STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER

20 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of
24 California (Board). He brought this action solely in his official capacity and is represented in this
25 matter by Rob Bonta, Attorney General of the State of California, by Wendy Widlus, Deputy
26 Attorney General.

27 2. Respondent Gregory Adam Barme, M.D. (Respondent) is represented in this
28 proceeding by attorney Thomas E. Still, whose address is: Hinshaw, Marsh, Still & Hinshaw,

1 LLP, 12901 Saratoga Avenue, Saratoga CA 95070-4110.

2 3. On or about May 8, 2002, the Board issued Physician's and Surgeons Certificate No.
3 A 79030 to Gregory Adam Barme, M.D. (Respondent). The Physician's and Surgeon's
4 Certificate was in full force and effect at all times relevant to the charges brought in Accusation
5 No. 800-2023-095237, and will expire on May 31, 2026, unless renewed.

6 **JURISDICTION**

7 4. Accusation No. 800-2023-095237 was filed before the Board and is currently pending
8 against Respondent. The Accusation and all other statutorily required documents were properly
9 served on Respondent on June 3, 2024. Respondent timely filed his Notice of Defense contesting
10 the Accusation.

11 5. A copy of Accusation No. 800-2023-095237 is attached as exhibit A and incorporated
12 herein by reference.

13 **ADVISEMENT AND WAIVERS**

14 6. Respondent has carefully read, fully discussed with counsel, and understands the
15 charges and allegations in Accusation No. 800-2023-095237. Respondent has also carefully read,
16 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and
17 Disciplinary Order.

18 7. Respondent is fully aware of his legal rights in this matter, including the right to a
19 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
20 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
21 to the issuance of subpoenas to compel the attendance of witnesses and the production of
22 documents; the right to reconsideration and court review of an adverse decision; and all other
23 rights accorded by the California Administrative Procedure Act and other applicable laws.

24 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
25 every right set forth above.

26 **CULPABILITY**

27 9. Respondent understands and agrees that the charges and allegations in Accusation
28 No. 800-2023-095237, if proven at a hearing, constitute cause for imposing discipline upon his

Physician's and Surgeon's Certificate.

10. Respondent does not contest that, at an administrative hearing, Complainant could establish a prima facie case with respect to the charges and allegations in Accusation No. 800-2023-095237, a true and correct copy of which is attached hereto as Exhibit A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. A 79030 to disciplinary action, and that Respondent hereby gives up his right to contest those charges.

11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to discipline and he agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

12. ACKNOWLEDGMENT. Respondent acknowledges the Disciplinary Order below, requiring the disclosure of probation pursuant to Business and Professions Code section 2228.1, serves to protect the public interest.

13. Respondent agrees that his Physician's and Surgeon's Certificate is subject to discipline, and he agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

CONTINGENCY

14. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

15. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final and exclusive embodiment of the

1 agreement of the parties in this above entitled matter.

2 16. Respondent agrees that if he ever petitions for early termination or modification of
3 probation, or if an accusation and/or petition to revoke probation is filed against him before the
4 Board, all of the charges and allegations contained in Accusation No. 800-2023-095237 shall be
5 deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or
6 any other licensing proceeding involving Respondent in the State of California.

7 17. The parties understand and agree that Portable Document Format (PDF) and facsimile
8 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
9 signatures thereto, shall have the same force and effect as the originals.

10 18. In consideration of the foregoing admissions and stipulations, the parties agree that
11 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
12 enter the following Disciplinary Order:

13 **DISCIPLINARY ORDER**

14 **IT IS HEREBY ORDERED** that Physician's and Surgeon's Certificate No. A 79030
15 issued to Respondent Gregory Adam Barme, M.D. is revoked. However, the revocation is stayed
16 and Respondent is placed on probation for five (5) years on the following terms and conditions:

17 1. **CONTROLLED SUBSTANCES - PARTIAL RESTRICTION.** Respondent shall not
18 order, prescribe, dispense, administer, furnish, or possess any controlled substances as defined by
19 the California Uniform Controlled Substances Act, except for those drugs listed in Schedules III,
20 IV and V of the Act.

