19 **STIPULATED SETTLEMENT AND**
20 **DISCIPLINARY ORDER**

21 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
22 entitled proceedings that the following matters are true:

23 **PARTIES**

24 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of
25 California (Board). He brought this action solely in his official capacity and is represented in this
26 matter by Rob Bonta, Attorney General of the State of California, by Trina L. Saunders, Deputy
27 Attorney General.

28 2. Respondent Xiushi (Suzy) Liu, M.D. (Respondent) is represented in this proceeding
by attorney Raymond J. McMahon, whose address is 5440 Trabuco Road, Irvine, California
92620.

3. On or about November 4, 2009, the Board issued Physician's and Surgeon's

1 Certificate No. A 109894 to Respondent. The Physician's and Surgeon's Certificate was in full
2 force and effect at all times relevant to the charges brought in Accusation No. 800-2021-081244,
3 and will expire on September 30, 2025, unless renewed.

4 **JURISDICTION**

5 4. Accusation No. 800-2021-081244 was filed before the Board, and is currently
6 pending against Respondent. The Accusation and all other statutorily required documents were
7 properly served on Respondent on December 8, 2023. Respondent timely filed her Notice of
8 Defense contesting the Accusation.

9 5. A copy of Accusation No. 800-2021-081244 is attached as exhibit A and incorporated
10 herein by reference.

11 **ADVISEMENT AND WAIVERS**

12 6. Respondent has carefully read, fully discussed with counsel, and understands the
13 charges and allegations in Accusation No. 800-2021-081244. Respondent has also carefully read,
14 fully discussed with her counsel, and understands the effects of this Stipulated Settlement and
15 Disciplinary Order.

16 7. Respondent is fully aware of her legal rights in this matter, including the right to a
17 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
18 the witnesses against her; the right to present evidence and to testify on her own behalf; the right
19 to the issuance of subpoenas to compel the attendance of witnesses and the production of
20 documents; the right to reconsideration and court review of an adverse decision; and all other
21 rights accorded by the California Administrative Procedure Act and other applicable laws.

22 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
23 every right set forth above.

24 **CULPABILITY**

25 9. Respondent understands and agrees that the charges and allegations in Accusation
26 No. 800-2021-081244, if proven at a hearing, constitute cause for imposing discipline upon her
27 Physician's and Surgeon's Certificate.

28 10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case

1 or factual basis for the charges in the Accusation, and that Respondent hereby gives up her right
2 to contest those charges.

3 11. Respondent does not contest that, at an administrative hearing, complainant could
4 establish a prima facie case with respect to the charges and allegations in Accusation No. 800-
5 2021-081244, a true and correct copy of which is attached hereto as Exhibit A, and that he has
6 thereby subjected her Physician's and Surgeon's Certificate, No. A 109894 to disciplinary action.

7 12. Respondent agrees that her Physician's and Surgeon's Certificate is subject to
8 discipline and she agrees to be bound by the Board's terms as set forth in the Disciplinary Order
9 below.

10 CONTINGENCY

11 13. This stipulation shall be subject to approval by the Medical Board of California.
12 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
13 Board of California may communicate directly with the Board regarding this stipulation and
14 settlement, without notice to or participation by Respondent or her counsel. By signing the
15 stipulation, Respondent understands and agrees that she may not withdraw her agreement or seek
16 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
17 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
18 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
19 action between the parties, and the Board shall not be disqualified from further action by having
20 considered this matter.

21 14. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to
22 be an integrated writing representing the complete, final and exclusive embodiment of the
23 agreement of the parties in this above entitled matter.

24 15. Respondent agrees that if she ever petitions for early termination or modification of
25 probation, or if an accusation and/or petition to revoke probation is filed against her before the
26 Board, all of the charges and allegations contained in Accusation No. 800-2021-081244 shall be
27 deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or
28 any other licensing proceeding involving Respondent in the State of California.

1 16. The parties understand and agree that Portable Document Format (PDF) and facsimile
2 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
3 signatures thereto, shall have the same force and effect as the originals.

