4 and surgeon's error, negligence, or omission.

5 (c) Investigating the nature and causes of injuries from cases which shall be

STATUTORY PROVISIONS

7. Section 2234 of the Code, states:

The board shall take action against any licensee who is charged with
unprofessional conduct. In addition to other provisions of this article, unprofessional
conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or
abetting the violation of, or conspiring to violate any provision of this chapter.

(b) Gross negligence.

(c) Repeated negligent acts. To be repeated, there must be two or more
negligent acts or omissions. An initial negligent act or omission followed by a
separate and distinct departure from the applicable standard of care shall constitute
repeated negligent acts.

1 (1) An initial negligent diagnosis followed by an act or omission medically
2 appropriate for that negligent diagnosis of the patient shall constitute a single
3 negligent act.

4 (2) When the standard of care requires a change in the diagnosis, act, or
5 omission that constitutes the negligent act described in paragraph (1), including, but
6 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
7 licensee's conduct departs from the applicable standard of care, each departure
8 constitutes a separate and distinct breach of the standard of care.

9 (d) Incompetence.

10 (e) The commission of any act involving dishonesty or corruption that is
11 substantially related to the qualifications, functions, or duties of a physician and
12 surgeon.

13 (f) Any action or conduct that would have warranted the denial of a certificate.

14 (g) The failure by a certificate holder, in the absence of good cause, to attend
15 and participate in an interview by the board. This subdivision shall only apply to a
16 certificate holder who is the subject of an investigation by the board.

17 8. Section 2236 of the Code states:

18 (a) The conviction of any offense substantially related to the qualifications,
19 functions, or duties of a physician and surgeon constitutes unprofessional conduct
20 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record
21 of conviction shall be conclusive evidence only of the fact that the conviction
22 occurred.

23 (b) The district attorney, city attorney, or other prosecuting agency shall notify
24 the Medical Board of the pendency of an action against a licensee charging a felony
25 or misdemeanor immediately upon obtaining information that the defendant is a
26 licensee. The notice shall identify the licensee and describe the crimes charged and
27 the facts alleged. The prosecuting agency shall also notify the clerk of the court in
28 which the action is pending that the defendant is a licensee, and the clerk shall record
prominently in the file that the defendant holds a license as a physician and surgeon.

(c) The clerk of the court in which a licensee is convicted of a crime shall,
within 48 hours after the conviction, transmit a certified copy of the record of
conviction to the board. The division may inquire into the circumstances surrounding
the commission of a crime in order to fix the degree of discipline or to determine if
the conviction is of an offense substantially related to the qualifications, functions, or
duties of a physician and surgeon.

(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is
deemed to be a conviction within the meaning of this section and Section 2236.1.
The record of conviction shall be conclusive evidence of the fact that the conviction
occurred.

9. Section 2239 of the Code states:

(a) The use or prescribing for or administering to himself or herself, of any
controlled substance; or the use of any of the dangerous drugs specified in Section
4022, or of alcoholic beverages, to the extent, or in such a manner as to be dangerous

1 or injurious to the licensee, or to any other person or to the public, or to the extent that
2 such use impairs the ability of the licensee to practice medicine safely or more than
3 one misdemeanor or any felony involving the use, consumption, or
4 self-administration of any of the substances referred to in this section, or any
5 combination thereof, constitutes unprofessional conduct. The record of the
6 conviction is conclusive evidence of such unprofessional conduct.

7 (b) A plea or verdict of guilty or a conviction following a plea of nolo
8 contendere is deemed to be a conviction within the meaning of this section. The
9 Medical Board may order discipline of the licensee in accordance with Section 2227
10 or the Medical Board may order the denial of the license when the time for appeal has
11 elapsed or the judgment of conviction has been affirmed on appeal or when an order
12 granting probation is made suspending imposition of sentence, irrespective of a
13 subsequent order under the provisions of Section 1203.4 of the Penal Code allowing
14 such person to withdraw his or her plea of guilty and to enter a plea of not guilty, or
15 setting aside the verdict of guilty, or dismissing the accusation, complaint,
16 information, or indictment.

17 10. Section 490 of the Code states:

18 (a) In addition to any other action that a board is permitted to take against a
19 licensee, a board may suspend or revoke a license on the ground that the licensee has
20 been convicted of a crime, if the crime is substantially related to the qualifications,
21 functions, or duties of the business or profession for which the license was issued.

22 (b) Notwithstanding any other provision of law, a board may exercise any
23 authority to discipline a licensee for conviction of a crime that is independent of the
24 authority granted under subdivision (a) only if the crime is substantially related to the
25 qualifications, functions, or duties of the business or profession for which the
26 licensee's license was issued.

27 (c) A conviction within the meaning of this section means a plea or verdict of
28 guilty or a conviction following a plea of nolo contendere. Any action that a board is
permitted to take following the establishment of a conviction may be taken when the
time for appeal has elapsed, or the judgment of conviction has been affirmed on
appeal, or when an order granting probation is made suspending the imposition of
sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of
the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section
has been made unclear by the holding in *Petropoulos v. Department of Real Estate*
(2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant
number of statutes and regulations in question, resulting in potential harm to the
consumers of California from licensees who have been convicted of crimes.
Therefore, the Legislature finds and declares that this section establishes an
independent basis for a board to impose discipline upon a licensee, and that the
amendments to this section made by Chapter 33 of the Statutes of 2008 do not
constitute a change to, but rather are declaratory of, existing law.

