8 incorporated herein by reference.

9 **ADVISEMENT AND WAIVERS**

2 11. This stipulation shall be subject to approval by the Podiatric Medical Board.  
3 Respondent understands and agrees that counsel for Complainant and the staff of the Podiatric

5 settlement, without notice to or participation by Respondent or his counsel. By signing the  
6 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
7 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
8 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
9 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
10 action between the parties, and the Board shall not be disqualified from further action by having  
11 considered this matter.

12 12. The parties understand and agree that Portable Document Format (PDF) and facsimile  
13 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
14 signatures thereto, shall have the same force and effect as the originals.

15 13. In consideration of the foregoing admissions and stipulations, the parties agree that  
16 the Board may, without further notice or formal proceeding, issue and enter the following  
17 Disciplinary Order:

18 **DISCIPLINARY ORDER**

19 IT IS HEREBY ORDERED that Doctor of Podiatric Medicine License No. E 4013 issued  
20 to Respondent Robert John Joseph II, D.P.M. is revoked. However, the revocation is stayed and  
21 Respondent is placed on probation for five (5) years on the following terms and conditions:

22 1. **ETHICS COURSE.** Within 60 days of the effective date of this Decision,  
23 Respondent shall enroll in a course in ethics, at Respondent's expense, approved in advance by  
24 the Board or its designee. Failure to successfully complete the course during the first year is a  
25 violation of probation.

26 An ethics course taken after the acts that gave rise to the charges in the Accusation, but  
27 prior to the effective date of the Decision may, in the sole discretion of the Board or its designee,  
28 be accepted towards the fulfillment of this condition if the course would have been approved by

1 the Board or its designee had the course been taken after the effective date of this Decision.

2 Respondent shall submit a certification of successful completion to the Board or its  
3 designee not later than 15 calendar days after the effective date of the Decision.

4 2. PSYCHIATRIC EVALUATION. Within 30 days of the effective date of this  
5 Decision, and on whatever periodic basis thereafter may be required by the Board or its designee,  
6 Respondent shall undergo a psychiatric evaluation (and psychological testing, if deemed  
7 necessary) by a Board appointed Board certified psychiatrist, who shall consider any information  
8 provided by the Board or designee and any other information the psychiatrist deems relevant, and  
9 shall furnish a written evaluation report to the Board or its designee. Psychiatric evaluations  
10 conducted prior to the effective date of the Decision shall not be accepted towards the fulfillment  
11 of the requirement. Respondent shall pay the cost of all psychiatric evaluations and psychological  
12 testing.

13 Respondent shall comply with all restrictions or conditions recommended by the evaluating  
14 psychiatrist within 15 calendar days after being notified by the Board or its designee. Failure to  
15 undergo and complete a psychiatric evaluation and psychological testing, or comply with the  
16 required additional conditions or restrictions, is a violation of probation.

17 3. MONITORING - PRACTICE/BILLING. Within 30 days of the effective date of this  
18 Decision, the entire practice shall be monitored, including, but not limited to the following:  
19 medical records, charting, pre and postoperative evaluations, all surgical procedures and billing  
20 records.

21 The Board shall immediately, within the exercise of reasonable discretion, appoint a doctor  
22 of podiatric medicine from its panel of medical consultants or panel of expert reviewers as the  
23 monitor.

24 The monitor shall provide quarterly reports to the Board or its designee which include an  
25 evaluation of Respondent's performance, indicating whether Respondent's practices are within  
26 the standards of practice of podiatric medicine or billing, or both, and whether Respondent is  
27 practicing podiatric medicine safely.

28 The Board or its designee shall determine the frequency and practice areas to be monitored.

1 Such monitoring shall be required during the entire period of probation. The Board or its  
2 designee may at its sole discretion also require prior approval by the monitor of any medical or  
3 surgical procedures engaged in by the Respondent. The Respondent shall pay all costs of such  
4 monitoring and shall otherwise comply with all requirements of his or her contract with the  
5 monitor. If the monitor terminates the contract, or is no longer available, the Board or its  
6 designee shall appoint a new monitor immediately. Respondent shall not practice at any time  
7 during the probation until the Respondent provides a copy of the contract with the current monitor  
8 to the probation investigator and such contract is approved by the Board.

