21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Christine J. Lally (Complainant) is the Interim Executive Director of the Medical  
24 Board of California (Board). She brought this action solely in her official capacity and is  
25 represented in this matter by Xavier Becerra, Attorney General of the State of California, by Alice  
26 W. Wong, Deputy Attorney General.

1           2.     Respondent Shepherd Green Pryor, M.D. (Respondent) is represented in this  
2 proceeding by attorney Kevin D. Cauley, Esq., whose address is 624 South Grand Avenue, 22nd  
3 Floor, Los Angeles, CA 90017-3323.

4           3.     On or about July 1, 2006, the Board issued Physician's and Surgeon's Certificate No.  
5 A 96325 to Shepherd Green Pryor, M.D. (Respondent). The Physician's and Surgeon's Certificate  
6 expired on July 31, 2018, and has been renewed. It will expire on July 31, 2020, unless renewed.

7                                   **JURISDICTION**

8           First Amended Accusation No. 800-2018-048113 was filed before the Board, and is  
9 currently pending against Respondent. The First Amended Accusation and all other statutorily  
10 required documents were properly served on Respondent on December 24, 2019. Respondent  
11 timely filed his Notice of Defense contesting the Accusation.

12           4.     A copy of the First Amended Accusation No. 800-2018-048113 is attached as exhibit  
13 A and incorporated herein by reference.

14                                   **ADVISEMENT AND WAIVERS**

15           5.     Respondent has carefully read, fully discussed with counsel, and understands the  
16 charges and allegations in First Amended Accusation No. 800-2018-048113. Respondent has  
17 also carefully read, fully discussed with counsel, and understands the effects of this Stipulated  
18 Settlement and Disciplinary Order.

19           6.     Respondent is fully aware of his legal rights in this matter, including the right to a  
20 hearing on the charges and allegations in the First Amended Accusation; the right to confront and  
21 cross-examine the witnesses against him; the right to present evidence and to testify on his own  
22 behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the  
23 production of documents; the right to reconsideration and court review of an adverse decision;  
24 and all other rights accorded by the California Administrative Procedure Act and other applicable  
25 laws.

26           7.     Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
27 every right set forth above.

1  
2 **CULPABILITY**

3 8. Respondent understands and agrees that the charges and allegations in First Amended  
4 Accusation No. 800-2018-048113, if proven at a hearing, constitute cause for imposing  
5 discipline upon his Physician's and Surgeon's Certificate.

6 9. For the purpose of resolving the First Amended Accusation without the expense and  
7 uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could  
8 establish a factual basis for the charges in the First Amended Accusation, and that Respondent  
9 hereby gives up his right to contest those charges.

10 10. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
11 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
12 Disciplinary Order below.

13 **CONTINGENCY**

14 11. This stipulation shall be subject to approval by the Medical Board of California.  
15 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
16 Board of California may communicate directly with the Board regarding this stipulation and  
17 settlement, without notice to or participation by Respondent or his counsel. By signing the  
18 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
19 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
20 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
21 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
22 action between the parties, and the Board shall not be disqualified from further action by having  
23 considered this matter.

24 12. The parties understand and agree that Portable Document Format (PDF) and facsimile  
25 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
26 signatures thereto, shall have the same force and effect as the originals.  
27  
28

2 the Board may, without further notice or formal proceeding, issue and enter the following  
3 Disciplinary Order:

4                                   **DISCIPLINARY ORDER**

23 program, that meets the requirements of Title 16, California Code of Regulations (CCR) section  
24 1358.1. Respondent shall participate in and successfully complete that program. Respondent  
25 shall provide any information and documents that the program may deem pertinent. Respondent  
26 shall successfully complete the classroom component of the program not later than six (6) months  
27 after Respondent's initial enrollment, and the longitudinal component of the program not later  
28 than the time specified by the program, but no later than one (1) year after attending the

1 classroom component. The professionalism program shall be at Respondent's expense and shall  
2 be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

3 A professionalism program taken after the acts that gave rise to the charges in the  
4 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
5 or its designee, be accepted towards the fulfillment of this condition if the program would have  
6 been approved by the Board or its designee had the program been taken after the effective date of  
7 this Decision.

