DISCIPLINARY ORDER

17 Respondent.

18
19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. Christine J. Lally¹ (Complainant) is the Interim Executive Director of the Medical
23 Board of California (Board). Kimberly Kirchmeyer, brought this action solely in her official
24 capacity as the then Executive Director of the Board. They have been represented in this matter
25 by Xavier Becerra, Attorney General of the State of California, by Karolyn M. Westfall, Deputy
26 Attorney General.

27
28 ¹ Kimberly Kirchmeyer became the Director of the Department of Consumer Affairs on October
28; 2019. On that date, Ms. Lally became the Interim Executive Director of the Medical Board.

1 14. In consideration of the foregoing admissions and stipulations, the parties agree that
2 the Board may, without further notice or formal proceeding, issue and enter the following
3 Disciplinary Order:

4 **DISCIPLINARY ORDER**

5 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 107600
6 issued to Respondent Cesar Benitez, M.D. is revoked. However, the revocation is stayed and
7 Respondent is placed on probation for four (4) years from the effective date of the Decision and
8 Order on the following terms and conditions:

9 1. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the
10 use of products or beverages containing alcohol.

11 If Respondent has a confirmed positive biological fluid test for alcohol, Respondent shall
12 receive a notification from the Board or its designee to immediately cease the practice of
13 medicine. Respondent shall not resume the practice of medicine until the final decision on an
14 accusation and/or a petition to revoke probation is effective. An accusation and/or petition to
15 revoke probation shall be filed by the Board within 30 days of the notification to cease practice.
16 If Respondent requests a hearing on the accusation and/or petition to revoke probation, the Board
17 shall provide Respondent with a hearing within 30 days of the request, unless Respondent
18 stipulates to a later hearing. If the case is heard by an Administrative Law Judge alone, he or she
19 shall forward a Proposed Decision to the Board within 15 days of submission of the matter.
20 Within 15 days of receipt by the Board of the Administrative Law Judge's proposed decision, the
21 Board shall issues its Decision, unless good cause can be shown for the delay. If the case is heard
22 by the Board, the Board shall issue its decision within 15 days of submission of the case, unless
23 good cause can be shown for the delay. Good cause includes, but is not limited to, non-adoption
24 of the proposed decision, requests for reconsideration, remands and other interlocutory orders
25 issued by the Board. The cessation of practice shall not apply to the reduction of the probationary
26 time period.

27 If the Board does not file an accusation or petition to revoke probation within 30 days of the
28 issuance of the notification to cease practice or does not provide Respondent with a hearing

1 within 30 days of such a request, the notification of cease practice shall be dissolved.

2 2. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to
3 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.
4 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair
5 follicle testing, or similar drug screening approved by the Board or its designee. Prior to
6 practicing medicine, Respondent shall contract with a laboratory or service approved in advance
7 by the Board or its designee that will conduct random, unannounced, observed, biological fluid
8 testing. The contract shall require results of the tests to be transmitted by the laboratory or
9 service directly to the Board or its designee within four hours of the results becoming available.
10 Respondent shall maintain this laboratory or service contract during the period of probation.

11 A certified copy of any laboratory test result may be received as direct evidence in any
12 proceedings between the Board and Respondent.

13 The Board may order Respondent undergo biological fluid testing on any day, at any time,
14 including weekends and holidays. Respondent shall be subject to up to 24 random tests per year.
15 Nothing precludes the Board from increasing the number of random tests if the Board finds that
16 Respondent has committed a violation of any of the biological fluid testing requirements.

17 If Respondent fails to cooperate in a random biological fluid testing program within the
18 specified time frame, Respondent shall receive a notification from the Board or its designee to
19 immediately cease the practice of medicine. Respondent shall not resume the practice of
20 medicine until the final decision on an accusation and/or a petition to revoke probation is
21 effective. An accusation and/or petition to revoke probation shall be filed by the Board within 30
22 days of the notification to cease practice. If Respondent requests a hearing on the accusation
23 and/or petition to revoke probation, the Board shall provide the Respondent with a hearing within
24 30 days of the request, unless Respondent stipulates to a later hearing. If the case is heard by an
25 Administrative Law Judge alone, he or she shall forward a Proposed Decision to the Board within
26 15 days of submission of the matter. Within 15 days of receipt by the Board of the
27 Administrative Law Judge's proposed decision, the Board shall issue its Decision, unless good
28 cause can be shown for the delay. If the case is heard by the Board, the Board shall issue its

1 decision within 15 days of submission of the case, unless good cause can be shown for the delay.
2 Good cause includes, but is not limited to, non-adoption of the proposed decision, requests for
3 reconsideration, remands and other interlocutory orders issued by the Board. The cessation of
4 practice shall not apply to the reduction of the probationary time period.

5 If the Board does not file an accusation or petition to revoke probation within 15 days of
6 the issuance of the notification to cease practice or does not provide Respondent with a hearing
7 within 30 days of such a request, the notification of cease practice shall be dissolved.

8 3. EDUCATION COURSE. Within 60 calendar days of the effective date of this
9 Decision, Respondent shall submit to the Board or its designee for its prior approval educational
10 program(s) or course(s) which shall not be less than 8 hours in the area of anger management.
11 The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition
12 to the Continuing Medical Education (CME) requirements for renewal of licensure.

