8 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
9 or its designee, be accepted towards the fulfillment of this condition if the course would have  
10 been approved by the Board or its designee had the course been taken after the effective date of  
11 this Decision.

12 Respondent shall submit a certification of successful completion to the Board or its

Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

Within 30 calendar days of the effective date of this Decision, and on a periodic basis thereafter as may be required by the Board or its designee, Respondent shall undergo a medical evaluation by a Board-appointed physician who shall consider any information provided by the Board or designee and any other information the evaluating physician deems relevant and shall

1 furnish a medical report to the Board or its designee. Respondent shall provide the evaluating  
2 physician with any information and documentation that the evaluating physician may deem  
3 pertinent.

4 Following the evaluation, Respondent shall comply with all restrictions or conditions  
5 recommended by the evaluating physician within 15 calendar days after being notified by the  
6 Board or its designee. If Respondent is required by the Board or its designee to undergo medical  
7 treatment, Respondent shall within 30 calendar days of the requirement notice, submit to the  
8 Board or its designee for prior approval the name and qualifications of a California licensed

10 shall within 15 calendar days undertake medical treatment and shall continue such treatment until  
11 further notice from the Board or its designee.

12 The treating physician shall consider any information provided by the Board or its designee  
13 or any other information the treating physician may deem pertinent prior to commencement of  
14 treatment. Respondent shall have the treating physician submit quarterly reports to the Board or  
15 its designee indicating whether or not the Respondent is capable of practicing medicine safely.  
16 Respondent shall provide the Board or its designee with any and all medical records pertaining to  
17 treatment that the Board or its designee deems necessary.

18 If, prior to the completion of probation, Respondent is found to be physically incapable of  
19 resuming the practice of medicine without restrictions, the Board shall retain continuing  
20 jurisdiction over Respondent's license and the period of probation shall be extended until the  
21 Board determines that Respondent is physically capable of resuming the practice of medicine  
22 without restrictions. Respondent shall pay the cost of the medical evaluation(s) and treatment.

23 11. SOLO PRACTICE PROHIBITION.

24 Respondent is prohibited from engaging in the solo practice of medicine. Prohibited solo  
25 practice includes, but is not limited to, a practice where:

26 (1) Respondent merely shares office space with another physician but is not affiliated for  
27 purposes of providing patient care, or

28 (2) Respondent is the sole physician practitioner at that location.

1 If Respondent fails to establish a practice with another physician or secure employment in  
2 an appropriate practice setting within 60 calendar days of the effective date of this Decision,  
3 Respondent shall receive a notification from the Board or its designee to cease the practice of  
4 medicine within 3 calendar days after being so notified. The Respondent shall not resume practice  
5 until an appropriate practice setting is established.

6 If, during the course of the probation, the Respondent's practice setting changes and the  
7 Respondent is no longer practicing in a setting in compliance with this Decision and Disciplinary  
8 Order, the Respondent shall notify the Board or its designee within 5 calendar days of the practice  
9 setting change. If Respondent fails to establish a practice with another physician or secure  
10 employment in an appropriate practice setting within 60 calendar days of the practice setting  
11 change, Respondent shall receive a notification from the Board or its designee to cease the  
12 practice of medicine within 3 calendar days after being so notified. The Respondent shall not  
13 resume practice until an appropriate practice setting is established.

14 12. CLINICAL DIAGNOSTIC EVALUATIONS AND REPORTS.

15 Within 30 calendar days of the effective date of this Decision, and on whatever periodic  
16 basis thereafter as may be required by the Board or its designee, Respondent shall undergo and  
17 complete a clinical diagnostic evaluation, including any and all testing deemed necessary, by a  
18 Board-appointed board certified physician and surgeon. The examiner shall consider any  
19 information provided by the Board or its designee and any other information he or she deems  
20 relevant, and shall furnish a written evaluation report to the Board or its designee.

21 The clinical diagnostic evaluation shall be conducted by a licensed physician and surgeon  
22 who holds a valid, unrestricted license, has 3 years' experience in providing evaluations of  
23 physicians and surgeons with substance abuse disorders, and is approved by the Board or its  
24 designee. The clinical diagnostic evaluation shall be conducted in accordance with acceptable  
25 professional standards for conducting substance abuse clinical diagnostic evaluations. The  
26 evaluator shall not have a current or former financial, personal, or business relationship with  
27 Respondent within the last 5 years. The evaluator shall provide an objective, unbiased, and  
28 independent evaluation. The clinical diagnostic evaluation report shall set forth, in the evaluator's

1 opinion, whether Respondent has a substance abuse problem, whether Respondent is a threat to  
2 herself or others, and recommendations for substance abuse treatment, practice restrictions, or  
3 other recommendations related to Respondent's rehabilitation and ability to practice safely. If the  
4 evaluator determines during the evaluation process that Respondent is a threat to herself or others,  
5 the evaluator shall notify the Board within 24 hours of such a determination.

6 In formulating his or her opinion as to whether Respondent is safe to return to either part-  
7 time or full-time practice and what restrictions or recommendations should be imposed, including  
8 participation in an inpatient or outpatient treatment program, the evaluator shall consider the  
9 following factors: Respondent's license type; Respondent's history; Respondent's documented  
10 length of sobriety (i.e., length of time that has elapsed since Respondent's last substance use);  
11 Respondent's scope and pattern of substance abuse; Respondent's treatment history, medical  
12 history and current medical condition; the nature, duration and severity of Respondent's  
13 substance abuse problem or problems; and whether Respondent is a threat to herself or the public.

