18 **IT IS HEREBY STIPULATED AND AGREED by and between the parties to the**
19 **above-entitled proceedings that the following matters are true:**

20 **PARTIES**

21
22 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of
23 California (Board). He brought this action solely in his official capacity and is represented in this
24 matter by Rob Bonta, Attorney General of the State of California, by Thomas Ostly, Deputy
25 Attorney General.

26 2. DHARMESH ARVIND PATEL, M.D. (Respondent) is represented in this
27 proceeding by attorney Shannon V. Baker, whose address is: 765 University Avenue,
28 Sacramento, CA 95825.

1 Respondent hereby gives up his right to contest that cause for discipline exists based on those
2 charges.

3 10. Respondent understands that by signing this stipulation he enables the Board to issue
4 an order accepting the surrender of his Physician's and Surgeon's Certificate without further
5 process.

6 CONTINGENCY

7 11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent
8 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...
9 stipulation for surrender of a license."

10 12. Respondent understands that, by signing this stipulation, he enables the Executive
11 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his
12 Physician's and Surgeon's Certificate No. A 125193 without further notice to, or opportunity to be
13 heard by, Respondent.

14 13. This Stipulated Surrender of License and Disciplinary Order shall be subject to the
15 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated
16 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his
17 consideration in the above-entitled matter and, further, that the Executive Director shall have a
18 reasonable period of time in which to consider and act on this Stipulated Surrender of License and
19 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands
20 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the
21 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

22 14. The parties agree that this Stipulated Surrender of License and Disciplinary Order
23 shall be null and void and not binding upon the parties unless approved and adopted by the
24 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full
25 force and effect. Respondent fully understands and agrees that in deciding whether or not to
26 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive
27 Director and/or the Board may receive oral and written communications from its staff and/or the
28 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the

1 Executive Director, the Board, any member thereof, and/or any other person from future
2 participation in this or any other matter affecting or involving respondent. In the event that the
3 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this
4 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it
5 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied
6 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees
7 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason
8 by the Executive Director on behalf of the Board, Respondent will assert no claim that the
9 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,
10 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or
11 of any matter or matters related hereto.

12 **ADDITIONAL PROVISIONS**

13 15. This Stipulated Surrender of License and Disciplinary Order is intended by the parties
14 herein to be an integrated writing representing the complete, final and exclusive embodiment of
15 the agreements of the parties in the above-entitled matter.

16 16. The parties agree that copies of this Stipulated Surrender of License and Disciplinary
17 Order, including copies of the signatures of the parties, may be used in lieu of original documents
18 and signatures and, further, that such copies shall have the same force and effect as originals.

19 17. In consideration of the foregoing admissions and stipulations, the parties agree the
20 Executive Director of the Board may, without further notice to or opportunity to be heard by
21 Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

22 **ORDER**

23 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 125193,
24 issued to Respondent DHARMESH ARVIND PATEL, M.D., is surrendered and accepted by the
25 Board.

26 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the
27 acceptance of the surrendered license by the Board shall constitute the imposition of discipline
28

1 against Respondent. This stipulation constitutes a record of the discipline and shall become a part
2 of Respondent's license history with the Board.

3 2. Respondent shall lose all rights and privileges as a physician and surgeon in
4 California as of the effective date of the Board's Decision and Order.

5 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was
6 issued, his wall certificate on or before the effective date of the Decision and Order.

7 4. If Respondent ever files an application for licensure or a petition for reinstatement in
8 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must
9 comply with all the laws, regulations and procedures for reinstatement of a revoked or
10 surrendered license in effect at the time the petition is filed, and all of the charges and allegations
11 contained in Accusation No. 800-2023-094469 shall be deemed to be true, correct and admitted
12 by Respondent when the Board determines whether to grant or deny the petition.

13 5. Respondent shall pay the agency its costs of investigation and enforcement in the
14 amount of \$103,364.75 prior to issuance of a new or reinstated license.

15 6. If Respondent should ever apply or reapply for a new license or certification, or
16 petition for reinstatement of a license, by any other health care licensing agency in the State of
17 California, all of the charges and allegations contained in Accusation No. 800-2023-094469 shall
18 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of
19 Issues or any other proceeding seeking to deny or restrict licensure.

20 7. Respondent shall pay the agency its costs of investigation and enforcement in the
21 amount of \$103,364.75 prior to issuance of a new or reinstated license.