9 Respondent shall provide access to the practice monitor of Respondent's patient records  
10 and such monitor shall be permitted to make direct contact with any patients treated or cared for  
11 by Respondent and to discuss any matters related to Respondent's care and treatment of those  
12 patients. Respondent shall obtain any necessary patient releases to enable the monitor to review  
13 records and to make direct contact with patients. Respondent shall execute a release authorizing  
14 the monitor to provide to the Board or its designee any relevant information. If the practice  
15 monitor deems it necessary to directly contact any patient, and thus require the disclosure of such  
16 patient's identity, Respondent shall notify the patient that the patient's identity has been requested  
17 pursuant to the Decision. This notification shall be signed and dated by each patient prior to the  
18 commencement or continuation of any examination or treatment of each patient by Respondent  
19 and a copy of such notification shall be maintained in each patient's file. The notifications signed  
20 by Respondent's patients shall be subject to inspection and copying by the Board or its designee  
21 at any time during the period of probation that Respondent is required to comply with this  
22 condition. The practice monitor will sign a confidentiality agreement requiring him or her to  
23 keep all patient information regarding Respondent's patients in complete confidence, except as  
24 otherwise required by the Board or its designee.

25 Failure to maintain all records, or to make all appropriate records available for immediate  
26 inspection and copying on the premises, or to comply with this condition as outlined above, is a  
27 violation of probation.

28 In lieu of a monitor, Respondent may participate in the professional enhancement program

1 offered by the Physician Assessment and Clinical Education Program at the University of  
2 California, San Diego School of Medicine, that includes, at minimum, quarterly chart review,  
3 semi-annual practice assessment, and semi-annual review of professional growth and education.  
4 Respondent shall participate in the professional enhancement program at Respondent's expense  
5 during the term of probation.

6 4. SOLO PRACTICE. Respondent is prohibited from engaging in the solo practice of  
7 podiatric medicine.

8 5. NOTIFICATION. Prior to engaging in the practice of medicine, the Respondent shall  
9 provide a true copy of the Decision(s) and Accusation(s) to the Chief of Staff or the Chief  
10 Executive Officer at every hospital where privileges or membership are extended to Respondent,  
11 at any other facility where Respondent engages in the practice of podiatric medicine, including all  
12 physician and locum tenens registries or other similar agencies, and to the Chief Executive  
13 Officer at every insurance carrier which extends malpractice insurance coverage to Respondent.  
14 Respondent shall submit proof of compliance to the Division or its designee within 15 calendar  
15 days.

16 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

17 6. PHYSICIAN ASSISTANTS. Prior to receiving assistance from a physician assistant,  
18 Respondent must notify the supervising physician of the terms and conditions of his/her  
19 probation.

20 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
21 governing the practice of podiatric medicine in California and remain in full compliance with any  
22 court ordered criminal probation, payments, and other orders.

23 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
24 under penalty of perjury on forms provided by the Board, stating whether there has been  
25 compliance with all the conditions of probation. Respondent shall submit quarterly declarations  
26 not later than 10 calendar days after the end of the preceding quarter.

27 9. PROBATION COMPLIANCE UNIT. Respondent shall comply with the Board's  
28 probation unit. Respondent shall, at all times, keep the Board informed of Respondent's business

1 and residence addresses. Changes of such addresses shall be immediately communicated in  
2 writing to the Board or its designee. Under no circumstances shall a post office box serve as an  
3 address of record, except as allowed by Business and Professions Code section 2021(b).

4 Respondent shall not engage in the practice of podiatric medicine in Respondent's place of  
5 residence. Respondent shall maintain a current and renewed California doctor of podiatric  
6 medicine's license.

7 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
8 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than 30  
9 calendar days.

10 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
11 available in person for interviews either at Respondent's place of business or at the probation unit  
12 office with the Board or its designee, upon request, at various intervals and either with or without  
13 notice throughout the term of probation.

14 11. RESIDING OR PRACTICING OUT-OF-STATE. In the event Respondent should  
15 leave the State of California to reside or to practice, Respondent shall notify the Board or its  
16 designee in writing 30 calendar days prior to the dates of departure and return. Non-practice is  
17 defined as any period of time exceeding 30 calendar days in which Respondent is not engaging in  
18 any activities defined in section 2472 of the Business and Professions Code.

