STIPULATED SURRENDER OF
LICENSE AND ORDER

Physician's and Surgeon's Certificate
No. A 29113

Respondent.

IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-entitled proceedings that the following matters are true:

PARTIES

1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of California (Board). He brought this action solely in his official capacity and is represented in this matter by Rob Bonta, Attorney General of the State of California, by Trina L. Saunders, Deputy Attorney General.

2. Thick Gong Wing Chow, M.D. (Respondent) is representing himself in this proceeding and has chosen not to exercise his right to be represented by counsel.

1 3. On or about March 21, 1975, the Board issued Physician's and Surgeon's Certificate
2 No. A 29113 to Respondent. That license was in full force and effect at all times relevant to the
3 charges brought in Accusation No. 800-2025-115155 and will expire on September 30, 2025, if it
4 is not renewed.

JURISDICTION

7 4. Accusation No. 800-2025-115155 was filed before the Board and is currently pending
8 against Respondent. The Accusation and all other statutorily required documents were properly
9 served on Respondent. Respondent, who is fully aware of his legal rights in this matter, has
10 chosen not to file a Notice of Defense. A copy of Accusation No. 800-2025-115155 is attached
11 as Exhibit A and incorporated by reference.

ADVISEMENT AND WAIVERS

13 5. Respondent has carefully read, and understands the charges and allegations in
14 Accusation No. 800-2025-115155. Respondent also has carefully read and understands the
15 effects of this Stipulated Surrender of License and Order.

16 6. Respondent is fully aware of his legal rights in this matter, including the right to a
17 hearing on the charges and allegations in the Accusation; the right to be represented by counsel, at
18 his own expense; the right to confront and cross-examine the witnesses against him; the right to
19 present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel
20 the attendance of witnesses and the production of documents; the right to reconsideration and
21 court review of an adverse decision; and all other rights accorded by the California
22 Administrative Procedure Act and other applicable laws.

23 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
24 every right set forth above.

CULPABILITY

26 8. Respondent understands that the charges and allegations in Accusation No. 800-2025-
27 115155, if proven at a hearing, constitute cause for taking action upon his Physician's and
28 Surgeon's Certificate.

9. For the purpose of resolving the Accusation without the expense and uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual basis for the charges in the Accusation and that those charges constitute cause for taking action. Respondent hereby gives up his right to contest that cause for action exists based on those charges.

10. Respondent understands that by signing this stipulation he enables the Board to issue an order accepting the surrender of his Physician's and Surgeon's Certificate without further process.

CONTINGENCY

11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent part, that the Medical Board “shall delegate to its executive director the authority to adopt a ... stipulation for surrender of a license.”

12. Respondent understands that, by signing this stipulation, he enables the Executive Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his Physician's and Surgeon's Certificate No. A29113 without giving Respondent further notice to, or opportunity to be heard.

13. This Stipulated Surrender of License and Disciplinary Order shall be subject to the approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his consideration in the above-entitled matter and, further, that the Executive Director shall have a reasonable period of time in which to consider and act on this Stipulated Surrender of License and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

14. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be null and void and not binding upon the parties unless approved and adopted by the Executive Director on behalf of the Board, except for this paragraph, which shall remain in full force and effect. Respondent fully understands and agrees that in deciding whether or not to

1 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive
2 Director and/or the Board may receive oral and written communications from its staff and/or the
3 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the
4 Executive Director, the Board, any member thereof, and/or any other person from future
5 participation in this or any other matter affecting or involving respondent. In the event that the
6 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this
7 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it
8 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied
9 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees
10 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason
11 by the Executive Director on behalf of the Board, Respondent will assert no claim that the
12 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,
13 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or
14 of any matter or matters related hereto.

15 **ADDITIONAL PROVISIONS**

16 15. This Stipulated Surrender of License and Disciplinary Order is intended by the parties
17 herein to be an integrated writing representing the complete, final and exclusive embodiment of
18 the agreements of the parties in the above-entitled matter.

