DISCIPLINARY ORDER

15
16 Respondent.
17

18 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of
22 California (Board). He brought this action solely in his official capacity and is represented in this
23 matter by Rob Bonta, Attorney General of the State of California, by Wendy Widlus, Deputy
24 Attorney General.

25 2. Respondent Shun K. Sunder, M.D. (Respondent) is represented in this proceeding by
26 attorney Raymond J. McMahon, Esq., whose address is: 5440 Trabuco Road, Irvine, CA 92620.

27 3. On or about April 22, 1975, the Board issued Physician's and Surgeon's Certificate
28 No. A 26701 to Shun K. Sunder, M.D. (Respondent). The Physician's and Surgeon's Certificate

1 was in full force and effect at all times relevant to the charges brought in Accusation No. 800-
2 2022-093951, and will expire on March 31, 2026, unless renewed.

3 **JURISDICTION**

4 4. Accusation No. 800-2022-093951 was filed before the Board, and is currently
5 pending against Respondent. The Accusation and all other statutorily required documents were
6 properly served on Respondent on January 7, 2025. Respondent timely filed his Notice of
7 Defense contesting the Accusation.

8 5. A copy of Accusation No. 800-2022-093951 is attached as exhibit A and incorporated
9 herein by reference.

10 **ADVISEMENT AND WAIVERS**

11 6. Respondent has carefully read, fully discussed with counsel, and understands the
12 charges and allegations in Accusation No. 800-2022-093951. Respondent has also carefully read,
13 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and
14 Disciplinary Order.

15 7. Respondent is fully aware of his legal rights in this matter, including the right to a
16 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
17 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
18 to the issuance of subpoenas to compel the attendance of witnesses and the production of
19 documents; the right to reconsideration and court review of an adverse decision; and all other
20 rights accorded by the California Administrative Procedure Act and other applicable laws.

21 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
22 every right set forth above.

23 **CULPABILITY**

24 9. Respondent understands and agrees that the charges and allegations in Accusation
25 No. 800-2022-093951, if proven at a hearing, constitute cause for imposing discipline upon his
26 Physician's and Surgeon's Certificate.

27 10. Respondent does not contest that, at an administrative hearing, Complainant could
28 establish a prima facie case with respect to the charges and allegations in Accusation No. 800-

1 2022-093951, a true and correct copy of which is attached hereto as Exhibit A, and that he has
2 thereby subjected his Physician's and Surgeon's Certificate No. A 26701 to disciplinary action.

3 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
4 discipline and agrees to be bound by the Board's probationary terms as set forth in the
5 Disciplinary Order below.

6 12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
7 discipline and agrees to be bound by the Board's probationary terms as set forth in the
8 Disciplinary Order below.

9 **CONTINGENCY**

10 13. This stipulation shall be subject to approval by the Medical Board of California.
11 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
12 Board of California may communicate directly with the Board regarding this stipulation and
13 settlement, without notice to or participation by Respondent or his counsel. By signing the
14 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
15 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
16 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
17 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
18 action between the parties, and the Board shall not be disqualified from further action by having
19 considered this matter.

20 14. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to
21 be an integrated writing representing the complete, final and exclusive embodiment of the
22 agreement of the parties in this above-entitled matter.

23 15. Respondent agrees that if he ever petitions for early termination or modification of
24 probation, or if an accusation and/or petition to revoke probation is filed against him before the
25 Board, all of the charges and allegations contained in Accusation No. 800-2022-093951 shall be
26 deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or
27 any other licensing proceeding involving Respondent in the State of California.

28 16. The parties understand and agree that Portable Document Format (PDF) and facsimile

1 copies of this Stipulated Settlement and Disciplinary Order, including copies of the signatures of
2 the parties, may be used in lieu of original documents and signatures, and, further, that such
3 copies shall have the same force and effect as the originals.