19 All time spent in an intensive training program outside the State of California which has  
20 been approved by the Board or its designee shall be considered as time spent in the practice of  
21 medicine within the State. A Board-ordered suspension of practice shall not be considered as a  
22 period of non-practice. Periods of temporary or permanent residence or practice outside  
23 California will not apply to the reduction of the probationary term. Periods of temporary or  
24 permanent residence or practice outside California will relieve Respondent of the responsibility to  
25 comply with the probationary terms and conditions, with the exception of this condition, and the  
26 following terms and conditions of probation: Obey All Law; Probation Unit Compliance; and  
27 Cost Recovery.

28 Respondent's license shall be automatically cancelled if Respondent's periods of temporary

1 or permanent residence or practice outside California totals two years. However, Respondent's  
2 license shall not be cancelled as long as Respondent is residing and practicing podiatric medicine  
3 in another state of the United States and is on active probation with the medical licensing  
4 authority of that state, in which case the two year period shall begin on the date probation is  
5 completed or terminated in that state.

6 12. FAILURE TO PRACTICE PODIATRIC MEDICINE - CALIFORNIA RESIDENT.

7 In the event the Respondent resides in the State of California and for any reason Respondent stops  
8 practicing podiatric medicine in California, Respondent shall notify the Board or its designee in  
9 writing within 30 calendar days prior to the dates of non-practice and return to practice. Any  
10 period of non-practice within California as defined in this condition will not apply to the  
11 reduction of the probationary term and does not relieve Respondent of the responsibility to  
12 comply with the terms and conditions of probation. Non-practice is defined as any period of time  
13 exceeding thirty calendar days in which Respondent is not engaging in any activities defined in  
14 section 2472 of the Business and Professions Code.

15 All time spent in an intensive training program which has been approved by the Board or its  
16 designee shall be considered time spent in the practice of medicine. For purposes of this  
17 condition, non-practice due to a Board-ordered suspension or in compliance with any other  
18 condition of probation shall not be considered a period of non-practice.

19 Respondent's license shall be automatically cancelled if Respondent resides in California  
20 and for a total of two years, fails to engage in California in any of the activities described in  
21 Business and Professions Code section 2472.

22 13. COMPLETION OF PROBATION. Respondent shall comply with all financial  
23 obligations (e.g., cost recovery, restitution, probation costs) not later than 120 calendar days prior  
24 to the completion of probation. Upon successful completion of probation, Respondent's  
25 certificate will be fully restored.

26 14. VIOLATION OF PROBATION. If Respondent violates probation in any respect, the  
27 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
28 carry out the disciplinary order that was stayed. If an accusation or petition to revoke probation is

1 filed against Respondent during probation, the Board shall have continuing jurisdiction until the  
2 matter is final, the period of probation shall be extended until the matter is final, and no petition  
3 for modification of penalty shall be considered while there is an accusation or petition to revoke  
4 probation pending against Respondent.

5 15. COST RECOVERY. Within 90 calendar days from the effective date of the Decision  
6 or other period agreed to by the Board or its designee, Respondent shall reimburse the Board the  
7 amount of \$40,589.25 for its investigative and prosecution costs. The filing of bankruptcy or  
8 period of non-practice by Respondent shall not relieve the Respondent of his/her obligation to  
9 reimburse the Board for its costs.

10 16. LICENSE SURRENDER. Following the effective date of this Decision, if  
11 Respondent ceases practicing due to retirement or health reasons, or is otherwise unable to satisfy  
12 the terms and conditions of probation, Respondent may request the voluntary surrender of  
13 Respondent's license. The Board reserves the right to evaluate the Respondent's request and to  
14 exercise its discretion whether to grant the request or to take any other action deemed appropriate  
15 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
16 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
17 designee and Respondent shall no longer practice podiatric medicine. Respondent will no longer  
18 be subject to the terms and conditions of probation and the surrender of Respondent's license  
19 shall be deemed disciplinary action. If Respondent re-applies for a podiatric medical license, the  
20 application shall be treated as a petition for reinstatement of a revoked certificate.

