1 **DISCIPLINARY ORDER**

2 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 63030 issued
3 to Respondent DENNIS HOU, M.D. is revoked. However, the revocation is stayed and
4 Respondent is placed on probation for one (1) year on the following terms and conditions:

5 1. CONSECUTIVE PROBATION. This Order is to run consecutive to the probationary
6 order in Board Case No. 800-2018-044104, which shall remain in full force and effect. This
7 Order will extend the probationary term in the probationary order of Case No. 800-2018-044104
8 by one (1) year and shall immediately begin upon the date of Respondent's successful completion
9 of the probationary term in that matter (Case No. 800-2018-044104), provided however, that the
10 terms and conditions of this Order shall supersede the terms and conditions of the probationary
11 order in Case No. 800-2018-044104 once the probationary term in that matter (Case No. 800-
12 2018-044104) is successfully completed.

13 2. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain
14 completely from the personal use or possession of controlled substances as defined in the
15 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and
16 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not
17 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
18 illness or condition.

19 Within 15 calendar days of receiving any lawfully prescribed medications, Respondent
20 shall notify the Board or its designee of the: issuing practitioner's name, address, and telephone
21 number; medication name, strength, and quantity; and issuing pharmacy name, address, and
22 telephone number.

23 3. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the
24 use of products or beverages containing alcohol.

25 4. EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7) days of the
26 effective date of this Decision, Respondent shall provide to the Board the names, physical
27 addresses, mailing addresses, and telephone numbers of any and all employers and supervisors.
28 Respondent shall also provide specific, written consent for the Board, Respondent's worksite

1 monitor, and Respondent's employers and supervisors to communicate regarding Respondent's
2 work status, performance, and monitoring.

3 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or
4 Well Being Committee Chair, or equivalent, if applicable, when the Respondent has medical staff
5 privileges.

6 5. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to
7 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.
8 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair
9 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall
10 make daily contact with the Board or its designee to determine whether biological fluid testing is
11 required. Respondent shall be tested on the date of the notification as directed by the Board or its
12 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at
13 any time, including weekends and holidays. Except when testing on a specific date as ordered by
14 the Board or its designee, the scheduling of biological fluid testing shall be done on a random
15 basis. The cost of biological fluid testing shall be borne by the Respondent.

16 During the duration of the probationary term, up to five (5) years, Respondent shall be
17 subject to 36 to 104 random tests per year. Only if there has been no positive biological fluid
18 tests in the previous five (5) consecutive years of probation, may testing be reduced to one (1)
19 time per month. Nothing precludes the Board from increasing the number of random tests to the
20 standard, first-year level of frequency of 52 to 104 random tests per year, for any reason.

21 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
22 approved in advance by the Board or its designee that will conduct random, unannounced,
23 observed, biological fluid testing and meets all of the following standards:

24 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
25 Association or have completed the training required to serve as a collector for the United
26 States Department of Transportation.

27 (b) Its specimen collectors conform to the current United States Department of
28 Transportation Specimen Collection Guidelines.

- 1 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published
2 by the United States Department of Transportation without regard to the type of test
3 administered.
- 4 (d) Its specimen collectors observe the collection of testing specimens.
- 5 (e) Its laboratories are certified and accredited by the United States Department of Health
6 and Human Services.
- 7 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
8 of receipt and all specimens collected shall be handled pursuant to chain of custody
9 procedures. The laboratory shall process and analyze the specimens and provide legally
10 defensible test results to the Board within seven (7) business days of receipt of the
11 specimen. The Board will be notified of non-negative results within one (1) business day
12 and will be notified of negative test results within seven (7) business days.
- 13 (g) Its testing locations possess all the materials, equipment, and technical expertise
14 necessary in order to test Respondent on any day of the week.
- 15 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens
16 for the detection of alcohol and illegal and controlled substances.
- 17 (i) It maintains testing sites located throughout California.
- 18 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line
19 computer database that allows the Respondent to check in daily for testing.
- 20 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff
21 access to drug test results and compliance reporting information that is available 24 hours a
22 day.
- 23 (l) It employs or contracts with toxicologists that are licensed physicians and have
24 knowledge of substance abuse disorders and the appropriate medical training to interpret
25 and evaluate laboratory biological fluid test results, medical histories, and any other
26 information relevant to biomedical information.
- 27 (m) It will not consider a toxicology screen to be negative if a positive result is obtained
28 while practicing, even if the Respondent holds a valid prescription for the substance.

1 Prior to changing testing locations for any reason, including during vacation or other travel,
2 alternative testing locations must be approved by the Board and meet the requirements above.

3 The contract shall require that the laboratory directly notify the Board or its designee of
4 non-negative results within one (1) business day and negative test results within seven (7)
5 business days of the results becoming available. Respondent shall maintain this laboratory or
6 service contract during the period of probation.

7 A certified copy of any laboratory test result may be received in evidence in any
8 proceedings between the Board and Respondent.

9 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
10 administered to himself or herself a prohibited substance, the Board shall order Respondent to
11 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
12 medicine or providing medical services. The Board shall immediately notify all of Respondent's
13 employers, supervisors, and work monitors, if any, that Respondent may not practice medicine or
14 provide medical services while the cease-practice order is in effect.

15 A biological fluid test will not be considered negative if a positive result is obtained while
16 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
17 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

18 After the issuance of a cease-practice order, the Board shall determine whether the positive
19 biological fluid test is in fact evidence of prohibited substance use by consulting with the
20 specimen collector and the laboratory, communicating with the licensee, his or her treating
21 physician(s), other health care provider, or group facilitator, as applicable.

22 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
23 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

24 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
25 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
26 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been
27 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

28 ///

1 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
2 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
3 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to
4 any other terms or conditions the Board determines are necessary for public protection or to
5 enhance Respondent's rehabilitation.

6 6. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty
7 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or
8 its designee for prior approval as a worksite monitor, the name and qualifications of one or more
9 licensed physician and surgeon, other licensed health care professional if no physician and
10 surgeon is available, or, as approved by the Board or its designee, a person in a position of
11 authority who is capable of monitoring the Respondent at work.

