**STIPULATED SURRENDER OF  
LICENSE AND ORDER**

**Respondent.**

**IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the  
above-entitled proceedings that the following matters are true:

## PARTIES

21       1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of  
22 California (Board). He brought this action solely in his official capacity and is represented in this  
23 matter by Rob Bonta, Attorney General of the State of California, by Rebecca L. Smith, Deputy  
24 Attorney General.

25       2.   Elizabeth Ming-Sum Kwong, M.D. (Respondent) is representing herself in this  
26 proceeding and has chosen not to exercise her right to be represented by counsel.

27       3. On or about December 31, 2003, the Board issued Physician's and Surgeon's  
28 Certificate No. A 85547 to Respondent. That license was in full force and effect at all times

1 relevant to the charges brought in Accusation No. 800-2024-109787 and expired on May 31,  
2 2025.

3 **JURISDICTION**

4 4. Accusation No. 800-2024-109787 was filed before the Board and is currently pending  
5 against Respondent. The Accusation and all other statutorily required documents were properly  
6 served on Respondent on July 29, 2025. Respondent timely filed her Notice of Defense  
7 contesting the Accusation. A copy of Accusation No. 800-2024-109787 is attached as Exhibit A  
8 and incorporated by reference.

9 **ADVISEMENT AND WAIVERS**

10 5. Respondent has carefully read, and understands the charges and allegations in  
11 Accusation No. 800-2024-109787. Respondent also has carefully read, and understands the  
12 effects of this Stipulated Surrender of License and Order.

13 6. Respondent is fully aware of her legal rights in this matter, including the right to a  
14 hearing on the charges and allegations in the Accusation; the right to be represented by counsel, at  
15 her own expense; the right to confront and cross-examine the witnesses against her; the right to  
16 present evidence and to testify on her own behalf; the right to the issuance of subpoenas to  
17 compel the attendance of witnesses and the production of documents; the right to reconsideration  
18 and court review of an adverse decision; and all other rights accorded by the California  
19 Administrative Procedure Act and other applicable laws.

20 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
21 every right set forth above.

22 **CULPABILITY**

23 8. Respondent admits the truth of each and every charge and allegation in Accusation  
24 No. 800-2024-109787, agrees that cause exists for discipline and hereby surrenders her  
25 Physician's and Surgeon's Certificate No. A 85547 for the Board's formal acceptance.

26 9. Respondent understands that by signing this stipulation she enables the Board to issue  
27 an order accepting the surrender of her Physician's and Surgeon's Certificate without further  
28 process.

## CONTINGENCY

2       10. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
3 part, that the Medical Board “shall delegate to its executive director the authority to adopt a ...  
4 stipulation for surrender of a license.”

5       11. Respondent understands that, by signing this stipulation, she enables the Executive  
6       Director of the Board to issue an order, on behalf of the Board, accepting the surrender of her  
7       Physician's and Surgeon's Certificate No. A 85547 without further notice to, or opportunity to be  
8       heard by, Respondent.

9        12. This Stipulated Surrender of License and Disciplinary Order shall be subject to the  
10 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated  
11 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his  
12 consideration in the above-entitled matter and, further, that the Executive Director shall have a  
13 reasonable period of time in which to consider and act on this Stipulated Surrender of License and  
14 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands  
15 and agrees that she may not withdraw her agreement or seek to rescind this stipulation prior to the  
16 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

17       13. The parties agree that this Stipulated Surrender of License and Disciplinary Order  
18 shall be null and void and not binding upon the parties unless approved and adopted by the  
19 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full  
20 force and effect. Respondent fully understands and agrees that in deciding whether or not to  
21 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive  
22 Director and/or the Board may receive oral and written communications from its staff and/or the  
23 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the  
24 Executive Director, the Board, any member thereof, and/or any other person from future  
25 participation in this or any other matter affecting or involving respondent. In the event that the  
26 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this  
27 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it  
28 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied

1 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees  
2 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason  
3 by the Executive Director on behalf of the Board, Respondent will assert no claim that the  
4 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,  
5 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or  
6 of any matter or matters related hereto.

7 **ADDITIONAL PROVISIONS**

8 14. This Stipulated Surrender of License and Disciplinary Order is intended by the parties  
9 herein to be an integrated writing representing the complete, final and exclusive embodiment of  
10 the agreements of the parties in the above-entitled matter.

11 15. The parties agree that copies of this Stipulated Surrender of License and Disciplinary  
12 Order, including copies of the signatures of the parties, may be used in lieu of original documents  
13 and signatures and, further, that such copies shall have the same force and effect as originals.

