**STIPULATED SURRENDER OF  
LICENSE AND ORDER**

14 Physician's and Surgeon's Certificate No. A  
44768

15 Respondent.

16  
17 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
18 entitled proceedings that the following matters are true:

19 **PARTIES**

20 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
21 California (Board). This action was brought and has been maintained solely in the official  
22 capacity of the Board's Executive Director. Complainant is represented in this matter by Xavier  
23 Becerra, Attorney General of the State of California, by Jane Zack Simon, Supervising Deputy  
24 Attorney General.

25 2. Michele Louise Riopelle, M.D. (Respondent) is representing herself in this  
26 proceeding and has chosen not to exercise her right to be represented by counsel.

27 3. On April 25, 1988, the Board issued Physician's and Surgeon's Certificate No. A  
28 44768 to Michele Louise Riopelle, M.D. The Physician's and Surgeon's Certificate was in full

1 force and effect at all times relevant to the charges brought in Accusation No. 800-2019-058233  
2 and will expire on August 31, 2021, unless renewed.

3 **JURISDICTION**

4 4. Accusation No. 800-2019-058233 was filed before the Board, and is currently  
5 pending against Respondent. The Accusation and all other statutorily required documents were  
6 properly served on Respondent and Respondent timely filed her Notice of Defense contesting the  
7 Accusation. A copy of Accusation No. 800-2019-058233 is attached as Exhibit A.

8 **ADVISEMENT AND WAIVERS**

9 5. Respondent has carefully read, and understands the charges and allegations in  
10 Accusation No. 800-2019-058233. Respondent also has carefully read, and understands the  
11 effects of this Stipulated Surrender of License and Order.

12 6. Respondent is fully aware of her legal rights in this matter, including the right to a  
13 hearing on the charges and allegations in the Accusation; the right to be represented by counsel, at  
14 her own expense; the right to confront and cross-examine the witnesses against her; the right to  
15 present evidence and to testify on her own behalf; the right to the issuance of subpoenas to  
16 compel the attendance of witnesses and the production of documents; the right to reconsideration  
17 and court review of an adverse decision; and all other rights accorded by the California  
18 Administrative Procedure Act and other applicable laws.

19 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
20 every right set forth above.

21 **CULPABILITY**

22 8. Respondent understands that the charges and allegations in Accusation No. 800-2019-  
23 058233, if proven at a hearing, constitute cause for imposing discipline upon her Physician's and  
24 Surgeon's Certificate.

25 9. For the purpose of resolving the Accusation without the expense and uncertainty of  
26 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual  
27 basis for the charges in the Accusation and that those charges constitute cause for discipline.  
28

1 Respondent hereby gives up her right to contest that cause for discipline exists based on those  
2 charges.

3 10. Respondent understands that by signing this stipulation she enables the Board to issue  
4 an order accepting the surrender of her Physician's and Surgeon's Certificate without further  
5 process.

### 6 CONTINGENCY

7 11. This stipulation shall be subject to approval by the Board. Respondent understands  
8 and agrees that counsel for Complainant and the staff of the Board may communicate directly  
9 with the Board regarding this stipulation and surrender, without notice to or participation by  
10 Respondent. By signing the stipulation, Respondent understands and agrees that she may not  
11 withdraw her agreement or seek to rescind the stipulation prior to the time the Board considers  
12 and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the  
13 Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this  
14 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not  
15 be disqualified from further action by having considered this matter.

16 12. The parties understand and agree that Portable Document Format (PDF) and facsimile  
17 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures  
18 thereto, shall have the same force and effect as the originals.

19 13. In consideration of the foregoing admissions and stipulations, the parties agree that  
20 the Board may, without further notice or formal proceeding, issue and enter the following Order:

### 21 ORDER

22 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 44768, issued  
23 to Respondent Michele Louise Riopelle, M.D., is surrendered and accepted by the Board.

24 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the  
25 acceptance of the surrendered license by the Board shall constitute the imposition of discipline  
26 against Respondent. This stipulation constitutes a record of the discipline and shall become a part  
27 of Respondent's license history with the Board.

