Respondent.

Case No. 800-2016-024586  
OAH No. 2019060443  
**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
21 entitled proceedings that the following matters are true:

22 **PARTIES**

- 23 1. Kimberly Kirchmeyer (Complainant) is the Executive Director of the Medical Board  
24 of California (Board). She brought this action solely in her official capacity and is represented in  
25 this matter by Xavier Becerra, Attorney General of the State of California, by Martin W. Hagan,  
26 Deputy Attorney General.
- 27 2. Respondent Daniel Young Soon Kim, M.D. (Respondent) is representing himself in  
28 this proceeding and has chosen not to exercise his right to be represented by counsel.

1           3.     On or about September 3, 1985, the Board issued Physician's and Surgeon's  
2 Certificate No. G 55909 to Respondent. The Physician's and Surgeon's Certificate was in full  
3 force and effect at all times relevant to the charges brought in Accusation No. 800-2016-024586,  
4 and expired on August 31, 2019, and has not been renewed.

5   **JURISDICTION**

6           Accusation No. 800-2016-024586 was filed before the Board, and is currently pending  
7 against Respondent. The Accusation and all other statutorily required documents were properly  
8 served on Respondent on September 26, 2018. Respondent did not timely file his Notice of  
9 Defense contesting the Accusation and a default was entered against him on March 14, 2019, with  
10 an effective date of April 12, 2019. Respondent filed a Petition for Reconsideration, which was  
11 treated as a request to vacate the default decision, which was granted by the Board on April 22,  
12 2019. A true and correct copy of Accusation No. 800-2016-024586 is attached as Exhibit A and  
13 incorporated herein by reference as if fully set forth herein.

14   **ADVISEMENT AND WAIVERS**

15           4.     Respondent has carefully read, and understands the charges and allegations in  
16 Accusation No. 800-2016-024586. Respondent has also carefully read, and understands the  
17 effects of this Stipulated Settlement and Disciplinary Order.

18           5.     Respondent is fully aware of his legal rights in this matter, including the right to a  
19 hearing on the charges and allegations in the Accusation; the right to be represented by counsel at  
20 his own expense; the right to confront and cross-examine the witnesses against him; the right to  
21 present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel  
22 the attendance of witnesses and the production of documents; the right to reconsideration and  
23 court review of an adverse decision; and all other rights accorded by the California  
24 Administrative Procedure Act and other applicable laws.

25           6.     Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
26 every right set forth above.

27     ////

28     ////

1 CULPABILITY

2 7. Respondent admits the truth of each and every charge and allegation in Accusation  
3 No. 800-2016-024586. Respondent agrees that his Physician's and Surgeon's Certificate is  
4 subject to discipline and he agrees to be bound by the Board's imposition of discipline as set forth  
5 in the Disciplinary Order below.

6 8. Respondent further agrees that if an accusation and/or petition for revocation of  
7 probation is filed against her before the Board, or, if he ever petitions for early termination or  
8 modification of probation, all of the charges and allegations contained in Accusation No. 800-  
9 2016-024586 shall be deemed true, correct and fully admitted by Respondent for purposes of that  
10 proceeding or any other licensing proceeding involving Respondent in the State of California or  
11 elsewhere.

12 CONTINGENCY

13 9. This stipulation shall be subject to approval by the Medical Board of California.  
14 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
15 Board of California may communicate directly with the Board regarding this stipulation and  
16 settlement, without notice to or participation by Respondent. By signing the stipulation,  
17 Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the  
18 stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this  
19 stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of  
20 no force or effect, except for this paragraph, it shall be inadmissible in any legal action between  
21 the parties, and the Board shall not be disqualified from further action by having considered this  
22 matter.

23 10. The parties agree that this Stipulated Settlement and Disciplinary Order shall be  
24 null and void and not binding upon the parties unless approved and adopted by the Board, except  
25 for this paragraph, which shall remain in full force and effect. Respondent fully understands and  
26 agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and  
27 Disciplinary Order, the Board may receive oral and written communications from its staff and/or  
28 the Attorney General's Office. Communications pursuant to this paragraph shall not disqualify

1 the Board, any member thereof, and/or any other person from future participation in this or any  
2 other matter affecting or involving respondent. In the event that the Board does not, in its  
3 discretion, approve and adopt this Stipulated Settlement and Disciplinary Order, with the  
4 exception of this paragraph, it shall not become effective, shall be of no evidentiary value  
5 whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party  
6 hereto. Respondent further agrees that should this Stipulated Settlement and Disciplinary Order  
7 be rejected for any reason by the Board, Respondent will assert no claim that the Board, or any  
8 member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this  
9 Stipulated Settlement and Disciplinary Order or of any matter or matters related hereto.