22

20 the Executive Director of the Medical Board of California, Department of Consumer Affairs
21 (Board).
- 22 2. On or about April 4, 2013, the Medical Board issued Physician's and Surgeon's
23 Certificate Number A 125193 to Dharmesh Arvind Patel, M.D. (Respondent). The Physician's
24 and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought
25 herein and expired on June 30, 2026. As of June 20, 2024, Respondent is restricted from
26 practicing medicine pursuant to a Penal Code section 23 superior court order.¹

1 JURISDICTION AND STATUTORY PROVISIONS

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2220 of the Code states:

6 Except as otherwise provided by law, the Board may take action against all persons guilty
7 of violating this chapter. The Board shall enforce and administer this article as to physician and
8 surgeon certificate holders, including those who hold certificates that do not permit them to
9 practice medicine, such as, but not limited to, retired, inactive, or disabled status certificate
10 holders, and the Board shall have all the powers granted in this chapter for these purposes
11 including, but not limited to:

12 (a) Investigating complaints from the public, from other licensees, from health care
13 facilities, or from the Board that a physician and surgeon may be guilty of unprofessional
14 conduct. The Board shall investigate the circumstances underlying a report received
15 pursuant to Section 805 or 805.01 within 30 days to determine if an interim suspension
16 order or temporary restraining order should be issued. The Board shall otherwise provide
17 timely disposition of the reports received pursuant to Section 805 and Section 805.01.

18 (b) Investigating the circumstances of practice of any physician and surgeon where
19 there have been any judgments, settlements, or arbitration awards requiring the physician
20 and surgeon or his or her professional liability insurer to pay an amount in damages in
21 excess of a cumulative total of thirty thousand dollars (\$30,000) with respect to any claim
22 that injury or damage was proximately caused by the physician's and surgeon's error,
23 negligence, or omission.

24 (c) Investigating the nature and causes of injuries from cases which shall be reported of a
25 high number of judgments, settlements, or arbitration awards against a physician and surgeon.

26 5. Section 2227 of the Code provides that a licensee who is found guilty under the
27 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
28

1 one year, placed on probation and required to pay the costs of probation monitoring, or such other
2 action taken in relation to discipline as the Board deems proper.

3 6. Section 2234 of the Code states:

4 The board shall take action against any licensee who is charged with
5 unprofessional conduct. In addition to other provisions of this article, unprofessional
6 conduct includes, but is not limited to, the following:

7 (a) Violating or attempting to violate, directly or indirectly, assisting in or
8 abetting the violation of, or conspiring to violate any provision of this chapter.

9 (b) Gross negligence.

10 (c) Repeated negligent acts. To be repeated, there must be two or more
11 negligent acts or omissions. An initial negligent act or omission followed by a
12 separate and distinct departure from the applicable standard of care shall constitute
13 repeated negligent acts.

14 (1) An initial negligent diagnosis followed by an act or omission medically
15 appropriate for that negligent diagnosis of the patient shall constitute a single
16 negligent act.

17 (2) When the standard of care requires a change in the diagnosis, act, or
18 omission that constitutes the negligent act described in paragraph (1), including, but
19 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
20 licensee's conduct departs from the applicable standard of care, each departure
21 constitutes a separate and distinct breach of the standard of care.

22 (d) Incompetence.

23 (e) The commission of any act involving dishonesty or corruption that is
24 substantially related to the qualifications, functions, or duties of a physician and
25 surgeon.

26 (f) Any action or conduct that would have warranted the denial of a certificate.

27 (g) The failure by a certificate holder, in the absence of good cause, to attend
28 and participate in an interview by the board no later than 30 calendar days after being
notified by the board. This subdivision shall only apply to a certificate holder who is
the subject of an investigation by the board.

(h) Any action of the licensee, or another person acting on behalf of the
licensee, intended to cause their patient or their patient's authorized representative to
rescind consent to release the patient's medical records to the board or the
Department of Consumer Affairs, Health Quality Investigation Unit.

(i) Dissuading, intimidating, or tampering with a patient, witness, or any person
in an attempt to prevent them from reporting or testifying about a licensee.

7. Section 822 of the Code states:

If a licensing agency determines that its licentiate's ability to practice his or her
profession safely is impaired because the licentiate is mentally ill, or physically ill

1 affecting competency, the licensing agency may take action by any one of the
2 following methods:

3 (a) Revoking the licentiate's certificate or license.

4 (b) Suspending the licentiate's right to practice.

5 (c) Placing the licentiate on probation.

6 (d) Taking such other action in relation to the licentiate as the licensing agency
7 in its discretion deems proper.

8 The licensing section shall not reinstate a revoked or suspended certificate or
9 license until it has received competent evidence of the absence or control of the
10 condition which caused its action and until it is satisfied that with due regard for the
11 public health and safety the person's right to practice his or her profession may be
12 safely reinstated.

13 COST RECOVERY

14 8. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
15 administrative law judge to direct a licensee found to have committed a violation or violations of
16 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
17 enforcement of the case, with failure of the licensee to comply subjecting the license to not being
18 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
19 included in a stipulated settlement.

