Case No. 800-2023-096879

Public Letter of Reprimand

An investigation conducted by the Board revealed that you repeatedly acted negligently when providing patient care, which is a deviation from the standard of care. Initially, by inaccurately interpreting a sinus CT scan. Secondly, due to your inability to promptly and directly communicate your findings.

These actions constitute a violation of Business and Professions Code Section(s): 2234 (c).

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