14 For all clinical diagnostic evaluations, a final written report shall be provided to the Board  
15 no later than 10 days from the date the evaluator is assigned the matter. If the evaluator requests  
16 additional information or time to complete the evaluation and report, an extension may be granted,  
17 but shall not exceed 30 days from the date the evaluator was originally assigned the matter.

18 The Board shall review the clinical diagnostic evaluation report within 5 business days of  
19 receipt to determine whether Respondent is safe to return to either part-time or full-time practice  
20 and what restrictions or recommendations shall be imposed on Respondent based on the  
21 recommendations made by the evaluator. Respondent shall not be returned to practice until she  
22 has at least 30 days of negative biological fluid tests or biological fluid tests indicating that she  
23 has not used, consumed, ingested, or administered to herself a prohibited substance, as defined in  
24 section 1361.51, subdivision (e), of Title 16 of the California Code of Regulations.

25 Clinical diagnostic evaluations conducted prior to the effective date of this Decision shall  
26 not be accepted towards the fulfillment of this requirement. The cost of the clinical diagnostic  
27 evaluation, including any and all testing deemed necessary by the examiner, the Board or its  
28 designee, shall be borne by the licensee.

Respondent shall not engage in the practice of medicine until notified by the Board or its designee that she is fit to practice medicine safely. The period of time that Respondent is not practicing medicine shall not be counted toward completion of the term of probation. Respondent shall undergo biological fluid testing as required in this Decision at least 2 times per week while awaiting the notification from the Board if she is fit to practice medicine safely.

Respondent shall comply with all restrictions or conditions recommended by the examiner conducting the clinical diagnostic evaluation within 15 calendar days after being notified by the Board or its designee.

13. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION.

Within 7 days of the effective date of this Decision, Respondent shall provide the Board the names, physical addresses, mailing addresses, and telephone numbers of any and all employers and supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's worksite monitor, and Respondent's employers and supervisors to communicate regarding Respondent's work status, performance, and monitoring.

For purposes of this section, "supervisors" shall include the Chief of Staff and Health or Well Being Committee Chair, or equivalent, if applicable, when the Respondent has medical staff privileges.

14. BIOLOGICAL FLUID TESTING.

Respondent shall immediately submit to biological fluid testing, at Respondent's expense, upon request of the Board or its designee. "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall make daily contact with the Board or its designee to determine whether biological fluid testing is required. Respondent shall be tested on the date of the notification as directed by the Board or its designee. The Board may order a Respondent to undergo a biological fluid test on any day, at any time, including weekends and holidays. Except when testing on a specific date as ordered by the Board or its designee, the scheduling of biological fluid testing shall be done on a random basis. The cost of biological fluid testing shall be borne by the Respondent.

1 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.  
2 During the second year of probation and for the duration of the probationary term, up to 5 years,  
3 Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no positive  
4 biological fluid tests in the previous 5 consecutive years of probation, may testing be reduced to 1  
5 time per month. Nothing precludes the Board from increasing the number of random tests to the  
6 first-year level of frequency for any reason.

7 Prior to practicing medicine, Respondent shall contract with a laboratory or service,  
8 approved in advance by the Board or its designee, that will conduct random, unannounced,  
9 observed, biological fluid testing and meets all of the following standards:

10 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry  
11 Association or have completed the training required to serve as a collector for the United  
12 States Department of Transportation.

13 (b) Its specimen collectors conform to the current United States Department of  
14 Transportation Specimen Collection Guidelines.

15 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published by  
16 the United States Department of Transportation without regard to type of test administered.

17 (d) Its specimen collectors observe the collection of testing specimens.

18 (e) Its laboratories are certified and accredited by the United States Department of Health  
19 and Human Services.

20 (f) Its testing locations shall submit a specimen to a laboratory within 1 business day of  
21 receipt and all specimens collected shall be handled pursuant to chain of custody  
22 procedures. The laboratory shall process and analyze the specimens and provide legally  
23 defensible test results to the Board within 7 business days of receipt of the specimen. The  
24 Board will be notified of non-negative results within 1 business day and will be notified of  
25 negative test results within 7 business days.

26 (g) Its testing locations possess all the materials, equipment, and technical expertise  
27 necessary in order to test Respondent on any day of the week.

28 ////

1 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens for  
2 the detection of alcohol and illegal and controlled substances.

3 (i) It maintains testing sites located throughout California.

4 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line  
5 computer database that allows the Respondent to check in daily for testing.

6 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff  
7 access to drug test results and compliance reporting information that is available 24 hours a  
8 day.

9 (l) It employs or contracts with toxicologists that are licensed physicians and have  
10 knowledge of substance abuse disorders and the appropriate medical training to interpret  
11 and evaluate laboratory biological fluid test results, medical histories, and any other  
12 information relevant to biomedical information.

13 (m) It will not consider a toxicology screen to be negative if a positive result is obtained  
14 while practicing, even if the Respondent holds a valid prescription for the substance.

15 Prior to changing testing locations for any reason, including during vacation or other travel,  
16 alternative testing locations must be approved by the Board and meet the requirements above.

17 The contract shall require that the laboratory directly notify the Board or its designee of  
18 non-negative results within 1 business day and negative test results within 7 business days of the  
19 results becoming available. Respondent shall maintain this laboratory or service contract during  
20 the period of probation.