21 Respondent shall not issue an oral or written recommendation or approval to a patient or a
22 patient's primary caregiver for the possession or cultivation of marijuana for the personal medical
23 purposes of the patient within the meaning of Health and Safety Code section 11362.5. If
24 Respondent forms the medical opinion, after an appropriate prior examination and medical
25 indication, that a patient's medical condition may benefit from the use of marijuana, Respondent
26 shall so inform the patient and shall refer the patient to another physician who, following an
27 appropriate prior examination and medical indication, may independently issue a medically
28 appropriate recommendation or approval for the possession or cultivation of marijuana for the

1 personal medical purposes of the patient within the meaning of Health and Safety Code section
2 11362.5. In addition, Respondent shall inform the patient or the patient's primary caregiver that
3 Respondent is prohibited from issuing a recommendation or approval for the possession or
4 cultivation of marijuana for the personal medical purposes of the patient and that the patient or
5 the patient's primary caregiver may not rely on Respondent's statements to legally possess or
6 cultivate marijuana for the personal medical purposes of the patient. Respondent shall fully
7 document in the patient's chart that the patient or the patient's primary caregiver was so
8 informed. Nothing in this condition prohibits Respondent from providing the patient or the
9 patient's primary caregiver information about the possible medical benefits resulting from the use
10 of marijuana.

11 2. CONTROLLED SUBSTANCES - MAINTAIN RECORDS AND ACCESS TO
12 RECORDS AND INVENTORIES. Respondent shall maintain a record of all controlled
13 substances ordered, prescribed, dispensed, administered, or possessed by Respondent, and any
14 recommendation or approval which enables a patient or patient's primary caregiver to possess or
15 cultivate marijuana for the personal medical purposes of the patient within the meaning of Health
16 and Safety Code section 11362.5, during probation, showing all of the following: 1) the name and
17 address of the patient; 2) the date; 3) the character and quantity of controlled substances involved;
18 and 4) the indications and diagnosis for which the controlled substances were furnished.

19 Respondent shall keep these records in a separate file or ledger, in chronological order. All
20 records and any inventories of controlled substances shall be available for immediate inspection
21 and copying on the premises by the Board or its designee at all times during business hours and
22 shall be retained for the entire term of probation.

23 3. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain
24 completely from the personal use or possession of controlled substances as defined in the
25 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and
26 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not
27 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
28 illness or condition.

1 Within 15 calendar days of receiving any lawfully prescribed medications, Respondent
2 shall notify the Board or its designee of the: issuing practitioner's name, address, and telephone
3 number; medication name, strength, and quantity; and issuing pharmacy name, address, and
4 telephone number.

5 4. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the
6 use of products or beverages containing alcohol.

7 5. PRESCRIBING PRACTICES COURSE. Within 60 calendar days of the effective
8 date of this Decision, Respondent shall enroll in a course in prescribing practices approved in
9 advance by the Board or its designee. Respondent shall provide the approved course provider
10 with any information and documents that the approved course provider may deem pertinent.
11 Respondent shall participate in and successfully complete the classroom component of the course
12 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
13 complete any other component of the course within one (1) year of enrollment. The prescribing
14 practices course shall be at Respondent's expense and shall be in addition to the Continuing
15 Medical Education (CME) requirements for renewal of licensure.

16 A prescribing practices course taken after the acts that gave rise to the charges in the
17 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
18 or its designee, be accepted towards the fulfillment of this condition if the course would have
19 been approved by the Board or its designee had the course been taken after the effective date of
20 this Decision.

21 Respondent shall submit a certification of successful completion to the Board or its
22 designee not later than 15 calendar days after successfully completing the course, or not later than
23 15 calendar days after the effective date of the Decision, whichever is later.

24 6. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
25 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
26 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
27 Respondent shall participate in and successfully complete that program. Respondent shall
28 provide any information and documents that the program may deem pertinent. Respondent shall

1 successfully complete the classroom component of the program not later than six (6) months after
2 Respondent's initial enrollment, and the longitudinal component of the program not later than the
3 time specified by the program, but no later than one (1) year after attending the classroom
4 component. The professionalism program shall be at Respondent's expense and shall be in
5 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

6 A professionalism program taken after the acts that gave rise to the charges in the
7 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
8 or its designee, be accepted towards the fulfillment of this condition if the program would have
9 been approved by the Board or its designee had the program been taken after the effective date of
10 this Decision.

11 Respondent shall submit a certification of successful completion to the Board or its
12 designee not later than 15 calendar days after successfully completing the program or not later
13 than 15 calendar days after the effective date of the Decision, whichever is later.

14 7. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision,
15 Respondent shall submit to the Board or its designee for prior approval the name and
16 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
17 has a doctoral degree in psychology and at least five years of postgraduate experience in the
18 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall
19 undergo and continue psychotherapy treatment, including any modifications to the frequency of
20 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

21 The psychotherapist shall consider any information provided by the Board or its designee
22 and any other information the psychotherapist deems relevant and shall furnish a written
23 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
24 psychotherapist with any information and documents that the psychotherapist may deem
25 pertinent.