21 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
22 with probation monitoring each and every year of probation as designated by the Board, which  
23 may be adjusted on an annual basis. Such costs shall be payable to the Board of Podiatric  
24 Medicine and delivered to the Board or its designee within 60 days after the start of the new fiscal  
25 year. Failure to pay costs within 30 calendar days of this date is a violation of probation.

26 18. NOTICE TO EMPLOYEES. Respondent shall, upon or before the effective date of  
27 this Decision, post or circulate a notice which actually recites the offenses for which Respondent  
28 has been disciplined and the terms and conditions of probation to all employees involved in

1 his/her practice. Within fifteen (15) days of the effective date of this Decision, Respondent shall  
2 cause his/her employees to report to the Board in writing, acknowledging the employees have  
3 read the Accusation and Decision in the case and understand Respondent's terms and conditions  
4 of probation.

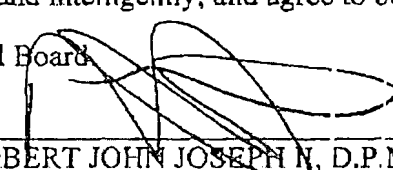

5 19. CHANGES OF EMPLOYMENT. Respondent shall notify the Board in writing,  
6 through the assigned probation officer, of any and all changes of employment, location, and  
7 address within thirty (30) days of such change.

8 20. COMPLIANCE WITH REQUIRED CONTINUING MEDICAL EDUCATION.  
9 Respondent shall submit satisfactory proof biennially to the Board of compliance with the  
10 requirement to complete fifty hours of approved continuing medical education, and meet  
11 continuing competence requirements for re-licensure during each two (2) year renewal period.

25 **JURISDICTION**

26 3. This Accusation is brought before the Podiatric Medical Board ("Board"), under the  
27 authority of the following laws. All section references are to the Business and Professions Code  
28

1 ("Code") unless otherwise indicated.

2 4. Section 2222 of the Code states:

3 The California Board of Podiatric Medicine shall enforce and administer this  
4 article as to doctors of podiatric medicine. Any acts of unprofessional conduct or  
5 other violations proscribed by this chapter are applicable to licensed doctors of  
6 podiatric medicine and wherever the Medical Quality Hearing Panel established  
7 under Section 11371 of the Government Code is vested with the authority to enforce  
8 and carry out this chapter as to licensed physicians and surgeons, the Medical Quality  
9 Hearing Panel also possesses that same authority as to licensed doctors of podiatric  
10 medicine.

11 The California Board of Podiatric Medicine may order the denial of an  
12 application or issue a certificate subject to conditions as set forth in Section 2221, or  
13 order the revocation, suspension, or other restriction of, or the modification of that

18 of Podiatric Medicine shall exercise the powers granted and be governed by the  
19 procedures set forth in this chapter.

20 5. Section 2497 of the Code states:

21 (a) The board may order the denial of an application for, or the suspension of,  
22 or the revocation of, or the imposition of probationary conditions upon, a certificate  
23 to practice podiatric medicine for any of the causes set forth in Article 12  
24 (commencing with Section 2220) in accordance with Section 2222.

25 (b) The board may hear all matters, including but not limited to, any contested  
26 case or may assign any such matters to an administrative law judge. The proceedings  
27 shall be held in accordance with Section 2230. If a contested case is heard by the  
28 board itself, the administrative law judge who presided at the hearing shall be present  
during the board's consideration of the case and shall assist and advise the board.

6. Section 2228 of the Code states:

The authority of the board or the California Board of Podiatric Medicine to  
discipline a licensee by placing him or her on probation includes, but is not limited to,  
the following:

(a) Requiring the licensee to obtain additional professional training and to pass  
an examination upon the completion of the training. The examination may be written  
or oral, or both, and may be a practical or clinical examination, or both, at the option  
of the board or the administrative law judge.

(b) Requiring the licensee to submit to a complete diagnostic examination by  
one or more physicians and surgeons appointed by the board. If an examination is  
ordered, the board shall receive and consider any other report of a complete  
diagnostic examination given by one or more physicians and surgeons of the  
licensee's choice.

1 (c) Restricting or limiting the extent, scope, or type of practice of the licensee,  
2 including requiring notice to applicable patients that the licensee is unable to perform  
3 the indicated treatment, where appropriate.