REGULATORY PROVISIONS

11. California Code of Regulations, title 16, section 1360, states:

For the purposes of denial, suspension or revocation of a license, certificate or

1 permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime
2 or act shall be considered to be substantially related to the qualifications, functions or
3 duties of a person holding a license, certificate or permit under the Medical Practice
4 Act if to a substantial degree it evidences present or potential unfitness of a person
5 holding a license, certificate or permit to perform the functions authorized by the
6 license, certificate or permit in a manner consistent with the public health, safety or
7 welfare. Such crimes or acts shall include but not be limited to the following:
8 Violating or attempting to violate, directly or indirectly, or assisting in or abetting the
9 violation of, or conspiring to violate any provision of the Medical Practice Act.

10 COST RECOVERY

11 12. Section 125.3 of the Code states:

12 (a) Except as otherwise provided by law, in any order issued in resolution of a
13 disciplinary proceeding before any board within the department or before the
14 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
15 administrative law judge may direct a licensee found to have committed a violation or
16 violations of the licensing act to pay a sum not to exceed the reasonable costs of the
17 investigation and enforcement of the case.

18 (b) In the case of a disciplined licensee that is a corporation or a partnership, the
19 order may be made against the licensed corporate entity or licensed partnership.

20 (c) A certified copy of the actual costs, or a good faith estimate of costs where
21 actual costs are not available, signed by the entity bringing the proceeding or its
22 designated representative shall be prima facie evidence of reasonable costs of
23 investigation and prosecution of the case. The costs shall include the amount of
24 investigative and enforcement costs up to the date of the hearing, including, but not
25 limited to, charges imposed by the Attorney General.

26 (d) The administrative law judge shall make a proposed finding of the amount
27 of reasonable costs of investigation and prosecution of the case when requested
28 pursuant to subdivision (a). The finding of the administrative law judge with regard
to costs shall not be reviewable by the board to increase the cost award. The board
may reduce or eliminate the cost award, or remand to the administrative law judge if
the proposed decision fails to make a finding on costs requested pursuant to
subdivision (a).

(e) If an order for recovery of costs is made and timely payment is not made as
directed in the board's decision, the board may enforce the order for repayment in any
appropriate court. This right of enforcement shall be in addition to any other rights
the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be
conclusive proof of the validity of the order of payment and the terms for payment.

(g) (1) Except as provided in paragraph (2), the board shall not renew or
reinstate the license of any licensee who has failed to pay all of the costs ordered
under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion,
conditionally renew or reinstate for a maximum of one year the license of any
licensee who demonstrates financial hardship and who enters into a formal agreement
with the board to reimburse the board within that one-year period for the unpaid

costs.

(h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in that board's licensing act provides for recovery of costs in an administrative disciplinary proceeding.

FACTUAL ALLEGATIONS

13. On or about January 22, 2022, at approximately 8:38 p.m., a California Highway Patrol (hereinafter "CHP") officer observed a 2021 Dodge RAM Pickup ("vehicle") in the parking lot of the Buttonwillow rest area off of southbound I-5 freeway in an unincorporated area of Kern County. The CHP officer observed the vehicle drive forward from a parking space and travel onto the sidewalk, with both right-side tires on the sidewalk, the vehicle turned left and traveled back onto the parking area. The officer observed the vehicle enter another parking spot and proceed until the right front tire was touching the curb, at which point the driver continued to apply the gas multiple times until the tires started to climb the curb onto the sidewalk. At this point, the CHP officer activated his lights and made contact with Respondent in the driver's seat.

14. The officer observed Respondent with bloodshot and watery eyes, slow and slurred speech and noticed an odor of alcoholic beverage emitting from the vehicle. ///

1 17. Respondent was transferred to the CHP Buttonwillow area office and was again asked
2 whether he would submit to testing. Due to Respondent's continued refusal to submit to testing, a
3 search warrant was obtained at or about 10:20 p.m. for a forced blood draw, and two vials of
4 blood were obtained at or about 11:34 p.m. at Kern Medical Hospital.

5 18. Respondent's blood sample, obtained approximately three hours after the initial stop,
6 resulted in a BAC reading of 0.170 percent. A toxicology drug analysis was also performed
7 which resulted in a finding of 2.4 ng/mL of Hydrocodone.

8 19. On or about February 22, 2022, a misdemeanor criminal complaint was filed,
9 charging Respondent with violations of Vehicle Code Sections 23152, subdivisions (a) and (b).

10 20. On or about April 4, 2022, in the case entitled *The People of the State of California v.*
11 *Gurinder Pal Singh Chatha*, case number SM125930, in the Superior Court of California, County
12 of Kern, Respondent, upon his plea of no contest, was convicted of Vehicle Code Section 23152,
13 subdivision (a) for driving under the influence of alcohol, a misdemeanor. The remaining
14 criminal charge for violation of Vehicle Code Section 23152, subdivision (b) was dismissed as
15 part of the plea agreement with the Kern County District Attorney's Office. Respondent was
