While Respondent was seated, with Patient A standing next to him on the right, they watched a video about the magazine article on Patient A's cell phone. While doing this, Respondent wrapped his right arm around Patient A's waist and torso, pulled her closer, and began to stroke her right thigh and upper leg. Patient A never gave Respondent permission to touch her and she pulled away, and sat in the exam chair, and tried to change the subject.
- 12. During the exam portion of the appointment, Respondent sat on a stool and straddled Patient A's legs. At the same time, Respondent was "pressing in and stroking her thighs with his hands." When Respondent pushed back his stool, Patient A stood up and then Respondent stood very close and put his hands on her shoulders. Respondent pulled her very close and pressed his body against hers, with full frontal contact and Respondent stroked side of Patient A's body and thighs. Patient A could feel Respondent's erect penis on her abdomen and lower stomach as they