8 Respondent shall submit a certification of successful completion to the Board or its  
9 designee not later than 15 calendar days after successfully completing the program or not later  
10 than 15 calendar days after the effective date of the Decision, whichever is later.

11 4. PSYCHOTHERAPY. Within 60 calendar days of the effective date of this  
12 Decision, Respondent shall submit to the Board or its designee for prior approval the name and  
13 qualifications of a California-licensed board certified psychiatrist, or a licensed psychologist who  
14 has a doctoral degree in psychology and at least five years of postgraduate experience in the  
15 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall  
16 undergo and continue psychotherapy treatment, including any modifications to the frequency of  
17 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

18 The psychotherapist shall consider any information provided by the Board or its designee  
19 and any other information the psychotherapist deems relevant and shall furnish a written  
20 evaluation report to the Board or its designee. Respondent shall cooperate in providing the  
21 psychotherapist with any information and documents that the psychotherapist may deem  
22 pertinent.

23 Respondent shall have the treating psychotherapist submit quarterly status reports to the  
24 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric  
25 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of  
26 probation, Respondent is found to be mentally unfit to resume the practice of medicine without  
27 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the  
28 period of probation shall be extended until the Board determines that Respondent is mentally fit

1 to resume the practice of medicine without restrictions.

2 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

3 5. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within  
4 seven (7) days of the effective date of this Decision, Respondent shall provide to the Board the  
5 names, physical addresses, mailing addresses, and telephone numbers of any and all employers  
6 and supervisors. Respondent shall also provide specific, written consent for the Board,  
7 Respondent's worksite monitor, and Respondent's employers and supervisors to communicate  
8 regarding Respondent's work status, performance, and monitoring.

9 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or  
10 Well Being Committee Chair, or equivalent, if applicable, when the Respondent has medical staff  
11 privileges.

12 6. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit  
13 to biological fluid testing, at Respondent's expense, upon request of the Board or its designee.  
14 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair  
15 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall  
16 make daily contact with the Board or its designee to determine whether biological fluid testing is  
17 required. Respondent shall be tested on the date of the notification as directed by the Board or its  
18 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at  
19 any time, including weekends and holidays. Except when testing on a specific date as ordered by  
20 the Board or its designee, the scheduling of biological fluid testing shall be done on a random  
21 basis. The cost of biological fluid testing shall be borne by the Respondent.

22 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.  
23 During the second year of probation and for the duration of the probationary term, up to five (5)  
24 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no  
25 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing  
26 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number  
27 of random tests to the first-year level of frequency for any reason.

1 Prior to practicing medicine, Respondent shall contract with a laboratory or service,  
2 approved in advance by the Board or its designee, that will conduct random, unannounced,  
3 observed, biological fluid testing and meets all of the following standards:

4 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry  
5 Association or have completed the training required to serve as a collector for the United  
6 States Department of Transportation.

7 (b) Its specimen collectors conform to the current United States Department of  
8 Transportation Specimen Collection Guidelines.

9 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published  
10 by the United States Department of Transportation without regard to the type of test  
11 administered.

12 (d) Its specimen collectors observe the collection of testing specimens.

13 (e) Its laboratories are certified and accredited by the United States Department of Health  
14 and Human Services.

15 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day  
16 of receipt and all specimens collected shall be handled pursuant to chain of custody  
17 procedures. The laboratory shall process and analyze the specimens and provide legally  
18 defensible test results to the Board within seven (7) business days of receipt of the  
19 specimen. The Board will be notified of non-negative results within one (1) business day  
20 and will be notified of negative test results within seven (7) business days.

21 (g) Its testing locations possess all the materials, equipment, and technical expertise  
22 necessary in order to test Respondent on any day of the week.

23 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens  
24 for the detection of alcohol and illegal and controlled substances.

25 (i) It maintains testing sites located throughout California.

26 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line  
27 computer database that allows the Respondent to check in daily for testing.

