21 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of
22 California (Board). He brought this action solely in his official capacity and is represented in this
23 matter by Rob Bonta, Attorney General of the State of California, by Latrice R. Hemphill, Deputy
24 Attorney General.

25 2. PRISCILLIA ROY, M.D. (Respondent) is represented in this proceeding by attorney
26 Gillian E. Friedman, Esq., whose address is: 2121 Avenue of the Stars, Suite 800, Los Angeles,
27 CA 90067-5080.

28 ///

3. On or about June 24, 2009, the Board issued Physician's and Surgeon's Certificate No. A 108537 to Respondent. That license was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2023-099462 and will expire on August 31, 2026, unless renewed.

JURISDICTION

4. Accusation No. 800-2023-099462 was filed before the Board and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on July 25, 2024. Respondent timely filed her Notice of Defense contesting the Accusation. A copy of Accusation No. 800-2023-099462 is attached as Exhibit A and incorporated by reference.

ADVISEMENT AND WAIVERS

5. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2023-099462. Respondent also has carefully read, fully discussed with counsel, and understands the effects of this Stipulated Surrender of License and Order.

6. Respondent is fully aware of her legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against her; the right to present evidence and to testify on her own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

8. Respondent understands that the charges and allegations in Accusation No. 800-2023-099462, if proven at a hearing, constitute cause for imposing discipline upon her Physician's and Surgeon's Certificate.

///

9. For the purpose of resolving the Accusation without the expense and uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual basis for the charges in the Accusation and that those charges constitute cause for discipline. Respondent hereby gives up her right to contest that cause for discipline exists based on those charges.

10. Respondent understands that by signing this stipulation she enables the Board to issue an order accepting the surrender of her Physician's and Surgeon's Certificate without further process.

RESERVATION

11. The admissions made by Respondent herein are only for the purposes of this proceeding, or any other proceedings in which the Medical Board of California or other professional licensing agency is involved, and shall not be admissible in any other criminal or civil proceeding.

CONTINGENCY

12. Business and Professions Code section 2224, subdivision (b), provides, in pertinent part, that the Medical Board “shall delegate to its executive director the authority to adopt a ... stipulation for surrender of a license.”

13. Respondent understands that, by signing this stipulation, she enables the Executive Director of the Board to issue an order, on behalf of the Board, accepting the surrender of her Physician's and Surgeon's Certificate No. A 108537 without further notice to, or opportunity to be heard by, Respondent.

14. This Stipulated Surrender of License and Disciplinary Order shall be subject to the approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his consideration in the above-entitled matter and, further, that the Executive Director shall have a reasonable period of time in which to consider and act on this Stipulated Surrender of License and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands

1 and agrees that she may not withdraw her agreement or seek to rescind this stipulation prior to the
2 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

3 15. The parties agree that this Stipulated Surrender of License and Disciplinary Order
4 shall be null and void and not binding upon the parties unless approved and adopted by the
5 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full
6 force and effect. Respondent fully understands and agrees that in deciding whether or not to
7 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive
8 Director and/or the Board may receive oral and written communications from its staff and/or the
9 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the
10 Executive Director, the Board, any member thereof, and/or any other person from future
11 participation in this or any other matter affecting or involving respondent. In the event that the
12 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this
13 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it
14 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied
15 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees
16 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason
17 by the Executive Director on behalf of the Board, Respondent will assert no claim that the
18 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,
19 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or
20 of any matter or matters related hereto.

21 ADDITIONAL PROVISIONS

22 16. This Stipulated Surrender of License and Disciplinary Order is intended by the parties
23 herein to be an integrated writing representing the complete, final and exclusive embodiment of
24 the agreements of the parties in the above-entitled matter.

25 17. The parties agree that copies of this Stipulated Surrender of License and Disciplinary
26 Order, including copies of the signatures of the parties, may be used in lieu of original documents
27 and signatures and, further, that such copies shall have the same force and effect as originals.