4 17. In consideration of the foregoing admissions and stipulations, the parties agree that
5 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
6 enter the following Disciplinary Order:

7 **DISCIPLINARY ORDER**

8 **IT IS HEREBY ORDERED** that Physician's and Surgeon's Certificate No. A 26701
9 issued to Respondent Shun K. Sunder, M.D. is revoked. However, the revocation is stayed and
10 Respondent is placed on probation for three (3) years on the following terms and conditions:

11 1. **PRESCRIBING PRACTICES COURSE.** Within 60 calendar days of the effective
12 date of this Decision, Respondent shall enroll in a course in prescribing practices approved in
13 advance by the Board or its designee. Respondent shall provide the approved course provider
14 with any information and documents that the approved course provider may deem pertinent.
15 Respondent shall participate in and successfully complete the classroom component of the course
16 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
17 complete any other component of the course within one (1) year of enrollment. The prescribing
18 practices course shall be at Respondent's expense and shall be in addition to the Continuing
19 Medical Education (CME) requirements for renewal of licensure.

20 A prescribing practices course taken after the acts that gave rise to the charges in the
21 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
22 or its designee, be accepted towards the fulfillment of this condition if the course would have
23 been approved by the Board or its designee had the course been taken after the effective date of
24 this Decision.

25 Respondent shall submit a certification of successful completion to the Board or its
26 designee not later than 15 calendar days after successfully completing the course, or not later than
27 15 calendar days after the effective date of the Decision, whichever is later.

28 2. **MEDICAL RECORD KEEPING COURSE.** Within 60 calendar days of the effective

1 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in
2 advance by the Board or its designee. Respondent shall provide the approved course provider
3 with any information and documents that the approved course provider may deem pertinent.
4 Respondent shall participate in and successfully complete the classroom component of the course
5 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
6 complete any other component of the course within one (1) year of enrollment. The medical
7 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
8 Medical Education (CME) requirements for renewal of licensure.

9 A medical record keeping course taken after the acts that gave rise to the charges in the
10 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
11 or its designee, be accepted towards the fulfillment of this condition if the course would have
12 been approved by the Board or its designee had the course been taken after the effective date of
13 this Decision.

14 Respondent shall submit a certification of successful completion to the Board or its
15 designee not later than 15 calendar days after successfully completing the course, or not later than
16 15 calendar days after the effective date of the Decision, whichever is later.

17 3. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
18 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
19 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
20 Respondent shall participate in and successfully complete that program. Respondent shall
21 provide any information and documents that the program may deem pertinent. Respondent shall
22 successfully complete the classroom component of the program not later than six (6) months after
23 Respondent's initial enrollment, and the longitudinal component of the program not later than the
24 time specified by the program, but no later than one (1) year after attending the classroom
25 component. The professionalism program shall be at Respondent's expense and shall be in
26 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

27 A professionalism program taken after the acts that gave rise to the charges in the
28 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board

1 or its designee, be accepted towards the fulfillment of this condition if the program would have
2 been approved by the Board or its designee had the program been taken after the effective date of
3 this Decision.

4 Respondent shall submit a certification of successful completion to the Board or its
5 designee not later than 15 calendar days after successfully completing the program or not later
6 than 15 calendar days after the effective date of the Decision, whichever is later.

7 4. CLINICAL COMPETENCE ASSESSMENT PROGRAM. Within 60 calendar days
8 of the effective date of this Decision, Respondent shall enroll in a clinical competence assessment
9 program approved in advance by the Board or its designee. Respondent shall successfully
10 complete the program not later than six (6) months after Respondent's initial enrollment unless
11 the Board or its designee agrees in writing to an extension of that time.

12 The program shall consist of a comprehensive assessment of Respondent's physical and
13 mental health and the six general domains of clinical competence as defined by the Accreditation
14 Council on Graduate Medical Education and American Board of Medical Specialties pertaining to
15 Respondent's current or intended area of practice. The program shall take into account data
16 obtained from the pre-assessment, self-report forms and interview, and the Decision(s),
17 Accusation(s), and any other information that the Board or its designee deems relevant. The
18 program shall require Respondent's on-site participation for a minimum of three (3) and no more
19 than five (5) days as determined by the program for the assessment and clinical education and
20 evaluation. Respondent shall pay all expenses associated with the clinical competence
21 assessment program.

