RESPONDENT.

Case No. 16-2012-227781

**DEFAULT DECISION
AND ORDER**

[Gov. Code, §11520]

On December 28, 2012, an employee of the Medical Board of California (Board) sent by certified mail a copy of Accusation No. 16-2012-227781, Statement to Respondent, Notice of Defense in blank, copies of the relevant sections of the California Administrative Procedure Act as required by sections 11503 and 11505 of the Government Code, and a request for discovery, to Anthony Taycer Hasan, M.D. (Respondent) at his address of record with the Board, 2898 SW 180th Terr, Miramar, FL 33029. Respondent filed a Notice of Defense. (Accusation package, proof of service, return receipt, Exhibit Package, Exhibit 1¹; Notice of Defense, Exhibit 2.)

On July 17, 2013, a Notice of Hearing was served by certified mail on Respondent and his designated legal representative, informing them that an administrative hearing in this matter was scheduled for October 3, 2013, commencing at 9:00 a.m.. The certified mail receipts were signed and returned. (Exhibit Package, Exhibit 3, Notice of Hearing, proof of service and receipts.)

Neither Respondent nor his legal representative appeared at the October 3, 2013 hearing. Deputy Attorney General Jane Zack Simon appeared on behalf of Complainant. At 9:25 a.m., the Administrative Law Judge found that proper notice of the hearing had been provided, and declared Respondent to be in default.

///

¹ The evidence in support of this Default Decision and Order is submitted herewith as the "Exhibit Package."

1 **FINDINGS OF FACT**

2 I.

3 Kimberly Kirchmeyer is the Interim Executive Director of the Board. The charges and
4 allegations in the Accusation were at all times brought and made solely in the official capacity of
5 the Board's Executive Director.

6 II.

7 On August 13, 1999, Physician's and Surgeon's Certificate No. A69514 was issued by the
8 Board to Anthony Taycer Hasan, M.D. The certificate is in delinquent status, having expired on
9 March 31, 2011. (Exhibit Package, Exhibit 4, license certification.)

10 III.

11 On December 28, 2012, Respondent was duly served with an Accusation, alleging causes
12 for discipline against Respondent. Respondent filed a Notice of Defense to contest the Board's
13 action against him, and identified a Florida attorney as his legal representative. Neither
14 Respondent nor his legal representative appeared at a properly noticed hearing, and Respondent
15 was declared to be in default.

16 IV.

17 The allegations of the Accusation are true as follows:

18 On October 25, 2012 the State of Florida Board of Medicine issued a Final Order
19 regarding Respondent's license to practice medicine in Florida. Under the terms of the Final
20 Order, Respondent's Florida license was reprimanded and he was placed on probation for one
21 year. He was ordered to pay an administrative fine, and to complete courses in law and ethics in
22 medicine and prescribing controlled substances. During the period of probation Respondent can
23 practice only under the indirect supervision of a monitoring physician. The Final Order resolved
24 a pending Administrative Complaint alleging that on December 10, 2010 Respondent was
25 convicted of knowingly and willfully combining, conspiring, confederating and agreeing with
26 others to commit wire and mail fraud to dispense a misbranded prescription drug, sildenafil citrate
27 (Viagra) into interstate commerce. (Exhibit Package, Exhibit 1, attachment to Accusation.)
28

1 **DETERMINATION OF ISSUES**

2 I.

3 Pursuant to the foregoing Findings of Fact, Respondent's conduct and the action of
4 the State of Florida Board of Medicine constitute cause for discipline within the meaning of
5 Business and Professions Code sections 2305 and 141(a).

6 **DISCIPLINARY ORDER**

7 Physician's and Surgeon's certificate No. A69514 issued to Anthony Taycer Hasan, M.D.
8 Is hereby **REVOKED**.

9 Respondent shall not be deprived of making a request for relief from default as set forth in
10 Government Code section 11520(c) for good cause shown. However, such showing must be
11 made in writing by way of a motion to vacate the default decision and directed to the Medical
12 Board of California at 2005 Evergreen Street, Suite 1200, Sacramento, CA 95815 within seven
13 (7) days of the service of this Decision.

14 This Decision will become effective November 15, 2013

15 It is so ordered on October 16, 2013.

3. This Accusation is brought before the Medical Board of California¹, under the authority of the following sections of the California Business and Professions Code (“Code”) or other relevant statutory enactment:

A. Section 2227 of the Code provides that the Board may revoke, suspend for a period not to exceed one year, or place on probation, the license of any licensee who has been disciplined under the Medical Practice Act, and may recover the costs of probation monitoring.

B. Section 2305 of the Code provides that the revocation, suspension, or other restriction or limitation imposed by another state upon a license to practice medicine at that state, that would have been grounds for discipline in California under the Medical Code, constitutes grounds for discipline for unprofessional conduct.

C. Section 141 of the Code provides:

“(a) For any licensee holding a license issued by a board under the jurisdiction of this board, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by this board, may be ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by the respective state licensing board, by any agency of the federal government, or by another country shall be conclusive evidence of the facts and circumstances related therein.”