28 ///

18. In consideration of the foregoing admissions and stipulations, the parties agree the Executive Director of the Board may, without further notice to or opportunity to be heard by Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 108537, issued to Respondent PRISCILLIA ROY, M.D., is surrendered and accepted by the Board.

1. The surrender of Respondent's Physician's and Surgeon's Certificate and the acceptance of the surrendered license by the Board shall constitute the imposition of discipline against Respondent. This stipulation constitutes a record of the discipline and shall become a part of Respondent's license history with the Board.

2. Respondent shall lose all rights and privileges as a Physician and Surgeon in California as of the effective date of the Board's Decision and Order.

3. Respondent shall cause to be delivered to the Board her pocket license and, if one was issued, her wall certificate on or before the effective date of the Decision and Order.

4. If Respondent ever files an application for licensure or a petition for reinstatement in the State of California, the Board shall treat it as a petition for reinstatement. Respondent must comply with all the laws, regulations and procedures for reinstatement of a revoked or surrendered license in effect at the time the petition is filed, and all of the charges and allegations contained in Accusation No. 800-2023-099462 shall be deemed to be true, correct and admitted by Respondent when the Board determines whether to grant or deny the petition.

5. Respondent shall pay the agency its costs of investigation and enforcement in the amount of \$15,000.00 prior to issuance of a new or reinstated license.

6. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing agency in the State of California, all of the charges and allegations contained in Accusation No. 800-2023-099462 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict licensure.

28 laws. All section references are to the Business and Professions Code (Code) unless otherwise

1 indicated.

2 4. Section 2220 of the Code states:

3 Except as otherwise provided by law, the board may take action against all
4 persons guilty of violating this chapter. The board shall enforce and administer this
5 article as to physician and surgeon certificate holders, including those who hold
6 certificates that do not permit them to practice medicine, such as, but not limited to,
7 retired, inactive, or disabled status certificate holders, and the board shall have all the
8 powers granted in this chapter for these purposes including, but not limited to:

9 (a) Investigating complaints from the public, from other licensees, from health
10 care facilities, or from the board that a physician and surgeon may be guilty of
11 unprofessional conduct. The board shall investigate the circumstances underlying a
12 report received pursuant to Section 805 or 805.01 within 30 days to determine if an
13 interim suspension order or temporary restraining order should be issued. The board
14 shall otherwise provide timely disposition of the reports received pursuant to Section
15 805 and Section 805.01.

16 (b) Investigating the circumstances of practice of any physician and surgeon
17 where there have been any judgments, settlements, or arbitration awards requiring the
18 physician and surgeon or his or her professional liability insurer to pay an amount in
19 damages in excess of a cumulative total of thirty thousand dollars (\$30,000) with
20 respect to any claim that injury or damage was proximately caused by the physician's
21 and surgeon's error, negligence, or omission.

22 (c) Investigating the nature and causes of injuries from cases which shall be reported of a
23 high number of judgments, settlements, or arbitration awards against a physician and surgeon.

24 5. Section 2227 of the Code states:

25 (a) A licensee whose matter has been heard by an administrative law judge of
26 the Medical Quality Hearing Panel as designated in Section 11371 of the Government
27 Code, or whose default has been entered, and who is found guilty, or who has entered
28 into a stipulation for disciplinary action with the board, may, in accordance with the
provisions of this chapter:

(1) Have his or her license revoked upon order of the board.

(2) Have his or her right to practice suspended for a period not to exceed one
year upon order of the board.

(3) Be placed on probation and be required to pay the costs of probation
monitoring upon order of the board.

(4) Be publicly reprimanded by the board. The public reprimand may include a
requirement that the licensee complete relevant educational courses approved by the
board.

(5) Have any other action taken in relation to discipline as part of an order of
probation, as the board or an administrative law judge may deem proper.