10 **ADDITIONAL PROVISIONS**

11 11. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to  
12 be an integrated writing representing the complete, final and exclusive embodiment of the  
13 agreements of the parties in the above-entitled matter.

14 12. The parties agree that copies of this Stipulated Settlement and Disciplinary Order,  
15 including copies of the signatures of the parties, may be used in lieu of original documents and  
16 signatures and, further, that such copies shall have the same force and effect as originals.

17 13. In consideration of the foregoing admissions and stipulations, the parties agree that  
18 the Board may, without further notice or formal proceeding, issue and enter the following  
19 Disciplinary Order:

20 **DISCIPLINARY ORDER**

21 **A. PUBLIC REPRIMAND**

22 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 55909 issued  
23 to Respondent Daniel Young Soon Kim, M.D., shall be and is hereby Publicly Reprimanded  
24 pursuant to California Business and Professions Code section 2227, subdivision (a)(4). This  
25 Public Reprimand, which is issued in connection with Respondent's care and treatment of patient  
26 A and Respondent's medical record documentation, as set forth in Accusation No. 800-2016-  
27 024586, is as follows:

28 ////

1           You are hereby publicly reprimanded in regard to the care and treatment you  
2           provided to patient A and your medical record documentation, as more fully set  
3           forth in Accusation No. 800-2016-024586, a true and correct copy of which is  
4           attached hereto as Exhibit A and incorporated by reference as if fully set forth  
5           herein.

6           **B. EDUCATION COURSE.** Within 60 calendar days of the effective date of this  
7           Decision, Respondent shall submit to the Board or its designee for its prior approval educational  
8           program(s) or course(s) which shall not be less than 20 hours. The educational program(s) or  
9           course(s) shall be aimed at correcting any areas of deficient practice or knowledge and shall be  
10          Category I certified. The educational program(s) or course(s) shall be at Respondent's expense  
11          and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of  
12          licensure. Following the completion of each course, the Board or its designee may administer an  
13          examination to test Respondent's knowledge of the course. Respondent shall provide proof of  
14          attendance for 45 hours of CME of which 20 hours were in satisfaction of this condition. Failure  
15          to participate in and successfully complete the education program or course requirements as  
16          outlined above shall constitute unprofessional conduct and be grounds for further disciplinary  
17          action.

18          **C. MEDICAL RECORD KEEPING COURSE.** Within 60 calendar days of the  
19          effective date of this Decision, Respondent shall enroll in a course in medical record keeping  
20          approved in advance by the Board or its designee. Respondent shall provide the approved course  
21          provider with any information and documents that the approved course provider may deem  
22          pertinent. Respondent shall participate in and successfully complete the classroom component of  
23          the course not later than six (6) months after Respondent's initial enrollment. Respondent shall  
24          successfully complete any other component of the course within one (1) year of enrollment. The  
25          medical record keeping course shall be at Respondent's expense and shall be in addition to the  
26          Continuing Medical Education (CME) requirements for renewal of licensure.

27          A medical record keeping course taken after the acts that gave rise to the charges in the  
28          Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board

1 or its designee, be accepted towards the fulfillment of this condition if the course would have  
2 been approved by the Board or its designee had the course been taken after the effective date of  
3 this Decision. Respondent shall submit a certification of successful completion to the Board or its  
4 designee not later than 15 calendar days after successfully completing the course, or not later than  
5 15 calendar days after the effective date of the Decision, whichever is later. Failure to participate  
6 in and successfully complete the medical record course requirements as outlined above shall  
7 constitute unprofessional conduct and be grounds for further disciplinary action.

8 **ACCEPTANCE**

9 I have carefully read the Stipulated Settlement and Disciplinary Order. I understand the  
10 stipulation and the effect it will have on my Physician's and Surgeon's Certificate. I enter into  
11 this Stipulated Settlement and Disciplinary Order voluntarily, knowingly, and intelligently, and  
12 agree to be bound by the Decision and Order of the Medical Board of California.

13  
14 DATED: 10/7/2019

  
15 DANIEL YOUNG SOON KIM, M.D.  
16 Respondent

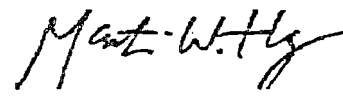

17 **ENDORSEMENT**

18 The foregoing Stipulated Settlement and Disciplinary Order is hereby respectfully  
19 submitted for consideration by the Medical Board of California.

20 DATED: October 16, 2019

19 Respondent.

20 Complainant alleges:

21 **PARTIES**

22 1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official  
23 capacity as the Executive Director of the Medical Board of California, Department of Consumer  
24 Affairs (Board).