14 16. In consideration of the foregoing admissions and stipulations, the parties agree the  
15 Executive Director of the Board may, without further notice to or opportunity to be heard by  
16 Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

17 **ORDER**

18 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 85547, issued  
19 to Respondent ELIZABETH MING-SUM KWONG, M.D., is surrendered and accepted by the  
20 Board.

21 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the  
22 acceptance of the surrendered license by the Board shall constitute the imposition of discipline  
23 against Respondent. This stipulation constitutes a record of the discipline and shall become a part  
24 of Respondent's license history with the Board.

25 2. Respondent shall lose all rights and privileges as a Physician and Surgeon in  
26 California as of the effective date of the Board's Decision and Order.

27 3. Respondent shall cause to be delivered to the Board her pocket license and, if one was  
28 issued, her wall certificate on or before the effective date of the Decision and Order.

1       4. If Respondent should ever apply or reapply for a new license or certification, or  
2 petition for reinstatement of a license, by any other health care licensing agency in the State of  
3 California, all of the charges and allegations contained in Accusation No. 800-2024-109787 shall  
4 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of  
5 Issues or any other proceeding seeking to deny or restrict licensure.

6       5. Respondent shall pay the agency its costs of investigation and enforcement in the  
7 amount of \$21,643.50 (Twenty-One Thousand Six Hundred Forty-Three Dollars and Fifty Cents)  
8 prior to issuance of a new or reinstated license.

9       6. If Respondent ever files an application for licensure or a petition for reinstatement in  
10 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must  
11 comply with all the laws, regulations, and procedures for reinstatement of a revoked or  
12 surrendered license in effect at the time the petition is filed, and all the charges and allegations  
13 contained in Accusation No. 800-2024-109787 shall be deemed to be true, correct and admitted  
14 by Respondent when the Board determines whether to grant or deny the petition.

## **ACCEPTANCE**

17 stipulation and the effect it will have on my Physician's and surgeon's Certificate. I enter into  
18 this Stipulated Surrender of License and Order voluntarily, knowingly, and intelligently, and  
19 agree to be bound by the Decision and Order of the Medical Board of California.

## **COST RECOVERY**

11. Section 125.3 of the Code states:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board, upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

(b) In the case of a disciplined licensee that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be *prima facie* evidence of reasonable costs of investigation and prosecution of the case. (d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).

(e) If an order for recovery of costs is made and timely payment is not made as directed in the board's decision, the board may enforce the order for repayment in any appropriate court. (2) Notwithstanding paragraph (1), the board may, in its discretion,

1           conditionally renew or reinstate for a maximum of one year the license of any  
2           licensee who demonstrates financial hardship and who enters into a formal agreement  
3           with the board to reimburse the board within that one-year period for the unpaid  
4           costs.

3           (h) All costs recovered under this section shall be considered a reimbursement  
4           for costs incurred and shall be deposited in the fund of the board recovering the costs  
5           to be available upon appropriation by the Legislature.

5           (i) Nothing in this section shall preclude a board from including the recovery of  
6           the costs of investigation and enforcement of a case in any stipulated settlement.

7           (j) This section does not apply to any board if a specific statutory provision in  
8           that board's licensing act provides for recovery of costs in an administrative  
9           disciplinary proceeding.

### CAUSE FOR DISCIPLINE

#### **(Inability to Safely Practice Medicine)**

11          12. Respondent is subject to disciplinary action pursuant to section 822 of the Code in  
12          that she cannot safely practice medicine without practice restrictions. The circumstances are as  
13          follows:

14          13. On June 27, 2024, Glendale Police Officers responded to an assault call at  
15          Respondent's residence, where she lived with her elderly parents. When the officers arrived at  
16          the residence, they found Respondent's father, then 85 years old, in the living room bleeding from  
17          the bridge of his nose. There were multiple glass bottles shattered on the floor and hot sauce on  
18          the walls of the kitchen. Respondent's father stated that Respondent had thrown a glass ball from  
19          a chandelier which hit him in the nose after an argument. Respondent's father stated that  
20          Respondent had thrown clothes and glass outside in the street and when Respondent's father  
21          asked Respondent why she was doing this, she became angry, threw bottles around the house, and  
22          threw glass balls off a chandelier at him. The officers went upstairs to speak with Respondent,  
23          who was in the shower and refusing to come out. Respondent yelled at the officers and told them  
24          that they were harassing her. When Respondent finally exited the bathroom, she was handcuffed  
25          and placed in the officers' patrol car. The officers were unable to obtain a statement from  
26          Respondent due to her yelling. Respondent was arrested and taken to Glendale City Jail. An  
27          emergency restraining order was issued and served on Respondent.