21 A certified copy of any laboratory test result may be received in evidence in any  
22 proceedings between the Board and Respondent.

23 If a biological fluid test result indicates Respondent has used, consumed, ingested, or  
24 administered to herself a prohibited substance, the Board shall order Respondent to cease practice  
25 and instruct Respondent to leave any place of work where Respondent is practicing medicine or  
26 providing medical services. The Board shall immediately notify all of Respondent's employers,  
27 supervisors and work monitors, if any, that Respondent may not practice medicine or provide  
28 medical services while the cease-practice order is in effect.

1 A biological fluid test will not be considered negative if a positive result is obtained while  
2 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited  
3 substance use exists, the Board shall lift the cease-practice order within 1 business day.

4 After the issuance of a cease-practice order, the Board shall determine whether the positive  
5 biological fluid test is in fact evidence of prohibited substance use by consulting with the  
6 specimen collector and the laboratory, communicating with the licensee, her treating physician(s),  
7 other health care provider, or group facilitator, as applicable.

8 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the  
9 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

10 For purposes of this condition, the term "prohibited substance" means an illegal drug, a  
11 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by  
12 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been  
13 instructed by the Board not to use, consume, ingest, or administer to herself.

14 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited  
15 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the  
16 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to  
17 any other terms or conditions the Board determines are necessary for public protection or to  
18 enhance Respondent's rehabilitation.

19 **15. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS.**

20 Within 30 days of the effective date of this Decision, Respondent shall submit to the Board  
21 or its designee, for its prior approval, the name of a substance abuse support group which she  
22 shall attend for the duration of probation. Respondent shall attend substance abuse support group  
23 meetings at least once per week, or as ordered by the Board or its designee. Respondent shall pay  
24 all substance abuse support group meeting costs.

25 The facilitator of the substance abuse support group meeting shall have a minimum of 3  
26 years' experience in the treatment and rehabilitation of substance abuse, and shall be licensed or  
27 certified by the state or nationally certified organizations. The facilitator shall not have a current  
28 or former financial, personal, or business relationship with Respondent within the last 5 years.

Respondent's previous participation in a substance abuse group support meeting led by the same facilitator does not constitute a prohibited current or former financial, personal, or business relationship.

The facilitator shall provide a signed document to the Board or its designee showing Respondent's name, the group name, the date and location of the meeting, Respondent's attendance, and Respondent's level of participation and progress. The facilitator shall report any unexcused absence by Respondent from any substance abuse support group meeting to the Board, or its designee, within 24 hours of the unexcused absence.

16. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE.

Within 30 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a worksite monitor, the name and qualifications of one or more licensed physician and surgeon, other licensed health care professional if no physician and surgeon is available, or, as approved by the Board or its designee, a person in a position of authority who is capable of monitoring the Respondent at work.

The worksite monitor shall not have a current or former financial, personal, or familial relationship with Respondent, or any other relationship that could reasonably be expected to compromise the ability of the monitor to render impartial and unbiased reports to the Board or its designee. If it is impractical for anyone but Respondent's employer to serve as the worksite monitor, this requirement may be waived by the Board or its designee, however, under no circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

The worksite monitor shall have an active unrestricted license with no disciplinary action within the last 5 years, and shall sign an affirmation that he or she has reviewed the terms and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth by the Board or its designee.

Respondent shall pay all worksite monitoring costs.

The worksite monitor shall have face-to-face contact with Respondent in the work environment on as frequent a basis as determined by the Board or its designee, but not less than

////

1 once per week; interview other staff in the office regarding Respondent's behavior, if requested  
2 by the Board or its designee; and review Respondent's work attendance.

3 The worksite monitor shall verbally report any suspected substance abuse to the Board and  
4 Respondent's employer or supervisor within 1 business day of occurrence. If the suspected  
5 substance abuse does not occur during the Board's normal business hours, the verbal report shall  
6 be made to the Board or its designee within 1 hour of the next business day. A written report that  
7 includes the date, time, and location of the suspected abuse; Respondent's actions; and any other  
8 information deemed important by the worksite monitor shall be submitted to the Board or its  
9 designee within 48 hours of the occurrence.

10 The worksite monitor shall complete and submit a written report monthly or as directed by  
11 the Board or its designee which shall include the following:

- 12 (1) Respondent's name and Physician's and Surgeon's Certificate number;
- 13 (2) The worksite monitor's name and signature;
- 14 (3) The worksite monitor's license number, if applicable;
- 15 (4) The location or location(s) of the worksite;
- 16 (5) The dates Respondent had face-to-face contact with the worksite monitor;
- 17 (6) The names of worksite staff interviewed, if applicable;
- 18 (7) A report of Respondent's work attendance;
- 19 (8) Any change in Respondent's behavior and/or personal habits; and
- 20 (9) Any indicators that can lead to suspected substance abuse by Respondent.

21 Respondent shall complete any required consent forms and execute agreements with the  
22 approved worksite monitor and the Board, or its designee, authorizing the Board, or its designee,  
23 and worksite monitor to exchange information.

24 If the worksite monitor resigns or is no longer available, Respondent shall, within 5  
25 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior  
26 approval, the name and qualifications of a replacement monitor who will be assuming that  
27 responsibility within 15 calendar days. If Respondent fails to obtain approval of a replacement  
28 monitor within 60 calendar days of the resignation or unavailability of the monitor, Respondent

1 shall receive a notification from the Board or its designee to cease the practice of medicine within  
2 3 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
3 replacement monitor is approved and assumes monitoring responsibility.