22 At the end of the evaluation, the program will submit a report to the Board or its designee
23 which unequivocally states whether the Respondent has demonstrated the ability to practice
24 safely and independently. Based on Respondent's performance on the clinical competence
25 assessment, the program will advise the Board or its designee of its recommendation(s) for the
26 scope and length of any additional educational or clinical training, evaluation or treatment for any
27 medical condition or psychological condition, or anything else affecting Respondent's practice of
28 medicine. Respondent shall comply with the program's recommendations.

1 Determination as to whether Respondent successfully completed the clinical competence
2 assessment program is solely within the program's jurisdiction.

3 If Respondent fails to enroll, participate in, or successfully complete the clinical
4 competence assessment program within the designated time period, Respondent shall receive a
5 notification from the Board or its designee to cease the practice of medicine within three (3)
6 calendar days after being so notified. The Respondent shall not resume the practice of medicine
7 until enrollment or participation in the outstanding portions of the clinical competence assessment
8 program have been completed. If the Respondent did not successfully complete the clinical
9 competence assessment program, the Respondent shall not resume the practice of medicine until a
10 final decision has been rendered on the accusation and/or a petition to revoke probation. The
11 cessation of practice shall not apply to the reduction of the probationary time period.]

12 5. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this
13 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice
14 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose
15 licenses are valid and in good standing, and who are preferably American Board of Medical
16 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal
17 relationship with Respondent, or other relationship that could reasonably be expected to
18 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
19 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
20 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

21 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
22 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
23 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
24 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
25 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
26 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
27 signed statement for approval by the Board or its designee.

28 Within 60 calendar days of the effective date of this Decision, and continuing throughout

1 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
2 make all records available for immediate inspection and copying on the premises by the monitor
3 at all times during business hours and shall retain the records for the entire term of probation.

4 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
5 date of this Decision, Respondent shall receive a notification from the Board or its designee to
6 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
7 shall cease the practice of medicine until a monitor is approved to provide monitoring
8 responsibility.

9 The monitor(s) shall submit a quarterly written report to the Board or its designee which
10 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
11 are within the standards of practice of medicine, and whether Respondent is practicing medicine
12 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure
13 that the monitor submits the quarterly written reports to the Board or its designee within 10
14 calendar days after the end of the preceding quarter.

15 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
16 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
17 name and qualifications of a replacement monitor who will be assuming that responsibility within
18 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
19 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
20 notification from the Board or its designee to cease the practice of medicine within three (3)
21 calendar days after being so notified. Respondent shall cease the practice of medicine until a
22 replacement monitor is approved and assumes monitoring responsibility.

23 In lieu of a monitor, Respondent may participate in a professional enhancement program
24 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
25 review, semi-annual practice assessment, and semi-annual review of professional growth and
26 education. Respondent shall participate in the professional enhancement program at Respondent's
27 expense during the term of probation.

28 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the

1 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
2 Chief Executive Officer at every hospital where privileges or membership are extended to
3 Respondent, at any other facility where Respondent engages in the practice of medicine,
4 including all physician and locum tenens registries or other similar agencies, and to the Chief
5 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
6 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
7 calendar days.

8 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

9 7. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
10 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
11 advanced practice nurses.

12 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
13 governing the practice of medicine in California and remain in full compliance with any court
14 ordered criminal probation, payments, and other orders.

15 9. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
16 ordered to reimburse the Board its costs of investigation and enforcement, including, but not
17 limited to, expert review, amended accusations, legal reviews, investigation(s), and subpoena
18 enforcement, as applicable, in the amount of \$18,717.60 (eighteen thousand seven hundred
19 seventeen dollars and sixty cents). Costs shall be payable to the Medical Board of California.
20 Failure to pay such costs shall be considered a violation of probation. Payment must be made in
21 full within 30 calendar days of the effective date of the Order, or by a payment plan approved by
22 the Medical Board of California. Any and all requests for a payment plan shall be submitted in
23 writing by respondent to the Board. Failure to comply with the payment plan shall be considered
24 a violation of probation.

25 The filing of bankruptcy by Respondent shall not relieve respondent of the responsibility to
26 repay investigation and enforcement costs, including expert review costs.

27 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
28 under penalty of perjury on forms provided by the Board, stating whether there has been

1 compliance with all the conditions of probation.

2 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
3 of the preceding quarter.

4 11. GENERAL PROBATION REQUIREMENTS

5 Compliance with Probation Unit

6 Respondent shall comply with the Board's probation unit.

7 Address Changes

8 Respondent shall, at all times, keep the Board informed of Respondent's business and
9 residence addresses, email address (if available), and telephone number. Changes of such
10 addresses shall be immediately communicated in writing to the Board or its designee. Under no
11 circumstances shall a post office box serve as an address of record, except as allowed by Business
12 and Professions Code section 2021, subdivision (b).

13 Place of Practice

14 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
15 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
16 facility.

17 License Renewal

18 Respondent shall maintain a current and renewed California physician's and surgeon's
19 license.

20 Travel or Residence Outside California

21 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
22 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
23 (30) calendar days.

24 In the event Respondent should leave the State of California to reside or to practice
25 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
26 departure and return.

27 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
28 available in person upon request for interviews either at Respondent's place of business or at the

1 probation unit office, with or without prior notice throughout the term of probation.

2 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
3 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
4 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
5 defined as any period of time Respondent is not practicing medicine as defined in Business and
6 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
7 patient care, clinical activity or teaching, or other activity as approved by the Board. If
8 Respondent resides in California and is considered to be in non-practice, Respondent shall
9 comply with all terms and conditions of probation. All time spent in an intensive training
10 program which has been approved by the Board or its designee shall not be considered non-
11 practice and does not relieve Respondent from complying with all the terms and conditions of
12 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
13 on probation with the medical licensing authority of that state or jurisdiction shall not be
14 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
15 period of non-practice.

16 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
17 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
18 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
19 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
20 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

21 Respondent's period of non-practice while on probation shall not exceed two (2) years.

22 Periods of non-practice will not apply to the reduction of the probationary term.

23 Periods of non-practice for a Respondent residing outside of California will relieve
24 Respondent of the responsibility to comply with the probationary terms and conditions with the
25 exception of this condition and the following terms and conditions of probation: Obey All Laws;
26 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
27 Controlled Substances; and Biological Fluid Testing.

28 14. COMPLETION OF PROBATION. Respondent shall comply with all financial

1 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
2 completion of probation. This term does not include cost recovery, which is due within 30
3 calendar days of the effective date of the Order, or by a payment plan approved by the Medical
4 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate
5 shall be fully restored.

6 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
7 of probation is a violation of probation. If Respondent violates probation in any respect, the
8 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
9 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
10 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
11 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
12 the matter is final.

13 16. LICENSE SURRENDER. Following the effective date of this Decision, if
14 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
15 the terms and conditions of probation, Respondent may request to surrender his or her license.
16 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
17 determining whether or not to grant the request, or to take any other action deemed appropriate
18 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
19 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
20 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
21 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
22 application shall be treated as a petition for reinstatement of a revoked certificate.

23 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
24 with probation monitoring each and every year of probation, as designated by the Board, which
25 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
26 California and delivered to the Board or its designee no later than January 31 of each calendar
27 year.

28 18. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for

1 a new license or certification, or petition for reinstatement of a license, by any other health care
2 licensing action agency in the State of California, all of the charges and allegations contained in
3 Accusation No. 800-2022-093951 shall be deemed to be true, correct, and admitted by
4 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
5 restrict license.

5 **STATUTORY PROVISIONS**

6 7. Section 2234 of the Code states:

7 The board shall take action against any licensee who is charged with
8 unprofessional conduct. In addition to other provisions of this article, unprofessional
conduct includes, but is not limited to, the following:

9 (a) Violating or attempting to violate, directly or indirectly, assisting in or
10 abetting the violation of, or conspiring to violate any provision of this chapter.

11 (b) Gross negligence.

12 (c) Repeated negligent acts. To be repeated, there must be two or more
13 negligent acts or omissions. An initial negligent act or omission followed by a
separate and distinct departure from the applicable standard of care shall constitute
repeated negligent acts.

14 (1) An initial negligent diagnosis followed by an act or omission medically
15 appropriate for that negligent diagnosis of the patient shall constitute a single
negligent act.

16 (2) When the standard of care requires a change in the diagnosis, act, or
17 omission that constitutes the negligent act described in paragraph (1), including, but
not limited to, a reevaluation of the diagnosis or a change in treatment, and the
18 licensee's conduct departs from the applicable standard of care, each departure
constitutes a separate and distinct breach of the standard of care.

Department of Consumer Affairs, Health Quality Investigation Unit.

28 (i) Dissuading, intimidating, or tampering with a patient, witness, or any person

1 in an attempt to prevent them from reporting or testifying about a licensee.

15 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
16 included in a stipulated settlement.

17 FACTUAL ALLEGATIONS

18 11. Respondent is an internist with a subspecialty in cardiovascular disease. The Board
19 initiated its investigation into Respondent upon receipt of a complaint from Patient A,¹ who
20 alleged that she saw Respondent in or around December 2022 and that he appeared to be
21 confused, and that, ultimately, his medical assistant had to come into the examination room to
22 help complete the patient encounter. The medical assistant completed the visit with Patient A at
23 that visit and went over the results of the tests, and the prescriptions she was given.

FIRST CAUSE FOR DISCIPLINE

(Gross Negligence)

12. Respondent Shun K. Sunder, M.D. is subject to disciplinary action under section 2234, subdivision (b), of the Code, in that Respondent was grossly negligent in connection with his care and treatment of Patient A. The circumstances are as follows:

13. On or about July 8, 2022, Patient A, a 37-year-old female, saw Respondent for the first time. Patient A's chief complaints included hypertension, hyperlipidemia, dizziness, abnormal feeling in the chest, palpitation, and abnormal electrocardiogram. Patient A had been referred to Respondent after receiving abnormal results from an EKG² and due to hypertension. Patient A also complained about shortness of breath, and fatigue, which Patient A felt was due to her having had Covid-19 six months earlier. Respondent's medical records for this visit are inadequate, including his failure to adequately document Patient A's history of present illness, and the physical exam template in the chart note was insufficient. The review of systems section was left blank. Patient A's past medical history mentioned diabetes. However, there was no documentation of a blood sugar level, hemoglobin A1C level, or any treatment medications that Patient A was taking for diabetes. Further, Respondent failed to document an assessment or plan for this visit.

14. Respondent continued to treat the patient for the next few months and his medical records stated that Patient A was allergic to sulfa (including in a chart note dated December 5, 2022), and that she had been prescribed amlodipine (a drug used to treat hypertension). Respondent's medical records for Patient A include a prescription for metoprolol³ and hydrochlorothiazide (HCTZ)⁴ (on or about August 11, 2022). However, there are no corresponding chart notes in Respondent's medical records explaining why he prescribed metoprolol or HCTZ to Patient A. Patient A later discovered that she should not be taking HCTZ

³ Metoprolol is a medication used to treat high blood pressure.

1 because he had an allergy to sulfa.⁵ However, there is no notation in Respondent's medical
2 records chart that Patient A was told to stop taking HCTZ.

3 15. On or about July 30, 2022, Patient A underwent a Holter monitor⁶ study at
4 Respondent's office. The results do not reflect that there was any supraventricular tachycardia
5 (SVT).

6 16. On or about August 1, 2022, Patient A underwent a treadmill test at Respondent's
7 office. The test sheet and exercise test treadmill report indicated that Patient A was taking
8 amlodipine. The treadmill test was allegedly negative for ischemia, but Patient A ended the test
9 after less than 3 minutes due to fatigue.

10 17. On or about August 5, 2022, Patient A underwent an echocardiogram (EKG) study at
11 Respondent's office. The echocardiogram showed normal heart function, ventricular
12 hypertrophy, mild left atrial enlargement and mild mitral valve regurgitation.

13 18. On or about August 9, 2022, Patient A provided laboratory specimens for analysis.
14 The results of the laboratory tests showed a very high Thyroid-Stimulating Hormone (TSH) of
15 107 consistent with severe hypothyroidism and an abnormal thyroid peroxidase level. The lab
16 results for Patient A also indicated that her hemoglobin was 8.8 which is significant for anemia.

17 19. On or about August 11, 2022, Patient A went to Respondent's office. Respondent's
18 medical assistant/office manager went over the results of the tests with Patient A. Her blood
19 pressure was 159/98. A chart note listed an allergy for sulfa. The assessment included
20 hypertension and hypertensive heart disease. Respondent failed to adequately convey to Patient
21 A and/or document such review and discussions with Patient A, the significance of the results of
22 the testing, including the laboratory tests that were done on or about August 9, 2022, which
23 revealed a very high TSH of 107 (consistent with severe hypothyroidism and an abnormal thyroid
24 peroxidase level) and hemoglobin of 8.8 (significant for anemia).

25 20. On or about December 5, 2022, Respondent saw Patient A at her third visit to his

1 office with an elevated blood pressure of 158/104. She was diagnosed with labile hypertension,
2 "short SVT runs" (which was not documented on a monitor), and hypothyroidism and shortness
3 of breath was noted. Respondent's plan was to increase Patient A's metoprolol intake to 100 mg
4 in the morning and 50 mg in the evening. However, the prescription in the chart was for
5 metoprolol at 50 mg twice a day. Patient A was also prescribed Singulair,⁷ but Respondent failed
6 to document any diagnosis that would be treated with that drug.

7 21. On or about September 5th, 2023, a Department of Consumer Affairs medical
8 consultant and investigator interviewed Respondent (Subject Interview). Respondent stated at his
9 Subject Interview that Patient A had COPD⁸ and that he prescribed Singulair to treat it.
10 However, there was no mention of COPD in Patient A's chart. During the Subject Interview,
11 Respondent also stated that Patient A had type 2 diabetes, anemia (iron deficiency), and sleep
12 apnea. However, Respondent's chart notes failed to adequately address that Patient A had
13 diabetes, anemia, or sleep apnea.

14 22. Respondent committed gross negligence as follows (each a separate instance):

15 A. On or about July 8, 2022, Respondent failed to adequately perform and/or
16 document the following: obtaining Patient A's history; performing a physical examination and
17 assessment, and formulating a treatment plan at Patient A's first patient encounter with him. The
18 second and third visits were equally inadequate, including a failure to adequately address,
19 perform and/or document Patient A's history (since the previous visit), assessment and plan.

20 B. Respondent failed to adequately document that Patient A suffered from severe
21 hypothyroidism and significant anemia that could have caused some of her initial symptoms, and
22 failed to discuss this with Patient A, and document this discussion.

23 C. Respondent incorrectly diagnosed Patient A with supraventricular tachycardia
24 (SVT). However, neither the computer interpretation of the monitors, nor Respondent's

amounts of a slimy substance called mucus.

1 interpretation of the monitor, mentioned SVT. The rhythms in the chart from the monitors do not
2 indicate any SVT.

