1 CULPABILITY

2 8. Respondent understands that the charges and allegations in Accusation No. 800-2018-
3 049576, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and
4 Surgeon's Certificate.

5 9. Respondent does not contest that, at an administrative hearing, complainant could
6 establish a *prima facie* case with respect to the charges and allegations contained in Accusation
7 No. 800-2018-049576 and that he has thereby subjected his license to disciplinary action.

8 10. Respondent agrees that if he ever petitions for reinstatement of his Physician's and
9 Surgeon's Certificate No. G 73946, all of the charges and allegations contained in Accusation No.
10 800-2018-049576 shall be deemed true, correct and fully admitted by Respondent for purposes of
11 that reinstatement proceeding or any other licensing proceeding involving Respondent in the State
12 of California.

13 11. Respondent understands that by signing this stipulation he enables the Board to issue
14 an order accepting the surrender of his Physician's and Surgeon's Certificate without further
15 process.

16 CONTINGENCY

17 12. This stipulation shall be subject to approval by the Board. Respondent understands
18 and agrees that counsel for Complainant and the staff of the Board may communicate directly
19 with the Board regarding this stipulation and surrender, without notice to or participation by
20 Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he
21 may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board
22 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,
23 the Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this
24 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
25 be disqualified from further action by having considered this matter.

26 13. The parties understand and agree that Portable Document Format (PDF) and facsimile
27 copies of this Stipulated Surrender of License and Disciplinary Order, including PDF and
28 facsimile signatures thereto, shall have the same force and effect as the originals.

1 JURISDICTION

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other
8 action taken in relation to discipline as the Board deems proper.

9 5. Section 2234 of the Code, states:

10 "The board shall take action against any licensee who is charged with
11 unprofessional conduct. In addition to other provisions of this article, unprofessional
12 conduct includes, but is not limited to, the following:

13 "(a) Violating or attempting to violate, directly or indirectly, assisting in or
14 abetting the violation of, or conspiring to violate any provision of this chapter.

15 "..."

16 6. Unprofessional conduct under Business and Professions Code section 2234 is conduct
17 which breaches the rules or ethical conduct of the medical profession, or conduct which is
18 unbecoming to a member in good standing of the medical profession, and which demonstrates an
19 unfitness to practice medicine. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564,
20 575.)

21 7. Section 2236 of the Code states:

22 "(a) The conviction of any offense substantially related to the qualifications,
23 functions, or duties of a physician and surgeon constitutes unprofessional conduct
24 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record
25 of conviction shall be conclusive evidence only of the fact that the conviction
26 occurred.

27 "..."

28 "(d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is

1 deemed to be a conviction within the meaning of this section and Section 2236.1.
2 The record of conviction shall be conclusive evidence of the fact that the conviction
3 occurred.”

4 8. Section 2305 of the Code states:

5 “The revocation, suspension, or other discipline, restriction or limitation
6 imposed by another state upon a license or certificate to practice medicine issued by
7 that state, or the revocation, suspension, or restriction of the authority to practice
8 medicine by any agency of the federal government, that would have been grounds for
9 discipline in California of a licensee under this chapter [Chapter 5, the Medical
10 Practice Act] shall constitute grounds for disciplinary action for unprofessional
11 conduct against the licensee in this state.”

12 9. Section 141 of the Code states:

13 “(a) For any licensee holding a license issued by a board under the jurisdiction
14 of the department, a disciplinary action taken by another state, by any agency of the
15 federal government, or by another country for any act substantially related to the
16 practice regulated by the California license, may be a ground for disciplinary action
17 by the respective state licensing board. A certified copy of the record of the
18 disciplinary action taken against the licensee by another state, an agency of the
19 federal government, or another country shall be conclusive evidence of the events
20 related therein.

21 “(b) Nothing in this section shall preclude a board from applying a specific
22 statutory provision in the licensing act administered by that board that provides for
23 discipline based upon a disciplinary action taken against the licensee by another state,
24 an agency of the federal government, or another country.”

25 10. California Code of Regulations, title 16, section 1360, states:

26 “For the purposes of denial, suspension or revocation of a license, certificate or
27 permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime
28 or act shall be considered to be substantially related to the qualifications, functions or

1 duties of a person holding a license, certificate or permit under the Medical Practice
2 Act if to a substantial degree it evidences present or potential unfitness of a person
3 holding a license, certificate or permit to perform the functions authorized by the
4 license, certificate or permit in a manner consistent with the public health, safety or
5 welfare. Such crimes or acts shall include but not be limited to the following:
6 Violating or attempting to violate, directly or indirectly, or assisting in or abetting the
7 violation of, or conspiring to violate any provision of the Medical Practice Act.”

8 **FIRST CAUSE FOR DISCIPLINE**

9 **(General Unprofessional Conduct)**

10 11. Respondent is subject to disciplinary action under Code sections 2227 and 2234, in
11 that he has engaged in conduct which breaches the rules of ethical code of the medical profession,
12 or conduct which is unbecoming a member in good standing of the medical profession, and which
13 demonstrates an unfitness to practice medicine, as more particularly alleged as follows:

14 12. On or about January 19, 2017, Victim¹ arrived at the Boca Raton Police Department
15 to complain that she had been receiving harassing text messages from Respondent. She stated
16 that Respondent was her ex-fiancé, and that they shared custody of their child. Victim met with
17 Officer L. She stated that Respondent had been harassing her over the past four years through
18 emails and text messages. Beginning on or about January 17, 2017, however, Respondent sent
19 Victim text messages that she found threatening in nature, which led her to report them to the
20 police. The text messages Respondent sent to Victim included the following statements:

- 21 a. “I have my house loaded with assault rifles scarface style.”
22 b. “Try me anytime send over the sandanistas.”
23 c. “My crackers are waiting.”
24 d. “Send the swat team.”
25 e. “No send the coast guard.”
26 f. “Did I tell you that I am flying to the Cayman Islands to visit my money this
27 summer?”