4 17. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING  
5 LICENSEES.

6 Failure to fully comply with any term or condition of probation is a violation of probation.

7 A. If Respondent commits a major violation of probation as defined by section 1361.52,  
8 subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take one or  
9 more of the following actions:

10 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical  
11 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of  
12 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice order  
13 issued by the Board or its designee shall state that Respondent must test negative for at least a  
14 month of continuous biological fluid testing before being allowed to resume practice. For  
15 purposes of determining the length of time a Respondent must test negative while undergoing  
16 continuous biological fluid testing following issuance of a cease-practice order, a month is  
17 defined as 30 calendar days. Respondent may not resume the practice of medicine until notified  
18 in writing by the Board or its designee that she may do so;

19 (2) Increase the frequency of biological fluid testing; and/or

20 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or  
21 other action as determined by the Board or its designee.

22 B. If Respondent commits a minor violation of probation as defined by section 1361.52,  
23 subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take one or  
24 more of the following actions:

25 (1) Issue a cease-practice order;

26 (2) Order practice limitations;

27 (3) Order or increase supervision of Respondent;

28 (4) Order increased documentation;

1 (5) Issue a citation and fine, or a warning letter;

2 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in  
3 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of  
4 Regulations, at Respondent's expense; and/or

5 (7) Take any other action as determined by the Board or its designee.

6 C. Nothing in this Decision shall be considered a limitation on the Board's authority to  
7 revoke Respondent's probation if she has violated any term or condition of probation. If  
8 Respondent violates probation in any respect, the Board, after giving Respondent notice and the  
9 opportunity to be heard, may revoke probation and carry out the disciplinary order that was  
10 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed  
11 against Respondent during probation, the Board shall have continuing jurisdiction until the matter  
12 is final, and the period of probation shall be extended until the matter is final.

13 18. NOTIFICATION.

14 Within 7 days of the effective date of this Decision, the Respondent shall provide true and  
15 correct copies of this Decision and Disciplinary Order and Accusation No. 800-2019-057078 to  
16 the Chief of Staff or the Chief Executive Officer at every hospital where privileges or  
17 membership are extended to Respondent, at any other facility where Respondent engages in the  
18 practice of medicine, including all physician and locum tenens registries or other similar agencies,  
19 and to the Chief Executive Officer at every insurance carrier which extends malpractice insurance  
20 coverage to Respondent. Respondent shall submit proof of compliance to the Board or its  
21 designee within 15 calendar days.

22 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

23 19. OBEY ALL LAWS.

24 Respondent shall obey all federal, state and local laws, all rules governing the practice of  
25 medicine in California and remain in full compliance with any court ordered criminal probation,  
26 payments, and other orders.

27 ////

28 ////

1           20.   INVESTIGATION/ENFORCEMENT COST RECOVERY.

2           Respondent is hereby ordered to reimburse the Board its costs of investigation and  
3 enforcement, including, but not limited to, investigations, interim suspension order, expert  
4 review, legal review, pleadings, as applicable, in the amount of \$54,398.22 (fifty-four thousand  
5 three hundred ninety-eight dollars and twenty-two cents). Costs shall be payable to the Medical  
6 Board of California. Failure to pay costs shall be considered a violation of this agreement and  
7 shall be deemed an act of unprofessional conduct and a separate and distinct basis for discipline.

8           Payment must be made in full within 30 calendar days of the effective date of the Decision,  
9 or by a payment plan approved by the Board. Any and all requests for a payment plan shall be  
10 submitted in writing by Respondent to the Board. Failure to comply with the payment plan shall  
11 be considered a violation of this agreement and shall be deemed an act of unprofessional conduct  
12 and a separate and distinct basis for discipline.

13           The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility  
14 to repay investigation and enforcement costs, including expert review costs (if applicable).

15           21.   QUARTERLY DECLARATIONS.

16           Respondent shall submit quarterly declarations under penalty of perjury on forms provided  
17 by the Board, stating whether there has been compliance with all the conditions of probation.

18           Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
19 of the preceding quarter.

20           22.   GENERAL PROBATION REQUIREMENTS.

21           Compliance with Probation Unit

22           Respondent shall comply with the Board's probation unit.

23           Address Changes

24           Respondent shall, at all times, keep the Board informed of Respondent's business and  
25 residence addresses, email address (if available), and telephone number. Changes of such  
26 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
27 circumstances shall a post office box serve as an address of record, except as allowed by Bus. and  
28 Prof. Code section 2021, subdivision (b).

1       Place of Practice

2       Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
3 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
4 facility.

5       License Renewal

6       Respondent shall maintain a current and renewed California physician's and surgeon's  
7 license.

8       Travel or Residence Outside California

9       Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
10 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than 30  
11 calendar days.

12       In the event Respondent should leave the State of California to reside or to practice  
13 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
14 departure and return.

15       23. INTERVIEW WITH THE BOARD OR ITS DESIGNEE.

16       Respondent shall be available in person upon request for interviews either at Respondent's  
17 place of business or at the probation unit office, with or without prior notice throughout the term  
18 of probation.

19       24. NON-PRACTICE WHILE ON PROBATION.