26 Respondent shall have the treating psychotherapist submit quarterly status reports to the
27 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
28 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of

1 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
2 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
3 period of probation shall be extended until the Board determines that Respondent is mentally fit
4 to resume the practice of medicine without restrictions.

5 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

6 8. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this
7 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice
8 monitor, the name and qualifications of one or more licensed physicians and surgeons whose
9 licenses are valid and in good standing, and who are preferably American Board of Medical
10 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal
11 relationship with Respondent, or other relationship that could reasonably be expected to
12 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
13 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
14 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

15 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
16 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
17 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
18 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
19 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
20 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
21 signed statement for approval by the Board or its designee.

22 Within 60 calendar days of the effective date of this Decision, and continuing throughout
23 probation, Respondent's shall be monitored by the approved monitor. Respondent shall make all
24 records available for immediate inspection and copying on the premises by the monitor at all
25 times during business hours and shall retain the records for the entire term of probation.

26 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
27 date of this Decision, Respondent shall receive a notification from the Board or its designee to
28 cease the practice of medicine within three (3) calendar days after being so notified. Respondent

1 shall cease the practice of medicine until a monitor is approved to provide monitoring
2 responsibility.

3 The monitor(s) shall submit a quarterly written report to the Board or its designee which
4 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
5 are within the standards of practice of medicine, and whether Respondent is practicing medicine
6 appropriately. It shall be the sole responsibility of Respondent to ensure that the monitor submits
7 the quarterly written reports to the Board or its designee within 10 calendar days after the end of
8 the preceding quarter.

9 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
10 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
11 name and qualifications of a replacement monitor who will be assuming that responsibility within
12 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
13 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
14 notification from the Board or its designee to cease the practice of medicine within three (3)
15 calendar days after being so notified. Respondent shall cease the practice of medicine until a
16 replacement monitor is approved and assumes monitoring responsibility.

17 In lieu of a monitor, Respondent may participate in a professional enhancement program
18 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
19 review, semi-annual practice assessment, and semi-annual review of professional growth and
20 education. Respondent shall participate in the professional enhancement program at Respondent's
21 expense during the term of probation.

22 9. PSYCHIATRIC/SUBSTANCE ABUSE EVALUATION: At the Board's discretion
23 and on whatever periodic basis that may be required by the Board or its designee, Respondent
24 shall undergo and complete a psychiatric and/or substance abuse evaluation (and associated
25 testing, if deemed necessary) by a Board-appointed evaluator, who shall consider any information
26 provided by the Board or its designee and any other information the evaluator deems relevant,
27 and shall furnish a written evaluation report to the Board or its designee. Respondent shall
28 cooperate fully with any evaluation, and shall pay the cost of all evaluations and testing.

Respondent shall comply with all restrictions or conditions recommended by the evaluator within 15 calendar days after being notified by the Board or its designee.

10. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7) days of the effective date of this Decision, Respondent shall provide to the Board the names, physical addresses, mailing addresses, and telephone numbers of any and all employers and supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's worksite monitor, and Respondent's employers and supervisors to communicate regarding Respondent's work status, performance, and monitoring.

For purposes of this section, "supervisors" shall include the Chief of Staff and Health or Well Being Committee Chair, or equivalent, if applicable, when the Respondent has medical staff privileges.

11. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to biological fluid testing, at Respondent's expense, upon request of the Board or its designee. "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall make daily contact with the Board or its designee to determine whether biological fluid testing is required. Respondent shall be tested on the date of the notification as directed by the Board or its designee. The Board may order a Respondent to undergo a biological fluid test on any day, at any time, including weekends and holidays. Except when testing on a specific date as ordered by the Board or its designee, the scheduling of biological fluid testing shall be done on a random basis. The cost of biological fluid testing shall be borne by the Respondent.

During the first year of probation, Respondent shall be subject to 52 to 104 random tests. During the second year of probation and for the duration of the probationary term, up to five (5) years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no positive biological fluid tests in the previous five (5) consecutive years of probation, may testing be reduced to one (1) time per month. Nothing precludes the Board from increasing the number of random tests to the first-year level of frequency for any reason.

Prior to practicing medicine, Respondent shall contract with a laboratory or service,

1 approved in advance by the Board or its designee, that will conduct random, unannounced,
2 observed, biological fluid testing and meets all of the following standards:

3 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
4 Association or have completed the training required to serve as a collector for the United
5 States Department of Transportation.

6 (b) Its specimen collectors conform to the current United States Department of
7 Transportation Specimen Collection Guidelines.

8 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published
9 by the United States Department of Transportation without regard to the type of test
10 administered.

11 (d) Its specimen collectors observe the collection of testing specimens.