28 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff

1 access to drug test results and compliance reporting information that is available 24 hours a  
2 day.

3 (l) It employs or contracts with toxicologists that are licensed physicians and have  
4 knowledge of substance abuse disorders and the appropriate medical training to interpret  
5 and evaluate laboratory biological fluid test results, medical histories, and any other  
6 information relevant to biomedical information.

7 (m) It will not consider a toxicology screen to be negative if a positive result is obtained  
8 while practicing, even if the Respondent holds a valid prescription for the substance.

9 Prior to changing testing locations for any reason, including during vacation or other travel,  
10 alternative testing locations must be approved by the Board and meet the requirements above.

11 The contract shall require that the laboratory directly notify the Board or its designee of  
12 non-negative results within one (1) business day and negative test results within seven (7)  
13 business days of the results becoming available. Respondent shall maintain this laboratory or  
14 service contract during the period of probation.

15 A certified copy of any laboratory test result may be received in evidence in any  
16 proceedings between the Board and Respondent.

17 If a biological fluid test result indicates Respondent has used, consumed, ingested, or  
18 administered to himself or herself a prohibited substance, the Board shall order Respondent to  
19 cease practice and instruct Respondent to leave any place of work where Respondent is practicing  
20 medicine or providing medical services. The Board shall immediately notify all of Respondent's  
21 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or  
22 provide medical services while the cease-practice order is in effect.

23 A biological fluid test will not be considered negative if a positive result is obtained while  
24 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited  
25 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

26 After the issuance of a cease-practice order, the Board shall determine whether the positive  
27 biological fluid test is in fact evidence of prohibited substance use by consulting with the  
28 specimen collector and the laboratory, communicating with the licensee, his treating

1 physician(s), other health care provider, or group facilitator, as applicable.

2 For purposes of this condition, the terms “biological fluid testing” and “testing” mean the  
3 acquisition and chemical analysis of a Respondent’s urine, blood, breath, or hair.

4 For purposes of this condition, the term “prohibited substance” means an illegal drug, a  
5 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by  
6 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been  
7 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

8 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited  
9 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the  
10 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to  
11 any other terms or conditions the Board determines are necessary for public protection or to  
12 enhance Respondent’s rehabilitation.

13 7. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE.

14 Within thirty (30) calendar days of the effective date of this Decision, Respondent shall submit to  
15 the Board or its designee for prior approval as a worksite monitor, the name and qualifications of  
16 one or more licensed physician and surgeon, other licensed health care professional if no  
17 physician and surgeon is available, or, as approved by the Board or its designee, a person in a  
18 position of authority who is capable of monitoring the Respondent at work.

19 The worksite monitor shall not have a current or former financial, personal, or familial  
20 relationship with Respondent, or any other relationship that could reasonably be expected to  
21 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its  
22 designee. If it is impractical for anyone but Respondent’s employer to serve as the worksite  
23 monitor, this requirement may be waived by the Board or its designee, however, under no  
24 circumstances shall Respondent’s worksite monitor be an employee or supervisee of the licensee.

25 The worksite monitor shall have an active unrestricted license with no disciplinary action  
26 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms  
27 and conditions of Respondent’s disciplinary order and agrees to monitor Respondent as set forth  
28 by the Board or its designee.

1 Respondent shall pay all worksite monitoring costs.

2 The worksite monitor shall have face-to-face contact with Respondent in the work  
3 environment on as frequent a basis as determined by the Board or its designee, but not less than  
4 once per week; interview other staff in the office regarding Respondent's behavior, if requested  
5 by the Board or its designee; and review Respondent's work attendance.

6 The worksite monitor shall verbally report any suspected substance abuse to the Board and  
7 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected  
8 substance abuse does not occur during the Board's normal business hours, the verbal report shall  
9 be made to the Board or its designee within one (1) hour of the next business day. A written  
10 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and  
11 any other information deemed important by the worksite monitor shall be submitted to the Board  
12 or its designee within 48 hours of the occurrence.