20       Respondent shall notify the Board or its designee in writing within 15 calendar days of any  
21 periods of non-practice lasting more than 30 calendar days and within 15 calendar days of her  
22 return to practice. Non-practice is defined as any period of time Respondent is not practicing  
23 medicine as defined in Bus. and Prof. Code sections 2051 and 2052 for at least 40 hours in a  
24 calendar month in direct patient care, clinical activity, teaching, or other activity as approved by  
25 the Board. If Respondent resides in California and is considered to be in non-practice, she shall  
26 comply with all terms and conditions of probation. All time spent in an intensive training program  
27 which has been approved by the Board or its designee shall not be considered non-practice and  
28 does not relieve her from complying with all the terms and conditions of probation. Practicing

1 medicine in another state of the United States or Federal jurisdiction while on probation with the  
2 medical licensing authority of that state or jurisdiction shall not be considered non-practice. A  
3 Board-ordered suspension of practice shall not be considered as a period of non-practice.

4 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
5 months, Respondent shall successfully complete the Federation of State Medical Boards' Special  
6 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
7 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
8 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

9 Respondent's period of non-practice while on probation shall not exceed 2 years.

10 Periods of non-practice will not apply to the reduction of the probationary term.

11 Periods of non-practice for a Respondent residing outside of California will relieve  
12 Respondent of the responsibility to comply with the probationary terms and conditions with the  
13 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
14 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
15 Controlled Substances; and Biological Fluid Testing.

16 25. COMPLETION OF PROBATION.

17 Respondent shall comply with all financial obligations (e.g., probation costs) not later than  
18 120 calendar days prior to the completion of probation. This term does not include cost recovery,  
19 which is due within 30 calendar days of the effective date of the Decision, or by a payment plan  
20 approved by the Board and timely satisfied. Upon successful completion of probation,  
21 Respondent's certificate shall be fully restored.

22 26. VIOLATION OF PROBATION.

23 Failure to fully comply with any term or condition of probation is a violation of probation.  
24 If Respondent violates probation in any respect, the Board, after giving Respondent notice and the  
25 opportunity to be heard, may revoke probation and carry out the disciplinary order that was  
26 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed  
27 against Respondent during probation, the Board shall have continuing jurisdiction until the matter  
28 is final, and the period of probation shall be extended until the matter is final.

1           27. LICENSE SURRENDER.

2           Following the effective date of this Decision, if Respondent ceases practicing due to  
3 retirement or health reasons or is otherwise unable to satisfy the terms and conditions of  
4 probation, Respondent may request to surrender her license. The Board reserves the right to  
5 evaluate Respondent's request and to exercise its discretion in determining whether or not to  
6 grant the request, or to take any other action deemed appropriate and reasonable under the  
7 circumstances. Upon formal acceptance of the surrender, Respondent shall within 15 calendar  
8 days deliver Respondent's wallet and wall certificate to the Board or its designee and Respondent  
9 shall no longer practice medicine. Respondent will no longer be subject to the terms and  
10 conditions of probation. If Respondent re-applies for a medical license, the application shall be  
11 treated as a petition for reinstatement of a revoked certificate.

12           28. PROBATION MONITORING COSTS.

13           Respondent shall pay the costs associated with probation monitoring each and every year of  
14 probation, as designated by the Board, which may be adjusted on an annual basis. Such costs shall  
15 be payable to the Medical Board of California and delivered to the Board or its designee no later  
16 than January 31 of each calendar year.

17           29. FUTURE ADMISSIONS CLAUSE.

18           If Respondent should ever apply or reapply for a new license or certification, or petition for  
19 reinstatement of a license, by any other health care licensing action agency in the State of  
20 California, all of the charges and allegations contained in Accusation No. 800-2019-057078 shall  
21 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of  
22 Issues or any other proceeding seeking to deny or restrict license.

21 information internet website, to a patient or the patient's guardian or health care  
22 surrogate before the patient's first visit following the probationary order while the

surgeon.

...

1           9. Unprofessional conduct under Code section 2234 is conduct which breaches the rules  
2 or ethical code of the medical profession, or conduct which is unbecoming to a member in good

4 (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564, 575.)

5           10. Section 2236 of the Code states, in relevant part:

6               (a) The conviction of any offense substantially related to the qualifications,

24 any of the substances referred to in this section, or any combination thereof, constitutes  
25 unprofessional conduct. The record of the conviction is conclusive evidence of such  
26 unprofessional conduct.

27           ////

28           <sup>1</sup> There is a nexus between a physician's use of controlled substances and his or her  
fitness to practice medicine, established by the Legislature in section 2239, that "has determined  
that conviction of a doctor for a violation of the laws regulating narcotics and dangerous drugs  
or a doctor's personal non-prescribed use of such substances evidences a sufficient danger to the  
public that sanctions should be imposed regardless of the availability of evidence that such  
conduct in fact impaired the doctor's professional skill." (*Weissbuch v. Board of Medical  
Examiners* (1974) 41 Cal.App.3d 924, 929.)

<sup>2</sup> There is a nexus between a physician's use of alcoholic beverages and his or her fitness  
to practice medicine, established by the Legislature in section 2239, "in all cases where a licensed  
physician used alcoholic beverages to the extent or in such a manner as to pose a danger to  
himself or others." (*Watson v. Superior Court (Medical Board)* (2009) 176 Cal.App.4th 1407,  
1411.)