4 17. In consideration of the foregoing admissions and stipulations, the parties agree that
5 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
6 enter the following Disciplinary Order:

7 **DISCIPLINARY ORDER**

8 **IT IS HEREBY ORDERED** that Physician's and Surgeon's Certificate No. A 109894
9 issued to Respondent Xiushi (Suzy) Liu, M.D., shall be and is Publicly Reprimanded pursuant to
10 California Business and Professions Code section 2227, subdivision (a)(4), and it is further
11 ordered that Respondent comply with the following attendant terms and conditions:

12 **A. PUBLIC REPRIMAND**

13 The Public Reprimand issued in connection with Accusation No. 800-2021-081244
14 involves the care and treatment of two patients, and is as follows:

15 During the period from in or around 2018 through 2019, you violated Business and
16 Professions Code section 2234, subdivision (b) by becoming involved in a romantic
17 relationship with Patient A, and thereafter provided care to Patient B, who was the wife of
18 Patient A, without disclosing that relationship; specifically, you failed to disclose that you
19 were engaged in a personal relationship with Patient B's husband while you treated her, a
20 violation of boundaries, as more fully described in Accusation No. 800-2021-081244.

21 **B. PROFESSIONALISM PROGRAM (ETHICS COURSE)**

22 Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a
23 professionalism program, that meets the requirements of Title 16, California Code of Regulations
24 (CCR) section 1358.1. Respondent shall participate in and successfully complete that program.
25 Respondent shall provide any information and documents that the program may deem pertinent.
26 Respondent shall successfully complete the classroom component of the program not later than
27
28

1 six (6) months after Respondent's initial enrollment, and the longitudinal component of the
2 program not later than the time specified by the program, but no later than one (1) year after
3 attending the classroom component. The professionalism program shall be at Respondent's
4 expense and shall be in addition to the Continuing Medical Education (CME) requirements for
5 renewal of licensure. A professionalism program taken after the acts that gave rise to the charges
6 in the Accusation, but prior to the effective date of the Decision may, in the sole discretion of
7 the Board or its designee, be accepted towards the fulfillment of this condition if the program
8 would have been approved by the Board or its designee had the program been taken after the
9 effective date of this Decision. Respondent shall submit a certification of successful completion
10 to the Board or its designee not later than 15 calendar days after successfully completing the
11 program or not later than 15 calendar days after the effective date of the Decision, whichever is
12 later.
13

14
15 **C. INVESTIGATION/ENFORCEMENT COST RECOVERY**

16 Within 60 calendar days of the effective date of this Decision, Respondent is hereby
17 ordered to reimburse the Board its cost of investigation and enforcement, including, but not
18 limited to expert review, amended accusations, legal reviews, joint investigations, and subpoena
19 enforcement, in the amount of \$19,589.00 (nineteen thousand, five hundred and eighty-nine
20 dollars). Costs shall be payable to the Medical Board of California.

21 The filing of bankruptcy by the Respondent shall not relieve Respondent of the
22 responsibility to repay enforcement or investigation costs.

23 Any failure to fully comply with the terms of this Disciplinary Order shall constitute
24 unprofessional conduct and will subject Respondent's Physician's and Surgeon's Certificate to
25 further disciplinary action.

26 **D. FAILURE TO COMPLY**

27 Failure to comply with any of the terms of this Disciplinary Order shall constitute
28 unprofessional conduct and shall be a basis for further disciplinary action by the Board. In such

1 circumstance, the Complainant may reinstate Accusation No. 800-2021-081244 and/or file a
2 supplemental accusation alleging any failure to comply with any provision of this order by
3 Respondent as unprofessional conduct.

4 **E. FUTURE ADMISSIONS CLAUSE**

5 If Respondent should ever apply or reapply for a new license or certification, or petition for
6 reinstatement of a license, by any other health care licensing action agency in the State of
7 California, all of the charges and allegations contained in Accusation No. 800-2021-081244 shall
8 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of
9 Issues or any other proceeding seeking to deny or restrict license.