28 ¹ The Victim’s name is redacted to protect privacy.

11 for no reason, and that Respondent would call her constantly when she had custody of their child.

12 14. Shortly after Officer L.'s meeting with Victim, he attempted to contact Respondent at
13 his phone number. Respondent did not answer. Officer L. left a voicemail message, requesting
14 that Respondent call back.

15 15. On or about January 20, 2017, Officer N.C. called Victim, who confirmed that she
16 feared for her safety. Victim also said that she had received several additional threatening text
17 messages from Respondent the night after giving her initial report to Officer L and after
18 Respondent was instructed to discontinue the messages. The additional text messages included
19 the following:

3 arrest Respondent for aggravated stalking, and he arranged to do so when Respondent arrived at
4 the school.

5 17. On or about January 20, 2017, at approximately 2:34 p.m., Respondent entered the
6 school parking lot where school staff escorted him to a private building. As Respondent entered
7 the building, Officer N.C. advised Respondent of his arrest and secured his left arm for
8 handcuffing. Officer R. assisted by securing Respondent's right hand. Respondent struggled
9 briefly but cooperated when ordered to stop resisting. After handcuffing Respondent, Officer
10 N.C. escorted Respondent to the awaiting police car and began to search Respondent's person
11 incident to arrest. Officer N.C. found a loaded 5-shot North American Arms .22 magnum
12 derringer firearm holstered in Respondent's right front pocket and a black folding knife in
13 Respondent's left front pocket.

14 18. Police transported Respondent to the Boca Raton Police Department for booking.
15 During a secondary search of his person, Officer N.C. found a glass vile with a white metal top in
16 the small coin pocket on the front side of Respondent's jeans. Respondent denied that it was his.
17 Officer N.C. weighed the crystalline rocks in the glass vile at 7.2 grams. He then tested a small
18 amount of the crystalline rock, which indicated the presence of amphetamines. Another test
19 confirmed that the crystalline rocks were methamphetamine.

20 19. On or about January 21, 2017, Respondent was charged with the following: (1)
21 possessing a firearm on school property, a felony violation of Florida Statutes, Title XLVI,

26 No. 502017CF000677AXXXMB, Respondent entered a plea of guilty/best interest to: Count 1
27 for violation of concealed firearm permit, a second-degree misdemeanor violation; and Count 3
28 for stalking, a first-degree misdemeanor violation. On August 1, 2017, the Circuit Court judge

1 sentenced Respondent to: serve 3 days in jail (with credit for 3 days served); serve 12 months'
2 probation; pay court costs of \$763.00; submit to a substance abuse evaluation and complete any
3 recommended treatment; submit to random urinalysis testing to determine the presence of alcohol
4 or illegal drugs; pay for costs of drug testing; and complete 100 hours of community service (10
5 hours per month). The sentencing order further prohibited Respondent from: possessing or

13 in that he has been convicted of crimes, to wit: violation of concealed firearm permit; and
14 stalking, a violation of Florida Statutes, Title XLVI, Section 784.048. These crimes are

20 22. Respondent is further subject to disciplinary action under sections 141 and 2305 of
21 the Code, in that he engaged in conduct that caused the State of Florida Board of Medicine
22 ("Florida Board") and the State Medical Board of Ohio ("Ohio Board") to impose disciplinary
23 orders against Respondent's licenses to practice medicine in those states, as more particularly
24 alleged as follows:

25 23. On or about October 18, 2019, in the matter entitled *Department of Health vs. Steven*
26 *M. Glanz, M.D.*, DOH Case No. 2017-01357, the Florida Board issued a Final Order ("Florida
27 Order") adopting a Settlement Agreement entered by Respondent and imposing discipline against
28 Respondent's Florida medical license. (A copy is attached at Exhibit A.) In the Settlement

1 Agreement, Respondent admitted that the facts alleged in the administrative complaint against his
2 license, if proven, would constitute violations of Chapters 456 and 458 of the Florida Statutes.
3 The administrative complaint alleged the same or similar facts alleged in paragraphs 12 to 20
4 above. As part of the Settlement Agreement, the Board issued a public reprimand against
5 Respondent's license; imposed an administrative fine of \$10,000.00; ordered Respondent to
6 reimburse the Florida Department Health for the costs of investigation and prosecution in the
7 amount of \$4,646.23; and required Respondent to complete five hours of Continuing Medical
8 Education in Ethics.

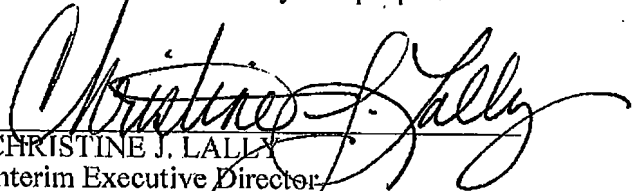

9 24. On or about October 16, 2019, in *The Matter of Steven Michael Glanz, M.D.*, the
10 Ohio Board adopted a surrender of Respondent's license and ordered that Respondent's license to
11 practice medicine and surgery in Ohio be permanently revoked. (A copy is attached at Exhibit B.)