1 (b) A plea or verdict of guilty or a conviction following a plea of nolo  
2 contendere is deemed to be a conviction within the meaning of this section. The  
3 Medical Board may order discipline of the licensee in accordance with Section 2227  
4 or the Medical Board may order the denial of the license when the time for appeal has  
5 elapsed or the judgment of conviction has been affirmed on appeal or when an order

### 23 GENERAL STATUTORY PROVISIONS

24 16. Section 490 of the Code states:

25 (a) In addition to any other action that a board is permitted to take against a  
26 licensee, a board may suspend or revoke a license on the ground that the licensee has  
27 been convicted of a crime, if the crime is substantially related to the qualifications,  
28 functions, or duties of the business or profession for which the license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any  
authority to discipline a licensee for conviction of a crime that is independent of the  
authority granted under subdivision (a) only if the crime is substantially related to the  
qualifications, functions, or duties of the business or profession for which the  
licensee's license was issued.

(c) A conviction within the meaning of this section means a plea or verdict of  
guilty or a conviction following a plea of nolo contendere. Any action that a board is  
permitted to take following the establishment of a conviction may be taken when the  
time for appeal has elapsed, or the judgment of conviction has been affirmed on  
appeal, or when an order granting probation is made suspending the imposition of  
sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of  
the Penal Code.

1 (d) The Legislature hereby finds and declares that the application of this section  
2 has been made unclear by the holding in *Petropoulos v. Department of Real Estate*  
3 (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant  
4 number of statutes and regulations in question, resulting in potential harm to the  
5 consumers of California from licensees who have been convicted of crimes.  
6 Therefore, the Legislature finds and declares that this section establishes an  
7 independent basis for a board to impose discipline upon a licensee, and that the  
8 amendments to this section made by Chapter 33 of the Statutes of 2008 do not  
9 constitute a change to, but rather are declaratory of, existing law.

10 17. Section 820 of the Code states:

11 Whenever it appears that any person holding a license, certificate or permit  
12 under this division or under any initiative act referred to in this division may be  
13 unable to practice his or her profession safely because the licentiate's ability to  
14 practice is impaired due to mental illness, or physical illness affecting competency,  
15 the licensing agency may order the licentiate to be examined by one or more  
16 physicians and surgeons or psychologists designated by the agency. The report of the  
17 examiners shall be made available to the licentiate and may be received as direct  
18 evidence in proceedings conducted pursuant to Section 822.

19 18. Section 822 of the Code states:

20 If a licensing agency determines that its licentiate's ability to practice his or her  
21 profession safely is impaired because the licentiate is mentally ill, or physically ill  
22 affecting competency, the licensing agency may take action by any one of the  
23 following methods:

24 (a) Revoking the licentiate's certificate or license.

25 (b) Suspending the licentiate's right to practice.

26 (c) Placing the licentiate on probation.

27 (d) Taking such other action in relation to the licentiate as the licensing agency  
28 in its discretion deems proper.

The licensing agency shall not reinstate a revoked or suspended certificate or  
license until it has received competent evidence of the absence or control of the  
condition which caused its action and until it is satisfied that with due regard for the  
public health and safety the person's right to practice his or her profession may be  
safely reinstated.

19. Section 4021 of the Code states:

"Controlled substance" means any substance listed in Chapter 2 (commencing  
with Section 11053) of Division 10 of the Health and Safety Code.

20. Section 4022 of the Code states:

"Dangerous drug" or "dangerous device" means any drug or device unsafe for  
self-use in humans or animals, and includes the following:

(a) Any drug that bears the legend: "Caution: federal law prohibits dispensing  
without prescription," "Rx only," or words of similar import.

1 (b) Any device that bears the statement: 'Caution: federal law restricts this  
2 device to sale by or on the order of a \_\_\_\_\_,' 'Rx only,' or words of similar  
3 import, the blank to be filled in with the designation of the practitioner licensed to use  
4 or order use of the device.

5 (c) Any other drug or device that by federal or state law can be lawfully  
6 dispensed only on prescription or furnished pursuant to Section 4006.

### 7 REGULATORY PROVISIONS

8 21. Section 1360, Title 16, of the California Code of Regulations states, in relevant  
9 part:

10 (a) For the purposes of denial, suspension or revocation of a license pursuant to  
11 Section 141 or Division 1.5 (commencing with Section 475) of the code, a crime,  
12 professional misconduct, or act shall be considered to be substantially related to the  
13 qualifications, functions or duties of a person holding a license if to a substantial  
14 degree it evidences present or potential unfitness of a person holding a license to  
15 perform the functions authorized by the license in a manner consistent with the public  
16 health, safety or welfare. Such crimes, professional misconduct, or acts shall include  
17 but not be limited to the following: Violating or attempting to violate, directly or  
18 indirectly, or assisting in or abetting the violation of, or conspiring to violate any  
19 provision of state or federal law governing the applicant's or licensee's professional  
20 practice.

21 ...

22 22. Section 1360.1, Title 16, of the California Code of Regulations states:

23 (a) When considering the suspension or revocation of a license under Section 490  
24 of the code on the ground that a person holding a license has been convicted of a crime,  
25 the board shall consider whether the licensee made a showing of rehabilitation if the  
26 licensee completed the criminal sentence at issue without a violation of parole or  
27 probation. In making this determination, the board shall consider the following criteria:

28 (1) The nature and gravity of the crime(s).