12 The worksite monitor shall not have a current or former financial, personal, or familial
13 relationship with Respondent, or any other relationship that could reasonably be expected to
14 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its
15 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite
16 monitor, this requirement may be waived by the Board or its designee, however, under no
17 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

18 The worksite monitor shall have an active unrestricted license with no disciplinary action
19 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
20 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth
21 by the Board or its designee.

22 Respondent shall pay all worksite monitoring costs.

23 The worksite monitor shall have face-to-face contact with Respondent in the work
24 environment on as frequent a basis as determined by the Board or its designee, but not less than
25 once per week; interview other staff in the office regarding Respondent's behavior, if requested
26 by the Board or its designee; and review Respondent's work attendance.

27 The worksite monitor shall verbally report any suspected substance abuse to the Board and
28 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected

1 substance abuse does not occur during the Board's normal business hours, the verbal report shall
2 be made to the Board or its designee within one (1) hour of the next business day. A written
3 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and
4 any other information deemed important by the worksite monitor shall be submitted to the Board
5 or its designee within 48 hours of the occurrence.

6 The worksite monitor shall complete and submit a written report monthly or as directed by
7 the Board or its designee which shall include the following: (1) Respondent's name and
8 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)
9 the worksite monitor's license number, if applicable; (4) the location or location(s) of the
10 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the
11 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;
12 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can
13 lead to suspected substance abuse by Respondent. Respondent shall complete any required
14 consent forms and execute agreements with the approved worksite monitor and the Board, or its
15 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

16 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)
17 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
18 approval, the name and qualifications of a replacement monitor who will be assuming that
19 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a
20 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
21 monitor, Respondent shall receive a notification from the Board or its designee to cease the
22 practice of medicine within three (3) calendar days after being so notified. Respondent shall
23 cease the practice of medicine until a replacement monitor is approved and assumes monitoring
24 responsibility.

25 7. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING
26 LICENSEES . Failure to fully comply with any term or condition of probation is a violation of
27 probation.

28 ///

1 A. If Respondent commits a major violation of probation as defined by section
2 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take
3 one or more of the following actions:

4 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical
5 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of
6 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice
7 order issued by the Board or its designee shall state that Respondent must test negative for at least
8 a month of continuous biological fluid testing before being allowed to resume practice. For
9 purposes of determining the length of time a Respondent must test negative while undergoing
10 continuous biological fluid testing following issuance of a cease-practice order, a month is
11 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until
12 notified in writing by the Board or its designee that he or she may do so.

13 (2) Increase the frequency of biological fluid testing.

14 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or
15 other action as determined by the Board or its designee.

16 B. If Respondent commits a minor violation of probation as defined by section
17 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take
18 one or more of the following actions:

19 (1) Issue a cease-practice order;

20 (2) Order practice limitations;

21 (3) Order or increase supervision of Respondent;

22 (4) Order increased documentation;

23 (5) Issue a citation and fine, or a warning letter;

24 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
25 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
26 Regulations, at Respondent's expense;

27 (7) Take any other action as determined by the Board or its designee.

28 ///

1 C. Nothing in this Decision shall be considered a limitation on the Board's authority
2 to revoke Respondent's probation if he or she has violated any term or condition of probation. If
3 Respondent violates probation in any respect, the Board, after giving Respondent notice and the
4 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
5 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
6 against Respondent during probation, the Board shall have continuing jurisdiction until the matter
7 is final, and the period of probation shall be extended until the matter is final.

8 8. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
9 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
10 Chief Executive Officer at every hospital where privileges or membership are extended to
11 Respondent, at any other facility where Respondent engages in the practice of medicine,
12 including all physician and locum tenens registries or other similar agencies, and to the Chief
13 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
14 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
15 calendar days.

16 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

17 9. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
18 governing the practice of medicine in California and remain in full compliance with any court
19 ordered criminal probation, payments, and other orders.

20 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
21 under penalty of perjury on forms provided by the Board, stating whether there has been
22 compliance with all the conditions of probation.

23 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
24 of the preceding quarter.

25 11. GENERAL PROBATION REQUIREMENTS.

26 Compliance with Probation Unit

27 Respondent shall comply with the Board's probation unit.

28 ///

1 Address Changes

2 Respondent shall, at all times, keep the Board informed of Respondent's business and residence
3 addresses, email address (if available), and telephone number. Changes of such addresses shall
4 be immediately communicated in writing to the Board or its designee. Under no circumstances
5 shall a post office box serve as an address of record, except as allowed by Business and
6 Professions Code section 2021, subdivision (b).

7 Place of Practice

8 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
9 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
10 facility.

11 License Renewal

12 Respondent shall maintain a current and renewed California physician's and surgeon's
13 license.

14 Travel or Residence Outside California

15 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
16 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
17 (30) calendar days.

18 In the event Respondent should leave the State of California to reside or to practice
19 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
20 departure and return.

21 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
22 available in person upon request for interviews either at Respondent's place of business or at the
23 probation unit office, with or without prior notice throughout the term of probation.

24 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
25 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
26 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
27 defined as any period of time Respondent is not practicing medicine as defined in Business and
28 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct

1 patient care, clinical activity or teaching, or other activity as approved by the Board. If
2 Respondent resides in California and is considered to be in non-practice, Respondent shall
3 comply with all terms and conditions of probation. All time spent in an intensive training
4 program which has been approved by the Board or its designee shall not be considered non-
5 practice and does not relieve Respondent from complying with all the terms and conditions of
6 probation. Practicing medicine in another state of the United States or federal jurisdiction while
7 on probation with the medical licensing authority of that state or jurisdiction shall not be
8 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
9 period of non-practice.

10 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
11 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
12 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
13 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
14 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

15 Respondent's period of non-practice while on probation shall not exceed two (2) years.

16 Periods of non-practice will not apply to the reduction of the probationary term.

17 Periods of non-practice for a Respondent residing outside of California will relieve
18 Respondent of the responsibility to comply with the probationary terms and conditions with the
19 exception of this condition and the following terms and conditions of probation: Obey All Laws;
20 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
21 Controlled Substances; and Biological Fluid Testing..

22 14. COMPLETION OF PROBATION. Respondent shall comply with all financial
23 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
24 completion of probation. Upon successful completion of probation, Respondent's certificate shall
25 be fully restored.