12 (e) Its laboratories are certified and accredited by the United States Department of Health
13 and Human Services.

14 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
15 of receipt and all specimens collected shall be handled pursuant to chain of custody
16 procedures. The laboratory shall process and analyze the specimens and provide legally
17 defensible test results to the Board within seven (7) business days of receipt of the
18 specimen. The Board will be notified of non-negative results within one (1) business day
19 and will be notified of negative test results within seven (7) business days.

20 (g) Its testing locations possess all the materials, equipment, and technical expertise
21 necessary in order to test Respondent on any day of the week.

22 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens
23 for the detection of alcohol and illegal and controlled substances.

24 (i) It maintains testing sites located throughout California.

25 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line
26 computer database that allows the Respondent to check in daily for testing.

27 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff
28 access to drug test results and compliance reporting information that is available 24 hours a

1 day.

2 (l) It employs or contracts with toxicologists that are licensed physicians and have
3 knowledge of substance abuse disorders and the appropriate medical training to interpret
4 and evaluate laboratory biological fluid test results, medical histories, and any other
5 information relevant to biomedical information.

6 (m) It will not consider a toxicology screen to be negative if a positive result is obtained
7 while practicing, even if the Respondent holds a valid prescription for the substance.

8 Prior to changing testing locations for any reason, including during vacation or other travel,
9 alternative testing locations must be approved by the Board and meet the requirements above.

10 The contract shall require that the laboratory directly notify the Board or its designee of
11 non-negative results within one (1) business day and negative test results within seven (7)
12 business days of the results becoming available. Respondent shall maintain this laboratory or
13 service contract during the period of probation.

14 A certified copy of any laboratory test result may be received in evidence in any
15 proceedings between the Board and Respondent.

16 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
17 administered to himself or herself a prohibited substance, the Board shall order Respondent to
18 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
19 medicine or providing medical services. The Board shall immediately notify all of Respondent's
20 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or
21 provide medical services while the cease-practice order is in effect.

22 A biological fluid test will not be considered negative if a positive result is obtained while
23 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
24 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

25 After the issuance of a cease-practice order, the Board shall determine whether the positive
26 biological fluid test is in fact evidence of prohibited substance use by consulting with the
27 specimen collector and the laboratory, communicating with the licensee, his or her treating
28 physician(s), other health care provider, or group facilitator, as applicable.

1 For purposes of this condition, the terms “biological fluid testing” and “testing” mean the
2 acquisition and chemical analysis of a Respondent’s urine, blood, breath, or hair.

3 For purposes of this condition, the term “prohibited substance” means an illegal drug, a
4 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
5 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been
6 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

7 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
8 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
9 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to
10 any other terms or conditions the Board determines are necessary for public protection or to
11 enhance Respondent’s rehabilitation.

12 12. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of
13 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its
14 prior approval, the name of a substance abuse support group which he or she shall attend for the
15 duration of probation. Respondent shall attend substance abuse support group meetings at least
16 once per week, or as ordered by the Board or its designee. Respondent shall pay all substance
17 abuse support group meeting costs.

18 The facilitator of the substance abuse support group meeting shall have a minimum of three
19 (3) years’ experience in the treatment and rehabilitation of substance abuse, and shall be licensed
20 or certified by the state or nationally certified organizations. The facilitator shall not have a
21 current or former financial, personal, or business relationship with Respondent within the last five
22 (5) years. Respondent’s previous participation in a substance abuse group support meeting led by
23 the same facilitator does not constitute a prohibited current or former financial, personal, or
24 business relationship.

25 The facilitator shall provide a signed document to the Board or its designee showing
26 Respondent’s name, the group name, the date and location of the meeting, Respondent’s
27 attendance, and Respondent’s level of participation and progress. The facilitator shall report any
28 unexcused absence by Respondent from any substance abuse support group meeting to the Board,

1 or its designee, within twenty-four (24) hours of the unexcused absence.

2 13. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty
3 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or
4 its designee for prior approval as a worksite monitor, the name and qualifications of one or more
5 licensed physician and surgeon, other licensed health care professional if no physician and
6 surgeon is available, or, as approved by the Board or its designee, a person in a position of
7 authority who is capable of monitoring the Respondent at work.

8 The worksite monitor shall not have a current or former financial, personal, or familial
9 relationship with Respondent, or any other relationship that could reasonably be expected to
10 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its
11 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite
12 monitor, this requirement may be waived by the Board or its designee, however, under no
13 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

14 The worksite monitor shall have an active unrestricted license with no disciplinary action
15 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
16 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth
17 by the Board or its designee.