(2) The length(s) of the applicable parole or probation period(s).

(3) The extent to which the applicable parole or probation period was shortened  
or lengthened, and the reason(s) the period was modified.

(4) The terms or conditions of parole or probation and the extent to which they  
bear on the licensee's rehabilitation.

(5) The extent to which the terms or conditions of parole or probation were  
modified, and the reason(s) for the modification.

(b) If the licensee has not completed the criminal sentence at issue without a  
violation of parole or probation, the board determines that the licensee did not make the  
showing of rehabilitation based on the criteria in subdivision (a), or the suspension or  
revocation is based on disciplinary action as described in Section 141 of the Code, the  
board shall apply the following criteria in evaluating the licensee's rehabilitation:

- 1 (1) The nature and gravity of the act(s), professional misconduct, or crime(s).  
2 (2) The total criminal record, or record of professional misconduct.  
3 (3) The time that has elapsed since commission of the act(s), professional  
4 misconduct, or crime(s).  
5 (4) Whether the licensee has complied with any terms of parole, probation,  
6 restitution or any other sanctions lawfully imposed against such person.  
7 (5) The criteria in subdivisions (a)(1)-(5), as applicable.  
8 (6) If applicable, evidence of dismissal proceedings pursuant to Section 1203.4  
9 of the Penal Code.  
10 (7) Evidence, if any, of rehabilitation submitted by the licensee.

11 23. Section 1361, Title 16, of the California Code of Regulations states, in relevant  
12 part:

13 ...  
14 (b) Notwithstanding subsection (a), the Board shall use the Uniform Standards  
15 for Substance-Abusing Licensees as provided in section 1361.5, without deviation,  
16 for each individual determined to be a substance-abusing licensee.

17 24. Section 1361.5, Title 16, of the California Code of Regulations states, in relevant  
18 part:

19 (a) If the licensee is to be disciplined for unprofessional conduct involving  
20 the use of illegal drugs, the abuse of drugs and/or alcohol, or the use of another  
21 prohibited substance as defined herein, the licensee shall be presumed to be a  
22 substance-abusing licensee for purposes of section 315 of the [Business and  
23 Professions] Code.

24 ...

#### 25 COST RECOVERY

26 25. Section 125.3 of the Code states:

27 (a) Except as otherwise provided by law, in any order issued in resolution of a  
28 disciplinary proceeding before any board within the department or before the  
Osteopathic Medical Board, upon request of the entity bringing the proceeding, the  
administrative law judge may direct a licensee found to have committed a violation or  
violations of the licensing act to pay a sum not to exceed the reasonable costs of the  
investigation and enforcement of the case.

(b) In the case of a disciplined licensee that is a corporation or a partnership, the  
order may be made against the licensed corporate entity or licensed partnership.

1 (c) A certified copy of the actual costs, or a good faith estimate of costs where  
2 actual costs are not available, signed by the entity bringing the proceeding or its  
3 designated representative shall be prima facie evidence of reasonable costs of  
4 investigation and prosecution of the case. The costs shall include the amount of  
5 investigative and enforcement costs up to the date of the hearing, including, but not  
6 limited to, charges imposed by the Attorney General.

7 (d) The administrative law judge shall make a proposed finding of the amount  
8 of reasonable costs of investigation and prosecution of the case when requested  
9 pursuant to subdivision (a). The finding of the administrative law judge with regard to  
10 costs shall not be reviewable by the board to increase the cost award. The board may  
11 reduce or eliminate the cost award, or remand to the administrative law judge if the  
12 proposed decision fails to make a finding on costs requested pursuant to subdivision (a).

13 (e) If an order for recovery of costs is made and timely payment is not made as  
14 directed in the board's decision, the board may enforce the order for repayment in any  
15 appropriate court. This right of enforcement shall be in addition to any other rights  
16 the board may have as to any licensee to pay costs.

17 (f) In any action for recovery of costs, proof of the board's decision shall be  
18 conclusive proof of the validity of the order of payment and the terms for payment.

19 (g) (1) Except as provided in paragraph (2), the board shall not renew or  
20 reinstate the license of any licensee who has failed to pay all of the costs ordered  
21 under this section.

22 (2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally  
23 renew or reinstate for a maximum of one year the license of any licensee who demonstrates  
24 financial hardship and who enters into a formal agreement with the board to reimburse the  
25 board within that one-year period for the unpaid costs.

26 (h) All costs recovered under this section shall be considered a reimbursement  
27 for costs incurred and shall be deposited in the fund of the board recovering the costs  
28 to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of  
the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in  
that board's licensing act provides for recovery of costs in an administrative  
disciplinary proceeding.

### FACTUAL ALLEGATIONS

26. On the evening of May 6, 2022, at approximately 1848 hours, Respondent<sup>3</sup> was  
driving home from work at a medical clinic when, under the combined influence of alcohol and  
controlled substances, she hit another vehicle with such force that it lost control and was forced  
off the highway into the dirt shoulder area of the roadside. Respondent immediately fled the scene  
at a high rate of speed without stopping to check on the welfare of other motorists involved in the  
collision. The other motorists sustained injuries and were later taken to the hospital.

---

<sup>3</sup> Respondent works as an Emergency Department physician.

