**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

17
18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of
22 California (Board). He brought this action solely in his official capacity and is represented in this
23 matter by Rob Bonta, Attorney General of the State of California, by Rebecca L. Smith, Deputy
24 Attorney General.

25 2. Ryan Matthew Spivak, M.D. (Respondent) is represented in this proceeding by
26 attorney Kevin D. Cauley, whose address is 35 North Lake Avenue, Suite 710, Pasadena,
27 California 91101-4185.

28 ///

3. On or about August 11, 2010, the Board issued Physician's and Surgeon's Certificate No. A 113632 to Respondent. That license was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2021-084122, and will expire on August 31, 2026, unless renewed.

JURISDICTION

4. Accusation No. 800-2021-084122 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on March 21, 2024. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A copy of Accusation No. 800-2021-084122 is attached as Exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2021-084122. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

9. Respondent understands and agrees that the charges and allegations in Accusation No. 800-2021-084122, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and Surgeon's Certificate.

10. Respondent does not contest that, at an administrative hearing, Complainant could establish a prima facie case with respect to the charges and allegations in Accusation No. 800-2021-084122, a true and correct copy of which is attached hereto as Exhibit A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. A 113632 to disciplinary action.

11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to discipline and agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

CONTINGENCY

12. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

13. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final and exclusive embodiment of the agreement of the parties in this above entitled matter.

14. Respondent agrees that if he ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against him before the Board, all of the charges and allegations contained in Accusation No. 800-2021-084122 shall be deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the State of California.

15. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile

1 signatures thereto, shall have the same force and effect as the originals.

2 16. In consideration of the foregoing admissions and stipulations, the parties agree that
3 the Board may, without further notice or opportunity to be heard by Respondent, issue and enter
4 the following Disciplinary Order:

5 **DISCIPLINARY ORDER**

6 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 113632 issued
7 to Respondent RYAN MATTHEW SPIVAK, M.D. is revoked. However, the revocation is
8 stayed and Respondent is placed on probation for two (2) years to run consecutively from the
9 conclusion of Respondent's probation term in the Board's Decision in Case No. 800-2019-
10 060028, for a total of thirteen (13) years' probation, with the following terms and conditions:

11 1. CLINICAL DIAGNOSTIC EVALUATION – Condition Satisfied. Within thirty (30)
12 calendar days of the effective date of this Decision, and on whatever periodic basis thereafter as
13 may be required by the Board or its designee, Respondent shall undergo and complete a clinical
14 diagnostic evaluation, including any and all testing deemed necessary, by a Board-appointed
15 board certified physician and surgeon. The examiner shall consider any information provided by
16 the Board or its designee and any other information he or she deems relevant, and shall furnish a
17 written evaluation report to the Board or its designee.

18 The clinical diagnostic evaluation shall be conducted by a licensed physician and surgeon
19 who holds a valid, unrestricted license, has three (3) years' experience in providing evaluations of
20 physicians and surgeons with substance abuse disorders, and is approved by the Board or its
21 designee. The clinical diagnostic evaluation shall be conducted in accordance with acceptable
22 professional standards for conducting substance abuse clinical diagnostic evaluations. The
23 evaluator shall not have a current or former financial, personal, or business relationship with
24 Respondent within the last five (5) years. The evaluator shall provide an objective, unbiased, and
25 independent evaluation. The clinical diagnostic evaluation report shall set forth, in the
26 evaluator's opinion, whether Respondent has a substance abuse problem, whether Respondent is a
27 threat to himself or others, and recommendations for substance abuse treatment, practice
28 restrictions, or other recommendations related to Respondent's rehabilitation and ability to

1 practice safely. If the evaluator determines during the evaluation process that Respondent is a
2 threat to himself or others, the evaluator shall notify the Board within twenty-four (24) hours of
3 such a determination.

4 In formulating his opinion as to whether Respondent is safe to return to either part-time or
5 full-time practice and what restrictions or recommendations should be imposed, including
6 participation in an inpatient or outpatient treatment program, the evaluator shall consider the
7 following factors: Respondent's license type; Respondent's history; Respondent's documented
8 length of sobriety (i.e., length of time that has elapsed since Respondent's last substance use);
9 Respondent's scope and pattern of substance abuse; Respondent's treatment history, medical
10 history and current medical condition; the nature, duration and severity of Respondent's
11 substance abuse problem or problems; and whether Respondent is a threat to himself or the
12 public.

13 For all clinical diagnostic evaluations, a final written report shall be provided to the Board
14 no later than ten (10) days from the date the evaluator is assigned the matter. If the evaluator
15 requests additional information or time to complete the evaluation and report, an extension may
16 be granted, but shall not exceed thirty (30) days from the date the evaluator was originally
17 assigned the matter.

18 The Board shall review the clinical diagnostic evaluation report within five (5) business
19 days of receipt to determine whether Respondent is safe to return to either part-time or full-time
20 practice and what restrictions or recommendations shall be imposed on Respondent based on the
21 recommendations made by the evaluator. Respondent shall not be returned to practice until he
22 has at least thirty (30) days of negative biological fluid tests or biological fluid tests indicating
23 that he has not used, consumed, ingested, or administered to himself a prohibited substance, as
24 defined in section 1361.51, subdivision (e), of Title 16 of the California Code of Regulations.

25 Clinical diagnostic evaluations conducted prior to the effective date of this Decision shall
26 not be accepted towards the fulfillment of this requirement. The cost of the clinical diagnostic
27 evaluation, including any and all testing deemed necessary by the examiner, the Board or its
28 designee, shall be borne by the licensee.

1 Respondent shall not engage in the practice of medicine until notified by the Board or its
2 designee that he is fit to practice medicine safely. The period of time that Respondent is not
3 practicing medicine shall not be counted toward completion of the term of probation. Respondent
4 shall undergo biological fluid testing as required in this Decision at least two (2) times per week
5 while awaiting the notification from the Board if he is fit to practice medicine safely.

6 Respondent shall comply with all restrictions or conditions recommended by the examiner
7 conducting the clinical diagnostic evaluation within fifteen (15) calendar days after being notified
8 by the Board or its designee.

9 2. CONTROLLED SUBSTANCES - TOTAL RESTRICTION. Respondent shall not
10 order, prescribe, dispense, administer, furnish, or possess any controlled substances as defined in
11 the California Uniform Controlled Substances Act.