13 The worksite monitor shall complete and submit a written report monthly or as directed by  
14 the Board or its designee which shall include the following: (1) Respondent's name and  
15 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)  
16 the worksite monitor's license number, if applicable; (4) the location or location(s) of the  
17 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the  
18 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;  
19 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can  
20 lead to suspected substance abuse by Respondent. Respondent shall complete any required  
21 consent forms and execute agreements with the approved worksite monitor and the Board, or its  
22 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

23 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)  
24 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior  
25 approval, the name and qualifications of a replacement monitor who will be assuming that  
26 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a  
27 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the  
28 monitor, Respondent shall receive a notification from the Board or its designee to cease the

1 practice of medicine within three (3) calendar days after being so notified. Respondent shall  
2 cease the practice of medicine until a replacement monitor is approved and assumes monitoring  
3 responsibility.

4 8. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE  
5 ABUSING LICENSEES. Failure to fully comply with any term or condition of probation is a  
6 violation of probation.

7 A. If Respondent commits a major violation of probation as defined by section  
8 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take  
9 one or more of the following actions:

10 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical  
11 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of  
12 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice  
13 order issued by the Board or its designee shall state that Respondent must test negative for at least  
14 a month of continuous biological fluid testing before being allowed to resume practice. For  
15 purposes of determining the length of time a Respondent must test negative while undergoing  
16 continuous biological fluid testing following issuance of a cease-practice order, a month is  
17 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until  
18 notified in writing by the Board or its designee that he may do so.

19 (2) Increase the frequency of biological fluid testing.

20 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or  
21 other action as determined by the Board or its designee.

22 B. If Respondent commits a minor violation of probation as defined by section  
23 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take  
24 one or more of the following actions:

25 (1) Issue a cease-practice order;

26 (2) Order practice limitations;

27 (3) Order or increase supervision of Respondent;

28 (4) Order increased documentation;

1 (5) Issue a citation and fine, or a warning letter;

2 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in  
3 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of  
4 Regulations, at Respondent's expense;

5 (7) Take any other action as determined by the Board or its designee.

6 C. Nothing in this Decision shall be considered a limitation on the Board's authority  
7 to revoke Respondent's probation if he has violated any term or condition of probation. If  
8 Respondent violates probation in any respect, the Board, after giving Respondent notice and the  
9 opportunity to be heard, may revoke probation and carry out the disciplinary order that was  
10 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed  
11 against Respondent during probation, the Board shall have continuing jurisdiction until the matter  
12 is final, and the period of probation shall be extended until the matter is final.

13 9. NOTIFICATION. Within seven (7) days of the effective date of this  
14 Decision, the Respondent shall provide a true copy of this Decision and Accusation to the Chief  
15 of Staff or the Chief Executive Officer at every hospital where privileges or membership are  
16 extended to Respondent, at any other facility where Respondent engages in the practice of  
17 medicine, including all physician and locum tenens registries or other similar agencies, and to the  
18 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage  
19 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within  
20 15 calendar days.

21 10. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED  
22 PRACTICE NURSES. During probation, Respondent is prohibited from supervising physician  
23 assistants and advanced practice nurses.

24 11. OBEY ALL LAWS. Respondent shall obey all federal, state and local  
25 laws, all rules governing the practice of medicine in California and remain in full compliance  
26 with any court ordered criminal probation, payments, and other orders.

27 12. QUARTERLY DECLARATIONS. Respondent shall submit quarterly  
28 declarations under penalty of perjury on forms provided by the Board, stating whether there has

1 been compliance with all the conditions of probation.

2 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
3 of the preceding quarter.

4 13. GENERAL PROBATION REQUIREMENTS.

5 Compliance with Probation Unit

6 Respondent shall comply with the Board's probation unit.

7 Address Changes

8 Respondent shall, at all times, keep the Board informed of Respondent's business and  
9 residence addresses, email address (if available), and telephone number. Changes of such  
10 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
11 circumstances shall a post office box serve as an address of record, except as allowed by Business  
12 and Professions Code section 2021(b).