1           27. A California Highway Patrol (CHP) officer investigating the collision responded to  
2 Respondent's residential address later that same evening and encountered her in work scrubs and  
3 a white medical jacket. While questioning Respondent in front of her home, the CHP officer  
4 observed several objective symptoms of intoxication, including, but not limited to, strong odor of  
5 alcohol on her breath, red and watery eyes, heavily slurred speech, and extremely lethargic  
6 behavior. Respondent admitted to being involved in a motor vehicle accident earlier that evening,  
7 and major damage was observed on the front-end of a vehicle parked in the driveway of her  
8 home.<sup>4</sup> Respondent told the CHP officer that she had stopped her vehicle after the accident but  
9 the other vehicle simply "took off."

10           28. Field Sobriety Tests (FST) were conducted in front of Respondent's home and she  
11 failed to perform them as instructed. The CHP officer administered a preliminary alcohol  
12 screening (PAS) test, which results measured Respondent's blood alcohol concentration (BAC)  
13 level at 0.30 percent and 0.29 percent. Respondent was arrested for driving under the influence  
14 (DUI) of alcohol causing injury and fleeing the scene of an automobile accident causing injury.

15           29. Approximately three and a half (3 ½) hours after the reported collision, a blood  
16 sample was taken from Respondent. Chemical testing later performed on the blood sample  
17 determined Respondent's BAC was 0.30 percent. A toxicology analysis performed on  
18 Respondent's blood sample detected that benzodiazepines<sup>5</sup> (clonazepam and diazepam) and  
19 cannabis were also in her system at the time of driving.

20           30. Significantly, Respondent did not have a validly issued prescription for diazepam on  
21 the date of the collision.

22       ////

23       ////

24 \_\_\_\_\_  
25           <sup>4</sup> The vehicle description and license plate number exactly matched the information  
26 provided to a 911 operator by an eyewitness-motorist, who had observed the highway collision  
and the vehicle flee at "a high rate of speed" immediately following the collision.

27           <sup>5</sup> Benzodiazepines are Schedule IV controlled substances pursuant to Health and Safety  
28 Code section 11057, and are a dangerous drug pursuant to Code section 4022. The DEA has  
identified benzodiazepines as a drug of abuse. (Drugs of Abuse, DEA Resource Guide (2022  
Edition), at p. 73.)

1           31. On July 18, 2022, the San Diego County District Attorney's Office filed a criminal  
2 complaint against Respondent in the matter of *The People of the State of California v. Jamila*  
3 *Danishwar*, Superior Court Case No. SCD295421. The criminal complaint charged Respondent  
4 with committing four (4) felonies:

5           (1) Count 1: Vehicle Code Section 23153, subdivision (a), wherein,  
6 Respondent did unlawfully, while under the influence of an alcoholic beverage,  
7 drive a vehicle and concurrently neglected a duty imposed by law which caused  
8 bodily injury to another person.

9           (2) Count 2: Vehicle Code Section 23153, subdivision (b), wherein,  
10 Respondent did unlawfully, while having 0.08 percent of alcohol in her blood,  
11 drive a vehicle and concurrently neglected a duty imposed by law which caused  
12 bodily injury to another person.

13           (3) Count 3: Vehicle Code Section 23153, subdivision (g), wherein,  
14 Respondent did unlawfully, while under the influence of an alcoholic beverage and  
15 a drug and under their combined influence, drive a vehicle and concurrently  
16 neglected a duty imposed by law which caused bodily injury to another person.

17           (4) Count 4: Vehicle Code Section 20001, subdivision (a), wherein,  
18 Respondent, having driven a vehicle involved in an accident resulting in injury to  
19 another, did unlawfully fail to immediately stop her vehicle at the scene of an  
20 accident to exchange contact information and render reasonable assistance to any  
21 person injured in the accident.

22           (5) Counts 1, 2, and 3 each contain separate allegations which allege that  
23 Respondent drove with a BAC of 0.15 percent or more, pursuant to Vehicle Code  
24 Section 23578.

25           32. On March 30, 2023, Respondent was convicted of a felony under Count 2. In  
26 the guilty plea form, Respondent admitted that she "drove a vehicle w/ .15% or more BAC  
27 and caused a collision resulting in injury to another person."

28 ////

33. On June 7, 2023, the San Diego County Superior Court sentenced Respondent to formal felony probation for three (3) years, with the following terms and conditions imposed:

- (1) Commitment to sheriff for ninety (90) days of custody; County Parole and Alternative Custody (CPAC) permitted Respondent to serve custody under "home detention" program with an installed alcohol monitoring device.
- (2) Complete eighteen (18) month Multiple Conviction Program;
- (3) MADD;
- (4) Restitution to victims; and
- (5) Standard fines.

**SECTION 822 CAUSE FOR ACTION**

**(Mental Impairment)**

34. Respondent has subjected her Physician's and Surgeon's Certificate No. A 102800 to Board action under section 822 of the Code in that her ability to practice medicine safely is impaired because she suffers from a disorder that affects her competency as a physician. The circumstances are as follows:

- (b) On or about November 10, 2023, Respondent voluntarily submitted to a mental evaluation by Board appointed psychiatrist, Daniel Brockett, M.D. (Dr. Brockett). After conducting psychometric testing, an extensive review of pertinent materials, and a face-to-face evaluation of Respondent, Dr. Brockett opined that Respondent suffers from a disorder.<sup>6</sup> In his report to the Board Dr. Brockett concluded that, in order to practice medicine safely, Respondent requires monitoring (by the Board) to ensure that she has a long period of sustained recovery from the disorder.