“(b) Nothing in this section shall preclude a board from applying a specific provision in the licensing act administered by the board that provides for disciplinary action taken against the licensee by another state, an agency of the government, or another country.”

1. **Reprimand** - The Board shall reprimand the license of Respondent.

3. **Reimbursement Of Costs** - Pursuant to Section 456.072, Florida Statutes, Respondent agrees to pay the Department for any costs incurred in the investigation and prosecution of this case. 4. **Laws And Rules Course** - Respondent shall complete course, "Legal and Ethical Implications in Medicine Physician's Survival Guide-Laws and Rules" administered by the Florida Medical Association, or a Board-approved equivalent, within eighteen (18) months of the date of filing of the Final Order of the Board. In addition, Respondent shall submit documentation in the form of certified copies of the receipts, vouchers, certificates, or other papers, such as physician's recognition

awards, documenting completion of this medical education course within eighteen (18) months of the date of filing of the Final Order incorporating this Agreement.

5. **Drug Course** - Respondent shall complete the course, "Prescribing Controlled Drugs: Critical Issues and Common Pitfalls of Misprescribing," sponsored by the University of South Florida, or a Board-approved equivalent, within one year of the date of filing of the Final Order.

16. **Probation Language** - Effective on the date of the filing of the Final Order incorporating the terms of this Agreement, Respondent's license to practice medicine shall be placed on probation for a period of one (1) year. The purpose of probation is not to prevent Respondent from practicing medicine. Rather, probation is a supervised educational experience designed by the Board to make Respondent aware of certain obligations to Respondent's patients and the profession and to ensure Respondent's continued compliance with the high standards of the profession through interaction with another physician in the appropriate field of expertise. To this end, during the period of probation, Respondent shall comply with the following obligations and requirements:

(A) **Restrictions During Probation** - During the period of probation, Respondent's license shall be restricted as follows:

i. **Indirect Supervision** - Respondent shall practice only under the indirect supervision of a Board-approved physician, hereinafter referred to as the "monitor", whose responsibilities are set by the Board. Indirect supervision does not require that the monitor practice on the same premises as

Respondent, however, the monitor shall practice within a reasonable geographic proximity to Respondent, which shall be within 20 miles unless otherwise provided by the Board and shall be readily available for consultation. The monitor shall be Board Certified in Respondent's specialty area unless otherwise provided by the Board. In this regard, Respondent shall allow the monitor access to Respondent's medical records, calendar, patient logs or other documents necessary for the monitor to supervise Respondent as detailed below.

ii. Required Supervision:

a) If the terms of the Settlement Agreement include indirect monitoring of the licensee's practice or direct monitoring of the licensee's practice, Respondent shall not practice medicine without an approved monitor/supervisor, as specified by the Agreement, unless otherwise ordered by the Board.

b) The monitor/supervisor must be a licensee under Chapter 458, Florida Statutes, in good standing and without restriction or limitation on his license. In addition, the Board may reject any proposed monitor/supervisor on the basis that he has previously been subject to any disciplinary action against his medical license in this or any other jurisdiction, is currently under investigation, or is the subject of a pending disciplinary action. The monitor/supervisor must be actively engaged in the same or similar specialty area unless otherwise provided by the Board and be practicing within a reasonable distance of Respondent's practice, a distance of twenty (20) miles unless otherwise specifically provided for in the

Settlement Agreement. The Board may also reject any proposed monitor/supervisor for good cause shown.

ii. **Mechanism For Approval Of Monitor/Supervisor:**

a) **Temporary Approval** - The Board confers authority on the Chairman of the Probation Committee to temporarily approve Respondent's monitor/supervisor. To obtain this temporary approval, Respondent shall submit to the Chairman of the Probation Committee the name and curriculum vitae of the proposed monitor/supervisor at the time this agreement is considered by the Board. **Once a Final Order adopting the Agreement is filed, Respondent shall not practice medicine without an approved monitor/supervisor. Temporary approval shall only remain in effect until the next meeting of the Probation Committee.**

b) **Formal Approval** - Respondent shall have the monitor/supervisor with Respondent at Respondent's first probation appearance before the Probation Committee. Prior to the consideration of the monitor/supervisor by the Probation Committee, Respondent shall provide to the monitor/supervisor a copy of the Administrative Complaint and Final Order in this case. Respondent shall submit a current curriculum vita and a description of current practice from the proposed monitor/supervisor to the Board office no later than fourteen (14) days before Respondent's first scheduled probation appearance. Respondent's monitor/supervisor shall also appear before the Probation Committee at such other times as directed by the Probation Committee. It shall be

Respondent's responsibility to ensure the appearance of the monitor/supervisor as directed. Failure of the monitor/supervisor to appear as directed shall constitute a violation of the terms of this Settlement Agreement and shall subject Respondent to disciplinary action.

