COST RECOVERY

8. Section 125.3 of the Code states:

(a) Except as otherwise provided by law, in any order issued in resolution of a
disciplinary proceeding before any board within the department or before the
Osteopathic Medical Board, upon request of the entity bringing the proceeding, the

investigative and enforcement costs up to the date of the hearing, including, but not
limited to, charges imposed by the Attorney General.

5 (d) The administrative law judge shall make a proposed finding of the amount
6 of reasonable costs of investigation and prosecution of the case when requested
7 pursuant to subdivision (a). The finding of the administrative law judge with regard to

14 reinstate the license of any licensee who has failed to pay all of the costs ordered
under this section.

16 conditionally renew or reinstate for a maximum of one year the license of any
17 licensee who demonstrates financial hardship and who enters into a formal agreement
with the board to reimburse the board within that one-year period for the unpaid
costs.

18 (h) All costs recovered under this section shall be considered a reimbursement
19 for costs incurred and shall be deposited in the fund of the board recovering the costs
to be available upon appropriation by the Legislature.

20 (i) Nothing in this section shall preclude a board from including the recovery of
21 the costs of investigation and enforcement of a case in any stipulated settlement.

22 (j) This section does not apply to any board if a specific statutory provision in
23 that board's licensing act provides for recovery of costs in an administrative
disciplinary proceeding.

24 CAUSE FOR ACTION

25 **(Mental or Physical Illness Affecting Competency to Practice Medicine)**

26 9. Respondent Susan Soo Young Kim, M.D. is subject to disciplinary action under
27 section 822 of the Code, in that her ability to practice medicine safely is impaired, because she is
28 mentally or physically ill, affecting competency, as more particularly alleged hereinafter.

1 10. On or about December 13, 2023, while traveling to Massachusetts, Respondent
2 landed at Boston Logan Airport, and began to feel lightheaded, dizzy, and confused. Respondent
3 was transported by ambulance to Massachusetts General Hospital and placed on an involuntary,
4 section twelve mental health hold¹ due to disorganized behavior and auditory hallucinations. A
5 mental status examination was conducted that resulted in a differential diagnosis of a mental
6 health illness/disorder.

7 11. After being admitted to Massachusetts General Hospital, Respondent was then
8 transported to McLean Psychiatric Hospital to continue her hospitalization based on the
9 differential diagnosis of a mental health illness/disorder, which lasted more than three days.
10 Respondent was placed on Risperidone² while she was hospitalized and was then discharged with
11 the same medication.

12 12. Upon being discharged from McLean Psychiatric Hospital on or about December 22,
13 2023, Respondent returned home and sought treatment from her primary care physician who
14 posited she had a transient mental status change, and referred her to see a psychiatrist.

15 13. On or about January 12, 2024 and February 13, 2024, Respondent sought treatment
16 from a psychiatrist who diagnosed her with a mental health illness/disorder.

17 14. On or about March 25, 2024, Respondent participated in a psychiatric evaluation by a
18 Board certified and appointed psychiatrist (Dr. T.B.).³ Prior to conducting Respondent's
19 psychiatric evaluation, Dr. T.B. analyzed and reviewed investigation materials that were provided
20 by a Board Investigator. Those materials included, but were not limited to, the documented
21 communications and statements Respondent made to the Board and Board Investigator,
22 Respondent's McLean Psychiatric Hospital records, Respondent's Massachusetts General
23

24 ¹ In an emergency situation, if a physician, qualified psychologist, qualified advance practice
25 registered nurse or licensed independent clinical social worker is not available, a police officer who
26 believes that failure to hospitalize a person would create a likelihood of serious harm by reason of mental
27 illness they may restrain such person and apply for the hospitalization of such person for a 3-day period at
28 a public facility or a private facility authorized for such purpose by the department. MA Gen. L. ch 123
§12 (2022).

² Risperidone is an antipsychotic, which can be used to treat schizophrenia, bipolar disorder, and
irritability caused by autism.

³ To protect the privacy of the witnesses, the witnesses' names and information were not included
in this pleading. All witnesses will be fully identified in discovery.

1 Hospital records, and Respondent's medical records from her primary care physicians and
2 psychiatrists.

3 15. On or about March 28, 2024, following his psychiatric evaluation of Respondent and
4 review of the relevant materials, Dr. T.B. submitted a report, which contained the following
5 findings and opinions:

6 a. Respondent has a history of familial mental illness and exhibited a history of
7 chronic mental illness and episodic exacerbations which have resulted in loss of
8 employment or other opportunities.

9 b. The totality of these circumstances demonstrate Respondent was suffering from
10 a psychotic episode as early as October 2023, at the beginning of her three-month trip to the
11 East coast.

12 c. Dr. T.B. opined that Respondent suffers from chronic and recurrent psychotic
13 episodes, with a history of mental health illness.

14 d. Dr. T.B. concluded with reasonable medical probability, that due to her mental
15 illness diagnoses, Respondent is not safe to practice medicine without restrictions.
16 Respondent requires monitoring by a psychiatrist, psychiatric treatment with antipsychotic
17 medications, and Board oversight in order to potentially practice medicine safely.

18 **DISCIPLINARY CONSIDERATIONS**

19 16. To determine the degree of discipline, if any, to be imposed on Respondent Susan
20 Soo Young Kim, M.D., Complainant alleges that on or about June 23, 2004, in a prior
21 disciplinary action titled "In the Matter of the Statement of Issues Against Susan Soo Young Kim,
22 M.D." before the Medical Board of California, in Case No. 20-2003-150177, Respondent's
23 license was placed on probation with terms and conditions pursuant to Business and Professions
24 Code sections 480, subdivision (a)(3), and 2305 based on Respondent's performance during her
25 residency program and her subsequent performance as a flight surgeon with the U.S. Air Force.
26 That decision is now final and is incorporated by reference as if fully set forth herein.
