Case No. 800-2022-093310

Public Letter of Reprimand

An investigation by the Medical Board of California revealed that you deviated from the standard of care in that you failed to provide one patient privacy when you had her walk across the hall in a gown to have her vitals taken and tore her gown open as part of the examination for an enlarged liver or spleen for the possibility of a lymphoproliferative disorder as she had an enlarged lymph node in her axilla without double draping her first.

These actions constitute a violation of California Business and Professions Code 2234 - Unprofessional Conduct and 2234(c) - Repeated Negligent Acts .

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California, and you are required to do the following: Professional Boundaries Program.