26 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
27 of probation is a violation of probation. If Respondent violates probation in any respect, the
28 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and

1 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
2 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
3 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
4 be extended until the matter is final.

5 16. LICENSE SURRENDER. Following the effective date of this Decision, if
6 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
7 the terms and conditions of probation, Respondent may request to surrender his or her license.
8 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
9 determining whether to grant the request, or to take any other action deemed appropriate and
10 reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent shall
11 within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
12 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
13 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
14 application shall be treated as a petition for reinstatement of a revoked certificate.

15 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
16 with probation monitoring each and every year of probation, as designated by the Board, which
17 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
18 California and delivered to the Board or its designee no later than January 31 of each calendar
19 year.

20 18. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
21 a new license or certification, or petition for reinstatement of a license, by any other health care
22 licensing action agency in the State of California, all of the charges and allegations contained in
23 Petition to Revoke Probation No. 800-2023-096246 shall be deemed to be true, correct, and
24 admitted by Respondent for the purpose of any Statement of Issues or any other proceeding
25 seeking to deny or restrict license.

In the Matter of the Petition to Revoke
Probation Against:

Case No. 800-2023-096246

**DENNIS HOU, M.D.
2130 Geri Lane
Hillsborough, CA 94010**

PETITION TO REVOKE PROBATION

**Physician's and Surgeon's Certificate
No. A 63030,**

Respondent.

Complainant alleges:

PARTIES

1. Reji Varghese (Complainant) brings this Petition to Revoke Probation solely in his official capacity as the Executive Director of the Medical Board of California, Department of Consumer Affairs (Board).

2. On or about July 18, 1997, the Medical Board of California issued Physician's and Surgeon's Certificate Number A 63030 to Dennis Hou, M.D. (Respondent). The Physician's and Surgeon's Certificate was in effect at all times relevant to the charges brought herein, except that said Certificate was subject to a Cease Practice Order (CPO), effective May 26, 2020, which was lifted on July 8, 2020, and a subsequent CPO, effective January 26, 2023, which was lifted on March 7, 2023. Respondent's Certificate will expire on December 31, 2024, unless renewed.

3. In a disciplinary action titled *In the Matter of Accusation Against Dennis Hou, M.D.*, Case No. 800-2018-044104, the Board issued a Decision, effective August 21, 2019, in which Respondent's Certificate was revoked. However, the revocation was stayed and Respondent's Certificate was placed on probation for a period of three (3) years with certain terms and conditions. A copy of that Decision is attached as Exhibit A and is incorporated by reference.

4. In a disciplinary action titled *In the Matter of the Petition to Revoke Probation Against Dennis Hou, M.D.*, Case No. 800-2020-067727, the Board issued a Decision, effective January 15, 2021, in which Respondent's Certificate was reprimanded for failure to check in for possible testing and for not providing a biological fluid sample. The Decision and Order in Case No. 800-2018-044104, effective August 21, 2019, remains in full force and effect with no modifications to the conditions imposed. A copy of that Decision is attached as Exhibit B and is incorporated by reference.

11 pursuant to this subsection shall state that the licensee must test negative for at least a
12 month of continuous biological fluid testing before being allowed to resume practice.

19 **FIRST CAUSE TO REVOKE PROBATION**

20 **(Abstain from Alcohol Use)**

21 10. At all times after the effective date of Respondent's probation as ordered in Case
22 Number 800-2018-044104, Condition 2 of the terms of probation stated:

23 Respondent shall abstain completely from the use of products or beverages
24 containing alcohol.

25 11. Respondent's probation is subject to revocation because he failed to comply with
26 Probation Condition 2, referenced above. The facts and circumstances regarding this violation
27 are as follows:

28 12. On July 23, 2019, Respondent was mailed a letter advising that he needed to enroll
and participate in biological fluid testing as a condition of his probation.

13. On August 21, 2019, Respondent signed an "Acknowledgement of Decision"
indicating he understood the biological fluid testing condition of his probation.

///

1 14. On January 13, 2023, Respondent was selected to provide a biological fluid sample;
2 specifically, a blood test. Respondent's blood sample tested positive for 47 ng/mL of
3 Phosphatidylethanol (PEth),¹ indicating alcohol consumption, in violation of Probation Condition
4 2.

5 15. Respondent was issued a Cease Practice Order on January 26, 2023, due to the
6 positive PEth test. The Cease Practice Order was lifted on March 7, 2023.

7 16. The positive PEth test constitutes a major violation of Condition 2 of Respondent's
8 probation, pursuant to California Code of Regulations, title 16, section 1361.52, subdivisions
9 (a)(6) and (a)(8).

10 **SECOND CAUSE TO REVOKE PROBATION**

11 **(Biological Fluid Testing)**

12 17. At all times after the effective date of Respondent's probation as ordered in Case
13 Number 800-2018-044104, Condition 4 stated:

14 Respondent shall immediately submit to biological fluid testing, at Respondent's
15 expense, upon request of the Board or its designee. "Biological fluid testing" may
16 include, but is not limited to, urine, blood, breathalyzer, hair follicle testing, or
17 similar drug screening approved by the Board or its designee. Respondent shall
18 make daily contact with the Board or its designee to determine whether biological
19 fluid testing is required. Respondent shall be tested on the date of the notification
as directed by the Board or its designee. The Board may order Respondent to
undergo a biological fluid test on any day, at any time, including weekends and
holidays. Except when testing on a specific date as ordered by the Board or its
designee, the scheduling of biological fluid testing shall be done on a random basis.
The cost of biological fluid testing shall be borne by Respondent.

20 During the first year of probation and for the duration of the probationary term, up
21 to five (5) years, Respondent shall be subject to 36 to 104 random tests per year.
22 Only if there has been no positive biological fluid tests in the previous five (5)
23 consecutive years of probation, may testing be reduced to one (1) time per month.
Nothing precludes the Board from increasing the number of random tests to the
standard, first-year level of frequency of 52 to 104 random tests per year, for any
reason.

24 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
25 approved in advance by the Board or its designee that will conduct random,
26 unannounced, observed, biological fluid testing and meets all of the following
standards:

27
28 ¹ A phosphatidylethanol (PEth) test measures the level of phosphatidylethanol, a direct
alcohol biomarker which is found in human blood following alcohol consumption.

