18 Respondent.

19 **IT IS HEREBY STIPULATED AND AGREED by and between the parties to the**
20 **above-entitled proceedings that the following matters are true:**

21 **PARTIES**

22 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of
23 California (Board). He brought this action solely in his official capacity and is represented in this
24 matter by Rob Bonta, Attorney General of the State of California, by Jannsen Tan, Deputy
25 Attorney General.

26 2. Kimberly Ann Breneisen, M.D. (Respondent) is represented in this proceeding by
27 attorney Ian A. Scharg, Esq., whose address is: 400 University Avenue, Sacramento, CA 95825-
28 6502.

3. On or about June 11, 1996, the Board issued Physician's and Surgeon's Certificate No. G83111 to Respondent. That license was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2022-091439 and will expire on June 30, 2026, unless renewed.

JURISDICTION

4. Accusation No. 800-2022-091439 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent. Respondent timely filed her Notice of Defense contesting the Accusation. A copy of Accusation No. 800-2022-091439 is attached as Exhibit A and incorporated by reference.

ADVISEMENT AND WAIVERS

5. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2022-091439. Respondent also has carefully read, fully discussed with counsel, and understands the effects of this Stipulated Surrender of License and Order.

6. Respondent is fully aware of her legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against her; the right to present evidence and to testify on her own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

8. Respondent understands that the charges and allegations in Accusation No. 800-2022-091439, if proven at a hearing, constitute cause for imposing discipline upon her Physician's and Surgeon's Certificate.

///

9. For the purpose of resolving the Accusation without the expense and uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual basis for the charges in the Accusation and that those charges constitute cause for discipline. Respondent hereby gives up her right to contest that cause for discipline exists based on those charges.

10. Respondent understands that by signing this stipulation she enables the Board to issue an order accepting the surrender of her Physician's and Surgeon's Certificate without further process.

RESERVATION

11. The admissions made by Respondent herein are only for the purposes of this proceeding, or any other proceedings in which the Medical Board of California or other professional licensing agency is involved, and shall not be admissible in any other criminal or civil proceeding.

CONTINGENCY

12. Business and Professions Code section 2224, subdivision (b), provides, in pertinent part, that the Medical Board “shall delegate to its executive director the authority to adopt a ... stipulation for surrender of a license.”

13. Respondent understands that, by signing this stipulation, she enables the Executive Director of the Board to issue an order, on behalf of the Board, accepting the surrender of her Physician's and Surgeon's Certificate No. G83111 without further notice to, or opportunity to be heard by, Respondent.

14. This Stipulated Surrender of License and Disciplinary Order shall be subject to the approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be submitted to the Executive Director for her consideration in the above-entitled matter and, further, that the Executive Director shall have a reasonable period of time in which to consider and act on this Stipulated Surrender of License and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands

///

1 and agrees that she may not withdraw her agreement or seek to rescind this stipulation prior to the
2 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

3 15. The parties agree that this Stipulated Surrender of License and Disciplinary Order
4 shall be null and void and not binding upon the parties unless approved and adopted by the
5 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full
6 force and effect. Respondent fully understands and agrees that in deciding whether or not to
7 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive
8 Director and/or the Board may receive oral and written communications from its staff and/or the
9 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the
10 Executive Director, the Board, any member thereof, and/or any other person from future
11 participation in this or any other matter affecting or involving respondent. In the event that the
12 Executive Director on behalf of the Board does not, in his/her discretion, approve and adopt this
13 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it
14 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied
15 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees
16 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason
17 by the Executive Director on behalf of the Board, Respondent will assert no claim that the
18 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,
19 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or
20 of any matter or matters related hereto.

21 **ADDITIONAL PROVISIONS**

22 16. This Stipulated Surrender of License and Disciplinary Order is intended by the parties
23 herein to be an integrated writing representing the complete, final and exclusive embodiment of
24 the agreements of the parties in the above-entitled matter.

25 17. The parties agree that copies of this Stipulated Surrender of License and Disciplinary
26 Order, including copies of the signatures of the parties, may be used in lieu of original documents
27 and signatures and, further, that such copies shall have the same force and effect as originals.

28 ///

18. In consideration of the foregoing admissions and stipulations, the parties agree the Executive Director of the Board may, without further notice to or opportunity to be heard by Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G83111, issued to Respondent Kimberly Ann Breneisen, M.D., is surrendered and accepted by the Board.

Respondent must comply with all the laws, regulations and procedures for reinstatement of a revoked or surrendered license in effect at the time the petition is filed, and all of the charges and allegations contained in Accusation No. 800-2022-091439 shall be deemed to be true, correct and admitted by Respondent when the Board determines whether to grant or deny the petition.

