19  
20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Christine J. Lally (Complainant) is the Deputy Director of the Medical Board of  
24 California (Board). This action was brought by then Complainant Kimberly Kirchmeyer solely in her  
25 official capacity.<sup>1</sup> Complainant is represented in this matter by Xavier Becerra, Attorney General of

27  
28  
<sup>1</sup> Ms. Kirchmeyer became the Director of the Department of Consumer Affairs on October 28, 2019.

1 **CULPABILITY**

2 8. Respondent understands that the charges and allegations in Accusation No. 800-2016-  
3 021935, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and  
4 Surgeon's Certificate No. C 34400.

5 9. For the purpose of resolving the Accusation without the expense and uncertainty of  
6 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual  
7 basis for the charges in the Accusation and that those charges constitute cause for discipline.  
8 Respondent hereby gives up his right to contest that cause for discipline exists based on those  
9 charges.

10 10. Respondent agrees that if he ever petitions for reinstatement of his Physician's and  
11 Surgeon's Certificate No. C 34400, or if the Board ever petitions for revocation of probation, all  
12 of the charges and allegations contained in Accusation No. 800-2016-021935 shall be deemed  
13 true, correct and fully admitted by respondent for purposes of that proceeding or any other  
14 licensing proceeding involving respondent in the State of California.

15 11. Respondent understands that by signing this stipulation he enables the Executive  
16 Director of the Medical Board to issue an order accepting the surrender of his Physician's and  
17 Surgeon's License No. C 34400 on behalf of the Board, without further notice or opportunity to  
18 be heard.

19 **RESERVATION**

20 12. The admissions made by Respondent herein are only for the purposes of this  
21 proceeding, or any other proceedings in which the Medical Board of California or other  
22 professional licensing agency is involved, and shall not be admissible in any other criminal or  
23 civil proceeding.

24 13. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
25 part, that the Medical Board "shall delegate to its executive director the authority to adopt a  
26 stipulation for surrender of a license."

27 14. This Stipulated Surrender of License and Disciplinary Order shall be subject to  
28 approval of the Executive Director on behalf of the Medical Board. The parties agree that this

1 Stipulated Surrender of License and Disciplinary Order shall be submitted to the Executive  
2 Director for her consideration in the above-entitled matter and, further, that the Executive  
3 Director shall have a reasonable period of time in which to consider and act on this Stipulated  
4 Surrender of License and Disciplinary Order after receiving it. By signing this stipulation,  
5 Respondent fully understands and agrees that he may not withdraw his agreement or seek to  
6 rescind this stipulation prior to the time the Executive Director, on behalf of the Medical Board,  
7 considers and acts upon it.

8 15. The parties agree that this Stipulated Surrender of License and Disciplinary Order  
9 shall be null and void and not binding upon the parties unless approved and adopted by the  
10 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full  
11 force and effect. Respondent fully understands and agrees that in deciding whether or not to  
12 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive  
13 Director and/or the Board may receive oral and written communications from its staff and/or the  
14 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the  
15 Executive Director, the Board, any member thereof, and/or any other person from future  
16 participation in this or any other matter affecting or involving Respondent. In the event that the  
17 Executive Director on behalf of the Board does not, in her discretion, approve and adopt this  
18 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it  
19 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied  
20 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees  
21 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason  
22 by the Executive Director on behalf of the Board, Respondent will assert no claim that the  
23 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,

9           5.       Section 2234 of the Code, states:

14 **FIRST CAUSE FOR DISCIPLINE**

15 **(Use of Alcohol in a Dangerous or Injurious Manner)**

16 9. Respondent is subject to disciplinary action under sections 2227 and 2234, as defined  
17 by section 2239, of the Code, and California Code of Regulations, title 16, section 1360, in that  
18 he has used alcoholic beverages, to the extent, or in such a manner, as to be dangerous or

20 hereinafter:

21 **A. September 11, 2015, Arrest for Driving Under the Influence of Alcohol/Drugs.**

22 10. On or about September 11, 2015, at approximately 2:33 P.M., a Nevada Highway  
23 Patrol (NHP) officer responded to a call reporting a hit and run traffic collision on Highland  
24 Drive, in Douglas County, Nevada. The NHP officer observed that a silver Mercedes sedan had  
25 sustained major right front damage. The officer additionally observed Respondent, who was the

2 Douglas County Sherriff's deputy. The Sherriff's deputy relayed to the NHP officer that  
3 Responded had admitted to him that he had taken medication and consumed a beer earlier that  
4 morning.

5 11. The NHP officer approached Respondent and proceeded to converse with him about  
6 the events leading up to the accident. When asked what had happened, Respondent replied that  
7 he had "swiped a wall," or words to that effect. Respondent additionally stated that he did not  
8 know what was going on. He further stated that he believed that his vehicle was still drivable and  
9 that he intended to drive the vehicle to his office, where he would leave it. During the  
10 conversation, the NHP officer detected a light alcoholic odor emanating from Respondent.

11 12. While speaking to the NHP officer, Respondent admitted to consuming a beer earlier  
12 that day. Respondent additionally admitted to that he had taken Paxil<sup>3</sup> for depression, and had  
13 taken a dosage for the first time, at or about 8:00 A.M., that morning. During the questioning, the  
14 NHP officer observed that Respondent was leaning back and forward, while sitting on the front  
15 bumper of the NHP patrol car. Respondent additionally appeared jittery and uneasy, and his eyes  
16 were bloodshot and watery.