28          ///

1       14. On July 1, 2024, in the matter of *The People of the State of California v. Elizabeth*  
2       *Minsum Kwong*, Los Angeles Superior Court Case No. 24GDCM01126-01, Respondent was  
3       charged with battery of an elder person/dependent adult in violation of Penal Code section  
4       243.25, a misdemeanor. On July 3, 2024, at the time of Respondent's arraignment, Respondent's  
5       counsel requested the proceedings be suspended for an evaluation of Respondent's mental  
6       competence. On July 17, 2024, Respondent was found not mentally competent to stand trial. On  
7       August 9, 2024, Respondent was found eligible to undergo mental health diversion. Respondent  
8       was ordered to comply with the mental health treatment plan, including taking all medication  
9       prescribed by a doctor. On August 19, 2024, the Court was informed by the Department of  
10      Health Services that Respondent refused all mental health services. At that time, the Court  
11      terminated mental health diversion and dismissed the criminal proceeding.

12       15. On April 9, 2025, Respondent underwent a mental examination by Board appointed  
13      psychiatrist, E.S., M.D. to evaluate Respondent's ability to safely practice medicine.

14       16. At the time of Dr. E.S.'s evaluation, Respondent stated that she was unemployed and  
15      living in a residential facility operated by the Los Angeles County Department of Mental Health,  
16      Enriched Residential Services (ERS).<sup>1</sup>

17       17. On the day Respondent was arrested, she stated that a "misunderstanding" occurred.  
18      Respondent described that while cleaning the kitchen, she threw a bottle of vinegar into the trash,  
19      but she missed, and the bottle shattered on the floor. At that time, Respondent's father tried to  
20      enter the kitchen, and Respondent felt concerned that he would injure himself on the glass. In an  
21      attempt to get her father's attention, Respondent picked up what she described as a glass ball of  
22      about two inches in diameter, similar to a paperweight, and threw it at her father. She believed  
23      that throwing the glass ball was faster than calling out to him. Respondent stated that the  
24      "misunderstanding" was that she was aggressive, angry, and violent, when she was simply trying

<sup>1</sup>ERS is a Los Angeles County Mental Health program designed to provide comprehensive mental  
26      health and rehabilitative services in a non-institutional residential setting for adults, who would be at risk  
27      of hospitalization, re-hospitalization or other institutional placement if they were not in the ERS program.  
28      The ERS program accommodates persons discharged from a locked subacute, acute psychiatric inpatient  
      units, jails, or intensive residential facilities at risk of needing higher level of care. On-site mental health  
      and supportive services are provided at the ERS facilities with the goal to stabilize, prepare, and transition  
      individuals to a stable independent community living environment.

1 to get her father's attention.

2 18. Following the arrest, Respondent was taken to G. A. Hospital for psychiatric  
3 evaluation and remained hospitalized in the psychiatric unit for two months. Thereafter,  
4 Respondent was discharged to a crisis residential treatment center. She was then re-hospitalized  
5 for another two-week stabilization period after putting her hand through a glass cabinet door.

6 19. Respondent stated that in early 2025, she was discharged to the ERS facility where  
7 she has attended group therapy and individual therapy. She has also received various psychiatric  
8 support services, and psychiatric medication treatment with a psychiatrist.

9 20. With respect to the mental status examination, Respondent was assessed as having  
10 very poor judgment with impaired overall reality testing and adaptation to reality. Respondent's  
11 overall level of psychological insight was assessed as poor.

12 21. Dr. E.S.'s diagnostic impression of Respondent is unspecified psychotic disorder  
13 versus mood disorder with psychotic features, likely schizoaffective disorder, bipolar type.

14 22. Schizoaffective disorder and bipolar disorder with psychotic features are severe  
15 psychiatric illnesses associated with symptoms of mood disturbance, behavioral disturbance,  
16 thought disorder, and impairments in reality testing. A psychotic disorder affects impulse control,  
17 judgment, cognition, reality testing, rational thinking, interpersonal relatedness, and overall  
18 behavioral organization.

19 23. Respondent was found to have an admitted history of intermittent noncompliance  
20 with psychiatric medications. Respondent has recently been symptomatic with associated  
21 psychosis and violent behavioral disturbances. Her arrest was related to behavioral symptoms  
22 occurring during a period of noncompliance with treatment. Respondent's severe behavioral  
23 disturbances required a psychiatric hospitalization. She is currently undergoing intensive  
24 behavioral rehabilitation therapies, along with psychiatric treatment with mood stabilization and  
25 antipsychotic pharmacotherapy at a supervised residential psychiatric treatment facility.

26 24. Respondent's severe and persistent mental illness is incompatible with the safe  
27 practice of medicine. Respondent's history indicates a chronic vulnerability to severe behavioral  
28 disturbance including violent emotional outbursts, chronic impairments in reality testing, and
