18  
19 **IT IS HEREBY STIPULATED AND AGREED by and between the parties to the**  
20 **above-entitled proceedings that the following matters are true:**

21 **PARTIES**

22 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of  
23 California (Board). He brought this action solely in his official capacity and is represented in this  
24 matter by Rob Bonta, Attorney General of the State of California, by Megan R. O'Carroll, Deputy  
25 Attorney General.

26 2. Jong Liang Chen, M.D., Physician's and Surgeon's Certificate No. C 37462, is  
27 represented in this proceeding by attorney Robert B. Zaro, Esq. whose address is: 3620 American  
28 River Drive, Suite 130, Sacramento, CA 95864.

3. On or about June 1, 1977, the Board issued Physician's and Surgeon's Certificate No. C 37462 to Respondent. That license was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2023-101955 and will expire on July 31, 2026, unless renewed. On or about October 11, 2024, the Office of Administrative Hearings entered an Interim Suspension Order suspending Respondent's license pending the outcome of the disciplinary proceedings in this matter.

## JURISDICTION

4. Accusation No. 800-2023-101955 was filed before the Board and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on November 22, 2024. Respondent timely filed his Notice of Defense contesting the Accusation. A copy of Accusation No. 800-2023-101955 is attached as Exhibit A and incorporated by reference.

## ADVISEMENT AND WAIVERS

5. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2023-101955. Respondent also has carefully read, fully discussed with counsel, and understands the effects of this Stipulated Surrender of License and Order.

6. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

1 **CULPABILITY**

2 8. Respondent understands that the charges and allegations in Accusation No. 800-2023-  
3 101955, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and  
4 Surgeon's Certificate.

5 9. For the purpose of resolving the Accusation without the expense and uncertainty of  
6 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual  
7 basis for the charges in the Accusation and that those charges constitute cause for discipline.  
8 Respondent hereby gives up his right to contest that cause for discipline exists based on those  
9 charges.

10 10. Respondent understands that by signing this stipulation he enables the Board to issue  
11 an order accepting the surrender of his Physician's and Surgeon's Certificate without further  
12 process.

13 **CONTINGENCY**

14 11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
15 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...  
16 stipulation for surrender of a license."

17 12. Respondent understands that, by signing this stipulation, he enables the Executive  
18 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his  
19 Physician's and Surgeon's Certificate No. C 37462 without further notice to, or opportunity to be  
20 heard by, Respondent.

21 13. This Stipulated Surrender of License and Disciplinary Order shall be subject to the  
22 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated  
23 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his  
24 consideration in the above-entitled matter and, further, that the Executive Director shall have a  
25 reasonable period of time in which to consider and act on this Stipulated Surrender of License and  
26 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands  
27 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the  
28 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

14. The parties agree that this Stipulated Surrender of License and Disciplinary Order shall be null and void and not binding upon the parties unless approved and adopted by the Executive Director on behalf of the Board, except for this paragraph, which shall remain in full force and effect. Respondent fully understands and agrees that in deciding whether or not to approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive Director and/or the Board may receive oral and written communications from its staff and/or the Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the Executive Director, the Board, any member thereof, and/or any other person from future participation in this or any other matter affecting or involving respondent. In the event that the Executive Director on behalf of the Board does not, in his discretion, approve and adopt this Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party hereto. Respondent further agrees that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason by the Executive Director on behalf of the Board, Respondent will assert no claim that the Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or of any matter or matters related hereto.

## **ADDITIONAL PROVISIONS**

15. This Stipulated Surrender of License and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final and exclusive embodiment of the agreements of the parties in the above-entitled matter.

16. The parties agree that copies of this Stipulated Surrender of License and Disciplinary Order, including copies of the signatures of the parties, may be used in lieu of original documents and signatures and, further, that such copies shall have the same force and effect as originals.

17. In consideration of the foregoing admissions and stipulations, the parties agree the Executive Director of the Board may, without further notice to or opportunity to be heard by Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

**ORDER**

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. C 37462, issued to Respondent Jong Liang Chen, M.D., is surrendered and accepted by the Board.

1. The surrender of Respondent's Physician's and Surgeon's Certificate and the acceptance of the surrendered license by the Board shall constitute the imposition of discipline against Respondent. This stipulation constitutes a record of the discipline and shall become a part of Respondent's license history with the Board.

2. Respondent shall lose all rights and privileges as a Physician and Surgeon in California as of the effective date of the Board's Decision and Order.

