16 Respondent
17

18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-entitled
19 proceedings that the following matters are true:

20 **PARTIES**

21 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of
22 California (Board). He brought this action solely in his official capacity and is represented in this
23 matter by Rob Bonta, Attorney General of the State of California, by Harriet Newman, Deputy
24 Attorney General.

25 2. SETH DAVID AMMERMAN, M.D. (Respondent) is represented in this proceeding
26 by attorney Joseph C. Gharrity, whose address is: 111 Pine Street, Suite 1530, San Francisco, CA
27 94111.
28

3. On or about March 18, 1985, the Board issued Physician's and Surgeon's Certificate No. G 54409 to Respondent. That license was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2023-095154 and will expire on April 30, 2024, unless renewed.

JURISDICTION

4. Accusation No. 800-2023-095154 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on March 21, 2024. Respondent timely filed his Notice of Defense contesting the Accusation. A copy of Accusation No. 800-2023-095154 is attached as Exhibit A and incorporated by reference.

ADVISEMENT AND WAIVERS

5. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2023-095154. Respondent also has carefully read, fully discussed with counsel, and understands the effects of this Stipulated Surrender of License and Order.

6. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

8. Respondent understands that the charges and allegation in Accusation No. 800-2023-095154, if proven at hearing, constitute cause for imposing discipline upon his Physician and Surgeon's Certificate.

9. Respondent has made a decision not to renew his medical license and to retire from the practice of medicine, given his age and desire to focus on his health and enjoyment of retirement. For purposes of resolving the Accusation without the expense and uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could establish a prima facie factual basis for the charges in the Accusation and that those charges constitute cause for discipline. Respondent hereby gives up his right to contest that cause for discipline exists based on those charges.

10. Respondent understands that by signing this stipulation he enables the Board to issue an order accepting the surrender of his Physician's and Surgeon's Certificate without further process.

CONTINGENCY

11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent part, that the Medical Board “shall delegate to its executive director the authority to adopt a ... stipulation for surrender of a license.”

12. Respondent understands that, by signing this stipulation, he enables the Executive Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his Physician's and Surgeon's Certificate No. G 54409 without further notice to, or opportunity to be heard by, Respondent.

13. This Stipulated Surrender of License and Disciplinary Order shall be subject to the approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his consideration in the above-entitled matter and, further, that the Executive Director shall have a reasonable period of time in which to consider and act on this Stipulated Surrender of License and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

14. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be null and void and not binding upon the parties unless approved and adopted by the

1 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full
2 force and effect. Respondent fully understands and agrees that in deciding whether or not to
3 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive
4 Director and/or the Board may receive oral and written communications from its staff and/or the
5 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the
6 Executive Director, the Board, any member thereof, and/or any other person from future
7 participation in this or any other matter affecting or involving respondent. In the event that the
8 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this
9 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it
10 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied
11 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees
12 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason
13 by the Executive Director on behalf of the Board, Respondent will assert no claim that the
14 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,
15 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or
16 of any matter or matters related hereto.

17 **ADDITIONAL PROVISIONS**

18 15. This Stipulated Surrender of License and Disciplinary Order is intended by the parties
19 herein to be an integrated writing representing the complete, final and exclusive embodiment of
20 the agreements of the parties in the above-entitled matter.

21 16. The parties agree that copies of this Stipulated Surrender of License and Disciplinary
22 Order, including copies of the signatures of the parties, may be used in lieu of original documents
23 and signatures and, further, that such copies shall have the same force and effect as originals.

24 17. In consideration of the foregoing admissions and stipulations, the parties agree the
25 Executive Director of the Board may, without further notice to or opportunity to be heard by
26 Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

27 //

28 //

ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 54409, issued to Respondent SETH DAVID AMMERMAN, M.D., is surrendered and accepted by the Board.

1. The surrender of Respondent's Physician's and Surgeon's Certificate and the acceptance of the surrendered license by the Board shall constitute the imposition of discipline against Respondent. This stipulation constitutes a record of the discipline and shall become a part of Respondent's license history with the Board.

2. Respondent shall lose all rights and privileges as a Physician and Surgeon in California as of the effective date of the Board's Decision and Order.

3. Respondent shall cause to be delivered to the Board his pocket license and, if one was issued, his wall certificate on or before the effective date of the Decision and Order.

4. If Respondent ever files an application for licensure or a petition for reinstatement in the State of California, the Board shall treat it as a petition for reinstatement. Respondent must comply with all the laws, regulations and procedures for reinstatement of a revoked or surrendered license in effect at the time the petition is filed, and all of the charges and allegations contained in Accusation No. 800-2023-095154 shall be deemed to be true, correct and admitted by Respondent when the Board determines whether to grant or deny the petition.

5. Respondent shall pay the agency its costs of investigation and enforcement in the amount of \$6,525.50 prior to issuance of a new or reinstated license.

6. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing agency in the State of California, all of the charges and allegations contained in Accusation No. 800-2023-095154 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict licensure.

1 unfitness to practice medicine. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564,
2 575.)

3 7. Section 2236 of the Code states;

4 (a) The conviction of any offense substantially related to the qualifications, functions, or
5 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this
6 chapter. The record of conviction shall be conclusive evidence only of the fact that the conviction
7 occurred.

8 ...

9 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to
10 be a conviction within the meaning of this section and Section 2236.1. The record of conviction
11 shall be conclusive evidence of the fact that the conviction occurred.

12 8. Section 2239 of the Code states:

13 (a) The use or prescribing for or administering to himself or herself, of any controlled
14 substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic

16 any other person or to the public, or to the extent that such use impairs the ability of the licensee
17 to practice medicine safely or more than one misdemeanor or any felony involving the use,
18 consumption, or self-administration of any of the substances referred to in this section, or any

25 person holding a license if to a substantial degree it evidences present or potential unfitness of a
26 person holding a license to perform the functions authorized by the license in a manner consistent
27 with the public health, safety or welfare. Such crimes, professional misconduct, or acts shall
28 include but not be limited to the following: Violating or attempting to violate, directly or