iii. **Change In Monitor/Supervisor** - In the event that Respondent's monitor/supervisor is unable or unwilling to fulfill the responsibilities of a monitor/supervisor as described above, Respondent shall immediately advise the Probation Committee of this fact. Respondent shall immediately submit to the Chairman of the Probation Committee the name of a temporary monitor/supervisor for consideration. Respondent shall not practice pending approval of this temporary monitor/supervisor by the Chairman of the Probation Committee. Furthermore, Respondent shall make arrangements with his temporary monitor/supervisor to appear before the Probation Committee at its next regularly scheduled meeting for consideration of the monitor/supervisor by the Probation Committee. Respondent shall only practice under the auspices of the temporary monitor/supervisor (approved by the Chairman) until the next regularly scheduled meeting of the Probation Committee at which the issue of the Probation Committee's approval of Respondent's new monitor/supervisor shall be addressed.

iv. **Responsibilities Of The Monitor/Supervisor** - The Monitor shall:

a) Review twenty-five (25) percent of Respondent's active patient records at least once every month for the purpose of ascertaining

that Respondent performed and documented adequate histories and physical examinations of patients. The monitor shall go to Respondent's office once every month and shall review Respondent's calendar or patient log and shall select the records to be reviewed.

b) Maintain contact with Respondent on a frequency of at least once per month. In the event that the monitor is not timely contacted by Respondent, then the monitor shall immediately report this fact in writing to the Probation Committee.

c) Submit reports on a quarterly basis, in affidavit form, which shall include:

- 1) A brief statement of why Respondent is on probation;
- 2) A description of Respondent's practice (type and composition);
- 3) A statement addressing Respondent's compliance with the terms of probation;
- 4) A brief description of the monitor's relationship with Respondent;
- 5) A statement advising the Probation Committee of any problems which have arisen; and

6) A summary of the dates the monitor went to Respondent's office, the number of records reviewed, and the overall quality of the records reviewed, and the dates Respondent contacted the monitor pursuant to subsection c), 3), above.

e) Report immediately to the Board any violations by Respondent of Chapters 456 or 458, Florida Statutes, and the rules promulgated thereto.

f) Respondent's monitor shall appear before the Probation Committee at the first meeting of said committee following commencement of the probation, and at such other times as directed by the Committee. It shall be Respondent's responsibility to ensure the appearance of Respondent's monitor to appear as requested or directed. If the approved monitor fails to appear as requested or directed by the Probation Committee, Respondent shall immediately cease practicing medicine until such time as the approved monitor or alternate monitor appears before the Probation Committee.

v. **Reports From Respondent** - Respondent shall submit quarterly reports, in affidavit form, the contents of which may be further specified by the Board, but which shall include:

- a) A brief statement of why Respondent is on probation;
- b) A description of practice location;
- c) A description of current practice (type and composition);
- d) A brief statement of compliance with probationary terms;
- e) A description of the relationship with monitoring physician;
- f) A statement advising the Board of any problems which have arisen; and
- g) A statement addressing compliance with any restrictions or requirements imposed.

vi. **Continuity Of Practice:**

a) **Tolling Provisions** - In the event Respondent leaves the State of Florida for a period of thirty days or more or otherwise does not engage in the active practice of medicine in the State of Florida, then certain provisions of Respondent's probation (and only those provisions of the probation) shall be tolled as enumerated below and shall remain in a tolled status until Respondent returns to active practice in the State of Florida:

- 1) The time period of probation shall be tolled;

2) The provisions regarding supervision whether direct or indirect by another physician, and required reports from the monitor/supervisor shall be tolled;

3) The provisions regarding preparation of investigative reports detailing compliance with this Settlement Agreement shall be tolled; and

4) Any provisions regarding community service shall be tolled.

b) **Active Practice** - In the event that Respondent leaves the active practice of medicine for a period of one year or more, the Board may require Respondent to appear before the Board and demonstrate his ability to practice medicine with skill and safety to patients prior to resuming the practice of medicine in this State.

(B) **Obligations/Requirements Of Probation** - During the period of probation, Respondent shall comply with the following obligations and requirements:

1. Respondent shall appear before the Probation Committee of the Board of Medicine at the first Committee meeting after probation commences, at the last meeting of the Committee preceding scheduled termination of the probation, and at such other times as requested by the Committee. Respondent shall be noticed by the Board staff of the date, time and place of the Committee meeting at which Respondent's appearance is required.

Failure of Respondent to appear as requested or directed or failure of Respondent to comply with **any** of the terms of this agreement shall be considered a violation of the terms of this Agreement, and shall subject Respondent to disciplinary action.

STANDARD PROVISIONS

1. **Appearance:** Respondent is required to appear before the Board at the meeting of the Board where this Agreement is considered.
2. **No force or effect until final order** - It is expressly understood that this Agreement is subject to the approval of the Board and the Department. In this regard, the foregoing paragraphs (and only the foregoing paragraphs) shall have no force and effect unless the Board enters a Final Order incorporating the terms of this Agreement.