17 13. The NHP officer administered a series of Field Sobriety Tests (FSTs) which  
18 Respondent was unable to complete as explained and demonstrated. Respondent was placed  
19 under arrest, and his vehicle was towed. Respondent was then transported to the Douglas County  
20 Sherriff's Department substation in Stateline, Nevada.

21 14. After arriving at the Douglas County Sherriff's Department substation, at  
22 approximately 3:44 P.M., the arresting NHP officer read Respondent the Nevada Implied Consent  
23 Warning and asked him if he consented to a chemical test. Respondent first stated, "no, I'll go for

2 a second unclear answer. The NHP officer asked Respondent a third time if he consented to a  
3 chemical test. Respondent stated, "no," or words to that effect. The NHP officer replied that he  
4 was going to apply for a court order to do a blood draw. Respondent replied that he would  
5 consent to a blood draw, or words to that effect. The NHP officer replied to Respondent that if he  
6 did not want to have his blood drawn, he did not have to go through with it. He then asked  
7 Respondent if he understood him. Respondent replied that he did understand that officer. The  
8 NHP officer asked Respondent if he consented to a chemical test. Respondent replied, "No, I'll  
9 do that breath test," or words to that effect.

10 15. Due to Respondent's ambiguous consent, the NHP officer obtained a warrant to  
11 chemically test him. Respondent's blood was drawn and his BAC level was subsequently  
12 determined to be 0.022 and 0.020 at retest. After Respondent's blood was drawn, Respondent  
13 submitted to a breathalyzer test, which Revealed Respondent's BAC to be 0.020 and 0.019 at

15 **B. October 15, 2015, Arrest for Driving Under the Influence of Alcohol/Drugs**

16 19. On or about September 16, 2015, the NHP completed and submitted an Officer's  
17 Certification of Cause and Notice of Revocation and/or Suspension form (NRS Chapters 483 &  
18 484C) with the Nevada Department of Motor Vehicles. The filing of this form resulted in a  
19 temporary suspension of Respondent's drivers' license and denied the issuance of a temporary  
20 drivers' license or permit, pending the results of Respondent's September 11, 2015, blood test.

21 20. On or about October 15, 2015, at approximately 9:25 A.M., a Douglas County  
22 Sheriff's Department deputy responded to a call of a silver Jeep sport utility vehicle failing to stay  
23 within its travel lane. The reporting motorist added that the vehicle had almost caused a traffic  
24 accident.

25 21. At approximately 9:30 A.M., an off duty Douglas County Fire Department employee  
26 called the local dispatch to report that he found an unconscious male subject slumped over the  
27 steering wheel of a silver Jeep sport utility vehicle, located approximately in the left hand turn  
28 lane on north bound US Highway 395 at Mica Drive, in Douglas County, Nevada. The driver in

1 question was later determined to be Respondent. The caller approached the vehicle and woke up  
2 Respondent after several attempts and attempted to engage in conversation. Respondent replied,  
3 "I'm just waiting for the light," or words to that effect. The caller informed the Respondent that  
4 he had missed several traffic light cycles, and was concerned for Respondent's welfare.  
5 Respondent replied, "I'm fine," or words to that effect, and drove away from the scene.

6 22. Shortly after, a responding Douglas County Sherriff's deputy located an unoccupied  
7 Jeep sports utility vehicle parked in the parking lot behind Tahoe Orthopedics and Sports  
8 Medicine, located in Carson City, Nevada. While searching the area for the driver of the vehicle,  
9 the deputy observed Respondent approach him. While walking towards him, the Deputy  
10 observed Respondent to appear to have an unsteady gait and stumbled several times.

11 23. Respondent identified himself to the deputy and conversed with him. During the  
12 conversation, Respondent stated that the Jeep was a replacement for "his other wrecked car," or  
13 words to that effect. Respondent additionally admitted that he had driven himself to work, "a few  
14 minutes ago," or words to that effect. During the conversation, the deputy could smell a strong  
15 odor of alcohol on Respondent's breath. The deputy further observed that Respondent's speech  
16 was slurred and his word usage was disordered. Respondent volunteered to the deputy that he  
17 had taken an Ambien at 11:00 P.M. the night before, however, he was unable to sleep and had  
18 been awake since 3:30 A.M. The deputy asked Respondent when he had last consumed alcoholic  
19 beverages. Respondent replied that he had consumed alcohol the night before.

20 24. Due to Respondent displaying signs and symptoms of driving a vehicle under the  
21 influence of alcohol and/or drugs, the deputy administered a series of FST's which Respondent  
22 was unable to complete as explained and demonstrated. Following the FST's, Respondent  
23 submitted to a breathalyzer test, which revealed Respondent's BAC to be 0.13. Respondent  
24 additionally stated that he had planned on seeing patients that day. He continued to deny  
25 consuming alcohol, but stated that he drank Nyquil in addition to the Ambien on the previous  
26 night, at 3:30 A.M.

27 25. Respondent was then arrested for driving under the influence of alcohol and/or drugs,  
28 a violation of NRS 484C.010, a misdemeanor.

1 26. On or about July 18, 2018, Respondent was interviewed by a Board Investigator.  
2 During the interview, Respondent admitted that he may have taken oxycodone, Ambien, and  
3 Ativan, on or about September 10, 2015, prior to his September 11, 2015, arrest.

4 27. While Respondent was being questioned about his October 15, 2015, arrest,  
5 Respondent admitted to the Board Investigator that he had gone to work with the original  
6 intention of treating patients.