12 Respondent shall not issue an oral or written recommendation or approval to a patient or a
13 patient's primary caregiver for the possession or cultivation of marijuana for the personal medical
14 purposes of the patient within the meaning of Health and Safety Code section 11362.5.

15 If Respondent forms the medical opinion, after an appropriate prior examination and a
16 medical indication, that a patient's medical condition may benefit from the use of marijuana,
17 Respondent shall so inform the patient and shall refer the patient to another physician who,
18 following an appropriate prior examination and a medical indication, may independently issue a
19 medically appropriate recommendation or approval for the possession or cultivation of marijuana
20 for the personal medical purposes of the patient within the meaning of Health and Safety Code
21 section 11362.5. In addition, Respondent shall inform the patient or the patient's primary
22 caregiver that Respondent is prohibited from issuing a recommendation or approval for the
23 possession or cultivation of marijuana for the personal medical purposes of the patient and that
24 the patient or the patient's primary caregiver may not rely on Respondent's statements to legally
25 possess or cultivate marijuana for the personal medical purposes of the patient. Respondent shall
26 fully document in the patient's chart that the patient or the patient's primary caregiver was so
27 informed. Nothing in this condition prohibits Respondent from providing the patient or the
28 patient's primary caregiver information about the possible medical benefits resulting from the use

1 of marijuana.

2 3. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain
3 completely from the personal use or possession of controlled substances as defined in the
4 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and
5 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not
6 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
7 illness or condition.

8 Within fifteen (15) calendar days of receiving any lawfully prescribed medications,
9 Respondent shall notify the Board or its designee of the: issuing practitioner's name, address, and
10 telephone number; medication name, strength, and quantity; and issuing pharmacy name, address,
11 and telephone number.

12 4. COMMUNITY SERVICE - FREE SERVICES – Condition Satisfied. Within sixty
13 (60) calendar days of the effective date of this Decision, Respondent shall submit to the Board or
14 its designee for prior approval a community service plan in which Respondent shall within the
15 first two (2) years of probation, provide forty (40) hours of free non-medical services to a
16 community or non-profit organization. Prior to engaging in any community service, Respondent
17 shall provide a true copy of the Decision to the chief of staff, director, office manager, program
18 manager, officer, or the chief executive officer at every community or non-profit organization
19 where Respondent provides non-medical community service and shall submit proof of
20 compliance to the Board or its designee within fifteen (15) calendar days. This condition shall
21 also apply to any change(s) in community service.

22 Community service performed prior to the effective date of the Decision shall not be
23 accepted in fulfillment of this condition.

24 5. EDUCATION COURSE. Within sixty (60) calendar days of the effective date of this
25 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee
26 for its prior approval educational program(s) or course(s) which shall not be less than forty (40)
27 hours per year, for each year of probation. The educational program(s) or course(s) shall be
28 aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified.

1 The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition
2 to the Continuing Medical Education (CME) requirements for renewal of licensure. Following
3 the completion of each course, the Board or its designee may administer an examination to test
4 Respondent's knowledge of the course. Respondent shall provide proof of attendance for sixty-
5 five (65) hours of CME of which forty (40) hours were in satisfaction of this condition.

6 6. PREScribing PRACTICES COURSE – Condition Satisfied. Within sixty (60)
7 calendar days of the effective date of this Decision, Respondent shall enroll in a course in
8 prescribing practices approved in advance by the Board or its designee. Respondent shall provide
9 the approved course provider with any information and documents that the approved course
10 provider may deem pertinent. Respondent shall participate in and successfully complete the
11 classroom component of the course not later than six (6) months after Respondent's initial
12 enrollment. Respondent shall successfully complete any other component of the course within
13 one (1) year of enrollment. The prescribing practices course shall be at Respondent's expense and
14 shall be in addition to the Continuing Medical Education (CME) requirements for renewal of
15 licensure.

16 A prescribing practices course taken after the acts that gave rise to the charges in the
17 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
18 or its designee, be accepted towards the fulfillment of this condition if the course would have
19 been approved by the Board or its designee had the course been taken after the effective date of
20 this Decision.

21 Respondent shall submit a certification of successful completion to the Board or its
22 designee not later than fifteen (15) calendar days after successfully completing the course, or not
23 later than fifteen (15) calendar days after the effective date of the Decision, whichever is later.

24 7. MEDICAL RECORD KEEPING COURSE – Condition Satisfied. Within sixty (60)
25 calendar days of the effective date of this Decision, Respondent shall enroll in a course in medical
26 record keeping approved in advance by the Board or its designee. Respondent shall provide the
27 approved course provider with any information and documents that the approved course provider
28 may deem pertinent. Respondent shall participate in and successfully complete the classroom

1 component of the course not later than six (6) months after Respondent's initial enrollment.

2 Respondent shall successfully complete any other component of the course within one (1) year of
3 enrollment. The medical record keeping course shall be at Respondent's expense and shall be in
4 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

5 A medical record keeping course taken after the acts that gave rise to the charges in the
6 First Amended Accusation, but prior to the effective date of the Decision may, in the sole
7 discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the
8 course would have been approved by the Board or its designee had the course been taken after the
9 effective date of this Decision.

10 Respondent shall submit a certification of successful completion to the Board or its
11 designee not later than fifteen (15) calendar days after successfully completing the course, or not
12 later than fifteen (15) calendar days after the effective date of the Decision, whichever is later.

13 8. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within sixty (60) calendar
14 days of the effective date of this Decision, Respondent shall enroll in a professionalism program,
15 that meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.

16 Respondent shall participate in and successfully complete that program. Respondent shall
17 provide any information and documents that the program may deem pertinent. Respondent shall
18 successfully complete the classroom component of the program not later than six (6) months after
19 Respondent's initial enrollment, and the longitudinal component of the program not later than the
20 time specified by the program, but no later than one (1) year after attending the classroom
21 component. The professionalism program shall be at Respondent's expense and shall be in
22 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

23 A professionalism program taken after the acts that gave rise to the charges in the
24 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
25 or its designee, be accepted towards the fulfillment of this condition if the program would have
26 been approved by the Board or its designee had the program been taken after the effective date of
27 this Decision.

28 Respondent shall submit a certification of successful completion to the Board or its

1 designee not later than fifteen (15) calendar days after successfully completing the program or not
2 later than fifteen (15) calendar days after the effective date of the Decision, whichever is later.