19 16. The parties agree that copies of this Stipulated Surrender of License and Disciplinary
20 Order, including copies of the signatures of the parties, may be used in lieu of original documents
21 and signatures and, further, that such copies shall have the same force and effect as originals.

22 17. In consideration of the foregoing admissions and stipulations, the parties agree the
23 Executive Director of the Board may, without giving Respondent further notice or opportunity to
24 be heard, issue and enter the following Order on behalf of the Board:

25 **ORDER**

26 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 29113, issued to
27 Respondent Thick Gong Wing Chow, M.D., is surrendered and accepted by the Board.

1. Respondent shall lose all rights and privileges as a physician and surgeon in California as of the effective date of the Board's Decision and Order.

2. Respondent shall cause to be delivered to the Board his pocket license and, if one was issued, his wall certificate on or before the effective date of the Decision and Order.

3. If Respondent ever files an application for licensure or a petition for reinstatement in the State of California, the Board shall treat it as a petition for reinstatement. Respondent must comply with all the laws, regulations and procedures for reinstatement of a revoked or surrendered license in effect at the time the petition is filed, and all of the charges and allegations contained in Accusation No. 800-2025-115155 shall be deemed to be true, correct and admitted by Respondent when the Board determines whether to grant or deny the petition.

4. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing agency in the State of California, all of the charges and allegations contained in Accusation No. 800-2025-115155 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict licensure.

ACCEPTANCE

I have carefully read the Stipulated Surrender of License and Order. I understand the stipulation and the effect it will have on my Physician's and Surgeon's Certificate. CAUSE FOR ACTION

(Mental Impairment)

9 9. Respondent is subject to an action under section 822 of the Code in that his ability to
10 practice medicine is impaired due to mental illness. The circumstances are as follows:

11 10. On or about February 9, 2025, the Board received an anonymous complaint alleging
12 that Respondent may be experiencing cognitive issues affecting his ability to practice medicine
13 safely. The complaint alleged that Respondent appears confused, provides incorrect information
14 and struggles to understand basic concepts as to whether a patient has enough refills, and the
15 differences between medications with similar names.

16 11. During the course of the Board investigation into the allegations, Respondent
17 voluntarily agreed to undergo a physical evaluation and mental evaluation by Board-approved
18 evaluators.

19 12. On or about May 27, 2025, the Board received a report from the independent medical
20 examiner retained to conduct a physical examination of Respondent. Following review of
21 Respondent's medical records and items related to the Board's investigation, and after conducting
22 a physical examination of Respondent, the examiner determined that Respondent suffers from
23 mild cognitive impairment with primitive reflexes. As a result of Respondent's physical
24 impairment, the examiner determined that Respondent was unable to practice medicine safely.

25 13. On or about May 27, 2025, the Board also received a report from the independent
26 mental evaluator retained to conduct a mental examination of Respondent. The report detailed
27 that the examiner reviewed Respondent's medical records, items related to the Board's
28 investigation, Respondent's Mini Mental Status Exam (MMSE), Respondent's performance on

1 various psychometric tests, including, the Rey 15-Item Memorization Test (RMT), and the Millon
2 Clinical Multiaxial Inventory-III (MCMI-III), and the examiner's face-to-face mental status
3 examination of Respondent. Based upon the information gathered from the various sources (clinical
4 interview, psychological testing, direct observations, and records), the examiner determined that
5 Respondent met the criteria for a diagnosis of Major Neurocognitive Disorder, Unspecified Etiology.
6 He also found evidence of significant cognitive decline in complex attention and learning/memory
7 and opined that Respondent's condition was unlikely to improve significantly even with treatment.
8 interventions, and as a result, Respondent was mentally impaired and unable to safely practice
9 medicine.

10 **PRAYER**

11 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
12 and that following the hearing, the Medical Board of California issue a decision:

- 13 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 29113-