3. Respondent shall cause to be delivered to the Board his pocket license and, if one was issued, his wall certificate on or before the effective date of the Decision and Order.

4. If Respondent ever files an application for licensure or a petition for reinstatement in the State of California, the Board shall treat it as a petition for reinstatement. Respondent must comply with all the laws, regulations and procedures for reinstatement of a revoked or surrendered license in effect at the time the petition is filed, and all of the charges and allegations contained in Accusation No. 800-2023-101955 shall be deemed to be true, correct and admitted by Respondent when the Board determines whether to grant or deny the petition.

5. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing agency in the State of California, all of the charges and allegations contained in Accusation No. 800-2023-101955 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict licensure.

6. Respondent shall pay the agency its costs of investigation and enforcement in the amount of \$28,031.75 prior to issuance of a new or reinstated license.

7. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing agency in the State of California, all of the charges and allegations contained in Accusation No. 800-2023-101955 shall

1 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of  
2 Issues or any other proceeding seeking to deny or restrict licensure.

4. Section 820 of the Code states:

5. Section 822 of the Code states:

The licensing section shall not reinstate a revoked or suspended certificate or license until it has received competent evidence of the absence or control of the condition which caused its action and until it is satisfied that with due regard for the public health and safety the person's right to practice his or her profession may be safely reinstated.

6. Section 125.3 of the Code provides, in pertinent part, that the Board may request the administrative law judge to direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case, with failure of the licensee to comply subjecting the license to not being renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be included in a stipulated settlement.

1 **CAUSE FOR ACTION**

2 **(Medical Condition Affecting Competency)**

3 7. Respondent Jong Liang Chen, M.D. is subject to action under section 822 of the Code  
4 in that he is not safe to practice medicine safely as he suffers from a medical condition that affects  
5 his competency to practice medicine. The circumstances are as follows:

6 8. On or about September 30, 2023, one of Respondent's patients filed a complaint with  
7 the Board stating that he was concerned that Respondent was no longer able to practice medicine  
8 safely due to his deteriorating condition. The patient reported that he had an upcoming  
9 cystoscopy procedure scheduled with Respondent, but that he chose to cancel the procedure  
10 because Respondent appeared forgetful, disoriented, and confused about the diagnosis. The  
11 patient also reported that Respondent's hands appeared shaky, and he kept asking patient the  
12 same questions repeatedly.

13 9. Investigators acting on behalf of the Board paid an unannounced visit to  
14 Respondent's office and interviewed Respondent and his staff. The Investigators observed signs  
15 similar to those reported by the patient, and were concerned that Respondent may be suffering  
16 from a medical or mental condition affecting his competency to safely practice medicine.  
17 Following the visit, the Investigators scheduled an interview with Respondent and requested that  
18 he release his medical records for review.

19 10. On or about May 5, 2024, Investigators interviewed Respondent at the Sacramento  
20 Investigative Field Office. During the interview, Respondent continued to appear confused. At  
21 the conclusion of the interview, Respondent agreed to undergo a voluntary mental evaluation  
22 under Business and Professions Code section 820 and provided a release for medical treatment  
23 records. Following the interview, Investigators obtained a transcript of the interview, and a copy  
24 of various medical records Respondent released. The Investigators provided these materials,  
25 along with the report of investigation to date, to a Board expert reviewer to perform a  
26 neuropsychological examination of Respondent.

27 ///

28 ///

11. On or about July 11, 2024, a Board expert conducted an interview and neuropsychological examination of Respondent. The Board expert reviewed the materials provided by Investigators and performed a battery of psychological tests on Respondent. Based on his review of the relevant materials, as well as his examination and interview with Respondent, the Board expert concluded that Respondent is currently suffering from a mental and medical condition that prevents him from safely practicing medicine. Specifically, the Board expert determined that Respondent presently suffers from a Severe Neurocognitive Disorder that prevents him from competently practicing medicine.

**PRAYER**

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate No. C 37462, issued to Respondent Jong Liang Chen, M.D.;
2. Revoking, suspending or denying approval of Respondent Jong Liang Chen, M.D.'s authority to supervise physician assistants and advanced practice nurses;
3. Ordering Respondent Jong Liang Chen, M.D., to pay the Board the costs of the investigation and enforcement of this case, and if placed on probation, the costs of probation monitoring; and
5. Taking such other and further action as deemed necessary and proper.