3 9. CLINICAL COMPETENCE ASSESSMENT PROGRAM. Within sixty (60)
4 calendar days of the effective date of this Decision, Respondent shall enroll in a clinical
5 competence assessment program approved in advance by the Board or its designee. Respondent
6 shall successfully complete the program not later than six (6) months after Respondent's initial
7 enrollment unless the Board or its designee agrees in writing to an extension of that time.

8 The program shall consist of a comprehensive assessment of Respondent's physical and
9 mental health and the six general domains of clinical competence as defined by the Accreditation
10 Council on Graduate Medical Education and American Board of Medical Specialties pertaining to
11 Respondent's current or intended area of practice. The program shall take into account data
12 obtained from the pre-assessment, self-report forms and interview, and the Decision(s),
13 Accusation(s), and any other information that the Board or its designee deems relevant. The
14 program shall require Respondent's on-site participation as determined by the program for the
15 assessment and clinical education and evaluation. Respondent shall pay all expenses associated
16 with the clinical competence assessment program.

17 At the end of the evaluation, the program will submit a report to the Board or its designee
18 which unequivocally states whether Respondent has demonstrated the ability to practice safely
19 and independently. Based on Respondent's performance on the clinical competence assessment,
20 the program will advise the Board or its designee of its recommendation(s) for the scope and
21 length of any additional educational or clinical training, evaluation or treatment for any medical
22 condition or psychological condition, or anything else affecting Respondent's practice of
23 medicine. Respondent shall comply with the program's recommendations.

24 Determination as to whether Respondent successfully completed the clinical competence
25 assessment program is solely within the program's jurisdiction.

26 If Respondent fails to enroll, participate in, or successfully complete the clinical
27 competence assessment program within the designated time period, Respondent shall receive a
28 notification from the Board or its designee to cease the practice of medicine within three (3)

1 calendar days after being so notified. Respondent shall not resume the practice of medicine until
2 enrollment or participation in the outstanding portions of the clinical competence assessment
3 program have been completed. If Respondent did not successfully complete the clinical
4 competence assessment program, Respondent shall not resume the practice of medicine until a
5 final decision has been rendered on the accusation and/or a petition to revoke probation. The
6 cessation of practice shall not apply to the reduction of the probationary time period.

7 10. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to
8 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.
9 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair
10 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall
11 make daily contact with the Board or its designee to determine whether biological fluid testing is
12 required. Respondent shall be tested on the date of the notification as directed by the Board or its
13 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at
14 any time, including weekends and holidays. Except when testing on a specific date as ordered by
15 the Board or its designee, the scheduling of biological fluid testing shall be done on a random
16 basis. The cost of biological fluid testing shall be borne by Respondent.

17 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.
18 During the second year of probation and for the duration of the probationary term, up to five (5)
19 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no
20 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing
21 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number
22 of random tests to the first-year level of frequency for any reason.

23 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
24 approved in advance by the Board or its designee, that will conduct random, unannounced,
25 observed, biological fluid testing and meets all of the following standards:

- 26 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
27 Association or have completed the training required to serve as a collector for the United
28 States Department of Transportation.

- 1 (b) Its specimen collectors conform to the current United States Department of
2 Transportation Specimen Collection Guidelines.
- 3 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published
4 by the United States Department of Transportation without regard to the type of test
5 administered.
- 6 (d) Its specimen collectors observe the collection of testing specimens.
- 7 (e) Its laboratories are certified and accredited by the United States Department of Health
8 and Human Services.
- 9 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
10 of receipt and all specimens collected shall be handled pursuant to chain of custody
11 procedures. The laboratory shall process and analyze the specimens and provide legally
12 defensible test results to the Board within seven (7) business days of receipt of the
13 specimen. The Board will be notified of non-negative results within one (1) business day
14 and will be notified of negative test results within seven (7) business days.
- 15 (g) Its testing locations possess all the materials, equipment, and technical expertise
16 necessary in order to test Respondent on any day of the week.
- 17 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens
18 for the detection of alcohol and illegal and controlled substances.
- 19 (i) It maintains testing sites located throughout California.
- 20 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line
21 computer database that allows Respondent to check in daily for testing.
- 22 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff
23 access to drug test results and compliance reporting information that is available 24 hours a
24 day.
- 25 (l) It employs or contracts with toxicologists that are licensed physicians and have
26 knowledge of substance abuse disorders and the appropriate medical training to interpret
27 and evaluate laboratory biological fluid test results, medical histories, and any other
28 information relevant to biomedical information.

1 (m) It will not consider a toxicology screen to be negative if a positive result is obtained
2 while practicing, even if Respondent holds a valid prescription for the substance.

3 Prior to changing testing locations for any reason, including during vacation or other travel,
4 alternative testing locations must be approved by the Board and meet the requirements above.

5 The contract shall require that the laboratory directly notify the Board or its designee of
6 non-negative results within one (1) business day and negative test results within seven (7)
7 business days of the results becoming available. Respondent shall maintain this laboratory or
8 service contract during the period of probation.

9 A certified copy of any laboratory test result may be received in evidence in any
10 proceedings between the Board and Respondent.

11 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
12 administered to himself or herself a prohibited substance, the Board shall order Respondent to
13 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
14 medicine or providing medical services. The Board shall immediately notify all of Respondent's
15 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or
16 provide medical services while the cease-practice order is in effect.

17 A biological fluid test will not be considered negative if a positive result is obtained while
18 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
19 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

20 After the issuance of a cease-practice order, the Board shall determine whether the positive
21 biological fluid test is in fact evidence of prohibited substance use by consulting with the
22 specimen collector and the laboratory, communicating with the licensee, his treating physician(s),
23 other health care provider, or group facilitator, as applicable.

24 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
25 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

26 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
27 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
28 Respondent and approved by the Board, alcohol, or any other substance Respondent has been

1 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

2 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
3 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
4 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to
5 any other terms or conditions the Board determines are necessary for public protection or to
6 enhance Respondent's rehabilitation.

7 11. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of
8 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its
9 prior approval, the name of a substance abuse support group which he shall attend for the duration
10 of probation. Respondent shall attend substance abuse support group meetings at least once per
11 week, or as ordered by the Board or its designee.