13 4. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
14 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
15 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
16 Respondent shall participate in and successfully complete that program. Respondent shall
17 provide any information and documents that the program may deem pertinent. Respondent shall
18 successfully complete the classroom component of the program not later than six (6) months after
19 Respondent's initial enrollment, and the longitudinal component of the program not later than the
20 time specified by the program, but no later than one (1) year after attending the classroom
21 component. The professionalism program shall be at Respondent's expense and shall be in
22 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

23 A professionalism program taken after the acts that gave rise to the charges in the
24 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
25 or its designee, be accepted towards the fulfillment of this condition if the program would have
26 been approved by the Board or its designee had the program been taken after the effective date of
27 this Decision.

28 ///

1 Respondent shall submit a certification of successful completion to the Board or its
2 designee not later than 15 calendar days after successfully completing the program or not later
3 than 15 calendar days after the effective date of the Decision, whichever is later.

4 5. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision,
5 Respondent shall submit to the Board or its designee for prior approval the name and
6 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
7 has a doctoral degree in psychology and at least five years of postgraduate experience in the
8 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall
9 undergo and continue psychotherapy treatment, including any modifications to the frequency of
10 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

11 The psychotherapist shall consider any information provided by the Board or its designee
12 and any other information the psychotherapist deems relevant and shall furnish a written
13 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
14 psychotherapist with any information and documents that the psychotherapist may deem
15 pertinent.

16 Respondent shall have the treating psychotherapist submit quarterly status reports to the
17 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
18 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
19 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
20 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
21 period of probation shall be extended until the Board determines that Respondent is mentally fit
22 to resume the practice of medicine without restrictions.

23 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

24 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
25 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
26 Chief Executive Officer at every hospital where privileges or membership are extended to
27 Respondent, at any other facility where Respondent engages in the practice of medicine,
28 including all physician and locum tenens registries or other similar agencies, and to the Chief

1 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
2 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
3 calendar days.

4 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

5 7. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
6 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
7 advanced practice nurses.

8 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
9 governing the practice of medicine in California and remain in full compliance with any court
10 ordered criminal probation, payments, and other orders.

11 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
12 under penalty of perjury on forms provided by the Board, stating whether there has been
13 compliance with all the conditions of probation.

14 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
15 of the preceding quarter.

16 10. GENERAL PROBATION REQUIREMENTS.

17 Compliance with Probation Unit

18 Respondent shall comply with the Board's probation unit.

19 Address Changes

20 Respondent shall, at all times, keep the Board informed of Respondent's business and
21 residence addresses, email address (if available), and telephone number. Changes of such
22 addresses shall be immediately communicated in writing to the Board or its designee. Under no
23 circumstances shall a post office box serve as an address of record, except as allowed by Business
24 and Professions Code section 2021(b).

25 Place of Practice

26 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
27 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
28 facility.

1 License Renewal

2 Respondent shall maintain a current and renewed California physician's and surgeon's
3 license.

4 Travel or Residence Outside California

5 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
6 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
7 (30) calendar days.

8 In the event Respondent should leave the State of California to reside or to practice
9 , Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
10 departure and return.

11 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
12 available in person upon request for interviews either at Respondent's place of business or at the
13 probation unit office, with or without prior notice throughout the term of probation.

14 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
15 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
16 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
17 defined as any period of time Respondent is not practicing medicine as defined in Business and
18 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
19 patient care, clinical activity or teaching, or other activity as approved by the Board. If
20 Respondent resides in California and is considered to be in non-practice, Respondent shall
21 comply with all terms and conditions of probation. All time spent in an intensive training
22 program which has been approved by the Board or its designee shall not be considered non-
23 practice and does not relieve Respondent from complying with all the terms and conditions of
24 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
25 on probation with the medical licensing authority of that state or jurisdiction shall not be
26 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
27 period of non-practice.

28 ///.

1 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
2 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
3 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
4 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
5 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

6 Respondent's period of non-practice while on probation shall not exceed two (2) years.

7 Periods of non-practice will not apply to the reduction of the probationary term.

8 Periods of non-practice for a Respondent residing outside of California will relieve
9 Respondent of the responsibility to comply with the probationary terms and conditions with the
10 exception of this condition and the following terms and conditions of probation: Obey All Laws;
11 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
12 Controlled Substances; and Biological Fluid Testing.

13 13. COMPLETION OF PROBATION. Respondent shall comply with all financial
14 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
15 completion of probation. Upon successful completion of probation, Respondent's certificate shall
16 be fully restored.

17 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
18 of probation is a violation of probation. If Respondent violates probation in any respect, the
19 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
20 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
21 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
22 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
23 the matter is final.

24 15. LICENSE SURRENDER. Following the effective date of this Decision, if
25 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
26 the terms and conditions of probation, Respondent may request to surrender his or her license.
27 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
28 determining whether or not to grant the request, or to take any other action deemed appropriate

1 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
2 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
3 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
4 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
5 application shall be treated as a petition for reinstatement of a revoked certificate.

6 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
7 with probation monitoring each and every year of probation, as designated by the Board, which
8 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
9 California and delivered to the Board or its designee no later than January 31 of each calendar
10 year.