(b) Any matter heard pursuant to subdivision (a), except for warning letters,
medical review or advisory conferences, professional competency examinations,

continuing education activities, and cost reimbursement associated therewith that are agreed to with the board and successfully completed by the licensee, or other matters made confidential or privileged by existing law, is deemed public, and shall be made available to the public by the board pursuant to Section 803.1.

STATUTORY PROVISIONS

6. Section 2234 of the Code states:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

...

(e) The commission of any act involving dishonesty or corruption that is substantially related to the qualifications, functions, or duties of a physician and surgeon.

(f) Any action or conduct that would have warranted the denial of a certificate.

...

7. Section 2236 of the Code states:

(a) The conviction of any offense substantially related to the qualifications, functions, or duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this chapter. The record of conviction shall be conclusive evidence only of the fact that the conviction occurred.

(b) The district attorney, city attorney, or other prosecuting agency shall notify the Division of Medical Quality of the pendency of an action against a licensee charging a felony or misdemeanor immediately upon obtaining information that the defendant is a licensee. The notice shall identify the licensee and describe the crimes charged and the facts alleged. The prosecuting agency shall also notify the clerk of the court in which the action is pending that the defendant is a licensee, and the clerk shall record prominently in the file that the defendant holds a license as a physician and surgeon.

(c) The clerk of the court in which a licensee is convicted of a crime shall, within 48 hours after the conviction, transmit a certified copy of the record of conviction to the board. The division may inquire into the circumstances surrounding the commission of a crime in order to fix the degree of discipline or to determine if the conviction is of an offense substantially related to the qualifications, functions, or duties of a physician and surgeon.

(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to be a conviction within the meaning of this section and Section 2236.1. The record of conviction shall be conclusive evidence of the fact that the conviction occurred.

1 8. Section 2236.1 of the Code states:

2 (a) A physician and surgeon's certificate shall be suspended automatically
3 during any time that the holder of the certificate is incarcerated after conviction of a
4 felony, regardless of whether the conviction has been appealed. The Division of
5 Medical Quality shall, immediately upon receipt of the certified copy of the record of
6 conviction, determine whether the certificate of the physician and surgeon has been
automatically suspended by virtue of the physician and surgeon's incarceration, and if
so, the duration of that suspension. The division shall notify the physician and
surgeon of the license suspension and of the right to elect to have the issue of penalty
heard as provided in this section.

7 (b) Upon receipt of the certified copy of the record of conviction, if after a
8 hearing it is determined therefrom that the felony of which the licensee was convicted
9 was substantially related to the qualifications, functions, or duties of a physician and
10 surgeon, the Division of Medical Quality shall suspend the license until the time for
11 appeal has elapsed, if an appeal has not been taken, or until the judgment of
conviction has been affirmed on appeal or has otherwise become final, and until
further order of the division. The issue of substantial relationship shall be heard by an
administrative law judge from the Medical Quality Hearing Panel sitting alone or
with a panel of the division, in the discretion of the division.

12 (c) Notwithstanding subdivision (b), a conviction of any crime referred to in
13 Section 2237, or a conviction of Section 187, 261, 288, or former Section 262, of the
14 Penal Code, shall be conclusively presumed to be substantially related to the
15 qualifications, functions, or duties of a physician and surgeon and a hearing shall not
16 be held on this issue. Upon its own motion or for good cause shown, the division may
decline to impose or may set aside the suspension when it appears to be in the interest
of justice to do so, with due regard to maintaining the integrity of and confidence in
the medical profession.

17 (d) (1) Discipline may be ordered in accordance with Section 2227, or the
18 Division of Licensing may order the denial of the license when the time for appeal
19 has elapsed, the judgment of conviction has been affirmed on appeal, or an order
20 granting probation is made suspending the imposition of sentence, irrespective of a
subsequent order under Section 1203.4 of the Penal Code allowing the person to
withdraw the plea of guilty and to enter a plea of not guilty, setting aside the verdict
of guilty, or dismissing the accusation, complaint, information, or indictment.