18 Respondent shall pay all worksite monitoring costs.

19 The worksite monitor shall have face-to-face contact with Respondent in the work
20 environment on as frequent a basis as determined by the Board or its designee, but not less than
21 once per week; interview other staff in the office regarding Respondent's behavior, if requested
22 by the Board or its designee; and review Respondent's work attendance.

23 The worksite monitor shall verbally report any suspected substance abuse to the Board and
24 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected
25 substance abuse does not occur during the Board's normal business hours, the verbal report shall
26 be made to the Board or its designee within one (1) hour of the next business day. A written
27 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and
28 any other information deemed important by the worksite monitor shall be submitted to the Board

1 or its designee within 48 hours of the occurrence.

2 The worksite monitor shall complete and submit a written report monthly or as directed by
3 the Board or its designee which shall include the following: (1) Respondent's name and
4 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)
5 the worksite monitor's license number, if applicable; (4) the location or location(s) of the
6 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the
7 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;
8 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can
9 lead to suspected substance abuse by Respondent. Respondent shall complete any required
10 consent forms and execute agreements with the approved worksite monitor and the Board, or its
11 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

12 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)
13 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
14 approval, the name and qualifications of a replacement monitor who will be assuming that
15 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a
16 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
17 monitor, Respondent shall receive a notification from the Board or its designee to cease the
18 practice of medicine within three (3) calendar days after being so notified. Respondent shall
19 cease the practice of medicine until a replacement monitor is approved and assumes monitoring
20 responsibility.

21 14. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING
22 LICENSEES. Failure to fully comply with any term or condition of probation is a violation of
23 probation.

24 A. If Respondent commits a major violation of probation as defined by section
25 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take
26 one or more of the following actions:

27 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical
28 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of

1 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice
2 order issued by the Board or its designee shall state that Respondent must test negative for at least
3 a month of continuous biological fluid testing before being allowed to resume practice. For
4 purposes of determining the length of time a Respondent must test negative while undergoing
5 continuous biological fluid testing following issuance of a cease-practice order, a month is
6 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until
7 notified in writing by the Board or its designee that he or she may do so.

8 (2) Increase the frequency of biological fluid testing.

9 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or
10 other action as determined by the Board or its designee.

11 B. If Respondent commits a minor violation of probation as defined by section
12 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take
13 one or more of the following actions:

14 (1) Issue a cease-practice order;

15 (2) Order practice limitations;

16 (3) Order or increase supervision of Respondent;

17 (4) Order increased documentation;

18 (5) Issue a citation and fine, or a warning letter;

19 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
20 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
21 Regulations, at Respondent's expense;

22 (7) Take any other action as determined by the Board or its designee.

23 C. Nothing in this Decision shall be considered a limitation on the Board's authority
24 to revoke Respondent's probation if he or she has violated any term or condition of probation. If
25 Respondent violates probation in any respect, the Board, after giving Respondent notice and the
26 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
27 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
28 against Respondent during probation, the Board shall have continuing jurisdiction until the matter

1 is final, and the period of probation shall be extended until the matter is final.

2 15. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
3 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
4 Chief Executive Officer at every hospital where privileges or membership are extended to
5 Respondent, at any other facility where Respondent engages in the practice of medicine,
6 including all physician and locum tenens registries or other similar agencies, and to the Chief
7 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
8 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
9 calendar days.

10 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

11 16. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
12 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
13 advanced practice nurses.

14 17. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
15 governing the practice of medicine in California and remain in full compliance with any court
16 ordered criminal probation, payments, and other orders.

17 18. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
18 ordered to reimburse the Board its costs of investigation and enforcement, including, but not
19 limited to, expert review, amended accusations, legal reviews, investigation(s), and subpoena
20 enforcement, as applicable, in the amount of \$13,790 (thirteen thousand seven hundred ninety
21 dollars and zero cents). Costs shall be payable to the Medical Board of California. Failure to
22 pay such costs shall be considered a violation of probation.

23 Payment must be made in full within 30 calendar days of the effective date of the Order, or
24 by a payment plan approved by the Medical Board of California. Any and all requests for a
25 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with
26 the payment plan shall be considered a violation of probation.

27 The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to
28 repay investigation and enforcement costs, including expert review costs.

1 19. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
2 under penalty of perjury on forms provided by the Board, stating whether there has been
3 compliance with all the conditions of probation.

4 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
5 of the preceding quarter.

6 20. GENERAL PROBATION REQUIREMENTS.

