Case No. 23CR1148

REQUEST TO PLEAD GUILTY (RULE 11 ADVISEMENT)

PEOPLE OF THE STATE OF COLORADO

VS.

YOGESH PATEL,
Defendant.

I know that I have the right to remain silent, that I do not have to submit this request, and that anything I write or say may be used against me. Knowing that, I state that the following is true.

- up 1. I am 26 years old. I have completed 12th (grade or years of college). I read, speak and understand English. At this time my mental and physical health is satisfactory. I have taken no drugs or medication in the last 24 hours and have not drunk any alcoholic beverages in the last 24 hours except _____.
- up 2. I have been advised that this conviction may carry adverse immigration consequences if I am not a citizen.
- up 3. I understand the nature of the charges against me and that I have the right to plead "Not Guilty" to all charges against me and to have a speedy and public trial to a jury on all issues or to a court if I do not want a jury trial. I know that any jury verdict must be unanimous. I know I have the right to be presumed innocent and to require the District Attorney to prove at trial each element of each charge beyond a reasonable doubt, and to see and cross-examine all witnesses who might testify against me. I know that I have the right at trial to present any defense I might have, to present physical evidence, and to subpoena and call witnesses in my own defense. I know that I need not make any statement about this case and that although my silence cannot be used against me, any statement I make can be used as evidence against me in court. I also know that I have the right either to testify at trial or to remain silent and that whether I testify would be solely up to me. I know that if I were convicted of any charge at trial, I would have the right to appeal that conviction. I know that when I plead guilty, I give up all of those rights and all possible defenses to the charge. I know that I have the right to be represented by a lawyer at all stages of this case, and if I cannot afford to have one, the Court will appoint a lawyer for me at no cost to me. I am also aware of my right to have bond set in a reasonable type and amount and to ask that it be changed.
- up 4. The decision to plead guilty is my decision, and it has been made freely and voluntarily. There has been no threat, coercion, undue influence, or force used to make me plead guilty. I know that I do not have to follow my attorney's advice and that I do not have to plead guilty.
- up 5. I know that a plea of guilty admits the charge and a plea of not guilty denies the charge. I admit that there are sufficient facts in this case which could be presented at trial and which would result in a strong likelihood of a conviction of this charge (and a reasonable likelihood of a conviction of the more serious charge filed). I give up my right to require the District Attorney to state these facts after I enter my plea.

4p. 6. Except for the promises contained in a plea agreement, I understand that the Court is not bound by and does not have to follow anyone's recommendations concerning the entry of a plea, the penalty to be imposed, and the granting or denial of probation. Any proposed plea agreement is fully set forth in the written plea agreement of the parties.

4p. 7. Unless I have signed a Stipulation for Deferred Judgment and Sentence, I understand that if the Court accepts a guilty plea to a felony, I will stand convicted of a felony. This felony conviction may be used against me in the future in any proceeding under the habitual criminal laws. If I am granted a Deferred Judgment and Sentence and I violate the terms of the Stipulation for Deferred Judgment and Sentence, I understand that I will then stand convicted of a felony and will come before this Court to be sentenced.

4p. 8. (a) I know that if I plead guilty to a felony, I may be sentenced to the custody of the Department of Corrections and that the Department would determine the place of my incarceration. I know that I would be required to serve 1 additional years on parole after serving the sentence imposed by this Court.

4p. (b) If my plea agreement allows or requires the judge to sentence me in the aggravated range, I understand that by pleading guilty I am giving up the right to require the District Attorney to prove beyond a reasonable doubt to a jury that there are extraordinary or sentence-enhancing circumstances supporting a sentence in the aggravated range.

NA (c) I know that if the Court sentences me to incarceration, it must give me a sentence from the midpoint in the presumptive range (____) to the maximum in the aggravated range (____) if I plead guilty to a count charging a crime of violence or if, at the time of the crime(s) in this case, any of these were true:

- (i) I was on parole for another felony;
- (ii) I was on probation for another felony or a delinquent act that would have been a felony if committed by an adult;
- (iii) I was on bond while awaiting sentencing following revocation of probation for another felony or for a delinquent act that would have been a felony if committed by an adult;
- (iv) I was confined under or an escapee from a felony sentence;
- (v) I was on a felony appeal bond.

NA If I agree as part of my plea agreement that any of these circumstances are true, I understand that I am giving up my right to require the District Attorney to prove beyond a reasonable doubt to a jury that it is true.

(d) I know that if the Court sentences me to incarceration, it must give me a sentence of at least the minimum in the presumptive range (____) to the maximum in the aggravated range (____) if, at the time of the crime(s) in this case, any of these were true:

- (i) I was charged with or on bond for a felony and have now been convicted of that felony;
- (ii) I was charged with or on bond for a delinquent act that would have been a felony if committed by an adult;

- (iii) I was on bond after pleading guilty to a lesser offense when the original offense charged was a felony;
- (iv) I was under a deferred judgment and sentence for a felony or a delinquent act that would have been a felony if committed by an adult;
- (v) I was on bond in a juvenile prosecution after pleading guilty to a lesser delinquent act when the original delinquent act charged would have been a felony if committed by an adult;
- (vi) I was on juvenile parole for an offense that would have been a felony if committed by an adult.

If I agree as part of my plea agreement that any of these circumstances are true, I understand that I am giving up my right to require the District Attorney to prove beyond a reasonable doubt to a jury that it is true.

NA (e) I am aware that if I am pleading guilty to a sex offense, I may be sentenced by the Court to the Department of Corrections for an indeterminate term with a minimum set by this Court and a maximum of the balance of my natural life.

NA (f) I know that if I plead guilty to a misdemeanor, I may be sentenced to the Mesa County Jail for a definite term of as little as the minimum term to as much as the maximum term.

Y.P. (g) I also know that I could be fined for my offense in any amount from the minimum to the maximum (plus any required surcharge). I know that the Court could impose both a sentence and a fine.

NA (h) I know that if I am pleading guilty to more than one offense, the Court will impose separate sentences and/or fines for each offense and may require them to be served consecutively or concurrently.

Y.P. (i) I also know that if I am granted probation I could be required to serve up to ninety days in the county jail for each felony (sixty days for each misdemeanor) as a condition of probation and up to twenty-four months work release for each felony (twelve months for each misdemeanor). I know that as a condition of probation, I will have to pay restitution and fees as ordered by the Court.

Y.P. 10. I want to plead guilty to the following charges. I understand both the elements of each of these charges and the possible penalties listed.

Charge: C.R.S. 18-7-402(1)(b) and 18-2-101 Criminal Attempt to Commit Solicitation of a Child for Prostitution Date of crime: November 2, 2023