4 (d) Providing the option of alternative community service in cases other than  
5 violations relating to quality of care.

6 7. Section 2228.1 of the Code states:

7 (a) On and after July 1, 2019, except as otherwise provided in subdivision (c),  
8 the board shall require a licensee to provide a separate disclosure that includes the  
9 licensee's probation status, the length of the probation, the probation end date, all  
10 practice restrictions placed on the licensee by the board, the board's telephone  
11 number, and an explanation of how the patient can find further information on the

13 information Internet Web site, to a patient or the patient's guardian or health care

15 licensee is on probation pursuant to a probationary order made on and after July 1,  
16 2019, in any of the following circumstances:

17 (1) A final adjudication by the board following an administrative hearing or  
18 admitted findings or prima facie showing in a stipulated settlement establishing any  
19 of the following:

20 (A) The commission of any act of sexual abuse, misconduct, or relations  
21 with a patient or client as defined in Section 726 or 729.

22 (B) Drug or alcohol abuse directly resulting in harm to patients or the extent

28 any of the acts described in subparagraphs (A) to (D), inclusive, of paragraph (1),  
and a stipulated settlement based upon a nolo contendere or other similar  
compromise that does not include any prima facie showing or admission of guilt or

of this section would serve to protect the public interest.

(b) A licensee required to provide a disclosure pursuant to subdivision (a) shall  
obtain from the patient, or the patient's guardian or health care surrogate, a separate,  
signed copy of that disclosure.

(c) A licensee shall not be required to provide a disclosure pursuant to

6 (1) For probation imposed pursuant to a stipulated settlement, the causes

9 for probation stated in the final probationary order.

10 (3) For a licensee granted a probationary license, the causes by which the

12 (5) All practice restrictions placed on the license by the board.  
13 (e) Section 2314 shall not apply to this section.

14 **STATUTORY PROVISIONS**

15 8. Section 2234 of the Code, states:

16 The board shall take action against any licensee who is charged with  
17 unprofessional conduct. In addition to other provisions of this article, unprofessional  
conduct includes, but is not limited to, the following:

18 (a) Violating or attempting to violate, directly or indirectly, assisting in or  
19 abetting the violation of, or conspiring to violate any provision of this chapter.

20 ...

21 9. Unprofessional conduct under Business and Professions Code section 2234 is conduct  
22 which breaches the rules or ethical code of the medical profession, or conduct which is  
23 unbecoming to a member in good standing of the medical profession, and which demonstrates an  
24 unfitness to practice medicine. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 546,  
25 575.)

26 10. Section 2236 of the Code states:

27 (a) The conviction of any offense substantially related to the qualifications,  
28 functions, or duties of a physician and surgeon constitutes unprofessional conduct  
within the meaning of this chapter. The record of conviction shall be conclusive

evidence only of the fact that the conviction occurred.

(b) The district attorney, city attorney, or other prosecuting agency shall notify the Division of Medical Quality of the pendency of an action against a licensee charging a felony or misdemeanor immediately upon obtaining information that the defendant is a licensee. The notice shall identify the licensee and describe the crimes charged and the facts alleged. The prosecuting agency shall also notify the clerk of the court in which the action is pending that the defendant is a licensee, and the clerk shall record prominently in the file that the defendant holds a license as a physician and surgeon.

(c) The clerk of the court in which a licensee is convicted of a crime shall, within 48 hours after the conviction, transmit a certified copy of the record of conviction to the board. The division may inquire into the circumstances surrounding the commission of a crime in order to fix the degree of discipline or to determine if the conviction is of an offense substantially related to the qualifications, functions, or duties of a physician and surgeon.

(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this section and Section 2236.1. The record of conviction shall be conclusive evidence of the fact that the conviction occurred.

11. Section 490 of the Code states:

(a) In addition to any other action that a board is permitted to take against a licensee, a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime, if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any authority to discipline a licensee for conviction of a crime that is independent of the authority granted under subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties of the business or profession for which the licensee's license was issued.

(c) A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section has been made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant number of statutes and regulations in question, resulting in potential harm to the consumers of California from licensees who have been convicted of crimes. Therefore, the Legislature finds and declares that this section establishes an independent basis for a board to impose discipline upon a licensee, and that the amendments to this section made by Chapter 33 of the Statutes of 2008 do not constitute a change to, but rather are declaratory of, existing law.

