this condition.

9 6. PREScribing PRACTICES COURSE. Within sixty (60) calendar days of the
10 effective date of this Decision, Respondent shall enroll in a course in prescribing practices
11 approved in advance by the Board or its designee. Respondent shall provide the approved course
12 provider with any information and documents that the approved course provider may deem
13 pertinent. Respondent shall participate in and successfully complete the classroom component of
14 the course not later than six (6) months after Respondent's initial enrollment. Respondent shall
15 successfully complete any other component of the course within one (1) year of enrollment. The
16 prescribing practices course shall be at Respondent's expense and shall be in addition to the
17 Continuing Medical Education ("CME") requirements for renewal of licensure.

18 A prescribing practices course taken after the acts that gave rise to the charges in the
19 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
20 or its designee, be accepted towards the fulfillment of this condition if the course would have
21 been approved by the Board or its designee had the course been taken after the effective date of
22 this Decision.

23 Respondent shall submit a certification of successful completion to the Board or its
24 designee not later than fifteen (15) calendar days after successfully completing the course; or not
25 later than fifteen (15) calendar days after the effective date of the Decision, whichever is later.

26 7. PROFESSIONALISM PROGRAM (ETHICS COURSE) (CONDITION
27 SATISFIED). Within sixty (60) calendar days of the effective date of this Decision, Respondent
28 shall enroll in a professionalism program, that meets the requirements of Title 16, California

1 Code of Regulations ("CCR") section 1358.1. Respondent shall participate in and successfully
2 complete that program. Respondent shall provide any information and documents that the
3 program may deem pertinent. Respondent shall successfully complete the classroom component
4 of the program not later than six (6) months after Respondent's initial enrollment, and the
5 longitudinal component of the program not later than the time specified by the program, but no
6 later than one (1) year after attending the classroom component. The professionalism program
7 shall be at Respondent's expense and shall be in addition to the Continuing Medical Education
8 ("CME") requirements for renewal of licensure.

9 A professionalism program taken after the acts that gave rise to the charges in the
10 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
11 or its designee, be accepted towards the fulfillment of this condition if the program would have
12 been approved by the Board or its designee had the program been taken after the effective date of
13 this Decision.

14 Respondent shall submit a certification of successful completion to the Board or its
15 designee not later than fifteen (15) calendar days after successfully completing the program or not
16 later than fifteen (15) calendar days after the effective date of the Decision, whichever is later.

17 8. PSYCHOTHERAPY. Within sixty (60) calendar days of the effective date of this
18 Decision, Respondent shall submit to the Board or its designee for prior approval the name and
19 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
20 has a doctoral degree in psychology and at least five years of postgraduate experience in the
21 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall
22 undergo and continue psychotherapy treatment, including any modifications to the frequency of
23 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

24 The psychotherapist shall consider any information provided by the Board or its designee
25 and any other information the psychotherapist deems relevant and shall furnish a written
26 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
27 psychotherapist with any information and documents that the psychotherapist may deem
28 pertinent.

1 Respondent shall have the treating psychotherapist submit quarterly status reports to the
2 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
3 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
4 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
5 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
6 period of probation shall be extended until the Board determines that Respondent is mentally fit
7 to resume the practice of medicine without restrictions.

8 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

9 9. MEDICAL EVALUATION AND TREATMENT. Within thirty (30) calendar days
10 of the effective date of this Decision, and on a periodic basis thereafter as may be required by the
11 Board or its designee, Respondent shall undergo a medical evaluation by a Board-appointed
12 physician who shall consider any information provided by the Board or designee and any other
13 information the evaluating physician deems relevant and shall furnish a medical report to the
14 Board or its designee. Respondent shall provide the evaluating physician with any information
15 and documentation that the evaluating physician may deem pertinent.

16 Following the evaluation, Respondent shall comply with all restrictions or conditions
17 recommended by the evaluating physician within fifteen (15) calendar days after being notified
18 by the Board or its designee. If Respondent is required by the Board or its designee to undergo
19 medical treatment, Respondent shall within thirty (30) calendar days of the requirement notice,
20 submit to the Board or its designee for prior approval the name and qualifications of a California
21 licensed treating physician of Respondent's choice. Upon approval of the treating physician,
22 Respondent shall within fifteen (15) calendar days undertake medical treatment and shall
23 continue such treatment until further notice from the Board or its designee.

