RE: Physician's and Surgeon's Certificate No. A 85687
Case No. 800-2024-111737

Public Letter of Reprimand

An investigation by the Medical Board of California revealed that you deviated from the standard of care by committing repeated negligent acts in the care and treatment of four patients for whom you issued medical immunization exemptions in August 2024. As to three patients, you issued temporary exemptions for all vaccines without adequate support for the exemptions. As to the fourth patient, you initially provided a permanent, blanket exemption for the varicella immunization without documenting the patient's immunity from a prior infection. Later, you provided a temporary exemption for the same patient without documenting vaccine unavailability.

These actions constitute a violation of Business and Professions Code 2234 (c).

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California with the following condition(s): complete an Education Course and a Medical Record Keeping Course and reimburse the Board its cost of investigation and enforcement in the amount of \$4,289.00.