1 (a) Its specimen collectors are either certified by the Drug and Alcohol
2 Testing Industry Association or have completed the training required to serve as a
3 collector for the United States Department of Transportation.

4 (b) Its specimen collectors conform to the current United States Department
5 of Transportation Specimen Collection Guidelines.

6 (c) Its testing locations comply with the Urine Specimen Collection
7 Guidelines published by the United States Department of Transportation without
8 regard to the type of test administered.

9 (d) Its specimen collectors observe the collection of testing specimens.

10 (e) Its laboratories are certified and accredited by the United States
11 Department of Health and Human Services.

12 (f) Its testing locations shall submit a specimen to a laboratory within one (1)
13 business day of receipt and all specimens collected shall be handled pursuant to
14 chain of custody procedures. The laboratory shall process and analyze the
15 specimens and provide legally defensible test results to the Board within seven (7)
16 business days of receipt of the specimen. The Board will be notified of non-
17 negative results within one (1) business day and will be notified of negative test
18 results within seven (7) business days.

19 (g) Its testing locations possess all the materials, equipment, and technical
20 expertise necessary in order to test Respondent on any day of the week.

21 (h) Its testing locations are able to scientifically test for urine, blood, and hair
22 specimens for the detection of alcohol and illegal and controlled substances.

23 (i) It maintains testing sites located throughout California.

24 (j) It maintains an automated 24-hour toll-free telephone system and/or a
25 secure on-line computer database that allows the Respondent to check in daily for
26 testing.

27 (k) It maintains a secure, HIPAA-compliant website or computer system that
28 allows staff access to drug test results and compliance reporting information that is
available 24 hours a day.

(l) It employs or contracts with toxicologists that are licensed physicians and
have knowledge of substance abuse disorders and the appropriate medical training
to interpret and evaluate laboratory biological fluid test results, medical histories,
and any other information relevant to biomedical information.

(m) It will not consider a toxicology screen to be negative if a positive result
is obtained while practicing, even if the Respondent holds a valid prescription for
the substance.

Prior to changing testing locations for any reason, including during vacation or
other travel, alternative testing locations must be approved by the Board and meet
the requirements above.

The contract shall require that the laboratory directly notify the Board or its
designee of non-negative results within one (1) business day and negative test
results within seven (7) business days of the results becoming available.

Respondent shall maintain this laboratory or service contract during the period of probation.

A certified copy of any laboratory test result may be received in evidence in any proceedings between the Board and Respondent.

If a biological fluid test result indicates Respondent has used, consumed, ingested, or administered to himself or herself a prohibited substance, the Board shall order Respondent to cease practice and instruct Respondent to leave any place of work where Respondent is practicing medicine or providing medical services. The Board shall immediately notify all of Respondent's employers, supervisors and work monitors, if any, that Respondent may not practice medicine or provide medical services while the cease-practice order is in effect.

A biological fluid test will not be considered negative if a positive result is obtained while practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited substance use exists, the Board shall lift the cease-practice order within one (1) business day.

After the issuance of a cease-practice order, the Board shall determine whether the positive biological fluid test is in fact evidence of prohibited substance use by consulting with the specimen collector and the laboratory, communicating with the licensee, his or her treating physician(s), other health care provider, or group facilitator, as applicable.

For purposes of this condition, the terms "biological fluid testing" and "testing" mean the acquisition and chemical analysis of Respondent's urine, blood, breath, or hair.

For purposes of this condition, the term "prohibited substance" means an illegal drug, a lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by Respondent and approved by the Board, alcohol, or any other substance Respondent has been instructed by the Board not to use, consume, ingest, or administer to himself or herself.

If the Board confirms that a positive biological fluid test is evidence of use of a prohibited substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to any other terms or conditions the Board determines are necessary for public protection or to enhance Respondent's rehabilitation.

18. Respondent's probation is subject to revocation because he failed to comply with Probation Condition 4, referenced above. The facts and circumstances regarding this violation are as follows:

19. On July 23, 2019, Respondent was mailed a letter advising that he needed to enroll and participate in biological fluid testing as a condition of his probation.

20. On August 21, 2019, Respondent signed an "Acknowledgement of Decision" indicating he understood the biological fluid testing condition of his probation.

21. On November 25, 2019, January 3, 2020, May 12, 2020, May 29, 2021, May 30, 2023, and June 15, 2023, Respondent was selected to provide a biological fluid sample. Respondent failed to check in with the biological testing service and did not provide a sample. In total, Respondent has failed to provide samples six (6) times over the course of his probation.

22. On December 3, 2021, April 4, 2022, May 5, 2022, May 12, 2022, June 2, 2022, August 31, 2022, and February 11, 2023, Respondent failed to check in with the biological testing service. In total, Respondent has failed to check in thirteen (13) times over the course of his probation.

23. Respondent's repeated failures to check in for testing and multiple instances of failing to provide a biological fluid sample for testing when directed constitute separate major violations of Condition 4, pursuant to California Code of Regulations, title 16, section 1361.52, subdivisions (a)(5) and (a)(8).

THIRD CAUSE TO REVOKE PROBATION

(Violation of Probation Condition for Substance Abusing Licensees)

24. At all times after the effective date of Respondent's probation as ordered in Case Number 800-2018-044104, Condition 6 provides:

Failure to fully comply with any term or condition of probation is a violation of probation.

A. If Respondent commits a major violation of probation as defined by section 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take one or more of the following actions:

(1) Issue an immediate cease-practice order and order Respondent to undergo a clinical diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice order issued by the Board or its designee shall state that Respondent must test negative for at least a month of continuous biological fluid testing before being allowed to resume practice. For purposes of determining the length of time Respondent must test negative while undergoing continuous biological fluid testing following issuance of a cease-practice order, a month is defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until notified in writing by the Board or its designee that he or she may do so.

(2) Increase the frequency of biological fluid testing.

(3) Refer Respondent for further disciplinary action, such as suspension, revocation, or other action as determined by the Board or its designee.