12 Respondent shall pay all substance abuse support group meeting costs.

13 The facilitator of the substance abuse support group meeting shall have a minimum of
14 three (3) years' experience in the treatment and rehabilitation of substance abuse, and shall be
15 licensed or certified by the state or nationally certified organizations. The facilitator shall not
16 have a current or former financial, personal, or business relationship with Respondent within the
17 last five (5) years. Respondent's previous participation in a substance abuse group support
18 meeting led by the same facilitator does not constitute a prohibited current or former financial,
19 personal, or business relationship.

20 The facilitator shall provide a signed document to the Board or its designee showing
21 Respondent's name, the group name, the date and location of the meeting, Respondent's
22 attendance and Respondent's level of participation and progress. The facilitator shall report any
23 unexcused absence by Respondent from any substance abuse support group meeting to the Board,
24 or its designee, within twenty-four (24) hours of the unexcused absence.

25 12. PSYCHOTHERAPY. Within sixty (60) calendar days of the effective date of this
26 Decision, Respondent shall submit to the Board or its designee for prior approval the name and
27 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
28 has a doctoral degree in psychology and at least five years of postgraduate experience in the

1 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall
2 undergo and continue psychotherapy treatment, including any modifications to the frequency of
3 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

4 The psychotherapist shall consider any information provided by the Board or its designee
5 and any other information the psychotherapist deems relevant and shall furnish a written
6 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
7 psychotherapist any information and documents that the psychotherapist may deem pertinent.

8 Respondent shall have the treating psychotherapist submit quarterly status reports to the
9 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
10 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
11 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
12 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
13 period of probation shall be extended until the Board determines that Respondent is mentally fit
14 to resume the practice of medicine without restrictions.

15 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

16 13. MEDICAL EVALUATION AND TREATMENT – Condition satisfied. Within
17 thirty (30) calendar days of the effective date of this Decision, and on a periodic basis thereafter
18 as may be required by the Board or its designee, Respondent shall undergo a medical evaluation
19 by a Board-appointed physician who shall consider any information provided by the Board or
20 designee and any other information the evaluating physician deems relevant and shall furnish a
21 medical report to the Board or its designee. Respondent shall provide the evaluating physician
22 any information and documentation that the evaluating physician may deem pertinent.

23 Following the evaluation, Respondent shall comply with all restrictions or conditions
24 recommended by the evaluating physician within fifteen (15) calendar days after being notified
25 by the Board or its designee. If Respondent is required by the Board or its designee to undergo
26 medical treatment, Respondent shall within thirty (30) calendar days of the requirement notice,
27 submit to the Board or its designee for prior approval the name and qualifications of a California
28 licensed treating physician of Respondent's choice. Upon approval of the treating physician,

1 Respondent shall within fifteen (15) calendar days undertake medical treatment and shall
2 continue such treatment until further notice from the Board or its designee.

3 The treating physician shall consider any information provided by the Board or its designee
4 or any other information the treating physician may deem pertinent prior to commencement of
5 treatment. Respondent shall have the treating physician submit quarterly reports to the Board or
6 its designee indicating whether or not Respondent is capable of practicing medicine safely.
7 Respondent shall provide the Board or its designee with any and all medical records pertaining to
8 treatment, the Board or its designee deems necessary.

9 If, prior to the completion of probation, Respondent is found to be physically incapable of
10 resuming the practice of medicine without restrictions, the Board shall retain continuing
11 jurisdiction over Respondent's license and the period of probation shall be extended until the
12 Board determines that Respondent is physically capable of resuming the practice of medicine
13 without restrictions. Respondent shall pay the cost of the medical evaluation(s) and treatment.

14 14. MONITORING - PRACTICE. Within thirty (30) calendar days of the effective date
15 of this Decision, Respondent shall submit to the Board or its designee for prior approval as a
16 practice monitor, the name and qualifications of one or more licensed physicians and surgeons
17 whose licenses are valid and in good standing, and who are preferably American Board of
18 Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or
19 personal relationship with Respondent, or other relationship that could reasonably be expected to
20 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
21 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
22 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

23 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
24 and Accusation(s), and a proposed monitoring plan. Within fifteen (15) calendar days of receipt
25 of the Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a
26 signed statement that the monitor has read the Decision(s) and Accusation(s), fully understands
27 the role of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor
28 disagrees with the proposed monitoring plan, the monitor shall submit a revised monitoring plan

1 with the signed statement for approval by the Board or its designee.

2 Within sixty (60) calendar days of the effective date of this Decision, and continuing
3 throughout probation, Respondent's practice shall be monitored by the approved monitor.
4 Respondent shall make all records available for immediate inspection and copying on the
5 premises by the monitor at all times during business hours and shall retain the records for the
6 entire term of probation.

7 If Respondent fails to obtain approval of a monitor within sixty (60) calendar days of the
8 effective date of this Decision, Respondent shall receive a notification from the Board or its
9 designee to cease the practice of medicine within three (3) calendar days after being so notified.
10 Respondent shall cease the practice of medicine until a monitor is approved to provide monitoring
11 responsibility.

12 The monitor(s) shall submit a quarterly written report to the Board or its designee which
13 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
14 are within the standards of practice of medicine, and whether Respondent is practicing medicine
15 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure
16 that the monitor submits the quarterly written reports to the Board or its designee within ten (10)
17 calendar days after the end of the preceding quarter.

18 If the monitor resigns or is no longer available, Respondent shall, within five (5) calendar
19 days of such resignation or unavailability, submit to the Board or its designee, for prior approval,
20 the name and qualifications of a replacement monitor who will be assuming that responsibility
21 within fifteen (15) calendar days. If Respondent fails to obtain approval of a replacement monitor
22 within sixty (60) calendar days of the resignation or unavailability of the monitor, Respondent
23 shall receive a notification from the Board or its designee to cease the practice of medicine within
24 three (3) calendar days after being so notified. Respondent shall cease the practice of medicine
25 until a replacement monitor is approved and assumes monitoring responsibility.

26 In lieu of a monitor, Respondent may participate in a professional enhancement program
27 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
28 review, semi-annual practice assessment, and semi-annual review of professional growth and

1 education. Respondent shall participate in the professional enhancement program at
2 Respondent's expense during the term of probation.

3 15. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty
4 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or
5 its designee for prior approval as a worksite monitor, the name and qualifications of one or more
6 licensed physician and surgeon, other licensed health care professional if no physician and
7 surgeon is available, or, as approved by the Board or its designee, a person in a position of
8 authority who is capable of monitoring Respondent at work.