///

12. Section 493 of the Code states:

(a) Notwithstanding any other law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact.

(b) (1) Criteria for determining whether a crime is substantially related to the qualifications, functions, or duties of the business or profession the board regulates shall include all of the following:

(A) The nature and gravity of the offense.

(B) The number of years elapsed since the date of the offense.

(C) The nature and duties of the profession.

(2) A board shall not categorically bar an applicant based solely on the type of conviction without considering evidence of rehabilitation.

(c) As used in this section, "license" includes "certificate," "permit," "authority," and "registration."

...

(e) This section shall become operative on July 1, 2020.

#### **REGULATORY PROVISIONS**

13. California Code of Regulations, title 16, section 1360, states:

For the purposes of denial, suspension or revocation of a license, certificate or permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be considered to be substantially related to the qualifications, functions or duties of a person holding a license, certificate or permit under the Medical Practice Act if to a substantial degree it evidences present or potential unfitness of a person holding a license, certificate or permit to perform the functions authorized by the license, certificate or permit in a manner consistent with the public health, safety or welfare. Such crimes or acts shall include but not be limited to the following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision of the Medical Practice Act.

#### **COST RECOVERY**

14. Section 2497.5 of the Code states:

(a) The board may request the administrative law judge, under his or her proposed decision in resolution of a disciplinary proceeding before the board, to direct any licensee found guilty of unprofessional conduct to pay to the board a sum not to exceed the actual and reasonable costs of the investigation and prosecution of the case.

1 (b) The costs to be assessed shall be fixed by the administrative law judge and  
2 shall not be increased by the board unless the board does not adopt a proposed  
3 decision and in making its own decision finds grounds for increasing the costs to be  
4 assessed, not to exceed the actual and reasonable costs of the investigation and  
5 prosecution of the case.

6 (c) When the payment directed in the board's order for payment of costs is not  
7 made by the licensee, the board may enforce the order for payment by bringing an  
8 action in any appropriate court. This right of enforcement shall be in addition to any  
9 other rights the board may have as to any licensee directed to pay costs.

10 (d) In any judicial action for the recovery of costs, proof of the board's decision  
11 shall be conclusive proof of the validity of the order of payment and the terms for  
12 payment.

13 (e)(1) Except as provided in paragraph (2), the board shall not renew or  
14 reinstate the license of any licensee who has failed to pay all of the costs ordered  
15 under this section.

16 (2) Notwithstanding paragraph (1), the board may, in its discretion,  
17 conditionally renew or reinstate for a maximum of one year the license of any  
18 licensee who demonstrates financial hardship and who enters into a formal agreement  
19 with the board to reimburse the board within one year period for those unpaid costs.

20 (f) All costs recovered under this section shall be deposited in the Board of  
21 Podiatric Medicine Fund as a reimbursement in either the fiscal year in which the  
22 costs are actually recovered or the previous fiscal year, as the board may direct.

### 23 FIRST CAUSE FOR DISCIPLINE

24 (Conviction of a Crime)

25 15. Respondent Robert John Joseph II, D.P.M. is subject to disciplinary action under  
26 Code sections 490, 493, and 2236; and California Code of Regulations, title 16, section 1360, in  
27 that he was convicted of a crime substantially related to the qualifications, functions, or duties of  
28 a doctor of podiatric medicine when he was convicted of violating 18 U.S.C. § 371 (Conspiracy),  
a felony. The circumstances are as follows:

16. On May 24, 2018, in the case of *United States of America v. Irena Shut, Domenic  
Signorelli, and Robert Joseph*, United States District Court for the Central District of California,  
case number 2:18-cr-00315 RGK, Respondent was charged with violating 18 U.S.C. § 371  
(Conspiracy), a felony (Count 1). The Indictment alleged, in pertinent part, as follows:

A. Respondent was a conspirator in a plan to defraud various government health  
care programs. Specifically, Respondent wrote compound drug prescriptions for  
patients that he caused to be routed to certain co-conspirator pharmacies for

1 dispensing in exchange for kickback payments ("Kickback Tainted  
2 Prescriptions").