21 (2) The issue of penalty shall be heard by an administrative law judge from the
22 Medical Quality Hearing Panel sitting alone or with a panel of the division, in the
23 discretion of the division. The hearing shall not be had until the judgment of
24 conviction has become final or, irrespective of a subsequent order under Section
25 1203.4 of the Penal Code, an order granting probation has been made suspending the
26 imposition of sentence; except that a licensee may, at the licensee's option, elect to
27 have the issue of penalty decided before those time periods have elapsed. Where the
28 licensee so elects, the issue of penalty shall be heard in the manner described in this
section at the hearing to determine whether the conviction was substantially related to
the qualifications; functions, or duties of a physician and surgeon. If the conviction of
a licensee who has made this election is overturned on appeal, any discipline ordered
pursuant to this section shall automatically cease. This subdivision does not prohibit
the division from pursuing disciplinary action based on any cause other than the
overturned conviction.

(e) The record of the proceedings resulting in the conviction, including a

transcript of the testimony therein, may be received in evidence.

(f) The other provisions of this article setting forth a procedure for the suspension or revocation of a physician and surgeon's certificate shall not apply to proceedings conducted pursuant to this section.

9. Section 2239 of the Code states:

(a) The use or prescribing for or administering to himself or herself, of any controlled substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to any other person or to the public, or to the extent that such use impairs the ability of the licensee to practice medicine safely or more than one misdemeanor or any felony involving the use, consumption, or self-administration of any of the substances referred to in this section, or any combination thereof, constitutes unprofessional conduct. The record of the conviction is conclusive evidence of such unprofessional conduct.

(b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this section. The Division of Medical Quality may order discipline of the licensee in accordance with Section 2227 or the Division of Licensing may order the denial of the license when the time for appeal has elapsed or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending imposition of sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or indictment.

10. Section 2228.1 of the Code states:

(a) On and after July 1, 2019, except as otherwise provided in subdivision (c), the board and the Podiatric Medical Board of California shall require a licensee to provide a separate disclosure that includes the licensee's probation status, the length of the probation, the probation end date, all practice restrictions placed on the licensee by the board, the board's telephone number, and an explanation of how the patient can find further information on the licensee's probation on the licensee's profile page on the board's online license information internet web site, to a patient or the patient's guardian or health care surrogate before the patient's first visit following the probationary order while the licensee is on probation pursuant to a probationary order made on and after July 1, 2019, in any of the following circumstances:

(1) A final adjudication by the board following an administrative hearing or admitted findings or prima facie showing in a stipulated settlement establishing any of the following:

(A) The commission of any act of sexual abuse, misconduct, or relations with a patient or client as defined in Section 726 or 729.

(B) Drug or alcohol abuse directly resulting in harm to patients or the extent that such use impairs the ability of the licensee to practice safely.

(C) Criminal conviction directly involving harm to patient health.

1 (D) Inappropriate prescribing resulting in harm to patients and a probationary
2 period of five years or more.

3 (2) An accusation or statement of issues alleged that the licensee committed any
4 of the acts described in subparagraphs (A) to (D), inclusive, of paragraph (1), and a
5 stipulated settlement based upon a nolo contendere or other similar compromise that
6 does not include any prima facie showing or admission of guilt or fact but does
7 include an express acknowledgment that the disclosure requirements of this section
8 would serve to protect the public interest.

9 (b) A licensee required to provide a disclosure pursuant to subdivision (a) shall
10 obtain from the patient, or the patient's guardian or health care surrogate, a separate,
11 signed copy of that disclosure.

12 (c) A licensee shall not be required to provide a disclosure pursuant to
13 subdivision (a) if any of the following applies:

14 (1) The patient is unconscious or otherwise unable to comprehend the
15 disclosure and sign the copy of the disclosure pursuant to subdivision (b) and a
16 guardian or health care surrogate is unavailable to comprehend the disclosure and
17 sign the copy.