1 B. If Respondent commits a minor violation of probation as defined by
2 section 1361.52, subdivision (c), of Title 16 of the California Code of Regulations,
3 the Board shall take one or more of the following actions:

- 4 (1) Issue a cease-practice order;
5 (2) Order practice limitations;
6 (3) Order or increase supervision of Respondent;
7 (4) Order increased documentation;
8 (5) Issue a citation and fine, or a warning letter;
9 (6) Order Respondent to undergo a clinical diagnostic evaluation to be
10 conducted in accordance with section 1361.5, subdivision (c)(1), of Title 16 of the
11 California Code of Regulations, at Respondent's expense;
12 (7) Take any other action as determined by the Board or its designee.

13 C. Nothing in this Decision shall be considered a limitation on the Board's
14 authority to revoke Respondent's probation if he or she has violated any term or
15 condition of probation. If Respondent violates probation in any respect, the Board,
16 after giving Respondent notice and the opportunity to be heard, may revoke
17 probation and carry out the disciplinary order that was stayed. If an Accusation, or
18 Petition to Revoke Probation, or an Interim Suspension Order is filed against
19 Respondent during probation, the Board shall have continuing jurisdiction until the
20 matter is final, and the period of probation shall be extended until the matter is final.

21 25. Respondent's probation is subject to revocation because he failed to comply with
22 Probation Condition 6, referenced above. The facts and circumstances regarding this violation
23 are as follows:

24 26. The facts and allegations set forth in the First and Second Causes to Revoke
25 Probation are incorporated herein by reference as if fully set forth.

28 attorney Albert J. Garcia, 2000 Powell Street, Ste. 1290, Emeryville, CA 94608.

3. On July 18, 1997, the Board issued Physician's and Surgeon's Certificate No. A 63030 to Dennis Hou, M.D. (Respondent). The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2018-044104, and will expire on December 31, 2020, unless renewed.

JURISDICTION

4. Accusation No. 800-2018-044104 ("Accusation") was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on February 4, 2019. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A copy of the Accusation is attached as Exhibit A and incorporated herein.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in the Accusation. Respondent has also carefully read, fully discussed with counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

9. Respondent understands and agrees that the charges and allegations in the Accusation, if proven at a hearing, constitute cause for imposing discipline on his Physician's and Surgeon's Certificate.

10. For the purpose of resolving the Accusation without the expense and uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual

1 basis for the charges in the Accusation and that Respondent hereby gives up his right to contest
2 those charges.

3 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
4 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
5 Disciplinary Order below.

6 CONTINGENCY

7 12. This stipulation shall be subject to approval by the Board. Respondent understands
8 and agrees that counsel for Complainant and the staff of the Board may communicate directly
9 with the Board regarding this stipulation and settlement, without notice to or participation by
10 Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he
11 may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board
12 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,
13 the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this
14 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
15 be disqualified from further action by having considered this matter.

16 13. The parties understand and agree that Portable Document Format (PDF) and facsimile
17 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
18 signatures thereto, shall have the same force and effect as the originals.

19 14. In consideration of the foregoing admissions and stipulations, the parties agree that
20 the Board may, without further notice or formal proceeding, issue and enter the following
21 Disciplinary Order:

22 DISCIPLINARY ORDER

23 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 63030 issued
24 to Respondent Dennis Hou, M.D. is revoked. However, the revocation is stayed and Respondent
25 is placed on probation for three (3) years with the following terms and conditions:

26 1. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain
27 completely from the personal use or possession of controlled substances as defined in the
28 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and

1 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not
2 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
3 illness or condition.

4 Within 15 calendar days of receiving any lawfully prescribed medications, Respondent
5 shall notify the Board or its designee of the: issuing practitioner's name, address, and telephone
6 number; medication name, strength, and quantity; and issuing pharmacy name, address, and
7 telephone number.

8 2. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the
9 use of products or beverages containing alcohol.

10 3. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7)
11 days of the effective date of this Decision, Respondent shall provide to the Board the names,
12 physical addresses, mailing addresses, and telephone numbers of any and all employers and
13 supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's
14 worksite monitor, and Respondent's employers and supervisors to communicate regarding
15 Respondent's work status, performance, and monitoring.

16 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or
17 Well Being Committee Chair, or equivalent, if applicable, when Respondent has medical staff
18 privileges.

19 4. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to
20 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.
21 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair
22 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall
23 make daily contact with the Board or its designee to determine whether biological fluid testing is
24 required. Respondent shall be tested on the date of the notification as directed by the Board or its
25 designee. The Board may order Respondent to undergo a biological fluid test on any day, at any
26 time, including weekends and holidays. Except when testing on a specific date as ordered by the
27 Board or its designee, the scheduling of biological fluid testing shall be done on a random basis.
28 The cost of biological fluid testing shall be borne by Respondent.

1 During the first year of probation and for the duration of the probationary term, up to five
2 (5) years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been
3 no positive biological fluid tests in the previous five (5) consecutive years of probation, may
4 testing be reduced to one (1) time per month. Nothing precludes the Board from increasing the
5 number of random tests to the standard, first-year level of frequency of 52 to 104 random tests per
6 year, for any reason.

7 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
8 approved in advance by the Board or its designee that will conduct random, unannounced,
9 observed, biological fluid testing and meets all of the following standards:

10 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
11 Association or have completed the training required to serve as a collector for the United
12 States Department of Transportation.

13 (b) Its specimen collectors conform to the current United States Department of
14 Transportation Specimen Collection Guidelines.

15 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published
16 by the United States Department of Transportation without regard to the type of test
17 administered.

18 (d) Its specimen collectors observe the collection of testing specimens.

19 (e) Its laboratories are certified and accredited by the United States Department of Health
20 and Human Services.

21 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
22 of receipt and all specimens collected shall be handled pursuant to chain of custody
23 procedures. The laboratory shall process and analyze the specimens and provide legally
24 defensible test results to the Board within seven (7) business days of receipt of the
25 specimen. The Board will be notified of non-negative results within one (1) business day
26 and will be notified of negative test results within seven (7) business days.

27 (g) Its testing locations possess all the materials, equipment, and technical expertise
28 necessary in order to test Respondent on any day of the week.

1 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens for
2 the detection of alcohol and illegal and controlled substances.

3 (i) It maintains testing sites located throughout California.