25 2. On or about September 3, 1985, the Medical Board issued Physician's and Surgeon's  
26 Certificate Number G55909 to Daniel Young Soon Kim, M.D. (Respondent). The Physician's  
27 and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought  
28 herein and will expire on August 31, 2019, unless renewed.

**JURISDICTION**

1  
2       3.     This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code unless otherwise indicated.

4       4.     Section 2227 of the Code states:

5             “(a) A licensee whose matter has been heard by an administrative law judge  
6 of the Medical Quality Hearing Panel as designated in Section 11371 of the  
7 Government Code, or whose default has been entered, and who is found guilty,  
8 or who has entered into a stipulation for disciplinary action with the board, may, in  
9 accordance with the provisions of this chapter:

10            “(1) Have his or her license revoked upon order of the board.

11            “(2) Have his or her right to practice suspended for a period not to exceed  
12 one year upon order of the board.

13            “(3) Be placed on probation and be required to pay the costs of probation  
14 monitoring upon order of the board.

15            “(4) Be publicly reprimanded by the board. The public reprimand may  
16 include a requirement that the licensee complete relevant educational courses approved by  
17 the board.

18            “(5) Have any other action taken in relation to discipline as part of an order  
19 of probation, as the board or an administrative law judge may deem proper.

20            “(b) Any matter heard pursuant to subdivision (a), except for warning letters,  
21 medical review or advisory conferences, professional competency examinations,  
22 continuing education activities, and cost reimbursement associated therewith that  
23 are agreed to with the board and successfully completed by the licensee, or other  
24 matters made confidential or privileged by existing law, is deemed public, and shall be  
25 made available to the public by the board pursuant to Section 803.1.”

5. Section 2234 of the Code, states:

“The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

“... ”

“(b) Gross negligence.

“(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

“(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

“(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee’s conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

“... ”

6. Section 2266 of the Code states:

“The failure of a physician and surgeon to maintain adequate and accurate records relating to the provision of services to their patients constitutes unprofessional conduct.”

1 FIRST CAUSE FOR DISCIPLINE

2 (Gross Negligence)

3 7. Respondent is subject to disciplinary action under sections 2227 and 2234, as defined  
4 by section 2234, subdivision (b), of the Code, in that he committed gross negligence in his care  
5 and treatment of patient A,<sup>1</sup> as more particularly alleged hereinafter:

6 8. On or about August 18, 2009, respondent had his first visit with patient A, a then-77-  
7 year old male for his primary health care needs. According to the certified medical records for  
8 this visit, patient A was noted to be healthy, active, and noted as preferring natural and healthy  
9 foods and supplements. On physical examination, patient A was assessed as having some  
10 limitations from a right knee injury sustained when racing cars. The assessment for this visit  
11 included "DJD" [degenerative joint disease] and respondent, among other things, scheduled lab  
12 tests and referred patient A for an orthopedic consultation.

13 9. From on or about August 19, 2009, through September 13, 2014, respondent had  
14 approximately six (6) visits with patient A which took place on April 16, 2012, November 11,  
15 2013, February 21, 2014, March 24, 2014, July 7, 2014, and July 28, 2014; for various health  
16 reasons including, but not limited to, degenerative joint disease, spinal compression fracture  
17 related to osteopenia (reduced bone density), hernia surgery, hearing loss, and osteoarthritis in  
18 both knees with right knee greater than the left knee. As of July 28, 2014, patient A was  
19 "resigned to have TKR [total knee replacement]" for the osteoarthritis in his right knee and  
20 surgery was scheduled with an orthopedic surgeon for September 30, 2014.

21 10. On or about September 16, 2014, respondent had a pre-operative visit with patient A.  
22 The purpose of the visit was pre-admission and pre-operative lab testing and medical clearance  
23 prior to patient A's scheduled total right knee replacement surgery. At this pre-operative visit,  
24 respondent documented vital signs and that patient A was scheduled for his right total knee  
25 replacement on September 30, 2014. An EKG was performed on patient A. The objective  
26 portion of respondent's progress note indicated "VSS [vital signs stable]" and "EKG - NSR  
27

28 <sup>1</sup> Patient A is being used in place of the patient's name or initials to maintain patient confidentiality.

1 [normal sinus rhythm], NSTW Δ's [non-specific T-wave changes]." The plan was documented as  
2 checking labs, chest X-ray, and patient declined flu vaccine. The progress note for this visit is  
3 cursory and missing pertinent information including, but not limited to, any of patient A's  
4 symptoms, his current exercise tolerance, and information regarding patient A's risk profile for  
5 the scheduled surgery. Additionally, respondent's documentation of "NSTW Δ's [non-specific T-  
6 wave changes]" on the progress note of September 16, 2014, is inconsistent with respondent's  
7 subsequent claim that he did not discover the non-specific T-wave changes until later and, thus,  
8 the progress note is confusing and fails to clearly indicate when respondent became aware of the  
9 T-wave changes.<sup>2</sup>

10 11. On or about September 18, 2014, samples were collected from patient A for  
11 laboratory analysis. According to the LabCorp report the tests ordered included "CBC, Platelet,  
12 No Differential; Basic Metabolic Panel (8); Lipid Panel; TSH; Prostate-Specific AG, Serum;  
13 Venipuncture; Cardiovascular Risk Assessment." This was the first time that respondent ordered  
14 lab testing to determine patient A's cholesterol level. The lab results were reported on September  
15 19, 2014, at 9:39 ET [Eastern Time] which included a total cholesterol level of 274, indicating  
16 severely elevated cholesterol level.

17 12. On or about September 22, 2014, in the early-evening, patient A was admitted to the  
18 hospital after experiencing chest pain while he was walking with his wife. Patient A "was  
19 brought to the emergency room where he was diagnosed with ST elevation inferior wall  
20 myocardia infarction, [and] was taken to cardiac catheterization" on an emergent basis where he  
21 had three stents to the right coronary artery.

22 13. On or about September 23, 2014, at 6:25 p.m., respondent, unaware of patient A's  
23 hospital admission, sent an email to one of his staff members, T.M., which stated:

24 "[A]sk pt. [patient] to come back in ASAP for repeat EKG. Upon reviewing EKG,  
25 there has been a significant change from 2012 which raises some concern about  
whether it is safe to proceed with his knee surgery. I may have to refer him to

26 <sup>2</sup> In correspondence to the Board dated January 20, 2018, respondent claimed, in pertinent  
27 part, "I mistakenly did not immediately review his EKG done on 9/16/14 until I received his pre-  
28 op lab results on 9/23/14 in order to complete his clearance evaluation. This is when I first noted  
his EKG to be abnormal." However, respondent indicated "EKG – NSR [normal sinus rhythm],  
NSTW Δ's [non-specific T wave changes]" on his note dated September 16, 2014.

1 Cardiology to clear him for surgery which may postpone his surgery for a few weeks.  
2 [T]hanks.”

3 14. On September 24, 2014, at 8:39 a.m., respondent’s staff member, T.M., responded to  
4 respondent’s email, above, and advised respondent, “pt [patient] admitted to [the hospital]  
5 monday evening [-] pt’s wife stated that he had a ‘light’ heart attack during exercise.” In a letter  
6 to the Board dated January 20, 2018, respondent described the series of events that occurred  
7 shortly prior to him learning of patient A’s heart attack, wherein he stated, in pertinent part:

8 “I performed a routine pre-operative clearance evaluation on 9/16/14 for [patient A’s]  
9 surgery scheduled for 9/30/14. He complained of no other symptoms than his knee  
10 pain at the time. He was still going to the gym to exercise several days per week up  
11 to that point. I mistakenly did not immediately review his EKG done on 9/16/14 until  
12 I received his pre-op lab results on 9/23/14 in order to complete his clearance  
13 evaluation. This is when I first noted his EKG to be abnormal. We called him to  
14 return to the office to repeat his EKG and if the abnormal finding remained he would  
15 need to be referred to Cardiology for further evaluation. Please see message in his  
16 records from 9/23/14 documenting this phone call. I was informed by his wife that he  
17 had been admitted to the hospital the day before (9/22/14) with an acute MI  
18 [myocardial infarction] ...”

19 15. While in the hospital, patient A’s condition got progressively worse. He was treated  
20 with an intra-aortic balloon pump and pressors because he remained persistently hypotensive.  
21 Patient A was found to have evidence of septic shock but multiple blood cultures were negative.  
22 Eventually, patient A had acute respiratory failure and was intubated. During his hospital course,  
23 patient A started to have hemoptysis (coughing up blood) and a bronchoscopy was done, but the  
24 source of the bleeding could not be identified. On the morning of September 30, 2014, patient A  
25 went into cardiac arrest and could not be revived. Patient A’s death certificate lists the causes of  
26 death as cardiogenic shock, acute myocardial infarction, and coronary artery disease.

27 16. Respondent committed gross negligence in his care and treatment of patient A which  
28 included, but was not limited to, the following:

- 29 (a) Respondent failed to properly document an appropriate pre-operative  
30 evaluation of patient A on September 16, 2014.