5. JURISDICTION

3. Section 822 of the Code states:

If a licensing agency determines that its licentiate's ability to practice his or her profession safely is impaired because the licentiate is mentally ill, or physically ill affecting competency, the licensing agency may take action by any one of the following methods:

(a) Revoking the licentiate's certificate or license.

(b) Suspending the licentiate's right to practice.

(c) Placing the licentiate on probation.

(d) Taking such other action in relation to the licentiate as the licensing agency in its discretion deems proper.

The licensing agency shall not reinstate a revoked or suspended certificate or license until it has received competent evidence of the absence or control of the condition which caused its action and until it is satisfied that with due regard for the public health and safety the person's right to practice his or her profession may be safely.

4. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code ("Code") unless otherwise indicated.

5. Section 2004 of the Code provides in pertinent part:

The board shall have the responsibility for the following:

(a) The enforcement of the disciplinary and criminal provisions of the Medical Practice Act.

(b) The administration and hearing of disciplinary actions.

(c) Carrying out disciplinary actions appropriate to findings made by a panel or an administrative law judge.

(d) Suspending, revoking, or otherwise limiting certificates after the conclusion of disciplinary actions.

(e) Reviewing the quality of medical practice carried out by physician and surgeon certificate holders under the jurisdiction of the board.

...

1 6. Section 2227 of the Code provides, in pertinent part, that a licensee who is found
2 guilty under the Medical Practice Act may have his or her license revoked, suspended for a period
3 not to exceed one year, placed on probation and required to pay the costs of probation monitoring,
4 or such other action taken in relation to discipline as the Board deems proper.

5 **STATUTORY PROVISIONS**

6 7. Section 2234 of the Code states:

7 The board shall take action against any licensee who is charged with unprofessional
8 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
9 limited to, the following:

10 (a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
11 violation of, or conspiring to violate any provision of this chapter.

12 (b) Gross negligence.

13 (c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or
14 omissions. An initial negligent act or omission followed by a separate and distinct departure from
15 the applicable standard of care shall constitute repeated negligent acts.

16 (1) An initial negligent diagnosis followed by an act or omission medically appropriate for
17 that negligent diagnosis of the patient shall constitute a single negligent act.

18 (2) When the standard of care requires a change in the diagnosis, act, or omission that
19 constitutes the negligent act described in paragraph (1), including, but not limited to, a
20 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the
21 applicable standard of care, each departure constitutes a separate and distinct breach of the
22 standard of care.

23 (d) Incompetence.

24 (e) The commission of any act involving dishonesty or corruption that is substantially
25 related to the qualifications, functions, or duties of a physician and surgeon.

26 (f) Any action or conduct that would have warranted the denial of a certificate.

27 (g) The failure by a certificate holder, in the absence of good cause, to attend and
28 participate in an interview by the board no later than 30 calendar days after being notified by the

1 board. This subdivision shall only apply to a certificate holder who is the subject of an
2 investigation by the board.

3 (h) Any action of the licensee, or another person acting on behalf of the licensee, intended
4 to cause their patient or their patient's authorized representative to rescind consent to release the
5 patient's medical records to the board or the Department of Consumer Affairs, Health Quality
6 Investigation Unit.

7 (i) Dissuading, intimidating, or tampering with a patient, witness, or any person in an
8 attempt to prevent them from reporting or testifying about a licensee.

9 8. Section 2239 of the Code states:

10 (a) The use or prescribing for or administering to himself or herself, of any controlled
11 substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic
12 beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to
13 any other person or to the public, or to the extent that such use impairs the ability of the licensee
14 to practice medicine safely or more than one misdemeanor or any felony involving the use,
15 consumption, or self-administration of any of the substances referred to in this section, or any
16 combination thereof, constitutes unprofessional conduct. The record of the conviction is
17 conclusive evidence of such unprofessional conduct.

18 (b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed
19 to be a conviction within the meaning of this section. The Division of Medical Quality may order
20 discipline of the licensee in accordance with Section 2227 or the Division of Licensing may order
21 the denial of the license when the time for appeal has elapsed or the judgment of conviction has
22 been affirmed on appeal or when an order granting probation is made suspending imposition of
23 sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal
24 Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty,
25 or setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or
26 indictment.

COST RECOVERY

9. Section 125.3 of the Code states:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board, upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

(b) In the case of a disciplined licensee that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).

(e) If an order for recovery of costs is made and timely payment is not made as directed in the board's decision, the board may enforce the order for repayment in any appropriate court. This right of enforcement shall be in addition to any other rights the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(g) (1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licensee who has failed to pay all of the costs ordered under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.

(h) All costs recovered under this section shall be considered a reimbursement for costs incurred and shall be deposited in the fund of the board recovering the costs to be available upon appropriation by the Legislature.

(i) Nothing in this section shall preclude a board from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in

1 that board's licensing act provides for recovery of costs in an administrative
2 disciplinary proceeding.