3 B. "Compounding" is a practice in which a licensed professional (e.g., pharmacist  
4 or physician) combines, mixes or alters ingredients of a drug or multiple drugs to  
5 create drugs tailored to the needs of an individual patient. Compounded drugs  
6 are not FDA-approved. Compounded drugs can be prescribed when no FDA-  
7 approved drug meets the health needs of a particular patient. For example, if a  
8 patient is allergic to a specific ingredient in an FDA-approved medication, such  
9 as a dye, a compound drug can be prescribed and prepared that excludes the  
10 ingredient. As another example, compounded drugs are also used when a patient  
11 cannot consume a medication by traditional means (e.g. needs liquid in place of  
12 a pill).

13 C. The co-conspirator pharmacies to whom Respondent routed his patients'  
14 compound prescriptions would then send, by mail, the compounded drugs and  
15 other pharmaceuticals prescribed by Respondent to patient-beneficiaries, and  
16 submit claims for reimbursement to various government health care programs.  
17 Those government programs included: 1) the Defense Health Agency's program  
18 of health care coverage ("TRICARE") for Department of Defense beneficiaries  
19 worldwide, including active duty service members, National Guard and Reserve  
20 members, retirees, their families, and survivors; 2) the Federal Employees'  
21 Compensation Act ("FECA") program, which provides benefits (including  
22 reimbursement for prescription medication) to civilian employees of the United  
23 States for wage-loss disability due to traumatic injury or occupational disease  
24 while working as a federal employee; and 3) the California Workers'  
25 Compensation System, which provides insurance coverage for treatment of  
26 injury or illness suffered by individuals during the course of their employment  
27 (collectively, "Affected Health Care Plans").

28 ///

1 D. Respondent's co-conspirators used reimbursements received from the Affected  
2 Health Care Plans for the Kickback Tainted Prescriptions to pay Respondent's  
3 kickbacks.

4 E. In addition to kickbacks and bribes, Respondent received other inducements  
5 from his co-conspirators in exchange for authorizing pre-printed prescriptions  
6 for compound drugs: (a) with no prior physician/patient relationship with the  
7 beneficiaries; (b) without the knowledge or consent of the purported  
8 beneficiaries; and/or (c) without meaningfully considering a far less expensive  
9 FDA-approved (i.e., non-compounded) prescription drug for the patient.

10 F. Respondent concealed material information from his patients and the Affected  
11 Health Care Plans, including that the compound prescriptions were part of a  
12 kickback scheme.

13 G. In furtherance of the conspiracy, Respondent's co-conspirators submitted claims  
14 for reimbursement on Kickback Tainted Prescriptions seeking in excess of \$250  
15 million from the Affected Health Care Plans.

16 H. From in or around April 2014 through in or around July 2016, Respondent was  
17 paid approximately \$332,500, in exchange for authorizing Kickback Tainted  
18 Prescriptions, which were dispensed by his co-conspirator pharmacies and for  
19 which the Affected Health Care Plans reimbursed Respondent's co-conspirators  
20 approximately \$1.3 million.

21 17. On or about July 25, 2022, Respondent was convicted, by way of a plea of guilty, of  
22 Count 1 as charged in the Indictment.

23 18. On or about July 25, 2022, the United States District Court sentenced Respondent to  
24 (2) years of probation with terms and conditions, including 600 hours of community service, and  
25 ordered him to pay fees and a fine of \$10,000. The Court also entered a money judgment of  
26 forfeiture against Respondent in the amount of \$332,500. Further, and pursuant to the terms of  
27 his probation, Respondent "shall not be employed in any position that requires licensing and/or  
28 certification by any local, state, or federal agency without the prior written approval of the

1 Probation Officer.”

2 19. On or about August 8, 2022, Respondent caused a Criminal Action Reporting Form  
3 to be filed with the Board. That form advised the Board that Respondent had been convicted of a  
4 felony violation of 18 U.S.C. § 371 (Conspiracy).

5 **SECOND CAUSE FOR DISCIPLINE**

6 **(General Unprofessional Conduct)**

7 20. Respondent Robert John Joseph II, D.P.M. is subject to disciplinary action under

10 standing of the medical profession, and which demonstrated an unfitness to practice medicine.  
11 The circumstances are as follows:
