Case No. 800-2022-094188

Public Letter of Reprimand

An investigation conducted by the Medical Board of California revealed that you deviated from the standard of care in that you committed repeated negligent acts in the care and treatment of three patients between February 2020 and April 2023. As to these patients, you failed to document your review of CURES prior to prescribing controlled substances. You also failed to maintain adequate and accurate medical records for three patients.

These actions constitute a violation of Business and Professions Code sections 2234, subdivision (c) and 2266.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California with the following conditions: complete a Medical Record Keeping Course and reimburse the Board its cost of investigation and enforcement in the amount of \$23,243.75. You completed the PBI Medical Record Keeping training in April 2024, therefore, the course condition has been satisfied.