10 **ACCEPTANCE**

11 I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully
12 discussed it with my attorney, Raymond J. McMahon. I understand the stipulation and the effect
13 it will have on my Physician's and Surgeon's Certificate. I enter into this Stipulated Settlement
14 and Disciplinary Order voluntarily, knowingly, and intelligently, and agree to be bound by the
15 Decision and Order of the Medical Board of California.

16
17 DATED:

10/9/2024

2 **JURISDICTION**

3 3. This Accusation is brought before the Board under the authority of the following
4 laws. All section references are to the Business and Professions Code (Code) unless otherwise
5 indicated.

6 4. Section 2228.1 of the Code, states:

7 (a) On and after July 1, 2019, except as otherwise provided in subdivision (c),
8 the board and the Podiatric Medical Board of California shall require a licensee to
9 provide a separate disclosure that includes the licensee's probation status, the length
10 of the probation, the probation end date, all practice restrictions placed on the licensee
11 by the board, the board's telephone number, and an explanation of how the patient can
12 find further information on the licensee's probation on the licensee's profile page on
13 the board's online license information internet website, to a patient or the patient's
14 guardian or health care surrogate before the patient's first visit following the
15 probationary order while the licensee is on probation pursuant to a probationary order
16 made on and after July 1, 2019, in any of the following circumstances:

17 (1) A final adjudication by the board following an administrative hearing or
18 admitted findings or prima facie showing in a stipulated settlement establishing any
19 of the following:

20 (A) The commission of any act of sexual abuse, misconduct, or relations with a
21 patient or client as defined in Section 726 or 729.

22 (B) Drug or alcohol abuse directly resulting in harm to patients or the extent
23 that such use impairs the ability of the licensee to practice safely.

24 (C) Criminal conviction directly involving harm to patient health.

25 (D) Inappropriate prescribing resulting in harm to patients and a probationary
26 period of five years or more.

27 (2) An accusation or statement of issues alleged that the licensee committed any
28 of the acts described in subparagraphs (A) to (D), inclusive, of paragraph (1), and a
stipulated settlement based upon a nolo contendere or other similar compromise that
does not include any prima facie showing or admission of guilt or fact but does
include an express acknowledgment that the disclosure requirements of this section
would serve to protect the public interest.

(b) A licensee required to provide a disclosure pursuant to subdivision (a) shall
obtain from the patient, or the patient's guardian or health care surrogate, a separate,
signed copy of that disclosure.

(c) A licensee shall not be required to provide a disclosure pursuant to
subdivision (a) if any of the following applies:

(1) The patient is unconscious or otherwise unable to comprehend the
disclosure and sign the copy of the disclosure pursuant to subdivision (b) and a
guardian or health care surrogate is unavailable to comprehend the disclosure and

sign the copy.

(2) The visit occurs in an emergency room or an urgent care facility or the visit is unscheduled, including consultations in inpatient facilities.

(3) The licensee who will be treating the patient during the visit is not known to the patient until immediately prior to the start of the visit.

(4) The licensee does not have a direct treatment relationship with the patient.

(d) On and after July 1, 2019, the board shall provide the following information, with respect to licensees on probation and licensees practicing under probationary licenses, in plain view on the licensee's profile page on the board's online license information internet website.

(1) For probation imposed pursuant to a stipulated settlement, the causes alleged in the operative accusation along with a designation identifying those causes by which the licensee has expressly admitted guilt and a statement that acceptance of the settlement is not an admission of guilt.

(2) For probation imposed by an adjudicated decision of the board, the causes for probation stated in the final probationary order.

(3) For a licensee granted a probationary license, the causes by which the probationary license was imposed.

(4) The length of the probation and end date.

(5) All practice restrictions placed on the license by the board.

(e) Section 2314 shall not apply to this section.

Section 2234 of the Code, states:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

(b) Gross negligence.

(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but

1 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
2 licensee's conduct departs from the applicable standard of care, each departure
3 constitutes a separate and distinct breach of the standard of care.