13 Place of Practice

14 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
15 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
16 facility.

17 License Renewal

18 Respondent shall maintain a current and renewed California Physician's and Surgeon's  
19 license.

20 Travel or Residence Outside California

22 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
23 (30) calendar days.

24 In the event Respondent should leave the State of California to reside or to practice  
25 ,Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
26 departure and return.

27 14. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent  
28 shall be available in person upon request for interviews either at Respondent's place of business

1 or at the probation unit office, with or without prior notice throughout the term of probation.

2 15. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the  
3 Board or its designee in writing within 15 calendar days of any periods of non-practice lasting  
4 more than 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-  
5 practice is defined as any period of time Respondent is not practicing medicine as defined in  
6 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month  
7 in direct patient care, clinical activity or teaching, or other activity as approved by the Board. If  
8 Respondent resides in California and is considered to be in non-practice, Respondent shall  
9 comply with all terms and conditions of probation. All time spent in an intensive training  
10 program which has been approved by the Board or its designee shall not be considered non-  
11 practice and does not relieve Respondent from complying with all the terms and conditions of  
12 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
13 on probation with the medical licensing authority of that state or jurisdiction shall not be  
14 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
15 period of non-practice.

16 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
17 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
18 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
19 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
20 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

21 Respondent's period of non-practice while on probation shall not exceed two (2) years.

22 Periods of non-practice will not apply to the reduction of the probationary term.

23 Periods of non-practice for a Respondent residing outside of California will relieve  
24 Respondent of the responsibility to comply with the probationary terms and conditions with the  
25 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
26 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
27 Controlled Substances; and Biological Fluid Testing..

28 16. COMPLETION OF PROBATION. Respondent shall comply with all

1 financial obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to  
2 the completion of probation. Upon successful completion of probation, Respondent's certificate  
3 shall be fully restored.

4 17. VIOLATION OF PROBATION. Failure to fully comply with any term or  
5 condition of probation is a violation of probation. If Respondent violates probation in any  
6 respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke  
7 probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to  
8 Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation,  
9 the Board shall have continuing jurisdiction until the matter is final, and the period of probation  
10 shall be extended until the matter is final.

11 18. LICENSE SURRENDER. Following the effective date of this Decision, if  
12 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
13 the terms and conditions of probation, Respondent may request to surrender his or her license.  
14 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
15 determining whether or not to grant the request, or to take any other action deemed appropriate  
16 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
17 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
18 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
19 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
20 application shall be treated as a petition for reinstatement of a revoked certificate.

21 19. PROBATION MONITORING COSTS. Respondent shall pay the costs  
22 associated with probation monitoring each and every year of probation, as designated by the  
23 Board, which may be adjusted on an annual basis. Such costs shall be payable to the Medical  
24 Board of California and delivered to the Board or its designee no later than January 31 of each  
25 calendar year.

21 **PARTIES**

22 1. Christine J. Lally (Complainant) brings this Accusation solely in her official capacity  
23 as the Interim Executive Director of the Medical Board of California, Department of Consumer  
24 Affairs (Board).

25 2. On or about July 1, 2006, the Board issued Physician's and Surgeon's Certificate  
26 Number A 96325 to Shepherd Green Pryor, V., M.D. (Respondent). The Physician's and  
27 Surgeon's Certificate is in delinquent status, having expired on July 31, 2018, and has not been

**JURISDICTION**

3. This First Amended Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2305 of the Code states:

“The revocation, suspension, or other discipline, restriction or limitation imposed by another state upon a license or certificate to practice medicine issued by that state, or the revocation, suspension, or restriction of the authority to practice medicine by any agency of the federal government, that would have been grounds for discipline in California of a licensee under this chapter shall constitute grounds for disciplinary action for unprofessional conduct against the licensee in this state.”

6. Section 141 of the Code states:

“(a) For any licensee holding a license issued by a board under the jurisdiction of the department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

“(b) Nothing in this section shall preclude a board from applying a specific statutory provision in the licensing act administered by that board that provides for discipline based upon a disciplinary action taken against the licensee by another state, an agency of the federal government, or another country.”