24 The treating physician shall consider any information provided by the Board or its designee
25 or any other information the treating physician may deem pertinent prior to commencement of
26 treatment. Respondent shall have the treating physician submit quarterly reports to the Board or
27 its designee indicating whether or not Respondent is capable of practicing medicine safely.
28 Respondent shall provide the Board or its designee with any and all medical records pertaining to

1 treatment that the Board or its designee deems necessary.

2 If, prior to the completion of probation, Respondent is found to be physically incapable of
3 resuming the practice of medicine without restrictions, the Board shall retain continuing
4 jurisdiction over Respondent's license and the period of probation shall be extended until the
5 Board determines that Respondent is physically capable of resuming the practice of medicine
6 without restrictions. Respondent shall pay the cost of the medical evaluation(s) and treatment.

7 10. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the
8 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice
9 where: 1) Respondent merely shares office space with another physician but is not affiliated for
10 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that
11 location.

12 If Respondent fails to establish a practice with another physician or secure employment in
13 an appropriate practice setting within sixty (60) calendar days of the effective date of this
14 Decision, Respondent shall receive a notification from the Board or its designee to cease the
15 practice of medicine within three (3) calendar days after being so notified. Respondent shall not
16 resume practice until an appropriate practice setting is established.

17 If, during the course of the probation, Respondent's practice setting changes and
18 Respondent is no longer practicing in a setting in compliance with this Decision, Respondent
19 shall notify the Board or its designee within five (5) calendar days of the practice setting change.
20 If Respondent fails to establish a practice with another physician or secure employment in an
21 appropriate practice setting within sixty (60) calendar days of the practice setting change,
22 Respondent shall receive a notification from the Board or its designee to cease the practice of
23 medicine within three (3) calendar days after being so notified. Respondent shall not resume
24 practice until an appropriate practice setting is established.

25 11. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7)
26 days of the effective date of this Decision, Respondent shall provide to the Board the names,
27 physical addresses, mailing addresses, and telephone numbers of any and all employers and
28 supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's

1 worksite monitor, and Respondent's employers and supervisors to communicate regarding
2 Respondent's work status, performance, and monitoring.

3 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or
4 Well Being Committee Chair, or equivalent, if applicable, when Respondent has medical staff
5 privileges.

6 12. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to
7 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.
8 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair
9 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall
10 make daily contact with the Board or its designee to determine whether biological fluid testing is
11 required. Respondent shall be tested on the date of the notification as directed by the Board or its
12 designee. The Board may order Respondent to undergo a biological fluid test on any day, at any
13 time, including weekends and holidays. Except when testing on a specific date as ordered by the
14 Board or its designee, the scheduling of biological fluid testing shall be done on a random basis.
15 The cost of biological fluid testing shall be borne by Respondent.

16 During the first year of probation, Respondent shall be subject to fifty-two (52) to (one-
17 hundred four) 104 random tests. During the second year of probation and for the duration of the
18 probationary term, up to five (5) years, Respondent shall be subject to thirty-six (36) to (one-
19 hundred four) 104 random tests per year. Only if there has been no positive biological fluid tests
20 in the previous five (5) consecutive years of probation, may testing be reduced to one (1) time per
21 month. Nothing precludes the Board from increasing the number of random tests to the first-year
22 level of frequency for any reason.

23 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
24 approved in advance by the Board or its designee, that will conduct random, unannounced,
25 observed, biological fluid testing and meets all of the following standards:

26 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
27 Association or have completed the training required to serve as a collector for the United
28 States Department of Transportation.

1 (b) Its specimen collectors conform to the current United States Department of
2 Transportation Specimen Collection Guidelines.

3 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published
4 by the United States Department of Transportation without regard to the type of test
5 administered.

6 (d) Its specimen collectors observe the collection of testing specimens.

7 (e) Its laboratories are certified and accredited by the United States Department of Health
8 and Human Services.