7 Compliance with Probation Unit

8 Respondent shall comply with the Board's probation unit.

9 Address Changes

10 Respondent shall, at all times, keep the Board informed of Respondent's business and
11 residence addresses, email address (if available), and telephone number. Changes of such
12 addresses shall be immediately communicated in writing to the Board or its designee. Under no
13 circumstances shall a post office box serve as an address of record, except as allowed by Business
14 and Professions Code section 2021, subdivision (b).

15 Place of Practice

16 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
17 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
18 facility.

19 License Renewal

20 Respondent shall maintain a current and renewed California physician's and surgeon's
21 license.

22 Travel or Residence Outside California

23 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
24 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
25 (30) calendar days.

26 In the event Respondent should leave the State of California to reside or to practice
27 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
28 departure and return.

1 21. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
2 available in person upon request for interviews either at Respondent's place of business or at the
3 probation unit office, with or without prior notice throughout the term of probation.

4 22. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
5 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
6 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
7 defined as any period of time Respondent is not practicing medicine as defined in Business and
8 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
9 patient care, clinical activity or teaching, or other activity as approved by the Board. If
10 Respondent resides in California and is considered to be in non-practice, Respondent shall
11 comply with all terms and conditions of probation. All time spent in an intensive training
12 program which has been approved by the Board or its designee shall not be considered non-
13 practice and does not relieve Respondent from complying with all the terms and conditions of
14 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
15 on probation with the medical licensing authority of that state or jurisdiction shall not be
16 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
17 period of non-practice.

18 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
19 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
20 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
21 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
22 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

23 Respondent's period of non-practice while on probation shall not exceed two (2) years.

24 Periods of non-practice will not apply to the reduction of the probationary term.

25 Periods of non-practice for a Respondent residing outside of California will relieve
26 Respondent of the responsibility to comply with the probationary terms and conditions with the
27 exception of this condition and the following terms and conditions of probation: Obey All Laws;
28 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or

1 Controlled Substances; and Biological Fluid Testing.

2 23. COMPLETION OF PROBATION. Respondent shall comply with all financial
3 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
4 completion of probation. This term does not include cost recovery, which is due within 30
5 calendar days of the effective date of the Order, or by a payment plan approved by the Medical
6 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate
7 shall be fully restored.

8 24. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
9 of probation is a violation of probation. If Respondent violates probation in any respect, the
10 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
11 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
12 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
13 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
14 the matter is final.

15 25. LICENSE SURRENDER. Following the effective date of this Decision, if
16 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
17 the terms and conditions of probation, Respondent may request to surrender his or her license.
18 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
19 determining whether or not to grant the request, or to take any other action deemed appropriate
20 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
21 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
22 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
23 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
24 application shall be treated as a petition for reinstatement of a revoked certificate.

25 26. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
26 with probation monitoring each and every year of probation, as designated by the Board, which
27 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
28 California and delivered to the Board or its designee no later than January 31 of each calendar

27. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing action agency in the State of California, all of the charges and allegations contained in Accusation No. 800-2023-095237 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict license.

I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully discussed it with my attorney, Thomas E. Still. I understand the stipulation and the effect it will have on my Physician's and Surgeon's Certificate. I enter into this Stipulated Settlement and Disciplinary Order voluntarily, knowingly, and intelligently, and agree to be bound by the Decision and Order of the Medical Board of California.

probation, as the board or an administrative law judge may deem proper.

2 (b) Any matter heard pursuant to subdivision (a), except for warning letters,

4 continuing education activities, and cost reimbursement associated therewith that are
5 agreed to with the board and successfully completed by the licensee, or other matters
6 made confidential or privileged by existing law, is deemed public, and shall be made
7 available to the public by the board pursuant to Section 803.1.

8 STATUTORY PROVISIONS

9 6. Section 2234 of the Code, states:

10 The board shall take action against any licensee who is charged with
11 unprofessional conduct. In addition to other provisions of this article, unprofessional
12 conduct includes, but is not limited to, the following:

13 (a) Violating or attempting to violate, directly or indirectly, assisting in or
14 abetting the violation of, or conspiring to violate any provision of this chapter.

15 (b) Gross negligence.

16 (c) Repeated negligent acts. To be repeated, there must be two or more
17 negligent acts or omissions. An initial negligent act or omission followed by a
18 separate and distinct departure from the applicable standard of care shall constitute
19 repeated negligent acts.

20 (1) An initial negligent diagnosis followed by an act or omission medically
21 appropriate for that negligent diagnosis of the patient shall constitute a single
22 negligent act.

23 (2) When the standard of care requires a change in the diagnosis, act, or
24 omission that constitutes the negligent act described in paragraph (1), including, but
25 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
26 licensee's conduct departs from the applicable standard of care, each departure
27 constitutes a separate and distinct breach of the standard of care.