20 FACTUAL ALLEGATIONS

21 9. On January 2, 2023, Respondent intentionally drove his vehicle off California State
22 Route 1 at Devil's Slide over a cliff and down several hundred feet to the bottom. The facts are as
23 follows:

24 10. On January 2, 2023, Respondent was driving southbound on Highway 1, south of
25 Pacifica, California with his wife and two young children as passengers in the vehicle. Around
26 the Devil's Slide area, multiple witnesses observed that the brake lights were never engaged, and
27 there were no skid marks evidencing an attempt to halt the forward progress of the vehicle.

28 11. Emergency personnel responded, rappelled down the cliff and found four injured
people in the vehicle. In addition to Respondent, his wife was in the passenger seat and his two
children were in the back seat. All sustained major injuries.

1 12. Respondent's children were extricated from the vehicle, raised up the cliffside, and
2 then immediately airlifted for treatment at Stanford Medical Center.

3 13. When Respondent's wife² was being removed from the vehicle, she spoke with
4 Paramedic One who had descended the cliff to render aid. While Paramedic One was working on
5 extracting Respondent's wife, she stated multiple times Respondent had driven off of the cliff on
6 purpose. She also stated Respondent needed a psychological evaluation. When Paramedic One
7 heard these statements, he immediately relayed them to a supervisor.

8 14. When Respondent's wife was being assessed by Paramedic Two, she spontaneously
9 stated "My husband needs help, this was on purpose and my husband tried to kill us."

10 15. After being brought up the cliff and waiting for the helicopter to transport her to
11 Stanford Medical Center, Respondent's wife was interviewed by California Highway Patrol
12 Officer (CHP Officer) J.R. During their brief interaction, Respondent's wife stated, "He drove
13 off. He's depressed. He's a doctor. He said he was going to drive off the cliff. He purposely drove
14 off."

15 16. While being airlifted, Respondent's wife made statements to Nurse One regarding her
16 husband's mental state. These statements were consistent with her previous statements to
17 Paramedic One and CHP Officer J.R.

18 17. On January 2, 2023, CHP Officers J.R. and A.S. responded to Stanford Medical
19 Center to conduct additional interviews. They met with Respondent, who denied driving off of
20 the cliff on purpose. Respondent stated that the tire pressure in the vehicle was low and that he
21 had gone to three places to refill the tire, but their air pumps were not working. Respondent
22 alleged that as he was driving the tire began to feel different and he pulled onto the dirt path to
23 check his tire.

24 18. While being treated in the hospital, one of Respondent's minor children made
25 statements while being treated by Nurse Two. Nurse Two relayed the content of the statements to
26
27

28 _____
² Names of all occupants are withheld to protect their privacy.

1 CHP Officer J.R. Nurse Two relayed the statements made by the minor which described
2 Respondent's mental state and actions before driving off the cliff.³

3 19. Video from the scene, the statements from witnesses, and the physical evidence
4 collected all show that Respondent made a deliberate and willful right turn off the highway along
5 a cliff beside the Pacific Ocean and drove off the cliff with the intent of killing himself and his
6 passengers. Respondent's actions inflicted major injuries to himself and his passengers and are
7 consistent with multiple counts of attempted murder as defined by the California Penal Code.
8 The actions of Respondent also caused major injuries to his wife, a felony, as described by
9 California Penal Code section 273.5(a), and to his children and Respondent committed felony
10 child endangerment as described by California Penal Code Section 273(a). Finally, Respondent's
11 statement to the CHP Officers on January 2, 2023, were false and intentionally misleading.

12 **CAUSE FOR DISCIPLINE**

13 (Unprofessional Conduct)

14 20. The allegations in paragraphs 9 through 19 above are incorporated by reference as if
15 set out in full.

16 21. Respondent is subject to disciplinary action under section 2234(e) and/or 2234(f) of
17 the Code, in that Respondent's actions injured his wife and children and could have resulted in
18 death. Respondent inflicted great bodily injury upon one or more of them such that his wife
19 spontaneously relayed to CHP Officers and Paramedics that Respondent "tried to kill" his family.
20 The actions of Respondent demonstrate a disregard for the law, rights of others and the sanctity of
21 human life. This disregard is directly related to and inconsistent with the safe and professional
22 practice of medicine, and qualification, functions, duties and obligations of physicians.

23 //
24 //
25 //
26 //

27 ³ There were at least two other instances in which the minor relayed nearly identical
28 statements to other health care workers and investigators about Respondent's statements and
actions before driving off the cliff.

CAUSE OF ACTION

(Unable to Practice Safely)

22. The allegations in paragraphs 9 through 19 above are incorporated by reference as if set out in full.

23. Respondent is subject to action under section 822 of the Code, in that Respondent is unable to practice safely due to mental illness. Respondent's mental health as evidenced above demonstrates an inability to practice safely.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:
