15 Respondent.

16  
17 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
18 entitled proceedings that the following matters are true:

19 **PARTIES**

20 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board  
21 of California (Board). She brought this action solely in her official capacity and is represented in  
22 this matter by Xavier Becerra, Attorney General of the State of California, by Steve Diehl,  
23 Supervising Deputy Attorney General.

24 2. John P. S. Janda, M.D. (Respondent) is represented in this proceeding by attorney  
25 John Quincy Brown III, whose address is: 455 Capitol Mall, Suite 200, Sacramento, CA 95814.

26 3. On or about October 31, 1981, the Board issued Physician's and Surgeon's Certificate  
27 No. A 37510 to Respondent. The Physician's and Surgeon's Certificate was on probationary  
28 status at all times relevant to the charges brought in First Amended Accusation and Petition to

1 Revoke Probation No. 800-2015-010860, was suspended pursuant to Government Code section  
2 11529 on June 1, 2017, and will expire on January 31, 2021, unless renewed.

3 **JURISDICTION**

4 4. First Amended Accusation and Petition to Revoke Probation No. 800-2015-010860  
5 was filed before the Board, and is currently pending against Respondent. The First Amended  
6 Accusation and Petition to Revoke Probation and all other statutorily required documents were  
7 properly served on Respondent on July 20, 2018. The First Amended Accusation and Petition to  
8 Revoke Probation was deemed controverted pursuant to Government Code Section 11507. A  
9 copy of First Amended Accusation and Petition to Revoke Probation No. 800-2015-010860 is  
10 attached as Exhibit A and incorporated by reference.

11 **ADVISEMENT AND WAIVERS**

12 5. Respondent has carefully read, fully discussed with counsel, and understands the  
13 charges and allegations in First Amended Accusation and Petition to Revoke Probation No. 800-  
14 2015-010860. Respondent also has carefully read, fully discussed with counsel, and understands  
15 the effects of this Stipulated Surrender of License and Order.

16 6. Respondent is fully aware of his legal rights in this matter, including the right to a  
17 hearing on the charges and allegations in the First Amended Accusation and Petition to Revoke  
18 Probation; the right to confront and cross-examine the witnesses against him; the right to present  
19 evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the  
20 attendance of witnesses and the production of documents; the right to reconsideration and court  
21 review of an adverse decision; and all other rights accorded by the California Administrative  
22 Procedure Act and other applicable laws.

23 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
24 every right set forth above.

25 **CULPABILITY**

26 8. Respondent understands and agrees that the charges and allegations in First Amended  
27 Accusation and Petition to Revoke Probation No. 800-2015-010860, if proven at a hearing,  
28 constitute cause for imposing discipline upon his Physician's and Surgeon's Certificate.

1           9. For the purpose of resolving the First Amended Accusation and Petition to Revoke  
2 Probation without the expense and uncertainty of further proceedings, Respondent agrees that, at  
3 a hearing, Complainant could establish a prima facie factual basis for the charges in the First  
4 Amended Accusation and Petition to Revoke Probation, and that Respondent hereby gives up his  
5 right to contest those charges. Respondent agrees that if he ever petitions for reinstatement of his  
6 Physician's and Surgeon's Certificate No. A 37510, all of the charges and allegations contained  
7 in Accusation and Petition to Revoke Probation No. 800-2015-010860 shall be deemed true,  
8 correct and fully admitted by Respondent for purposes of that reinstatement proceeding or any  
9 other licensing proceeding involving respondent in the State of California.

10           10. Respondent understands that by signing this stipulation he enables the Board to issue  
11 an order accepting the surrender of his Physician's and Surgeon's Certificate without further  
12 process.

#### 13                                   CONTINGENCY

14           11. This stipulation shall be subject to approval by the Board. Respondent understands  
15 and agrees that counsel for Complainant and the staff of the Board may communicate directly  
16 with the Board regarding this stipulation and surrender, without notice to or participation by  
17 Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he  
18 may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board  
19 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,  
20 the Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this  
21 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not  
22 be disqualified from further action by having considered this matter.

23           12. The parties understand and agree that Portable Document Format (PDF) and facsimile  
24 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures  
25 thereto, shall have the same force and effect as the originals.

26           13. In consideration of the foregoing admissions and stipulations, the parties agree that  
27 the Board may, without further notice or formal proceeding, issue and enter the following Order:

28   \\

1 ORDER

2 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 37510, issued  
3 to Respondent John P. S. Janda, M.D., is surrendered and accepted by the Board.

4 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the  
5 acceptance of the surrendered license by the Board shall constitute the imposition of discipline  
6 against Respondent. This stipulation constitutes a record of the discipline and shall become a part  
7 of Respondent's license history with the Board.

8 2. Respondent shall lose all rights and privileges as a physician and surgeon in  
9 California as of the effective date of the Board's Decision and Order.

10 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was  
11 issued, his wall certificate on or before the effective date of the Decision and Order.

12 4. If Respondent ever files an application for licensure or a petition for reinstatement in  
13 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must  
14 comply with all the laws, regulations and procedures for reinstatement of a revoked or  
15 surrendered license in effect at the time the petition is filed, and all of the charges and allegations  
16 contained in First Amended Accusation and Petition to Revoke Probation No. 800-2015-010860  
17 shall be deemed to be true, correct and admitted by Respondent when the Board determines  
18 whether to grant or deny the petition. Pursuant to Business and Professions Code Section 2307,  
19 subdivision (b)(1), Respondent may petition the Board for reinstatement two years after the  
20 effective date of this Order.

21 5. If Respondent should ever apply or reapply for a new license or certification, or  
22 petition for reinstatement of a license, by any other health care licensing agency in the State of  
23 California, all of the charges and allegations contained in First Amended Accusation and Petition  
24 to Revoke Probation, No. 800-2015-010860 shall be deemed to be true, correct, and admitted by  
25 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
26 restrict licensure.

5. Section 822 of the Code states:

“If a licensing agency determines that its licentiate’s ability to practice his or her profession safely is impaired because the licentiate is mentally ill, or physically ill affecting competency, the licensing agency may take action by any one of the following methods:

“(a) Revoking the licentiate’s certificate or license.

“(b) Suspending the licentiate’s right to practice.

“(c) Placing the licentiate on probation.

“(d) Taking such other action in relation to the licentiate as the licensing agency in its discretion deems proper.

6. Section 2052 of the Code states:

“(a) Notwithstanding Section 146, any person who practices or attempts to practice, or who advertises or holds himself or herself out as practicing, any system or mode of treating the sick or afflicted in this state, or who diagnoses, treats, operates for, or prescribes for any ailment, blemish, deformity, disease, disfigurement, disorder, injury, or other physical or mental condition of any person, without having at the time of so doing a valid, unrevoked, or unsuspended certificate as provided in this chapter or without being authorized to perform the act pursuant to a certificate obtained in accordance with some other provision of law is guilty of a public offense, punishable by a fine not exceeding ten thousand dollars (\$10,000), by imprisonment pursuant to subdivision (h) of Section 1170 of the Penal Code, by imprisonment in a county jail not exceeding one year, or by both the fine and either imprisonment.

2 law.”

3           7.           Section 2234 of the Code states:

4           “The board shall take action against any licensee who is charged with unprofessional  
5 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not  
6 limited to, the following:

7           “(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the  
8 violation of, or conspiring to violate any provision of this chapter.

9           “(b) Gross negligence.

10          “(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or

12 the applicable standard of care shall constitute repeated negligent acts.

13          “(1) An initial negligent diagnosis followed by an act or omission medically appropriate for  
14 that negligent diagnosis of the patient shall constitute a single negligent act.

15          “(2) When the standard of care requires a change in the diagnosis, act, or omission that  
16 constitutes the negligent act described in paragraph (1), including, but not limited to, a  
17 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the  
18 applicable standard of care, each departure constitutes a separate and distinct breach of the  
19 standard of care.

20          “(d) Incompetence.

21          “(e) The commission of any act involving dishonesty or corruption that is substantially  
22 related to the qualifications, functions, or duties of a physician and surgeon.

23          “(f) Any action or conduct that would have warranted the denial of a certificate.

24          “(g) The practice of medicine from this state into another state or country without meeting  
25 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not  
26 apply to this subdivision. This subdivision shall become operative upon the implementation of the  
27 proposed registration program described in Section 2052.5.

28          \\

1 scope and length of any additional educational or clinical training, treatment for any medical  
2 condition, treatment for any psychological condition, or anything else affecting Respondent's  
3 practice of medicine. Respondent shall comply with all Program recommendations.

4 "At the completion of any additional educational or clinical training, Respondent shall  
5 submit to and pass an examination. Determination as to whether Respondent successfully  
6 completed the examination or successfully completed the Program is solely within the Program's  
7 jurisdiction.

8 "Within 60 days after Respondent has successfully completed the clinical training program,  
9 Respondent shall participate in a professional enhancement program equivalent to the one offered  
10 by the Physician Assessment and Clinical Education Program at the University of California, San  
11 Diego School of Medicine, which shall include quarterly chart review, semi-annual practice  
12 assessment, and semi-annual review of professional growth and education. Respondent shall  
13 participate in the professional enhancement program at Respondent's expense during the term of  
14 probation, or until the Board or its designee determines that further participation is no longer  
15 necessary."

16 **CAUSE FOR ACTION**

17 **(Impairment)**

18 10. Respondent John P. S. Janda, M.D. is subject to action under section 822 in that he  
19 suffers from mental illness or physical illness affecting competency. The circumstances are as  
20 follows:

21 11. On or about October 6, 2016, Respondent submitted to a neuropsychological  
22 evaluation by a Board-appointed clinical neuropsychologist. The neuropsychologist noted a  
23 pattern of deficits including "variable attention and sustained concentration, with deficits in  
24 following instructions without external structure or support; impaired sound-symbol association;  
25 deficits in visual perceptual processing; impaired visual-motor sequencing for over-learned and  
26 novel materials; impaired confrontational naming (dysnomia) with phonemic and semantic  
27 paraphasias; impaired verbal spontaneity; limited higher-order nonverbal abstract reasoning; and  
28

1 impaired executive functioning including impulsivity and impaired response inhibition,  
2 perseveration, and emotional dysregulation.”

3 12. The neuropsychologist concluded that the “results of intellectual testing, and a  
4 contrasting measure of predicted premorbid intellectual functioning, suggest that [Respondent]  
5 has experienced a diminution of cognitive skills and abilities.” The neuropsychologist stated that  
6 the results of the neuropsychological evaluation were “clearly abnormal,” and were “suggestive of  
7 a diffuse pattern of cortical pathology. This includes primarily bilateral frontal and parietal lobe  
8 structures. These results are indicative of global brain pathology, and may be progressive in  
9 nature.” The neuropsychologist recommended a Magnetic Resonance Imaging (MRI) scan to  
10 determine the source of Respondent’s apparent brain pathology.

11 13. Respondent’s pattern of deficits would directly impair his ability to practice safely in  
12 his specialty of orthopedic surgery.

13 **CAUSE FOR REVOCATION OF PROBATION**

14 **(Violation of Probation: Condition #2, Clinical Training Program)**

15 14. Respondent’s probation is subject to revocation, pursuant to probation condition two  
16 of the Probation Order, because he failed to timely complete a Clinical Training Program. The  
17 circumstances are as follows:

18 15. On or about December 20, 2016, through December 21, 2016, Respondent  
19 participated in Phase I of the Physician Assessment and Clinical Education Program (PACE)  
20 offered at the University of California - San Diego School of Medicine. PACE does not consider  
21 the two-day Phase I assessment sufficient to make judgments about competence. Completion of  
22 PACE requires participation in Phase II of PACE, an approximately five-day program. To date,  
23 Respondent has failed to enroll in or complete Phase II of PACE.

24 16. In addition to completion of Phase II, PACE recommended that Respondent  
25 “complete a comprehensive fitness for duty neuropsychological evaluation.” To date, Respondent  
26 has failed to complete such an examination through PACE.

27 \\\

28 \\\

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Practicing with a Suspended License)**

3 17. Respondent is subject to disciplinary action under section 2234, subdivision (a), and  
4 section 2052, in that he practiced medicine while having a suspended medical license. The  
5 circumstances are as follows:

6 18. On or about June 1, 2017, in a matter entitled "In the Matter of the Petition for  
7 Interim Suspension Order: Kimberly Kirchmeyer, Executive Director, Medical Board of  
8 California, Petitioner, vs. John Janda M.D., Physician's and Surgeon's Certificate Number  
9 A37510, Respondent," California Office of Administrative Hearings case number 2017050084, a  
10 Decision and Order was issued suspending Respondent's medical license. Specifically, the Order  
11 stated that:

12 "1. [Respondent] shall be and hereby is immediately restrained and prohibited from  
13 practicing or attempting to practice any aspect of medicine in the State of California. The  
14 suspension shall continue until such time that PACE has an opportunity to review and  
15 consider [the Board-appointed clinical neuropsychologist's] October 6, 2016  
16 neuropsychological evaluation and render its opinion on whether respondent is able to  
17 function effectively as a physician, and in a manner conducive to public safety.

18 "2. If PACE determines that respondent is able to practice safely under the current  
19 probation practice restrictions placed on his license, the interim order of suspension shall  
20 immediately be stayed. If PACE determines otherwise, and finds that permitting respondent  
21 to engage in the practice of medicine will endanger the public health, safety, and welfare,  
22 the interim order of suspension shall continue in effect in accordance with the time limits  
23 set forth in Government Code section 11529.

24 "3. A copy of this Decision shall be provided to PACE. Request is respectfully made  
25 of PACE to make its determination within 30 days of receipt of this Decision.

26 "4. All of the terms and conditions of this interim order shall remain in full force and  
27 effect until an accusation is issued and a decision is rendered thereon in accordance with  
28 Government Code section 11529, subdivision (f), or this matter is otherwise resolved."

1 19. On or about June 8, 2017, the aforementioned Decision and Order was provided to a  
2 representative of the PACE program. The same day, the PACE representative informed the Board