4 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line
5 computer database that allows the Respondent to check in daily for testing.

6 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff
7 access to drug test results and compliance reporting information that is available 24 hours a
8 day.

9 (l) It employs or contracts with toxicologists that are licensed physicians and have
10 knowledge of substance abuse disorders and the appropriate medical training to interpret
11 and evaluate laboratory biological fluid test results, medical histories, and any other
12 information relevant to biomedical information.

13 (m) It will not consider a toxicology screen to be negative if a positive result is obtained
14 while practicing, even if the Respondent holds a valid prescription for the substance.

15 Prior to changing testing locations for any reason, including during vacation or other travel,
16 alternative testing locations must be approved by the Board and meet the requirements above.

17 The contract shall require that the laboratory directly notify the Board or its designee of
18 non-negative results within one (1) business day and negative test results within seven (7)
19 business days of the results becoming available. Respondent shall maintain this laboratory or
20 service contract during the period of probation.

21 A certified copy of any laboratory test result may be received in evidence in any
22 proceedings between the Board and Respondent.

23 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
24 administered to himself or herself a prohibited substance, the Board shall order Respondent to
25 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
26 medicine or providing medical services. The Board shall immediately notify all of Respondent's
27 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or
28 provide medical services while the cease-practice order is in effect.

1 A biological fluid test will not be considered negative if a positive result is obtained while
2 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
3 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

4 After the issuance of a cease-practice order, the Board shall determine whether the positive
5 biological fluid test is in fact evidence of prohibited substance use by consulting with the
6 specimen collector and the laboratory, communicating with the licensee, his or her treating
7 physician(s), other health care provider, or group facilitator, as applicable.

8 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
9 acquisition and chemical analysis of Respondent's urine, blood, breath, or hair:

10 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
11 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
12 Respondent and approved by the Board, alcohol, or any other substance Respondent has been
13 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

14 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
15 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
16 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to
17 any other terms or conditions the Board determines are necessary for public protection or to
18 enhance Respondent's rehabilitation.

19 5. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty
20 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or
21 its designee for prior approval as a worksite monitor, the name and qualifications of one or more
22 licensed physician and surgeon, other licensed health care professional if no physician and
23 surgeon is available, or, as approved by the Board or its designee, a person in a position of
24 authority who is capable of monitoring Respondent at work.

25 The worksite monitor shall not have a current or former financial, personal, or familial
26 relationship with Respondent, or any other relationship that could reasonably be expected to
27 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its
28 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite

1 monitor, this requirement may be waived by the Board or its designee, however, under no
2 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

3 The worksite monitor shall have an active unrestricted license with no disciplinary action
4 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
5 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth
6 by the Board or its designee.

7 Respondent shall pay all worksite monitoring costs.

8 The worksite monitor shall have face-to-face contact with Respondent in the work
9 environment on as frequent a basis as determined by the Board or its designee, but not less than
10 once per week; interview other staff in the office regarding Respondent's behavior, if requested
11 by the Board or its designee; and review Respondent's work attendance.

12 The worksite monitor shall verbally report any suspected substance abuse to the Board and
13 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected
14 substance abuse does not occur during the Board's normal business hours, the verbal report shall
15 be made to the Board or its designee within one (1) hour of the next business day. A written
16 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and
17 any other information deemed important by the worksite monitor shall be submitted to the Board
18 or its designee within 48 hours of the occurrence.

19 The worksite monitor shall complete and submit a written report monthly or as directed by
20 the Board or its designee which shall include the following: (1) Respondent's name and
21 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)
22 the worksite monitor's license number, if applicable; (4) the location or location(s) of the
23 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the
24 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;
25 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can
26 lead to suspected substance abuse by Respondent. Respondent shall complete any required
27 consent forms and execute agreements with the approved worksite monitor and the Board, or its
28 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

1 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)
2 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
3 approval, the name and qualifications of a replacement monitor who will be assuming that
4 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a
5 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
6 monitor, Respondent shall receive a notification from the Board or its designee to cease the
7 practice of medicine within three (3) calendar days after being so notified. Respondent shall cease
8 the practice of medicine until a replacement monitor is approved and assumes monitoring
9 responsibility.

10 6. VIOlation OF PROBATION CONDITION FOR SUBSTANCE ABUSING
11 LICENSEES. Failure to fully comply with any term or condition of probation is a violation of
12 probation.

13 A. If Respondent commits a major violation of probation as defined by section
14 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take
15 one or more of the following actions:

16 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical
17 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of
18 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice order
19 issued by the Board or its designee shall state that Respondent must test negative for at least a
20 month of continuous biological fluid testing before being allowed to resume practice. For
21 purposes of determining the length of time Respondent must test negative while undergoing
22 continuous biological fluid testing following issuance of a cease-practice order, a month is
23 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until
24 notified in writing by the Board or its designee that he or she may do so.

25 (2) Increase the frequency of biological fluid testing.

26 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or
27 other action as determined by the Board or its designee.

28 B. If Respondent commits a minor violation of probation as defined by section

1 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take
2 one or more of the following actions:

- 3 (1) Issue a cease-practice order;
- 4 (2) Order practice limitations;
- 5 (3) Order or increase supervision of Respondent;
- 6 (4) Order increased documentation;
- 7 (5) Issue a citation and fine, or a warning letter;
- 8 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
9 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
10 Regulations, at Respondent's expense;
- 11 (7) Take any other action as determined by the Board or its designee.

12 C. Nothing in this Decision shall be considered a limitation on the Board's authority
13 to revoke Respondent's probation if he or she has violated any term or condition of probation. If
14 Respondent violates probation in any respect, the Board, after giving Respondent notice and the
15 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
16 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
17 against Respondent during probation, the Board shall have continuing jurisdiction until the matter
18 is final, and the period of probation shall be extended until the matter is final.

19 7. NOTIFICATION. Within seven (7) days of the effective date of this Decision,
20 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
21 Chief Executive Officer at every hospital where privileges or membership are extended to
22 Respondent, at any other facility where Respondent engages in the practice of medicine,
23 including all physician and locum tenens registries or other similar agencies, and to the Chief
24 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
25 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
26 calendar days.