28 (d) Incompetence.

(e) The commission of any act involving dishonesty or corruption that is
substantially related to the qualifications, functions, or duties of a physician and
surgeon.

(f) Any action or conduct that would have warranted the denial of a certificate.

(g) The failure by a certificate holder, in the absence of good cause, to attend
and participate in an interview by the board no later than 30 calendar days after being
notified by the board. This subdivision shall only apply to a certificate holder who is
the subject of an investigation by the board.

(h) Any action of the licensee, or another person acting on behalf of the
licensee, intended to cause their patient or their patient's authorized representative to
rescind consent to release the patient's medical records to the board or the
Department of Consumer Affairs, Health Quality Investigation Unit.

(i) Dissuading, intimidating, or tampering with a patient, witness, or any person in an attempt to prevent them from reporting or testifying about a licensee.

7. Section 2239 of the Code states:

(a) The use or prescribing for or administering to himself or herself, of any controlled substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to any other person or to the public, or to the extent that such use impairs the ability of the licensee to practice medicine safely or more than one misdemeanor or any felony involving the use, consumption, or self-administration of any of the substances referred to in this section, or any combination thereof, constitutes unprofessional conduct. The record of the conviction is conclusive evidence of such unprofessional conduct.

(b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this section. The Medical Board may order discipline of the licensee in accordance with Section 2227 or the Medical Board may order the denial of the license when the time for appeal has elapsed or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or indictment.

8. Section 2242 of the Code states:

(a) Prescribing, dispensing, or furnishing dangerous drugs as defined in Section 4022 without an appropriate prior examination and a medical indication, constitutes unprofessional conduct. An appropriate prior examination does not require a synchronous interaction between the patient and the licensee and can be achieved through the use of telehealth, including, but not limited to, a self-screening tool or a questionnaire, provided that the licensee complies with the appropriate standard of care.

(b) No licensee shall be found to have committed unprofessional conduct within the meaning of this section if, at the time the drugs were prescribed, dispensed, or furnished, any of the following applies:

(1) The licensee was a designated physician and surgeon or podiatrist serving in the absence of the patient's physician and surgeon or podiatrist, as the case may be, and if the drugs were prescribed, dispensed, or furnished only as necessary to maintain the patient until the return of the patient's practitioner, but in any case no longer than 72 hours.

(2) The licensee transmitted the order for the drugs to a registered nurse or to a licensed vocational nurse in an inpatient facility, and if both of the following conditions exist:

(A) The practitioner had consulted with the registered nurse or licensed vocational nurse who had reviewed the patient's records.

(B) The practitioner was designated as the practitioner to serve in the absence of the patient's physician and surgeon or podiatrist, as the case may be.

1 (3) The licensee was a designated practitioner serving in the absence of the
2 patient's physician and surgeon or podiatrist, as the case may be, and was in
3 possession of or had utilized the patient's records and ordered the renewal of a
4 medically indicated prescription for an amount not exceeding the original prescription
5 in strength or amount or for more than one refill.

6 (4) The licensee was acting in accordance with Section 120582 of the Health
7 and Safety Code.

8 9. Section 822 of the Code states:

9 If a licensing agency determines that its licensee's ability to practice his or her
10 profession safely is impaired because the licensee is mentally ill, or physically ill
11 affecting competency, the licensing agency may take action by any one of the
12 following methods:

13 (a) Revoking the licensee's certificate or license.

14 (b) Suspending the licensee's right to practice.

15 (c) Placing the licensee on probation.

16 (d) Taking such other action in relation to the licensee as the licensing agency
17 in its discretion deems proper.

18 The licensing section shall not reinstate a revoked or suspended certificate or
19 license until it has received competent evidence of the absence or control of the
20 condition which caused its action and until it is satisfied that with due regard for the
21 public health and safety the person's right to practice his or her profession may be
22 safely reinstated.

23 10. Health and Safety Code § 11152 states: No person shall write, issue, fill, compound,
24 or dispense a prescription that does not conform to this division.

25 11. Health and Safety Code § 11153 states:

26 (a) A prescription for a controlled substance shall only be issued for a
27 legitimate medical purpose by an individual practitioner acting in the usual course of
28 his or her professional practice. The responsibility for the proper prescribing and
dispensing of controlled substances is upon the prescribing practitioner, but a
corresponding responsibility rests with the pharmacist who fills the prescription.
Except as authorized by this division, the following are not legal prescriptions: (1) an
order purporting to be a prescription which is issued not in the usual course of
professional treatment or in legitimate and authorized research; or (2) an order for an
addict or habitual user of controlled substances, which is issued not in the course of
professional treatment or as part of an authorized narcotic treatment program, for the
purpose of providing the user with controlled substances, sufficient to keep him or her
comfortable by maintaining customary use.