18 (2) The visit occurs in an emergency room or an urgent care facility or the visit
19 is unscheduled, including consultations in inpatient facilities.

20 (3) The licensee who will be treating the patient during the visit is not known to
21 the patient until immediately prior to the start of the visit.

22 (4) The licensee does not have a direct treatment relationship with the patient.

23 (d) On and after July 1, 2019, the board shall provide the following
24 information, with respect to licensees on probation and licensees practicing under
25 probationary licenses, in plain view on the licensee's profile page on the board's
26 online license information internet web site.

27 (1) For probation imposed pursuant to a stipulated settlement, the causes
28 alleged in the operative accusation along with a designation identifying those causes
by which the licensee has expressly admitted guilt and a statement that acceptance of
the settlement is not an admission of guilt.

(2) For probation imposed by an adjudicated decision of the board, the causes
for probation stated in the final probationary order.

(3) For a licensee granted a probationary license, the causes by which the
probationary license was imposed.

(4) The length of the probation and end date.

(5) All practice restrictions placed on the license by the board.

(e) Section 2314 shall not apply to this section.

6 administrative law judge to direct a licensee found to have committed a violation or violations of
7 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and

11 **FIRST CAUSE FOR DISCIPLINE**

12 **(Use of Drugs or Alcoholic Beverages in a Manner, or to an Extent,

14 13. Respondent is subject to disciplinary action under sections 2227 and 2234, as defined
15 by section 2239¹, of the Code, in that Respondent used or prescribed, or administered to herself,

20 Officer observed a gray Tesla stopped partially within the right shoulder and partially within the
21 dirt of SR-47. The CHP Officer then exited his patrol vehicle, walked up to the front passenger
22 window and knocked on the window. The driver, Respondent, looked up at the CHP Officer and
23 started pressing buttons on the Tesla monitor. Respondent then accelerated, nearly running over
24 the CHP Officer's left foot. Respondent stopped the vehicle partially over the fog line of SR-47
25 northbound, south of Navy Way.

26 ¹ There is a nexus between a physician's use of alcoholic beverages and his or her fitness
27 to practice medicine, established by the Legislature in section 2239, "in all cases where a licensed
28 physician used alcoholic beverages to the extent or in such a manner as to pose a danger to
himself or others." (*Watson v. Superior Court (Medical Board)* (2009) 176 Cal.App.4th 1407,
1411.)

1 15. The CHP Officer then made contact with Respondent via the front passenger window.
2 Respondent rolled the front passenger window down, and the CHP Officer immediately detected
3 the odor of an alcoholic beverage emitting from within the vehicle. The CHP Officer asked
4 Respondent for her driver's license. The CHP Officer identified the driver via her California
5 Driver's License as Respondent. While the CHP Officer was speaking to Respondent, he
6 immediately detected the odor of an alcoholic beverage emitting from within Respondent's
7 vehicle. While the CHP Officer was speaking to Respondent, he observed her speech was heavily
8 slurred. The CHP Officer asked Respondent how much alcohol she consumed, and Respondent
9 said she had two drinks.

10 16. The CHP Officer then had Respondent exit her vehicle. The CHP Officer asked
11 Respondent a series of Pre-Field Sobriety Test (FST) questions. While the CHP Officer was
12 speaking to Respondent, he continued to smell the odor of an alcoholic beverage emitting from
13 Respondent's breath and person. Throughout the Pre-FST questions, Respondent was swaying
14 from side to side in an unsteady manner. The CHP Officer then administered the FSTs to
15 Respondent, and Respondent did not perform the tests in a satisfactory manner.

16 (a) During the Horizontal Gaze Nystagmus Test, Respondent displayed a lack of
17 smooth pursuit, distinct and sustained nystagmus at the maximum deviation and an onset of
18 nystagmus prior to 45 degrees in both eyes. The CHP Officer observed Respondent to have
19 vertical gaze nystagmus.