27 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

28 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules

governing the practice of medicine in California and remain in full compliance with any court ordered criminal probation, payments, and other orders.

9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probation.

Respondent shall submit quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

10. GENERAL PROBATION REQUIREMENTS.

Compliance with Probation Unit

Respondent shall comply with the Board's probation unit.

Address Changes

Respondent shall, at all times, keep the Board informed of Respondent's business and residence addresses, email address (if available), and telephone number. Changes of such addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021(b).

Place of Practice

Respondent shall not engage in the practice of medicine in Respondent's or patient's place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

License Renewal

Respondent shall maintain a current and renewed California physician's and surgeon's license.

Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice

1 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
2 departure and return.

3 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
4 available in person upon request for interviews either at Respondent's place of business or at the
5 probation unit office, with or without prior notice throughout the term of probation.

6 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
7 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
8 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
9 defined as any period of time Respondent is not practicing medicine as defined in Business and
10 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
11 patient care, clinical activity or teaching, or other activity as approved by the Board. If
12 Respondent resides in California and is considered to be in non-practice, Respondent shall
13 comply with all terms and conditions of probation. All time spent in an intensive training program
14 which has been approved by the Board or its designee shall not be considered non-practice and
15 does not relieve Respondent from complying with all the terms and conditions of probation.
16 Practicing medicine in another state of the United States or federal jurisdiction while on probation
17 with the medical licensing authority of that state or jurisdiction shall not be considered non-
18 practice. A Board-ordered suspension of practice shall not be considered as a period of non-
19 practice.

20 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
21 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
22 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
23 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
24 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

25 Respondent's period of non-practice while on probation shall not exceed two (2) years.

26 Periods of non-practice will not apply to the reduction of the probationary term.

27 Periods of non-practice for a respondent residing outside of California will relieve
28 Respondent of the responsibility to comply with the probationary terms and conditions with the

1 exception of this condition and the following terms and conditions of probation: Obey All Laws;
2 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
3 Controlled Substances; and Biological Fluid Testing..

4 13. COMPLETION OF PROBATION. Respondent shall comply with all financial
5 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
6 completion of probation. Upon successful completion of probation, Respondent's certificate shall
7 be fully restored.

8 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
9 of probation is a violation of probation. If Respondent violates probation in any respect, the
10 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
11 carry out the disciplinary order that was stayed. If an Accusation, Petition to Revoke Probation, or
12 Petition for Interim Suspension Order is filed against Respondent during probation, the Board
13 shall have continuing jurisdiction until the matter is final, and the period of probation shall be
14 extended until the matter is final.

15 15. LICENSE SURRENDER. Following the effective date of this Decision, if
16 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
17 the terms and conditions of probation, Respondent may request to surrender his or her license.
18 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
19 determining whether or not to grant the request, or to take any other action deemed appropriate
20 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
21 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
22 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
23 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
24 application shall be treated as a petition for reinstatement of a revoked certificate.

25 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
26 with probation monitoring each and every year of probation, as designated by the Board, which
27 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
28 California and delivered to the Board or its designee no later than January 31 of each calendar

5. Section 2227 of the Code authorizes the Board to take action against a licensee who has been found guilty under the Medical Practice Act by revoking his or her license, suspending the license for a period not to exceed one year, placing the license on probation and requiring payment of costs of probation monitoring, or taking such other action as the Board deems proper.

The record of the conviction is conclusive evidence of such unprofessional conduct.

1 (b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is
2 deemed to be a conviction within the meaning of this section. The Division of
3 Medical Quality may order discipline of the licensee in accordance with Section
4 2227 or the Division of Licensing may order the denial of the license when the time
5 for appeal has elapsed or the judgment of conviction has been affirmed on appeal or
6 when an order granting probation is made suspending imposition of sentence,
7 irrespective of a subsequent order under the provisions of Section 1203.4 of the
8 Penal Code allowing such person to withdraw his or her plea of guilty and to enter a
9 plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation,
10 complaint, information, or indictment.

11
12 9. California Code of Regulations, title 16, section 1360, states:

13 For the purposes of denial, suspension or revocation of a license, certificate or

15 or act shall be considered to be substantially related to the qualifications, functions
16 or duties of a person holding a license, certificate or permit under the Medical
17 Practice Act if to a substantial degree it evidences present or potential unfitness of a
18 person holding a license, certificate or permit to perform the functions authorized by
19 the license, certificate or permit in a manner consistent with the public health, safety
20 or welfare. Such crimes or acts shall include but not be limited to the following:
21 Violating or attempting to violate, directly or indirectly, or assisting in or abetting
22 the violation of, or conspiring to violate any provision of the Medical Practice Act.

23
24 10. Section 802.1 of the Code states:

25 (a)(1) A physician and surgeon, osteopathic physician and surgeon, a doctor of

28 (A) The bringing of an indictment or information charging a felony against the
licensee.

(B) The conviction of the licensee, including any verdict of guilty, or plea of guilty
or no contest, of any felony or misdemeanor.

(2) The report required by this subdivision shall be made in writing within 30 days
of the date of the bringing of the indictment or information or of the conviction.

(b) Failure to make a report required by this section shall be a public offense
punishable by a fine not to exceed five thousand dollars (\$5,000).

FIRST CAUSE FOR DISCIPLINE

(Unprofessional Conduct: Dangerous Use of Alcohol and DUI Conviction)

11. On Monday November 14, 2016, at approximately 11:00 p.m., the Hillsborough
Police Department dispatched officers to respond to an abandoned car along a road, with its
hazard lights on. The police later determined that the car had crossed over the double row of Botts

1 dots dividing the road's opposing lanes of traffic, before crashing into a telephone pole. The car
2 then travelled another 990 feet, crossing both lanes of traffic several times, before coming to a
3 rest.

4 12. A police dispatcher determined that Respondent was the registered owner of the car
5 and reached him on the phone, at his home. The police later learned from Respondent that he had
6 been driving the car at the time of the collision. Following the collision, he left his car and walked
7 home. At the request of the police, Respondent returned to his car, where the police were waiting
8 for him. When asked about the cause of the collision, Respondent stated that he had been tired,
9 had fallen asleep, and did not recall the collision. Respondent reported that he had been driving
10 from San Mateo to his home in Hillsborough.