(b) Any person who knowingly violates this section shall be punished by
imprisonment pursuant to subdivision(h) of Section 1170 of the Penal Code, or in a
county jail not exceeding one year, or by a fine not exceeding twenty thousand dollars
(\$20,000), or by both that fine and imprisonment.

(c) No provision of the amendments to this section enacted during the second

1 year of the 1981-82 Regular Session shall be construed as expanding the scope of
2 practice of a pharmacist.

3 COST RECOVERY

4 12. Section 125.3 of the Code states:

5 (a) Except as otherwise provided by law, in any order issued in resolution of a
6 disciplinary proceeding before any board within the department or before the
7 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
8 administrative law judge may direct a licensee found to have committed a violation or
9 violations of the licensing act to pay a sum not to exceed the reasonable costs of the
10 investigation and enforcement of the case.

11 (b) In the case of a disciplined licensee that is a corporation or a partnership, the
12 order may be made against the licensed corporate entity or licensed partnership.

13 (c) A certified copy of the actual costs, or a good faith estimate of costs where
14 actual costs are not available, signed by the entity bringing the proceeding or its
15 designated representative shall be prima facie evidence of reasonable costs of
16 investigation and prosecution of the case. The costs shall include the amount of
17 investigative and enforcement costs up to the date of the hearing, including, but not
18 limited to, charges imposed by the Attorney General.

19 (d) The administrative law judge shall make a proposed finding of the amount
20 of reasonable costs of investigation and prosecution of the case when requested
21 pursuant to subdivision (a). The finding of the administrative law judge with regard
22 to costs shall not be reviewable by the board to increase the cost award. The board
23 may reduce or eliminate the cost award, or remand to the administrative law judge if
24 the proposed decision fails to make a finding on costs requested pursuant to
25 subdivision (a).

26 (e) If an order for recovery of costs is made and timely payment is not made as
27 directed in the board's decision, the board may enforce the order for repayment in any
28 appropriate court. This right of enforcement shall be in addition to any other rights
the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be
conclusive proof of the validity of the order of payment and the terms for payment.

(g) (1) Except as provided in paragraph (2), the board shall not renew or
reinstate the license of any licensee who has failed to pay all of the costs ordered
under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion,
conditionally renew or reinstate for a maximum of one year the license of any
licensee who demonstrates financial hardship and who enters into a formal agreement
with the board to reimburse the board within that one-year period for the unpaid
costs.

(h) All costs recovered under this section shall be considered a reimbursement
for costs incurred and shall be deposited in the fund of the board recovering the costs
to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of
the costs of investigation and enforcement of a case in any stipulated settlement.

1 (j) This section does not apply to any board if a specific statutory provision in
2 that board's licensing act provides for recovery of costs in an administrative
disciplinary proceeding.

3 **FACTUAL ALLEGATIONS**

4 13. Respondent is a board-certified urologist who practices at Golden Gate Urology, Inc.
5 (Golden Gate) in Berkeley, California. Respondent previously worked at The Surgery Center of
6 Alta Bates Summit Medical Center (The Surgery Center) in Oakland, California.

7 14. On or about November 14, 2022, the Surgery Center received a patient complaint
8 about Respondent. According to the complaint, a patient was scheduled for surgery with
9 Respondent on or about November 14, 2022. The night before surgery, on or about November
10 13, 2022, Respondent requested that the patient bring in all of his medications, including the
11 hydrocodone prescribed by Respondent, to the Surgery Center for medication reconciliation.

12 15. While waiting in the pre-operative waiting room, Respondent presented and took all
13 of the patient's medications, indicating that he needed to input the medications into the system.
14 Respondent later returned and gave the patient his medications back.

15 16. Upon returning home, the patient counted his hydrocodone pills and noticed that only
16 29 of the 40 prescribed pills were still in the bottle. The patient immediately contacted the
17 pharmacy and the Surgery Center to discuss the discrepancy.

18 17. Respondent stated that the 11 missing pills were found in the facility, and were
19 strewn all over the pre-operative waiting room floor. Respondent indicated that he would dispose
20 of the pills. However, a picture of the missing pills was requested and provided before disposal.

21 18. It was determined that the 11 missing pills were not from the patient's prescribed
22 bottle, and were from a different lot.

23 19. On or about December 14, 2022, the Surgery Center initiated an investigation into the
24 matter. On or about January 22, 2023, Respondent requested a medical leave of absence from the
25 Surgery Center.