9 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
10 of receipt and all specimens collected shall be handled pursuant to chain of custody
11 procedures. The laboratory shall process and analyze the specimens and provide legally
12 defensible test results to the Board within seven (7) business days of receipt of the
13 specimen. The Board will be notified of non-negative results within one (1) business day
14 and will be notified of negative test results within seven (7) business days.

15 (g) Its testing locations possess all the materials, equipment, and technical expertise
16 necessary in order to test Respondent on any day of the week.

17 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens
18 for the detection of alcohol and illegal and controlled substances.

19 (i) It maintains testing sites located throughout California.

20 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line
21 computer database that allows Respondent to check in daily for testing.

22 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff
23 access to drug test results and compliance reporting information that is available 24 hours a
24 day.

25 (l) It employs or contracts with toxicologists that are licensed physicians and have
26 knowledge of substance abuse disorders and the appropriate medical training to interpret
27 and evaluate laboratory biological fluid test results, medical histories, and any other
28 information relevant to biomedical information.

1 (m) It will not consider a toxicology screen to be negative if a positive result is obtained
2 while practicing, even if Respondent holds a valid prescription for the substance.

3 Prior to changing testing locations for any reason, including during vacation or other travel,
4 alternative testing locations must be approved by the Board and meet the requirements above.

5 The contract shall require that the laboratory directly notify the Board or its designee of
6 non-negative results within one (1) business day and negative test results within seven (7)
7 business days of the results becoming available. Respondent shall maintain this laboratory or
8 service contract during the period of probation.

9 A certified copy of any laboratory test result may be received in evidence in any
10 proceedings between the Board and Respondent.

11 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
12 administered to herself a prohibited substance, the Board shall order Respondent to cease practice
13 and instruct Respondent to leave any place of work where Respondent is practicing medicine or
14 providing medical services. The Board shall immediately notify all of Respondent's employers,
15 supervisors and work monitors, if any, that Respondent may not practice medicine or provide
16 medical services while the cease-practice order is in effect.

17 A biological fluid test will not be considered negative if a positive result is obtained while
18 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
19 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

20 After the issuance of a cease-practice order, the Board shall determine whether the positive
21 biological fluid test is in fact evidence of prohibited substance use by consulting with the
22 specimen collector and the laboratory, communicating with the licensee, his or her treating
23 physician(s), other health care provider, or group facilitator, as applicable.

24 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
25 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

26 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
27 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
28 Respondent and approved by the Board, alcohol, or any other substance Respondent has been

1 instructed by the Board not to use, consume, ingest, or administer to herself.

2 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
3 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
4 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to
5 any other terms or conditions the Board determines are necessary for public protection or to
6 enhance Respondent's rehabilitation.

7 13. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of
8 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its
9 prior approval, the name of a substance abuse support group which she shall attend for the
10 duration of probation. Respondent shall attend substance abuse support group meetings at least
11 once per week, or as ordered by the Board or its designee. Respondent shall pay all substance
12 abuse support group meeting costs.

13 The facilitator of the substance abuse support group meeting shall have a minimum of three
14 (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed
15 or certified by the state or nationally certified organizations. The facilitator shall not have a
16 current or former financial, personal, or business relationship with Respondent within the last five
17 (5) years. Respondent's previous participation in a substance abuse group support meeting led by
18 the same facilitator does not constitute a prohibited current or former financial, personal, or
19 business relationship.

20 The facilitator shall provide a signed document to the Board or its designee showing
21 Respondent's name, the group name, the date and location of the meeting, Respondent's
22 attendance, and Respondent's level of participation and progress. The facilitator shall report any
23 unexcused absence by Respondent from any substance abuse support group meeting to the Board,
24 or its designee, within twenty-four (24) hours of the unexcused absence.

25 14. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty
26 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or
27 its designee for prior approval as a worksite monitor, the name and qualifications of one or more
28 licensed physician and surgeon, other licensed health care professional if no physician and

1 surgeon is available, or, as approved by the Board or its designee, a person in a position of
2 authority who is capable of monitoring Respondent at work.