9 The worksite monitor shall not have a current or former financial, personal, or familial
10 relationship with Respondent, or any other relationship that could reasonably be expected to
11 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its
12 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite
13 monitor, this requirement may be waived by the Board or its designee, however, under no
14 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

15 The worksite monitor shall have an active unrestricted license with no disciplinary action
16 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
17 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth
18 by the Board or its designee.

19 Respondent shall pay all worksite monitoring costs.

20 The worksite monitor shall have face-to-face contact with Respondent in the work
21 environment on as frequent a basis as determined by the Board or its designee, but not less than
22 once per week; interview other staff in the office regarding Respondent's behavior, if requested
23 by the Board or its designee; and review Respondent's work attendance.

24 The worksite monitor shall verbally report any suspected substance abuse to the Board and
25 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected
26 substance abuse does not occur during the Board's normal business hours, the verbal report shall
27 be made to the Board or its designee within one (1) hour of the next business day. A written
28 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and

1 any other information deemed important by the worksite monitor shall be submitted to the Board
2 or its designee within forty-eight (48) hours of the occurrence.

3 The worksite monitor shall complete and submit a written report monthly or as directed by
4 the Board or its designee which shall include the following: (1) Respondent's name and
5 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)
6 the worksite monitor's license number, if applicable; (4) the location or location(s) of the
7 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the
8 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;
9 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can
10 lead to suspected substance abuse by Respondent. Respondent shall complete any required
11 consent forms and execute agreements with the approved worksite monitor and the Board, or its
12 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

13 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)
14 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
15 approval, the name and qualifications of a replacement monitor who will be assuming that
16 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a
17 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
18 monitor, Respondent shall receive a notification from the Board or its designee to cease the
19 practice of medicine within three (3) calendar days after being so notified. Respondent shall
20 cease the practice of medicine until a replacement monitor is approved and assumes monitoring
21 responsibility.

22 16. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7)
23 days of the effective date of this Decision, Respondent shall provide to the Board the names,
24 physical addresses, mailing addresses, and telephone numbers of any and all employers and
25 supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's
26 worksite monitor, and Respondent's employers and supervisors to communicate regarding
27 Respondent's work status, performance, and monitoring.

28 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or

Well Being Committee Chair, or equivalent, if applicable, when Respondent has medical staff privileges.

17. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING LICENSEES . Failure to fully comply with any term or condition of probation is a violation of probation.

A. If Respondent commits a major violation of probation as defined by section 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take one or more of the following actions:

(1) Issue an immediate cease-practice order and order Respondent to undergo a clinical diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice order issued by the Board or its designee shall state that Respondent must test negative for at least a month of continuous biological fluid testing before being allowed to resume practice. For purposes of determining the length of time a Respondent must test negative while undergoing continuous biological fluid testing following issuance of a cease-practice order, a month is defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until notified in writing by the Board or its designee that he or she may do so.

(2) Increase the frequency of biological fluid testing.

(3) Refer Respondent for further disciplinary action, such as suspension, revocation, or other action as determined by the Board or its designee.

B. If Respondent commits a minor violation of probation as defined by section 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take one or more of the following actions:

(1) Issue a cease-practice order;

(2) Order practice limitations;

(3) Order or increase supervision of Respondent;

(4) Order increased documentation;

(5) Issue a citation and fine, or a warning letter;

1 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
2 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
3 Regulations, at Respondent's expense;

4 (7) Take any other action as determined by the Board or its designee.

5 C. Nothing in this Decision shall be considered a limitation on the Board's authority
6 to revoke Respondent's probation if he or she has violated any term or condition of probation. If
7 Respondent violates probation in any respect, the Board, after giving Respondent notice and the
8 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
9 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
10 against Respondent during probation, the Board shall have continuing jurisdiction until the matter
11 is final, and the period of probation shall be extended until the matter is final.

12 18. NOTIFICATION. Within seven (7) days of the effective date of this Decision,
13 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
14 Chief Executive Officer at every hospital where privileges or membership are extended to
15 Respondent, at any other facility where Respondent engages in the practice of medicine,
16 including all physician and locum tenens registries or other similar agencies, and to the Chief
17 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
18 Respondent. Respondent shall submit proof of compliance to the Board or its designee within
19 fifteen (15) calendar days.

20 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

21 19. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
22 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
23 advanced practice nurses.

24 20. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
25 governing the practice of medicine in California and remain in full compliance with any court
26 ordered criminal probation, payments, and other orders.

27 21. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
28 ordered to reimburse the Board its costs of investigation and enforcement, in the amount of

1 \$50,694.00 (Fifty Thousand Six Hundred Ninety-Four Dollars and No Cents). Costs shall be
2 payable to the Medical Board of California. Failure to pay such costs shall be considered a
3 violation of probation.

4 Payment must be made in full within thirty (30) calendar days of the effective date of the
5 Order, or by a payment plan approved by the Medical Board of California. Any and all requests
6 for a payment plan shall be submitted in writing by Respondent to the Board. Failure to comply
7 with the payment plan shall be considered a violation of probation.

8 The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility
9 to repay investigation and enforcement costs.

10 22. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
11 under penalty of perjury on forms provided by the Board, stating whether there has been
12 compliance with all the conditions of probation.

13 Respondent shall submit quarterly declarations not later than ten (10) calendar days after
14 the end of the preceding quarter.

15 23. GENERAL PROBATION REQUIREMENTS.

16 Compliance with Probation Unit

17 Respondent shall comply with the Board's probation unit.

18 Address Changes

19 Respondent shall, at all times, keep the Board informed of Respondent's business and
20 residence addresses, email address (if available), and telephone number. Changes of such
21 addresses shall be immediately communicated in writing to the Board or its designee. Under no
22 circumstances shall a post office box serve as an address of record, except as allowed by Business
23 and Professions Code section 2021, subdivision (b).

24 Place of Practice

25 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
26 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
27 facility.

28 ///

1 License Renewal

2 Respondent shall maintain a current and renewed California physician's and surgeon's
3 license.

4 Travel or Residence Outside California

5 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
6 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
7 (30) calendar days.

8 In the event Respondent should leave the State of California to reside or to practice
9 Respondent shall notify the Board or its designee in writing thirty (30) calendar days prior to the
10 dates of departure and return.