**CAUSE FOR DISCIPLINE**

**(Discipline, Restrictions, and Limitations Imposed by Another State)**

7. On or about September 18, 2018, the Arizona Medical Board and Respondent entered into an Interim Consent Agreement for Practice Restriction (Agreement), prohibiting Respondent from engaging in the practice of medicine until such time as Respondent receives permission from the Arizona Medical Board. The Agreement was based on the allegation that Respondent was impaired at work on June 8, 2018, and Respondent's acknowledgment that he may have an issue with substance use.

A copy of the Interim Consent Agreement for Practice Restriction is attached as Exhibit A.

8. Respondent subsequently completed inpatient treatment and was discharged on October 27, 2018. Based on Respondent's treatment and prognosis, Respondent entered into a monitoring agreement with the Arizona Medical Board and complied with recommendations for aftercare. On or about November 7, 2018, Respondent and the Arizona Medical Board entered into an Interim Consent Agreement to Participate in the Physician Health Program.

A copy of the Interim Consent Agreement to Participate in the Physician Health Program is attached as Exhibit B.

9. On or about August 6, 2019, the Arizona Medical Board issued a Letter of Reprimand whereby Respondent was placed on five years of probation, with term and conditions, including (1) abstain from use of alcohol; (2) abstain from any illegal drugs, mood altering medications unless prescribed for legitimate therapeutic purpose; (3) participation in personalized aftercare programs, or activities as recommended, including but not limited to psychotherapy or group therapy; (4) compliance with the return to work recommendations, including reduced hours and use of a PHP-approved worksite monitor as recommended; (5) obtain a primary care physician; (6) prescriptions for controlled substances monitoring; (7) random biological fluid, hair and/or nail testing; (8) 36 hours of alcohol/drug awareness education course; (8) notice of employer or supervisor information; and standard terms and conditions of probation.

A copy of the Order for Letter of Reprimand and Probation; And Consent to The Same is attached as Exhibit C.

10. Respondent's conduct and the action of the Arizona Medical Board as set forth in paragraphs 7 to 9, above, constitute cause for discipline pursuant to sections 2305 and/or 141 of the Code.

## EXHIBIT A

1 BEFORE THE ARIZONA MEDICAL BOARD

2 In the Matter of

3 SHEPHERD G. PRYOR, M.D.

4 Holder of License No. 33720  
5 For the Practice of Allopathic Medicine  
6 In the State of Arizona.

Case No. MD-18-0552A

INTERIM CONSENT AGREEMENT  
FOR PRACTICE RESTRICTION

7 INTERIM CONSENT AGREEMENT

8 Shepherd G. Pryor, M.D. ("Respondent") elects to permanently waive any right to a  
9 hearing and appeal with respect to this Interim Consent Agreement for Practice Restriction  
10 and consents to the entry of this Order by the Arizona Medical Board ("Board").

11 INTERIM FINDINGS OF FACT

12 1. The Board is the duly constituted authority for the regulation and control of  
13 the practice of allopathic medicine in the State of Arizona.

14 2. Respondent is the holder of License No. 33720 for the practice of allopathic  
15 medicine in the State of Arizona.

16 3. The Board initiated case number MD-18-0552A after receiving a self-report  
17 on June 11, 2018 from Respondent that he was alleged to have been impaired while  
18 performing a surgical procedure on June 8, 2018. Respondent denied the allegation of  
19 impairment, but acknowledged that he may have an issue with substance use.

20 4. Respondent subsequently underwent an inpatient evaluation at a Board-  
21 approved facility. Based on the findings, the facility opined that Respondent is not  
22 currently safe to practice, pending completion of inpatient treatment and post-treatment  
23 fitness for duty assessment.

24

25

1       5.     The aforementioned information was presented to the investigative staff, the  
2 medical consultant and the lead Board member. All reviewed the information and concur  
3 that the interim consent agreement to restrict Respondent's practice is appropriate.