3 The worksite monitor shall not have a current or former financial, personal, or familial
4 relationship with Respondent, or any other relationship that could reasonably be expected to
5 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its
6 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite
7 monitor, this requirement may be waived by the Board or its designee, however, under no
8 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

9 The worksite monitor shall have an active unrestricted license with no disciplinary action
10 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
11 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth
12 by the Board or its designee.

13 Respondent shall pay all worksite monitoring costs.

14 The worksite monitor shall have face-to-face contact with Respondent in the work
15 environment on as frequent a basis as determined by the Board or its designee, but not less than
16 once per week; interview other staff in the office regarding Respondent's behavior, if requested
17 by the Board or its designee; and review Respondent's work attendance.

18 The worksite monitor shall verbally report any suspected substance abuse to the Board and
19 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected
20 substance abuse does not occur during the Board's normal business hours, the verbal report shall
21 be made to the Board or its designee within one (1) hour of the next business day. A written
22 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and
23 any other information deemed important by the worksite monitor shall be submitted to the Board
24 or its designee within forty-eight (48) hours of the occurrence.

25 The worksite monitor shall complete and submit a written report monthly or as directed by
26 the Board or its designee which shall include the following: (1) Respondent's name and
27 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)
28 the worksite monitor's license number, if applicable; (4) the location or location(s) of the

1 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the
2 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;
3 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can
4 lead to suspected substance abuse by Respondent. Respondent shall complete any required
5 consent forms and execute agreements with the approved worksite monitor and the Board, or its
6 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

7 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)
8 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
9 approval, the name and qualifications of a replacement monitor who will be assuming that
10 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a
11 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
12 monitor, Respondent shall receive a notification from the Board or its designee to cease the
13 practice of medicine within three (3) calendar days after being so notified. Respondent shall
14 cease the practice of medicine until a replacement monitor is approved and assumes monitoring
15 responsibility.

16 15. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING
17 LICENSEES. Failure to fully comply with any term or condition of probation is a violation of
18 probation.

19 A. If Respondent commits a major violation of probation as defined by section
20 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take
21 one or more of the following actions:

22 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical
23 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of
24 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice
25 order issued by the Board or its designee shall state that Respondent must test negative for at least
26 a month of continuous biological fluid testing before being allowed to resume practice. For
27 purposes of determining the length of time a Respondent must test negative while undergoing
28 continuous biological fluid testing following issuance of a cease-practice order, a month is

1 defined as thirty (30) calendar days. Respondent may not resume the practice of medicine until
2 notified in writing by the Board or its designee that she may do so.

3 (2) Increase the frequency of biological fluid testing.

4 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or
5 other action as determined by the Board or its designee.

6 B. If Respondent commits a minor violation of probation as defined by section
7 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take
8 one or more of the following actions:

9 (1) Issue a cease-practice order;

10 (2) Order practice limitations;

11 (3) Order or increase supervision of Respondent;

12 (4) Order increased documentation;

13 (5) Issue a citation and fine, or a warning letter;

14 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
15 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
16 Regulations, at Respondent's expense;

17 (7) Take any other action as determined by the Board or its designee.

18 C. Nothing in this Decision shall be considered a limitation on the Board's authority
19 to revoke Respondent's probation if she has violated any term or condition of probation. If
20 Respondent violates probation in any respect, the Board, after giving Respondent notice and the
21 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
22 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
23 against Respondent during probation, the Board shall have continuing jurisdiction until the matter
24 is final, and the period of probation shall be extended until the matter is final.

25 16. NOTIFICATION. Within seven (7) days of the effective date of this Decision,
26 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
27 Chief Executive Officer at every hospital where privileges or membership are extended to
28 Respondent, at any other facility where Respondent engages in the practice of medicine,

1 including all physician and locum tenens registries or other similar agencies, and to the Chief
2 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
3 Respondent. Respondent shall submit proof of compliance to the Board or its designee within
4 fifteen (15) calendar days.

5 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

6 17. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
7 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
8 advanced practice nurses.

9 18. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
10 governing the practice of medicine in California and remain in full compliance with any court
11 ordered criminal probation, payments, and other orders.