4. If Respondent ever files an application for licensure or a petition for reinstatement in the State of California, the Board shall treat it as a petition for reinstatement. Respondent must comply with all the laws, regulations and procedures for reinstatement of a revoked or surrendered license in effect at the time the petition is filed, and all of the charges and allegations contained in Accusation No. 800-2019-058233 shall be deemed to be true, correct and admitted by Respondent when the Board determines whether to grant or deny the petition.

1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
4 indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the  
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
8 action taken in relation to discipline as the Board deems proper.

9 5. Section 2234 of the Code provides that the Board shall take action against any  
10 licensee who is charged with unprofessional conduct.

11 6. Section 2280 of the Code provides that it is unprofessional conduct for a licensee to  
12 practice medicine while under the influence of alcohol to such an extent as to impair his or her  
13 ability to safely practice.

14 7. Section 2239 of the Code provides that it is unprofessional conduct for a licensee to  
15 use alcohol, dangerous drugs or controlled substances to the extent or in such a manner as to be  
16 dangerous or injurious to the licensee, or to any other person or to the public, or to the extent that  
17 such use impairs the ability of the licensee to practice medicine safely.

18 **FIRST CAUSE FOR DISCIPLINE**

19 (Unprofessional Conduct: Use of Alcohol in a Dangerous Manner/Practice While Under the  
20 Influence)

21 8. Respondent is an obstetrician/gynecologist, and at the time of the events alleged,  
22 practiced at San Ramon Regional Medical Center (SRRMC). Respondent was the on-call  
23 obstetrician for SRRMC labor and delivery between 7 a.m. on July 31, 2019 and 7 a.m. on  
24 August 1, 2019. On the night of July 31-August 1, 2019, at approximately midnight, Respondent  
25 received a call from another obstetrician/gynecologist to assist with a cesarean section.  
26 Respondent agreed to respond to the hospital.

27 9. SRRMC bylaws require a 30 minute response time for a cesarean section assistant.  
28 When Respondent had not reported to the hospital after about 40 minutes, nursing staff

1 telephoned her, and Respondent stated she was in the parking lot. The attending obstetrician was  
2 advised Respondent had arrived, and expecting that she would promptly report to the operating  
3 room, commenced the procedure. When Respondent entered the hospital, nursing staff noticed  
4 she was unsteady on her feet, slurring her speech, confused and incoherent. Respondent had  
5 difficulty washing her hands and was unable to tie her shoes or properly put on her mask and  
6 gloves. Respondent denied taking any medication, and maintained she was fine. Although  
7 nursing staff attempted to prevent her from doing so, Respondent insisted on entering the  
8 operating room, where – in the presence of the patient and her husband - she attempted without  
9 success to put on a gown and gloves. Respondent then approached the patient, who was still on  
10 the procedure table, and had to be escorted out of the operating room. By the time Respondent  
11 entered the operating room, the attending ob/gyn had completed the cesarean section with the  
12 assistance of a pediatrician.

13 10. Respondent was taken to the emergency room for evaluation at 1:55 a.m. on  
14 August 1, 2019. She was noted to have altered speech and poor coordination. Respondent  
15 reported she took a muscle relaxant (she could not recall which one) at noon the previous day,  
16 and denied consuming any other medication or alcohol. Concerned about a neurological event,  
17 the emergency room physician performed a full neurologic evaluation, including a CT scan,  
18 which yielded negative results. After a blood test revealed a blood alcohol level of .30%,  
19 Respondent was discharged to her husband's care with a diagnosis of acute alcohol intoxication.

20 11. Respondent's certificate is subject to disciplinary action for unprofessional  
21 conduct pursuant to sections 2234 and/or 2239 of the Code, in that she used alcoholic beverages  
22 to such an extent or in a manner as to be dangerous to herself, others and the public.

23 12. Respondent's certificate is subject to disciplinary action for unprofessional  
24 conduct pursuant to sections 2234 and/or 2280 in that she agreed to and attempted to assist in  
25 surgery when she was under the influence of and impaired by alcohol, and unable to safely  
26 practice.