11 24. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
12 available in person upon request for interviews either at Respondent's place of business or at the
13 probation unit office, with or without prior notice throughout the term of probation.

14 25. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
15 its designee in writing within fifteen (15) calendar days of any periods of non-practice lasting
16 more than thirty (30) calendar days and within fifteen (15) calendar days of Respondent's return
17 to practice. Non-practice is defined as any period of time Respondent is not practicing medicine
18 as defined in Business and Professions Code sections 2051 and 2052 for at least forty (40) hours
19 in a calendar month in direct patient care, clinical activity or teaching, or other activity as
20 approved by the Board. If Respondent resides in California and is considered to be in non-
21 practice, Respondent shall comply with all terms and conditions of probation. All time spent in
22 an intensive training program which has been approved by the Board or its designee shall not be
23 considered non-practice and does not relieve Respondent from complying with all the terms and
24 conditions of probation. Practicing medicine in another state of the United States or Federal
25 jurisdiction while on probation with the medical licensing authority of that state or jurisdiction
26 shall not be considered non-practice. A Board-ordered suspension of practice shall not be
27 considered as a period of non-practice.

28 In the event Respondent's period of non-practice while on probation exceeds eighteen (18)

1 calendar months, Respondent shall successfully complete the Federation of State Medical Boards'
2 Special Purpose Examination, or, at the Board's discretion, a clinical competence assessment
3 program that meets the criteria of Condition 18 of the current version of the Board's "Manual of
4 Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of
5 medicine.

6 Respondent's period of non-practice while on probation shall not exceed two (2) years.

7 Periods of non-practice will not apply to the reduction of the probationary term.

8 Periods of non-practice for a Respondent residing outside of California will relieve
9 Respondent of the responsibility to comply with the probationary terms and conditions with the
10 exception of this condition and the following terms and conditions of probation: Obey All Laws;
11 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
12 Controlled Substances; and Biological Fluid Testing.

13 26. COMPLETION OF PROBATION. Respondent shall comply with all financial
14 obligations (e.g., restitution, probation costs) not later than one hundred twenty (120) calendar
15 days prior to the completion of probation. This term does not include cost recovery, which is due
16 within thirty (30) calendar days of the effective date of the Order, or by a payment plan approved
17 by the Medical Board and timely satisfied. Upon successful completion of probation,
18 Respondent's certificate shall be fully restored.

19 27. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
20 of probation is a violation of probation. If Respondent violates probation in any respect, the
21 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
22 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
23 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
24 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
25 be extended until the matter is final.

26 28. LICENSE SURRENDER. Following the effective date of this Decision, if
27 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
28 the terms and conditions of probation, Respondent may request to surrender his or her license.

1 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
2 determining whether or not to grant the request, or to take any other action deemed appropriate
3 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
4 shall within fifteen (15) calendar days deliver Respondent's wallet and wall certificate to the
5 Board or its designee and Respondent shall no longer practice medicine. Respondent will no
6 longer be subject to the terms and conditions of probation. If Respondent re-applies for a medical
7 license, the application shall be treated as a petition for reinstatement of a revoked certificate.

8 29. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
9 with probation monitoring each and every year of probation, as designated by the Board, which
10 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
11 California and delivered to the Board or its designee no later than January 31 of each calendar
12 year.

13 30. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
14 a new license or certification, or petition for reinstatement of a license, by any other health care
15 licensing action agency in the State of California, all of the charges and allegations contained in
16 Accusation No. 800-2021-084122 shall be deemed to be true, correct, and admitted by
17 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
18 restrict license.

JURISDICTION

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2004 of the Code states:

The board shall have the responsibility for the following:

(a) The enforcement of the disciplinary and criminal provisions of the Medical Practice Act;

(b) The administration and hearing of disciplinary actions.

(c) Carrying out disciplinary actions appropriate to findings made by a panel or an administrative law judge.

(d) Suspending, revoking, or otherwise limiting certificates after the conclusion of disciplinary actions.

(e) Reviewing the quality of medical practice carried out by physician and surgeon certificate holders under the jurisdiction of the board.

(f) Approving undergraduate and graduate medical education programs.

(g) Approving clinical clerkship and special programs and hospitals for the programs in subdivision (f).

(h) Issuing licenses and certificates under the board's jurisdiction.

(i) Administering the board's continuing medical education program.

5. Section 2220 of the Code states:

Except as otherwise provided by law, the board may take action against all persons guilty of violating this chapter. The board shall enforce and administer this article as to physician and surgeon certificate holders, including those who hold certificates that do not permit them to practice medicine, such as, but not limited to, retired, inactive, or disabled status certificate holders, and the board shall have all the powers granted in this chapter for these purposes including, but not limited to:

(a) Investigating complaints from the public, from other licensees, from health care facilities, or from the board that a physician and surgeon may be guilty of unprofessional conduct. The board shall investigate the circumstances underlying a report received pursuant to Section 805 or 805.01 within 30 days to determine if an interim suspension order or temporary restraining order should be issued. The board shall otherwise provide timely disposition of the reports received pursuant to Section 805 and Section 805.01.

(b) Investigating the circumstances of practice of any physician and surgeon where there have been any judgments, settlements, or arbitration awards requiring the physician and surgeon or his or her professional liability insurer to pay an amount in

1 damages in excess of a cumulative total of thirty thousand dollars (\$30,000) with
2 respect to any claim that injury or damage was proximately caused by the physician's
3 and surgeon's error, negligence, or omission.

4 (c) Investigating the nature and causes of injuries from cases which shall be
5 reported of a high number of judgments, settlements, or arbitration awards against a
6 physician and surgeon.

7 6. Section 2227 of the Code states:

8 (a) A licensee whose matter has been heard by an administrative law judge of
9 the Medical Quality Hearing Panel as designated in Section 11371 of the Government
10 Code, or whose default has been entered, and who is found guilty, or who has entered
11 into a stipulation for disciplinary action with the board, may, in accordance with the
12 provisions of this chapter:

13 (1) Have his or her license revoked upon order of the board.

14 (2) Have his or her right to practice suspended for a period not to exceed one
15 year upon order of the board.

16 (3) Be placed on probation and be required to pay the costs of probation
17 monitoring upon order of the board.

18 (4) Be publicly reprimanded by the board. The public reprimand may include a
19 requirement that the licensee complete relevant educational courses approved by the
20 board.