12 19. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
13 under penalty of perjury on forms provided by the Board, stating whether there has been
14 compliance with all the conditions of probation.

15 Respondent shall submit quarterly declarations not later than ten (10) calendar days after
16 the end of the preceding quarter.

17 20. GENERAL PROBATION REQUIREMENTS.

18 Compliance with Probation Unit

19 Respondent shall comply with the Board's probation unit.

20 Address Changes

21 Respondent shall, at all times, keep the Board informed of Respondent's business and
22 residence addresses, email address (if available), and telephone number. Changes of such
23 addresses shall be immediately communicated in writing to the Board or its designee. Under no
24 circumstances shall a post office box serve as an address of record, except as allowed by Business
25 and Professions Code section 2021(b).

26 Place of Practice

27 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
28 of residence, unless the patient resides in a skilled nursing facility or other similar licensed

1 facility.

2 License Renewal

3 Respondent shall maintain a current and renewed California physician's and surgeon's
4 license.

5 Travel or Residence Outside California

6 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
7 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
8 (30) calendar days.

9 In the event Respondent should leave the State of California to reside or to practice
10 ,Respondent shall notify the Board or its designee in writing thirty (30) calendar days prior to the
11 dates of departure and return.

12 21. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
13 available in person upon request for interviews either at Respondent's place of business or at the
14 probation unit office, with or without prior notice throughout the term of probation.

15 22. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
16 its designee in writing within fifteen (15) calendar days of any periods of non-practice lasting
17 more than 30 calendar days and within fifteen (15) calendar days of Respondent's return to
18 practice. Non-practice is defined as any period of time Respondent is not practicing medicine as
19 defined in Business and Professions Code sections 2051 and 2052 for at least forty (40) hours in a
20 calendar month in direct patient care, clinical activity or teaching, or other activity as approved by
21 the Board. If Respondent resides in California and is considered to be in non-practice,
22 Respondent shall comply with all terms and conditions of probation. All time spent in an
23 intensive training program which has been approved by the Board or its designee shall not be
24 considered non-practice and does not relieve Respondent from complying with all the terms and
25 conditions of probation. Practicing medicine in another state of the United States or Federal
26 jurisdiction while on probation with the medical licensing authority of that state or jurisdiction
27 shall not be considered non-practice. A Board-ordered suspension of practice shall not be
28 considered as a period of non-practice.

1 In the event Respondent's period of non-practice while on probation exceeds eighteen (18)
2 calendar months, Respondent shall successfully complete the Federation of State Medical Boards'
3 Special Purpose Examination, or, at the Board's discretion, a clinical competence assessment
4 program that meets the criteria of Condition 18 of the current version of the Board's "Manual of
5 Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of
6 medicine.

7 Respondent's period of non-practice while on probation shall not exceed two (2) years.

8 Periods of non-practice will not apply to the reduction of the probationary term.

9 Periods of non-practice for a Respondent residing outside of California will relieve
10 Respondent of the responsibility to comply with the probationary terms and conditions with the
11 exception of this condition and the following terms and conditions of probation: Obey All Laws;
12 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
13 Controlled Substances; and Biological Fluid Testing.

14 23. COMPLETION OF PROBATION. Respondent shall comply with all financial
15 obligations (e.g., restitution, probation costs) not later than one-hundred twenty (120) calendar
16 days prior to the completion of probation. Upon successful completion of probation,
17 Respondent's certificate shall be fully restored.

18 24. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
19 of probation is a violation of probation. If Respondent violates probation in any respect, the
20 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
21 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
22 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
23 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
24 be extended until the matter is final.

25 25. LICENSE SURRENDER. Following the effective date of this Decision, if
26 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
27 the terms and conditions of probation, Respondent may request to surrender his or her license.
28 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in

determining whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its designee and Respondent shall no longer practice medicine. Respondent will no longer be subject to the terms and conditions of probation. If Respondent re-applies for a medical license, the application shall be treated as a petition for reinstatement of a revoked certificate.

26. PROBATION MONITORING COSTS. Respondent shall pay the costs associated with probation monitoring each and every year of probation, as designated by the Board, which may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of California and delivered to the Board or its designee no later than January 31 of each calendar year.