4       6.     The investigation into this matter is pending and will be forwarded to the  
5 Board promptly upon completion for review and action.

6                               INTERIM CONCLUSIONS OF LAW

7       1.     The Board possesses jurisdiction over the subject matter hereof and over  
8 Respondent.

9       2.     Pursuant to A.R.S. § 32-1405(C)(25) the Executive Director has authority to  
10 enter into a consent agreement when there is evidence of danger to the public health and  
11 safety.

12       3.     Pursuant to A.A.C. R4-16-504, the Executive Director may enter into an  
13 interim consent agreement when there is evidence that a restriction is needed to mitigate  
14 imminent danger to the public's health and safety. Investigative staff, the Board's medical  
15 consultant and the lead Board member have reviewed the case and concur that an interim  
16 consent agreement is appropriate.

17                               INTERIM ORDER

18       IT IS HEREBY ORDERED THAT:

19       1.     Respondent is prohibited from engaging in the practice of medicine in the  
20 State of Arizona as set forth in A.R.S. § 32-1401(22) until Respondent applies to the  
21 Executive Director and receives permission to do so.

22       2.     Respondent may request, in writing, release and/or modification of this  
23 Interim Consent Agreement. Respondent's request must be accompanied by information  
24 demonstrating that Respondent has completed the recommendations made by the  
25 evaluating facility and is safe to practice medicine. The Executive Director, in consultation

1 with and agreement of the lead Board member and the Chief Medical Consultant, has the  
2 discretion to determine whether it is appropriate to release Respondent from this Interim  
3 Consent Agreement.

4 3. The Board retains jurisdiction and may initiate new action based upon any  
5 violation of this Interim Consent Agreement, including, but not limited to, summarily  
6 suspending Respondent's license.

7 4. Because this is an Interim Consent Agreement and not a final decision by  
8 the Board regarding the pending investigation, it is subject to further consideration by the  
9 Board. Once the investigation is complete, it will be promptly provided to the Board for its  
10 review and appropriate action.

11 5. This Interim Consent Agreement shall be effective on the date signed by the  
12 Board's Executive Director.

19 RECITALS

20 Respondent understands and agrees that:

21 1. The Board, through its Executive Director, may adopt this Interim Consent  
22 Agreement, or any part thereof, pursuant to A.R.S. § 32-1405(C)(25) and A.A.C. R4-16-  
23 504.  
24  
25

1       2.     Respondent has read and understands this Interim Consent Agreement as  
2 set forth herein, and has had the opportunity to discuss this Interim Consent Agreement  
3 with an attorney or has waived the opportunity to discuss this Interim Consent Agreement  
4 with an attorney. Respondent voluntarily enters into this Interim Consent Agreement and  
5 by doing so agrees to abide by all of its terms and conditions.

6       3.     By entering into this Interim Consent Agreement, Respondent freely and  
7 voluntarily relinquishes all rights to an administrative hearing on the matters set forth  
8 herein, as well as all rights of rehearing, review, reconsideration, appeal, judicial review or  
9 any other administrative and/or judicial action, concerning the matters related to the  
10 Interim Consent Agreement.

11       4.     Respondent understands that this Interim Consent Agreement does not  
12 constitute a dismissal or resolution of this matter or any matters that may be currently  
13 pending before the Board and does not constitute any waiver, express or implied, of the  
14 Board's statutory authority or jurisdiction regarding this or any other pending or future  
15 investigations, actions, or proceedings. Respondent also understands that acceptance of  
16 this Interim Consent Agreement does not preclude any other agency, subdivision, or  
17 officer of this State from instituting civil or criminal proceedings with respect to the conduct  
18 that is the subject of this Interim Consent Agreement. Respondent further does not  
19 relinquish Respondent's rights to an administrative hearing, rehearing, review,  
20 reconsideration, judicial review or any other administrative and/or judicial action,  
21 concerning the matters related to a final disposition of this matter, unless Respondent  
22 affirmatively does so as part of the final resolution of this matter.  
23  
24  
25

1       5. Respondent acknowledges and agrees that upon signing this Interim  
2 Consent Agreement and returning it to the Board's Executive Director, Respondent may  
3 not revoke Respondent's acceptance of this Interim Consent Agreement or make any  
4 modifications to it. Any modification of this original document is ineffective and void unless  
5 mutually approved by the parties in writing.