4 (d) Incompetence.

5 (e) The commission of any act involving dishonesty or corruption that is
6 substantially related to the qualifications, functions, or duties of a physician and
7 surgeon.

8 (f) Any action or conduct that would have warranted the denial of a certificate.

9 (g) The failure by a certificate holder, in the absence of good cause, to attend
10 and participate in an interview by the board. This subdivision shall only apply to a
11 certificate holder who is the subject of an investigation by the board.

12 **COST RECOVERY**

13 5. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
14 administrative law judge to direct a licensee found to have committed a violation or violations of
15 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
16 enforcement of the case, with failure of the licensee to comply subjecting the license to not being
17 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
18 included in a stipulated settlement.

19 **FIRST CAUSE FOR DISCIPLINE**

20 **(Gross Negligence)**

21 6. Respondent Xiushi (Suzy) Liu, M.D. is subject to disciplinary action for gross
22 negligence under section 2234, subdivision (b), of the Code in that she failed to disclose to
23 Patient B¹ that she had a conflict of interest in providing her care, namely that Respondent was
24 involved in a romantic relationship with Patient A, the husband of Patient B. The circumstances
25 are as follows:

26 7. Respondent first met Patient A (the husband) in the Summer of 2014, following her
27 performance of surgery on Patient A's brother. She also met Patient A while treating his parents.

28 8. In 2016, Patient A was documented as having paroxysmal atrial fibrillation. Patient A
was referred to Respondent so that she could follow him from a cardiac electrophysiology
standpoint.

¹ In order to protect the patients' privacy, the patients at-issue in this charging pleading are
Identified by letters (e.g., Patient A). The true names of the referenced patients are known to
Respondent and were disclosed during discovery.

1 9. In November 2017, Patient A underwent medical procedures to treat his condition,
2 including the implanting of a loop recorder on November 30, 2016, for ongoing symptoms of
3 palpitations associated with dizziness. Respondent was Patient A's doctor in both procedures.
4 Respondent spoke with Patient A's wife (Patient B) after each procedure and told her that everything
5 had gone well.

6 10. On December 22, 2017, Patient A underwent an electrophysiology study and
7 radiofrequency ablation with Respondent.

8 11. Thereafter, Patient A underwent continued cardiology follow-up with Respondent,
9 including monitoring of his loop recorder as documented by records from Comprehensive
10 Cardiovascular Specialists. The dates for monitoring of loop recorder included June 29, 2018,
11 August 17, 2018, March 28, 2019, and October 2019. Patient A was having short episodes of
12 paroxysmal atrial fibrillation at those times. Patient A was mostly in normal sinus rhythm at that
13 time. These documents were reviewed and signed by Respondent.

14 12. According to Patient A's medical records, on July 26, 2018, Respondent ordered a
15 stress echocardiogram for Patient A. Patient A underwent the stress echocardiogram.

16 13. Patient A disclosed that he asked Respondent out on a date in 2019, and the two have
17 been dating ever since.

18 14. On August 21, 2019, Patient B, the wife of Patient A, was brought to the Hospital via
19 ambulance from home, secondary to mid-sternal chest pain that was sudden onset and non-
20 radiating. Patient B's pain was eight out of ten initially, and reduced to a four out of ten with
21 aspirin and nitroglycerin spray. Patient B's son and Patient A were at her bedside. Patient B was
22 discharged from the hospital after confirming that she was not having an acute coronary event.
23 Patient B was told that she had an anxiety attack. She had been experiencing stress due to her
24 failing marriage.

25 15. Patient B received a referral to Respondent for a cardiology evaluation.

26 16. On August 22, 2019, Patient B presented for an initial appointment with Respondent.
27 A stress test and echocardiogram were ordered.

28 ///

1 17. Patient B's echocardiogram was documented on August 30, 2019. It showed normal
2 cardiac function and no valvular abnormalities.

3 18. Patient B's stress echocardiogram performed August 26, 2019 was negative for
4 ischemia.

