Case No. 800-2019-055464

17
18 **STATEMENT OF ISSUES**

19 Complainant alleges:

20 **PARTIES**

- 21 1. Kimberly Kirchmeyer (Complainant) brings this Statement of Issues solely in her
22 official capacity as the Executive Director of the Medical Board of California, Department of
23 Consumer Affairs.
24 2. On or about March 4, 2019, the Medical Board of California, Department of
25 Consumer Affairs received an application for a Physician's and Surgeon's Certificate from
26 Richard Curtis Mauer (Applicant). On or about January 28, 2019, Applicant certified under
27 penalty of perjury to the truthfulness of all statements, answers, and representations in the
28 application. The Board denied Applicant's application for a California Physician's and Surgeon's
certificate. On June 11, 2019, Applicant requested a hearing.

1 **JURISDICTION**

2 This Statement of Issues is brought before the Board under the authority of the following
3 laws. All section references are to the Business and Professions Code unless otherwise indicated.

4 3. Section 2234 of the Code states:

5 “The board shall take action against any licensee who is charged with unprofessional
6 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not
7 limited to, the following:

8 “... ”

9 “(e) The commission of any act involving dishonesty or corruption which is substantially
10 related to the qualifications, functions, or duties of a physician and surgeon.”

11 “... ”

12 4. Section 480 of the Code states:

13 “(a) A board may deny a license regulated by this code on the grounds that the applicant
14 has one of the following:

15 “(1) Been convicted of a crime. A conviction within the meaning of this section means a
16 plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that a
17 board is permitted to take following the establishment of a conviction may be taken when the
18 time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal, or when
19 an order granting probation is made suspending the imposition of sentence, irrespective of a
20 subsequent order under the provisions of Section 1203.4, 1203.4a, or 1203.41 of the Penal Code.

21 “(2) Done any act involving dishonesty, fraud, or deceit with the intent to substantially
22 benefit himself or herself or another, or substantially injure another.

23 “(3) (A) Done any act that if done by a licentiate of the business or profession in question,
24 would be grounds for suspension or revocation of license.

25 “(B) The board may deny a license pursuant to this subdivision only if the crime or act is
26 substantially related to the qualifications, functions, or duties of the business or profession for
27 which application is made.

28 “(b) Notwithstanding any other provision of this code, a person shall not be denied a

1 license solely on the basis that he or she has been convicted of a felony if he or she has obtained a
2 certificate of rehabilitation under Chapter 3.5 (commencing with Section 4852.01) of Title 6 of
3 Part 3 of the Penal Code or that he or she has been convicted of a misdemeanor if he or she has
4 met all applicable requirements of the criteria of rehabilitation developed by the board to evaluate
5 the rehabilitation of a person when considering the denial of a license under subdivision (a) of
6 Section 482.

7 "(c) Notwithstanding any other provisions of this code, a person shall not be denied a
8 license solely on the basis of a conviction that has been dismissed pursuant to Section 1203.4,
9 1203.4a, or 1203.41 of the Penal Code. An applicant who has a conviction that has been
10 dismissed pursuant to Section 1203.4, 1203.4a, or 1203.41 of the Penal Code shall provide proof
11 of the dismissal.

12 "(d) A board may deny a license regulated by this code on the ground that the applicant
13 knowingly made a false statement of fact that is required to be revealed in the application for the
14 license."

15 STATEMENT OF FACTS

16 5. On March 4, 2019, the Board received an application for licensure as a physician and
17 surgeon from Applicant. The application, dated January 28, 2019, bears Applicant's signature
18 immediately following a bold print, all upper-case acknowledgement that Applicant understands
19 that any falsification or misrepresentation of any response on the application is a sufficient basis
20 for denying a license.

21 6. On his application, Applicant failed to disclose that on December 30, 2015, the Iowa
22 Board of Medicine issued Applicant a Letter of Warning for concerns regarding the diagnosis and
23 treatment of a patient. In the section of his application pertaining specifically to Disciplinary
24 History, Applicant was asked: "Have you ever had any license to practice medicine subjected to
25 any action including, but not limited to, informal or confidential discipline, consent orders, letters
26 of warning, letters of reprimand, or citations?" Applicant answered "No."

27 7. On March 3, 2019, the Board received a license verification from the Iowa Board of
28 Medicine regarding Applicant's license. There were no disciplinary actions reported.

1 8. On March 6, 2019, the Board received additional information from the Iowa Board of
2 Medicine regarding Applicant's Iowa medical license. On December 30, 2015, the Iowa Board of
3 Medicine issued Applicant a Letter of Warning for failing to provide appropriate ophthalmologic
4 care to a patient. Specifically, the Letter of Warning stated that Applicant failed to perform a
5 thorough vision test resulting in the delayed diagnosis and treatment of a tumor on the patient's
6 pituitary gland. In addition, the Applicant failed to listen to the patient's concerns which resulted
7 in unnecessary surgeries and caused a delay in improvement of the patient's vision.

8 **FIRST CAUSE FOR DENIAL OF APPLICATION**

9 (Dishonest Acts Substantially Related to Practice)

10 9. The allegations of paragraphs 5 through 8 above are incorporated by reference as if
11 set out in full. Applicant's application is subject to denial under section 480, subdivisions (a)(2)
12 and (a)(3)(A), and 2234, subdivision (e), of the Code. The circumstances are as follows:
13 Applicant knowingly made false statements of material facts in his application for licensure to the
14 Board, which were intended to substantially benefit himself. Such acts are substantially related to
15 the qualifications, functions, or duties of a physician and surgeon and would constitute
16 unprofessional conduct and grounds for suspension or revocation, if committed by a California
17 licensed physician and surgeon.

18 **PRAYER**

19 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
20 and that following the hearing, the Medical Board of California issue a decision:

- 21 1. Denying the application of Richard Curtis Mauer for a Physician's and Surgeon's
22 Certificate;
- 23 2. If issued a probationary license, ordering Applicant to pay the Medical Board of
24 California the costs of probation monitoring; and,
- 25 3. If placed on probation, revoking, suspending or denying approval of the Applicant's
26 authority to supervise physician assistants and advanced practice nurses; and,