3 D. Respondent failed to recognize Patient A's contraindication to HCTZ. At
4 Patient A's first visit on or about July 8, 2022, Respondent failed to adequately obtain and
5 document Patient A's allergies. The chart for Patient A's second visit to Respondent's office on
6 or about August 11, 2022 noted that Patient A had an allergy to sulfa. Respondent then
7 prescribed HCTZ to Patient A, but failed to document why he prescribed HCTZ at that visit.
8 Subsequently, Patient A called Respondent's office because she realized that her allergy to sulfa
9 could cause her to suffer a negative reaction to this medication. However, Respondent failed to
10 offer and/or document a substitute for HCTZ or that Respondent told Patient A not to take HCTZ.

11 **SECOND CAUSE FOR DISCIPLINE**

12 **(Repeated Negligent Acts)**

13 23. Respondent Shun K. Sunder, M.D. is subject to disciplinary action under section
14 2234, subdivision (c), of the Code, in that Respondent committed repeated negligent acts in
15 connection with his provision of medical services to Patient A. The circumstances are as follows:

16 24. The facts and allegations of the First Cause for Discipline are incorporated herein by
17 reference as if fully set forth. Each allegation of gross negligence in the First Cause for
18 Discipline also constitutes a negligent act.

19 25. Respondent also committed the following negligent acts:

20 A. Respondent failed to adequately rule out ischemic heart disease; he only had
21 Patient A undergo a standard treadmill test performed for less than three minutes. After the
22 inadequate stress test, Respondent should have ordered a chemical stress test, e.g., an adenosine
23 or Lexiscan nuclear stress test, which he did not do.

24 B. On or about December 5, 2022, at the third patient encounter, Respondent
25 prescribed to Patient A Singulair tablets. However, Respondent did not document why he
26 prescribed this drug to Patient A. During his Subject Interview, Respondent stated that he
27 prescribed the drug to Patient A for "COPD." However, Respondent's medical records for
28 Patient A do not document that he, nor anyone else, had diagnosed Patient A with COPD.

1 **THIRD CAUSE FOR DISCIPLINE**

2 **(Inadequate and Inaccurate Medical Record Keeping)**

3 26. Respondent Shun K. Sunder, M.D. is subject to disciplinary action under section 2266
4 of the Code, in that Respondent failed to maintain adequate and accurate records relating to the
5 provision of medical services to Patient A. The circumstances are as follows:

6 27. The facts and allegations of the First and Second Causes for Discipline, inclusive, are
7 incorporated herein by reference as if fully set forth.

8 **FOURTH CAUSE FOR DISCIPLINE**

9 **(Prescribing Without Indication)**

10 28. Respondent Shun K. Sunder, M.D. is subject to disciplinary action under section 2242
11 of the Code, in that Respondent prescribed a dangerous drug without an appropriate prior
12 examination and a medical indication. The circumstances are as follows:

13 29. The allegations of the First, Second, and Third Causes for Discipline, inclusive, are
14 incorporated herein by reference as if fully set forth.

15 **FIFTH CAUSE FOR DISCIPLINE**

16 **(General Unprofessional Conduct)**

17 30. Respondent Shun K. Sunder, M.D. is subject to disciplinary action under section 2234
18 of the Code in that Respondent committed unprofessional conduct, generally. The circumstances
19 are as follows:

20 31. The allegations of the First, Second, Third and Fourth Causes for Discipline,
21 inclusive, are incorporated herein by reference as if fully set forth.

22 **PRAYER**

23 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
24 and that following the hearing, the Medical Board of California issue a decision:

25 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 26701,
26 issued to Respondent Shun K. Sunder, M.D.;

27 2. Revoking, suspending or denying approval of Respondent Shun K. Sunder, M.D.'s
28 authority to supervise physician assistants and advanced practice nurses;

1 3. Ordering Respondent Shun K. Sunder, M.D., to pay the Board, the costs of the
2 investigation and enforcement of this case, and if placed on probation, the costs of probation
3 monitoring; and