21 (5) Have any other action taken in relation to discipline as part of an order of
22 probation, as the board or an administrative law judge may deem proper.

23 (b) Any matter heard pursuant to subdivision (a), except for warning letters,
24 medical review or advisory conferences, professional competency examinations,
25 continuing education activities, and cost reimbursement associated therewith that are
26 agreed to with the board and successfully completed by the licensee, or other matters
27 made confidential or privileged by existing law, is deemed public, and shall be made
28 available to the public by the board pursuant to Section 803.1.

STATUTORY PROVISIONS

7. Section 2234 of the Code, states:

The board shall take action against any licensee who is charged with
unprofessional conduct. In addition to other provisions of this article, unprofessional
conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or
abetting the violation of, or conspiring to violate any provision of this chapter.

(b) Gross negligence.

(c) Repeated negligent acts. To be repeated, there must be two or more
negligent acts or omissions. An initial negligent act or omission followed by a
separate and distinct departure from the applicable standard of care shall constitute
repeated negligent acts.

///

1 (1) An initial negligent diagnosis followed by an act or omission medically
2 appropriate for that negligent diagnosis of the patient shall constitute a single
3 negligent act.

4 (2) When the standard of care requires a change in the diagnosis, act, or
5 omission that constitutes the negligent act described in paragraph (1), including, but
6 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
7 licensee's conduct departs from the applicable standard of care, each departure
8 constitutes a separate and distinct breach of the standard of care.

9 (d) Incompetence.

10 (e) The commission of any act involving dishonesty or corruption that is
11 substantially related to the qualifications, functions, or duties of a physician and
12 surgeon.

13 (f) Any action or conduct that would have warranted the denial of a certificate.

14 (g) The failure by a certificate holder, in the absence of good cause, to attend
15 and participate in an interview by the board no later than 30 calendar days after being
16 notified by the board. This subdivision shall only apply to a certificate holder who is
17 the subject of an investigation by the board.

18 8. Section 2266 of the Code states:

19 The failure of a physician and surgeon to maintain adequate and accurate records
20 relating to the provision of services to their patients constitutes unprofessional conduct.

21 COST RECOVERY

22 9. Section 125.3 of the Code states:

23 (a) Except as otherwise provided by law, in any order issued in resolution of a
24 disciplinary proceeding before any board within the department or before the
25 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
26 administrative law judge may direct a licensee found to have committed a violation or
27 violations of the licensing act to pay a sum not to exceed the reasonable costs of the
28 investigation and enforcement of the case.

(b) In the case of a disciplined licensee that is a corporation or a partnership, the
order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where
actual costs are not available, signed by the entity bringing the proceeding or its
designated representative shall be prima facie evidence of reasonable costs of
investigation and prosecution of the case. The costs shall include the amount of
investigative and enforcement costs up to the date of the hearing, including, but not
limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount
of reasonable costs of investigation and prosecution of the case when requested
pursuant to subdivision (a). The finding of the administrative law judge with regard
to costs shall not be reviewable by the board to increase the cost award. The board
may reduce or eliminate the cost award, or remand to the administrative law judge if
the proposed decision fails to make a finding on costs requested pursuant to

subdivision (a).

(e) If an order for recovery of costs is made and timely payment is not made as directed in the board's decision, the board may enforce the order for repayment in any appropriate court. This right of enforcement shall be in addition to any other rights the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(g) (1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licensee who has failed to pay all of the costs ordered under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.

(h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in that board's licensing act provides for recovery of costs in an administrative disciplinary proceeding.

FIRST CAUSE FOR DISCIPLINE

(Gross Negligence)

10. Respondent is subject to disciplinary action under Code section 2234, subdivision (b), in that he engaged in gross negligence in the care and treatment of Patient 1.¹ The circumstances are as follows:

11. On or about September 12, 2018, Patient 1, a then 54-year-old woman, presented to Respondent, a plastic and reconstruction surgeon, for treatment of a deflated left breast implant. By way of history, Patient 1 had undergone saline breast implant placement and a mastopexy in 2006. In 2017, Patient 1 underwent a mammogram, and a slow deflation of her left implant was noted. Respondent noted the deflated left implant, an intact right implant, bilateral capsular contracture, and grade 2 breast ptosis. Respondent recommended that Patient 1 undergo in-office deflation of the right implant for symmetry. Surgery was planned for removal of the failed

1 implants, bilateral capsulectomy, and secondary mastopexy.

2 12. Respondent requested and obtained medical clearance for Patient 1 to undergo
3 surgery. Patient 1's EKG showed a left axis deviation and left anterior hemiblock. She was
4 referred to cardiologist, Dr. B.M. On November 6, 2018, Dr. B.M. provided cardiac clearance for
5 the procedure. That same day, Dr. B.M. sent a second letter to Patient 1's primary care provider
6 at East Valley Community Health Clinic, which stated that in addition to providing cardiac
7 clearance for the breast surgery, Dr. B.M. recommended that Patient 1 undergo cardiac stress
8 testing in the future.

9 13. On or about December 18, 2018, Patient 1 presented to St. Vincent Medical Center
10 for the planned breast surgery by Respondent. Laboratory studies performed that morning were
11 essentially within normal limits. Dr. J.R., the anesthesiologist, performed a pre-operative
12 evaluation. Patient 1 denied any history of cardiac issues. Dr. J.R. classified Patient 1 as ASA 2.²

13 14. That same day, Respondent completed a Short-Form History and Physical. No vital
14 signs were documented on the form. The only physical finding noted was "[bilateral] breast
15 implant rupture." Respondent filled out an additional form in Patient 1's hospital records entitled
16 "Operative Progress Notes." Under the "Pre-Operative" section, Respondent checked the box
17 reflecting that a history and physical examination was performed in the last 30 days, was
18 reviewed, patient examined and there were not changes. Respondent signed this "Pre-Operative"
19 section on December 18, 2018 at 7:30 a.m.

20 15. Respondent performed Patient 1's breast surgery under general anesthesia. In the
21 operative report, Respondent noted that he performed an intraoperative intercostal nerve block
22 with 60 milliliters (ml) of 0.55 bupivacaine³ per side, using a spinal needle. At the time of
23

24 ² ASA (American Society of Anesthesiologists) Physical Status Classification System is a risk-
25 stratifying system used mainly by anesthesiologists to help predict preoperative risks. The classifications
26 are as follows: ASA 1 is a normal healthy patient; ASA 2 is a patient with mild systemic disease without
27 significant functional limitation; ASA 3 is a patient with severe systemic disease with significant
functional limitation; ASA 4 is a patient with severe systemic disease with constant threat to life; ASA 5 is
a moribund patient not expected to survive without the operation; and ASA 6 is a declared brain-dead
patient with plans for organ donation.