20 (b) During the One Leg Stand Test, Respondent chose to raise her right leg for the
21 test. Respondent then asked the CHP Officer which leg was her right one. Respondent put her
22 right foot down several times throughout the test. Respondent raised her arms to nearly shoulder
23 high throughout the test. Respondent nearly fell backwards towards the end of the test. The CHP
24 Officer had to stop Respondent performing the test.

25 (c) During the Walk and Turn Test, Respondent lost her balance during the
26 instructional phase. Respondent raised her arms from her sides during the test. Respondent
27 missed heel to toe contact on all nine steps of the first set. The CHP Officer had to remind
28 Respondent of the heel to toe instructions. Respondent made an improper turn by spinning on the

1 ball of her foot. Respondent missed heel to toe contact on steps 2, 3, 4, 5, 6, 7, 8, and 9 of the
2 second set. Respondent took 10 steps on the second set.

3 17. The CHP Officer then used the preliminary alcohol screening (PAS) device on
4 Respondent, and it showed Respondent had a blood alcohol content of .237% after the first blow
5 and a blood alcohol content of .232% after the second blow.

6 18. Based upon Respondent's unsafe driving, Respondent's admission to drinking an
7 alcoholic beverage prior to driving, Respondent's objective signs and symptoms of alcoholic
8 intoxication, and Respondent's poor performance on the FSTs, the CHP Officer determined that
9 Respondent was operating a motor vehicle while under the influence of alcohol. The CHP
10 Officer arrested Respondent for misdemeanor driving under the influence of alcohol in violation
11 of Vehicle Code Section 23152(a). The CHP Officer then advised Respondent of implied consent
12 pursuant to Vehicle Code Section 23612. Respondent elected to submit to a chemical breath test.
13 The CHP Officer transported Respondent to the CHP South Los Angeles Area office to complete
14 her chosen breath test. The CHP Officer attempted to administer the breath test, however,
15 Respondent provided several insufficient breath samples. Respondent also consented to submit to
16 a chemical blood test. The chemical blood test results showed Respondent had a blood alcohol
17 content of .235% and a blood alcohol content of .234%.

18 19. On or about September 11, 2023, the Los Angeles City Attorney filed a Criminal
19 Complaint against Respondent in the matter of *The People of the State of California v. Priscillia*
20 *Roy*, Superior Court Case No. LB3LB06954-01. Count One of the Criminal Complaint charged
21 Respondent with driving under the influence of drugs and/or alcohol, in violation of Vehicle Code
22 Section 23152(a), a misdemeanor. Count Two charged Respondent with driving with a blood
23 alcohol content level of 0.08 percent or more, in violation of Vehicle Code Section 23152(b), a
24 misdemeanor.

25 20. On or about December 14, 2023, Respondent was convicted upon her no contest plea
26 to Count Two (driving with a blood alcohol level of 0.08 percent or more). On or about
27 December 14, 2023, the Superior Court sentenced Respondent to probation for three years, with
28 terms and conditions, including being required to: (1) pay fines totaling \$878, (2) serve two days

1 jail, with two days credit given for time served, and (3) enroll in and complete a 3-month driving
2 under the influence class.

3 **SECOND CAUSE FOR DISCIPLINE**

4 **(Conviction of a Crime Substantially Related to the Qualifications,
5 Functions, or Duties of a Physician and Surgeon)**

6 21. Respondent is further subject to disciplinary action under sections 2227 and 2234, as

8 substantially related to the qualifications, functions, or duties of a physician and surgeon, as more

12 **THIRD CAUSE FOR DISCIPLINE**

13 **(Unprofessional Conduct)**

16 ethical code of the medical profession, or conduct which is unbecoming to a member in good
17 standing of the medical profession, and which demonstrates an unfitness to practice medicine.
18 The circumstances are as follows:

19 24. The allegations of the First Cause for Discipline are incorporated herein by reference
20 as if fully set forth.