5 19. The cardiac monitor done in August 2019 did not demonstrate significant arrhythmias
6 and the EKG demonstrated normal sinus rhythm.

7 20. On September 10, 2019, Patient B was seen for a follow-up visit. On testing, Patient
8 B was noted to have sinus tachycardia secondary to anxiety. Counseling was provided to Patient
9 B. Patient B was educated to get a Kardia device and to email the results to her doctor. Patient B
10 had declined a Holter monitor. Follow-up was scheduled for six months later.

11 21. Respondent prescribed the medication Virtussin A/C to Patient A, which was filled
12 on September 17, 2019.

13 22. Per the Respondent, she began dating Patient A in late September 2019.

14 23. On October 31, 2019, Patient B had a follow-up visit with Respondent. Patient B's
15 chart documents that she was still experiencing palpitations, mostly noted in the a.m. Patient B
16 had a heart rate that got up to the 130s upon waking up in the morning. Patient B's diagnosis was
17 documented as tachycardia. Discussion included sinus tachycardia likely secondary to anxiety.
18 No significant tachycardia was noted. It was documented that Patient B was symptomatic, so
19 low-dose Corlanor 5 mg daily would be initiated. It was also documented that Patient B had
20 atypical chest pain, hypercholesterolemia gastroparesis and insomnia. A plan for follow-up in
21 two months was documented.

22 24. In the middle of the year in 2020, Patient B discovered that Respondent and her
23 husband (Patient A) were involved in a romantic relationship that included Respondent spending
24 multiple nights in the marital home of Patients A and B. Upon learning of the relationship
25 between Respondent and her husband, Patient B discontinued her treatment with Respondent.

26 25. Patients A and B divorced in August of 2021.

27 26. Respondent failed to disclose to Patient B a conflict of interest that could impair her
28 ability to provide appropriate care or could cause Patient B to doubt the quality of care that

1 Respondent was providing. Namely, Respondent provided treatment to Patient B and did not
2 disclose that she was involved in a romantic relationship with Patient B's husband.

3 **SECOND CAUSE FOR DISCIPLINE**

4 **(Unprofessional Conduct)**

5 27. Respondent Xiushi (Suzy) Liu, M.D. is subject to disciplinary action for
6 unprofessional conduct under section 2234 of the Code in that she engaged in an intimate
7 romantic relationship with Patient A while she was his treating physician. The circumstances are
8 as follows:

9 28. Paragraphs 7 through 26 are incorporated here as though fully set forth herein.

10 29. Respondent was Patient A's treating physician between 2017 through the present. On
11 July 26, 2018, Respondent ordered a stress echocardiogram for Patient A. On September 17,
12 2019, Patient A filled a prescription for Virtussin A/C, written to Patient A by Respondent. The
13 ordering of these tests and medications occurred in the setting of a physician providing
14 recommendations to a patient based on symptoms and an examination. The stress echocardiogram
15 from 2018 and the medication filled on September 2019 are consistent with a doctor-patient
16 relationship existing between Respondent and Patient A in 2018 and 2019. Becoming involved in
17 a romantic/intimate relationship while treating Patient A constitutes an extreme departure from
18 the standard of care.

19 **PRAYER**

20 **WHEREFORE**, Complainant requests that a hearing be held on the matters herein alleged,
21 and that following the hearing, the Medical Board of California issue a decision:

22 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 109894,
23 issued to Respondent Xiushi (Suzy) Liu, M.D.;

24 2. Revoking, suspending or denying approval of Respondent Xiushi (Suzy) Liu, M.D.
25 authority to supervise physician assistants and advanced practice nurses;

26 3. Ordering Respondent Xiushi (Suzy) Liu, M.D. to pay the Board the costs of the
27 investigation and enforcement of this case, and if placed on probation, the costs of probation
28 monitoring;

1 4. If placed on probation, ordering Respondent Xiushi (Suzy) Liu, M.D. to provide
2 patient notification in accordance with Business and Professions Code section 2228.1; and

3 5. Taking such other and further action as deemed necessary and proper.