6       6. Respondent understands that this Interim Consent Agreement shall not  
7 become effective unless and until it is signed by the Board's Executive Director.

8       7. Respondent understands and agrees that if the Board's Executive Director  
9 does not adopt this Interim Consent Agreement, Respondent will not assert in any future  
10 proceedings that the Board's consideration of this Interim Consent Agreement constitutes  
11 bias, prejudice, prejudgment, or other similar defense.

12       8. Respondent understands that this Interim Consent Agreement is a public  
13 record that may be publicly disseminated as a formal action of the Board, and that it shall  
14 be reported as required by law to the National Practitioner Data Bank.

15       9. Respondent understands that this Interim Consent Agreement does not  
16 alleviate Respondent's responsibility to comply with the applicable license-renewal  
17 statutes and rules. If this Interim Consent Agreement remains in effect at the time  
18 Respondent's allopathic medical license comes up for renewal, Respondent must renew  
19 the license if Respondent wishes to retain the license. If Respondent elects not to renew  
20 the license as prescribed by statute and rule, Respondent's license will not expire but  
21 rather, by operation of law (A.R.S. § 32-3202), become suspended until the Board takes  
22 final action in this matter. Once the Board takes final action, in order for Respondent to be  
23  
24  
25

1 licensed in the future, Respondent must submit a new application for licensure and meet  
2 all of the requirements set forth in the statutes and rules at that time.

3 10. Respondent understands that any violation of this Interim Consent  
4 Agreement constitutes unprofessional conduct under A.R.S. § 32-1401(27)(s) ("Violating a  
5 formal order, probation, consent agreement or stipulation issued or entered into by the  
6 board or its executive director under this chapter.").

10 psychiatrist's recommendation for continued care and treatment.

11 case with the Respondent's PCP or any other health care providers to ensure compliance  
12 with PHP.

13 17. The relationship between the Respondent and the PHP is a direct  
14 relationship. Respondent shall not use an attorney or other intermediary to communicate  
15 with the PHP on participation and compliance issues. Any such questions should be  
16 directed to Board staff.

17 18. Respondent shall be responsible for all costs, including costs associated  
18 with participating in PHP, at the time service is rendered or within 30 days of each invoice  
19 sent to the Respondent. An initial deposit of two (2) months PHP fees is due upon  
20 entering the program. Failure to pay either the initial PHP deposit or monthly fees 60  
21 days after invoicing will be reported to the Board by the PHP and may result in  
22 disciplinary action up to and including revocation.

23 19. Respondent shall immediately provide a copy of this Interim Consent

12 any aspect of the monitoring requirements or is required to undergo any additional  
13 treatment.

14 21. The PHP shall immediately notify the Board if Respondent is non-compliant  
15 with any aspect of this Interim Consent Agreement or is required to undergo any  
16 additional treatment.

18 violation of this Interim Consent Agreement, including, but not limited to, summarily  
19 suspending Respondent's license.

20 23. Because this is an Interim Consent Agreement and not a final decision by  
21 the Board regarding the pending investigation, it is subject to further consideration by the  
22 Board. Once the investigation is complete, it will be promptly provided to the Board for its  
23 review and appropriate action.

14           2. Respondent has read and understands this Interim Consent Agreement as  
15 set forth herein, and has had the opportunity to discuss this Interim Consent Agreement  
16 with an attorney or has waived the opportunity to discuss this Interim Consent  
17 Agreement with an attorney. Respondent voluntarily enters into this Interim Consent  
18 Agreement and by doing so agrees to abide by all of its terms and conditions.

19           3. By entering into this Interim Consent Agreement, Respondent freely and  
20 voluntarily relinquishes all rights to an administrative hearing on the matters set forth

5 investigations, actions, or proceedings. Respondent does not relinquish his rights to an