11 13. Respondent displayed objective signs of intoxication and his performance during a
12 series of field sobriety tests was consistent with alcohol impairment. Preliminary alcohol
13 screening tests showed Respondent's blood alcohol content (BAC) to have been 0.164% at 11:49
14 p.m. and 0.165% at 11:52 p.m.

15 14. The officers arrested Respondent for driving under the influence of alcohol. Analysis
16 of a sample of Respondent's blood showed that his BAC that evening had been 0.173%.

17 15. On January 13, 2017, the San Mateo County District Attorney's Office filed a
18 criminal complaint in San Mateo County Superior Court, Case No. 17-NM-000538-A, charging
19 Respondent with violating Vehicle Code sections 23152(a) (driving while under the influence of
20 alcohol), 23152(b) (driving with a blood alcohol content of 0.08 percent or more), and 20002(a)
21 (hit and run driving resulting in property damage). The complaint also included a special
22 allegation that Respondent's BAC was 0.15 percent or greater, within the meaning of Vehicle
23 Code section 23578.

24 16. On April 17, 2017, Respondent pleaded no contest to violating Vehicle Code section
25 23152(b) (driving with a blood alcohol content of 0.08 percent or more). The court sentenced
26 Respondent to two days of jail and three years of court probation. The court also ordered
27 Respondent to pay various fines and to complete the First Offender DUI Program.
28

1 17. Respondent drove his car while under the influence of an excessive amount of alcohol
2 in a manner dangerous to himself and others, in violation of Code section 2239 (dangerous use of
3 alcohol) and section 2234 (unprofessional conduct).

4 18. Respondent's April 17, 2017 criminal conviction for driving with a blood alcohol
5 content greater than 0.08% is substantially related to the qualifications, functions, and duties of a
6 physician and surgeon. As such, his conviction constitutes a violation of Code section 2236
7 (criminal conviction) and section 2234 (unprofessional conduct).

8 **SECOND CAUSE FOR DISCIPLINE**

9 **(Failure to Timely Report Misdemeanor Conviction)**

10 19. Respondent failed to timely report his misdemeanor conviction to the Board within 30
11 days, as required by Code section 802.1. Respondent's failure to timely report his conviction
12 constitutes a violation of Code section 802.1 and section 2234 (unprofessional conduct).

13 **PRAYER**

14 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
15 and that following the hearing, the Medical Board of California issue a decision:

16 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 63030,
17 issued to Respondent;

18 2. Revoking, suspending, or denying approval of Respondent's authority to supervise
19 physician assistants and advanced practice nurses;

20 3. Ordering Respondent, if placed on probation, to pay the Board the costs of probation
21 monitoring; and

22 4. Taking such other and further action as deemed necessary and proper.

21 **PARTIES**

22 1. William Prasifka (Complainant) brings this Petition to Revoke Probation solely in his
23 official capacity as the Executive Director of the Medical Board of California, Department of
24 Consumer Affairs.

25 2. On or about July 18, 1997, the Medical Board of California issued Physician's and
26 Surgeon's Certificate Number A 63030 to Dennis Hou, M.D. (Respondent). Unless renewed,
27 Respondent's certificate will expire on December 31, 2020.
28

3. On February 4, 2019, an Accusation alleging unprofessional conduct was filed against Respondent's certificate in Case number 800-2018-044104. On July 22, 2019, the Board issued a Decision and Order, effective August 21, 2019, revoking Respondent's certificate but staying the revocation for a probationary period of three years and imposing explicit terms and conditions. III

1 CAUSE TO REVOKE PROBATION

2 (Biological Fluid Testing)

3 5. At all times after the effective date of the Board's Decision and Order placing
4 Respondent on probation, Condition Four of the terms of probation required Respondent to
5 participate in biological fluid testing throughout the term of his probation. The Decision and
6 Order further provides that Respondent's failure to comply with the conditions of his probation
7 constitutes a violation of that probation, for which the Board may revoke Respondent's probation
8 and carry out the order of license revocation that was stayed.

9 6. Respondent's probation is subject to revocation because he failed to comply with
10 Probation Condition Four, referenced above. The facts and circumstances regarding this violation
11 are as follows:

12 A. On July 23, 2019, Respondent was mailed a letter advising that he needed to enroll
13 and participate in biological fluid testing and check the biological testing service system daily to
14 determine if testing was required.

15 B. On August 21, 2019, Respondent signed an "Acknowledgement of Decision"
16 indicating he understood the biological fluid testing condition of his probation.

17 C. On May 12, 2020, Respondent was selected to provide a biological fluid sample.
18 Respondent failed to check in with the biological testing service and did not provide a sample.
19 This was the third failure to provide a sample.

20 D. A citation and fine was issued to Respondent for January 13, 2020, for his failure to
21 provide biological fluid samples for testing on November 25, 2019 and January 3, 2020.

22 7. Respondent's repeated failures to check in for possible testing and multiple instances
23 of failing to provide a biological fluid sample for testing when directed to do constitute separate
24 violations of Condition Four of the Decision and Order.

25 DISCIPLINE CONSIDERATIONS

26
27 8. To determine the degree of discipline, if any, to be imposed on Respondent,
28 Complainant alleges that on or about January 13, 2020, in a prior action, the Medical Board of

1 California issued Citation No. 800-2020-063355 and ordered Respondent to pay a fine. That
2 Citation is now final and is incorporated by reference as if fully set forth.

3
4 PRAYER

5 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
6 and that following the hearing, the Medical Board of California issue a decision:

7 1. Revoking the probation that was granted by the Medical Board of California in Case
8 No. 800-2018-044104 and imposing the disciplinary order that was stayed thereby revoking
9 Physician's and Surgeon's Certificate No. A 63030 issued to Dennis Hou, M.D.;

10 2. Revoking, suspending or denying approval of Dennis Hou, M.D.'s authority to
11 supervise physician's assistants and/or advance practice nurses, pursuant to section 3527 of the
12 Code;

13 3. Ordering Dennis Hou, M.D. to pay the Medical Board of California, the costs of
14 probation monitoring, if placed on probation;

15 4. Taking such other and further action as deemed necessary and proper.
