Costs shall be payable to the Medical Board of California. Failure to pay such costs shall be considered a violation of probation.

Payment must be made in full within 30 calendar days of the effective date of the Order, or by a payment plan approved by the Medical Board of California. Any and all requests for a payment plan shall be submitted in writing by respondent to the Board. Failure to comply with the payment plan shall be considered a violation of probation.

The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to repay investigation and enforcement costs, including expert review costs.

10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probation.

Respondent shall submit quarterly declarations not later than 10 calendar days after the end

of the preceding quarter.

11. GENERAL PROBATION REQUIREMENTS.

Compliance with Probation Unit

Respondent shall comply with the Board's probation unit.

Respondent shall, at all times, keep the Board informed of Respondent's business and residence addresses, email address (if available), and telephone number. Changes of such addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021, subdivision (b).

Place of Practice

Respondent shall not engage in the practice of medicine in Respondent's or patient's place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

License Renewal

Respondent shall maintain a current and renewed California physician's and surgeon's license.

Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be available in person upon request for interviews either at Respondent's place of business or at the probation unit office, with or without prior notice throughout the term of probation.

13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or

its designee in writing within 15 calendar days of any periods of non-practice lasting more than 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is defined as any period of time Respondent is not practicing medicine as defined in Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct patient care, clinical activity or teaching, or other activity as approved by the Board. If Respondent resides in California and is considered to be in non-practice, Respondent shall comply with all terms and conditions of probation. All time spent in an intensive training program which has been approved by the Board or its designee shall not be considered non-practice and does not relieve Respondent from complying with all the terms and conditions of probation. Practicing medicine in another state of the United States or Federal jurisdiction while on probation with the medical licensing authority of that state or jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall not be considered as a period of non-practice.

In the event Respondent's period of non-practice while on probation exceeds 18 calendar months, Respondent shall successfully complete the Federation of State Medical Boards's Special Purpose Examination, or, at the Board's discretion, a clinical competence assessment program that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

Respondent's period of non-practice while on probation shall not exceed two (2) years.

Periods of non-practice will not apply to the reduction of the probationary term.

Periods of non-practice for a Respondent residing outside of California will relieve Respondent of the responsibility to comply with the probationary terms and conditions with the exception of this condition and the following terms and conditions of probation: Obey All Laws; General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or Controlled Substances; and Biological Fluid Testing.

14. COMPLETION OF PROBATION. Respondent shall comply with all financial obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the completion of probation. This term does not include cost recovery, which is due within 30

calendar days of the effective date of the Order, or by a payment plan approved by the Medical Board and timely satisfied. Upon successful completion of probation, Respondent's certificate shall be fully restored.

15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition of probation is a violation of probation. If Respondent violates probation in any respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation, the Board shall have continuing jurisdiction until the matter is final, and the period of probation shall be extended until the matter is final.

16. LICENSE SURRENDER. Following the effective date of this Decision, if Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy the terms and conditions of probation, Respondent may request to surrender his or her license. The Board reserves the right to evaluate Respondent's request and to exercise its discretion in determining whether or not to grant the request, or to take any other action deemed appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its designee and Respondent shall no longer practice medicine. Respondent will no longer be subject to the terms and conditions of probation. If Respondent re-applies for a medical license, the application shall be treated as a petition for reinstatement of a revoked certificate.

17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated with probation monitoring each and every year of probation, as designated by the Board, which may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of California and delivered to the Board or its designee no later than January 31 of each calendar year.

18. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing action agency in the State of California, all of the charges and allegations contained in

Accusation No. 800-2023-094494 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict license.

JURISDICTION

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code, states:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

(b) Gross negligence.

(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

...

6. Section 2236 of the Code states:

(a) The conviction of any offense substantially related to the qualifications, functions, or

1 duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this
2 chapter [Chapter 5, the Medical Practice Act]. The record of conviction shall be conclusive
3 evidence only of the fact that the conviction occurred.

4 (b) The district attorney, city attorney, or other prosecuting agency shall notify the Medical
5 Board of the pendency of an action against a licensee charging a felony or misdemeanor
6 immediately upon obtaining information that the defendant is a licensee. The notice shall identify
7 the licensee and describe the crimes charged and the facts alleged. The prosecuting agency shall
8 also notify the clerk of the court in which the action is pending that the defendant is a licensee,
9 and the clerk shall record prominently in the file that the defendant holds a license as a physician
10 and surgeon.

11 (c) The clerk of the court in which a licensee is convicted of a crime shall, within 48 hours
12 after the conviction, transmit a certified copy of the record of conviction to the board. The
13 division may inquire into the circumstances surrounding the commission of a crime in order to fix
14 the degree of discipline or to determine if the conviction is of an offense substantially related to
15 the qualifications, functions, or duties of a physician and surgeon.

16 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is deemed to
17 be a conviction within the meaning of this section and Section 2236.1. The record of conviction
18 shall be conclusive evidence of the fact that the conviction occurred.

19 7. Section 2239 of the Code states:

20 (a) The use or prescribing for or administering to himself or herself, of any controlled
21 substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic
22 beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to
23 any other person or to the public, or to the extent that such use impairs the ability of the licensee
24 to practice medicine safely or more than one misdemeanor or any felony involving the use,
25 consumption, or self-administration of any of the substances referred to in this section, or any
26 combination thereof, constitutes unprofessional conduct. The record of the conviction is
27 conclusive evidence of such unprofessional conduct.

28 (b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed

1 to be a conviction within the meaning of this section. The Medical Board may order discipline of
2 the licensee in accordance with Section 2227 or the Medical Board may order the denial of the
3 license when the time for appeal has elapsed or the judgment of conviction has been affirmed on
4 appeal or when an order granting probation is made suspending imposition of sentence,
5 irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal Code
6 allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty, or
7 setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or
8 indictment.

9 8. California Code of Regulations, title 16, section 1360, states:

10 (a) For the purposes of denial, suspension or revocation of a license, certificate or permit
11 pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be
12 considered to be substantially related to the qualifications, functions or duties of a person holding
13 a license, certificate or permit under the Medical Practice Act if to a substantial degree it
14 evidences present or potential unfitness of a person holding a license, certificate or permit to
15 perform the functions authorized by the license, certificate or permit in a manner consistent with
16 the public health, safety or welfare. Such crimes, misconduct, or acts shall include but not be
17 limited to the following: Violating or attempting to violate, directly or indirectly, or assisting in or
18 abetting the violation of, or conspiring to violate any provision of state or federal law governing
19 the applicant's or licensee's professional practice.

20 (b) In making the substantial relationship determination required under subdivision (a) for a
21 crime, the board shall consider the following criteria:

- 22 (1) The nature and gravity of the crime;
23 (2) The number of years elapsed since the date of the crime; and
24 (3) The nature and duties of the profession.

25 **COST RECOVERY**

26 9. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
27 administrative law judge to direct a licensee found to have committed a violation or violations of
28 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and

1 enforcement of the case, with failure of the licensee to comply subjecting the license to not being
2 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
3 included in a stipulated settlement.

4 **FACTUAL ALLEGATIONS**

5 10. On or about January 1, 2023, Respondent was involved in an automobile accident on