28 ³ Bupivacaine, also known by the brand name Marcaine, is a local anesthetic used to produce
numbness during labor, surgery, or certain medical procedures.

1 Respondent's interview with the Board, he stated that he only used 60 ml total of bupivacaine
2 during the surgery and he knows that "because of the calculation." Intraoperative nursing records
3 reflect that Respondent used 95 ml of bupivacaine 0.5%. Jackson Pratt drains were sutured in
4 place on each breast. Respondent noted that after the procedure, the patient was taken to the post-
5 operative care unit (PACU) in good and stable condition.

6 16. The surgery was about 5 hours, from approximately 8:28 a.m. to 1:38 p.m. Patient 1
7 was transferred from the operative room to the PACU at approximately 1:45 p.m. The PACU
8 nurse noted that the patient has an Aldrete Score of 5.⁴ Patient 1 was given oxygen by mask. At
9 approximately 2:04 p.m., the PACU nurse noted oxygen desaturation, began bag-mask
10 ventilation, and called for Dr. J.R. Another anesthesiologist arrived at Patient 1's bedside and
11 placed a nasal airway at approximately 2:07 p.m. The patient's oxygen level returned to one
12 hundred percent (100%). At approximately 2:31 p.m., the patient's somnolence resolved and the
13 nasal airway was removed. Thereafter, the PACU nurse noted that the patient became combative
14 and confused. Patient 1 pulled out her intravenous line and refused to have it replaced, and tried
15 to get off the gurney. The PACU nurse then received a telephone order from Respondent to place
16 soft wrist restraints to keep Patient 1 from falling out of bed and injuring herself. He also ordered
17 a "sitter" to stay with the patient and watch her.

18 17. Patient 1 remained confused. Respondent requested that the patient be kept in the
19 hospital overnight with consultations from a hospitalist and psychiatrist. Psychiatrist, Dr. M.K.,
20 evaluated Patient 1 on December 19, 2018. Dr. M.K. described Patient 1's confusion and
21 paranoia as "post-anesthetic delirium," and felt that the patient was safe to go home in the care of
22 her family.

23 18. That same day, Patient 1 requested discharge. She refused to sign any discharge
24 documents. Respondent did not see Patient 1 before she left the hospital on December 19, 2018.

26 _____
27 ⁴ The Aldrete Scoring system measures physiological recovery from anesthesia using five
28 parameters; respiration, circulation, consciousness, color, and level of activity. Each parameter is scored
0, 1, or 2, and patients with a score of 9 or greater are able to be discharged from the PACU.

1 19. On or about December 20, 2018, Patient 1 was taken to the emergency department at
2 St. Mary's Medical Center for complaints of shortness of breath and chest discomfort. The
3 patient's EKG showed no acute changes and her troponin level was elevated at 0.4.⁵ She was
4 admitted to the hospital for a possible non-ST-elevation myocardial infarction. A CT scan of the
5 chest showed no evidence of pulmonary embolism. Following a negative Lexascan stress test of
6 Patient 1's heart, she was discharged home on December 21, 2018.

7 20. On or about December 27, 2018, Patient 1 returned to East Valley Clinic and
8 requested a plastic surgery referral, as she needed her drains removed and did not want to return
9 to Respondent.

10 21. Patient 1 did not receive the referral and returned to see Respondent on or about
11 January 8, 2019. Respondent removed the left drain and instructed the patient to return in three
12 days for removal of the right drain. Patient 1 did not return to see Respondent.

13 Use of Higher than Recommended Dosage of Bupivacaine During Surgery.

14 22. The standard of care requires surgeons to be cognizant of safe levels of local
15 anesthetic, and to document the amount used in the patient's medical records. The maximum
16 recommended dose of bupivacaine for local anesthesia is 175 milligrams (mg). The
17 recommended dosing for intercostal blocks is three to five milliliters of 0.25% bupivacaine to ribs
18 two through six. The maximum recommended dose is 25 ml per side, which adds up to 100 mg
19 of bupivacaine.

20 23. In his operative report, Respondent noted that he performed an intraoperative
21 intercostal nerve block with 60 ml of 0.55 bupivacaine per side. At the time of Respondent's
22 interview with the Board, he stated that he only used 60 ml and he knows that "because of the
23 calculation." Intraoperative nursing records reflect that Respondent used 95 ml of bupivacaine
24 0.5%. Even if the operative report and/or intraoperative nursing record are incorrect, and
25 Respondent only injected 60 ml total of bupivacaine, that amount still represents 300 mg of
26 bupivacaine, which is three times the recommended maximum dose. Respondent's use of a
27 higher than recommended dose of bupivacaine is an extreme departure from the standard of care.

28 ⁵ The reference range for normal Troponin levels is from .00 to .045.

28. To determine the degree of discipline, if any, to be imposed on Respondent, Complainant alleges that in a matter entitled *In the Matter of the First Amended Accusation against Ryan Matthew Spivak, M.D.*, Medical Board Case No. 800-2019-060028, the Board, issued a decision, effective Jun 9, 2023, in which Respondent's Physician's and Surgeon's Certificate was revoked, for repeated negligent acts and failure to maintain adequate and accurate medical records for three patients. However, the revocation was stayed and Respondent was placed on probation for two (2) years to run consecutively from the conclusion of Respondent's probation term in the Board's Decision in Case No. 800-2019-061086, for a total of eleven (11) years' probation, as well as other terms and conditions. That decision is now final and is incorporated by reference as if fully set forth herein.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate Number A 113632, issued to Respondent Ryan Matthew Spivak, M.D.;
2. Revoking, suspending or denying approval of Respondent Ryan Matthew Spivak, M.D.'s authority to supervise physician assistants and advanced practice nurses;
3. Ordering Respondent Ryan Matthew Spivak, M.D., to pay the Board the costs of the investigation and enforcement of this case, and if placed on probation, the costs of probation monitoring; and
4. Taking such other and further action as deemed necessary and proper.
