1 CULPABILITY

2 9. Respondent admits the truth of each and every charge and allegation in the First  
3 Amended Accusation No. 800-2017-030519 and that he has thereby subjected his Physician's and  
4 Surgeon's Certificate No. G 76386 to disciplinary action.

5 10. Respondent agrees that his Physician's and Surgeon's Certificate No. G 76386 is  
6 subject to discipline and he agrees to be bound by the Board's probationary terms as set forth in  
7 the Disciplinary Order below.

8 CONTINGENCY

9 11. The parties agree that this Stipulated Settlement and Disciplinary Order shall be null  
10 and void and not binding upon the parties unless approved and adopted by the Board, except for  
11 this paragraph, which shall remain in full force and effect. Respondent fully understands and  
12 agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and  
13 Disciplinary Order, the Board may receive oral and written communications from its staff and/or  
14 the Attorney General's Office. Communications pursuant to this paragraph shall not disqualify  
15 the Board, any member thereof, and/or any other person from future participation in this or any  
16 other matter affecting or involving Respondent. In the event that the Board does not, in its  
17 discretion, approve and adopt this Stipulated Settlement and Disciplinary Order, with the  
18 exception of this paragraph, it shall not become effective, shall be of no evidentiary value  
19 whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party  
20 hereto. Respondent further agrees that should this Stipulated Settlement and Disciplinary Order  
21 be rejected for any reason by the Board, Respondent will assert no claim that the Board, or any  
22 member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this  
23 Stipulated Settlement and Disciplinary Order or of any matter or matters related hereto.

24 ADDITIONAL PROVISIONS

25 12. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to  
26 be an integrated writing representing the complete, final and exclusive embodiment of the  
27 agreements of the parties in the above-entitled matter.

1 Respondent stipulates to a later hearing. If the case is heard by an Administrative Law Judge  
2 alone, he or she shall forward a Proposed Decision to the Board within 15 days of submission of  
3 the matter. Within 15 days of receipt by the Board of the Administrative Law Judge's proposed  
4 decision, the Board shall issue its Decision, unless good cause can be shown for the delay. If the  
5 case is heard by the Board, the Board shall issue its decision within 15 days of submission of the  
6 case, unless good cause can be shown for the delay. Good cause includes, but is not limited to,  
7 non-adoption of the proposed decision, requests for reconsideration, remands and other  
8 interlocutory orders issued by the Board. The cessation of practice shall not apply to the  
9 reduction of the probationary time period.

10 If the Board does not file an accusation or petition to revoke probation within 30 days of the  
11 issuance of the notification to cease practice or does not provide Respondent with a hearing  
12 within 30 days of such a request, the notification of cease practice shall be dissolved.

13 2. ALCOHOL - ABSTAIN FROM USE. Respondent shall abstain completely from the  
14 use of products or beverages containing alcohol.

15 If Respondent has a confirmed positive biological fluid test for alcohol, Respondent shall  
16 receive a notification from the Board or its designee to immediately cease the practice of  
17 medicine. The Respondent shall not resume the practice of medicine until the final decision on an  
18 accusation and/or a petition to revoke probation is effective. An accusation and/or petition to  
19 revoke probation shall be filed by the Board within 30 days of the notification to cease practice.  
20 If the Respondent requests a hearing on the accusation and/or petition to revoke probation, the  
21 Board shall provide the Respondent with a hearing within 30 days of the request, unless the  
22 Respondent stipulates to a later hearing. If the case is heard by an Administrative Law Judge  
23 alone, he or she shall forward a Proposed Decision to the Board within 15 days of submission of  
24 the matter. Within 15 days of receipt by the Board of the Administrative Law Judge's proposed  
25 decision, the Board shall issues its Decision, unless good cause can be shown for the delay. If the  
26 case is heard by the Board, the Board shall issue its decision within 15 days of submission of the  
27 case, unless good cause can be shown for the delay. Good cause includes, but is not limited to,  
28 non-adoption of the proposed decision, requests for reconsideration, remands and other

1 interlocutory orders issued by the Board. The cessation of practice shall not apply to the  
2 reduction of the probationary time period.

3 If the Board does not file an accusation or petition to revoke probation within 30 days of the  
4 issuance of the notification to cease practice or does not provide Respondent with a hearing  
5 within 30 days of such a request, the notification of cease practice shall be dissolved.

6 3. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to  
7 biological fluid testing (24 tests per year), at Respondent's expense, upon request of the Board or  
8 its designee. "Biological fluid testing" may include, but is not limited to, urine, blood,  
9 breathalyzer, hair follicle testing, or similar drug screening approved by the Board or its designee.  
10 Prior to practicing medicine, Respondent shall contract with a laboratory or service approved in  
11 advance by the Board or its designee that will conduct random, unannounced, observed,  
12 biological fluid testing. The contract shall require results of the tests to be transmitted by the  
13 laboratory or service directly to the Board or its designee within four hours of the results  
14 becoming available. Respondent shall maintain this laboratory or service contract during the  
15 period of probation.

16 A certified copy of any laboratory test result may be received in evidence in any  
17 proceedings between the Board and Respondent.

18 If Respondent fails to cooperate in a random biological fluid testing program within the  
19 specified time frame, Respondent shall receive a notification from the Board or its designee to  
20 immediately cease the practice of medicine. The Respondent shall not resume the practice of  
21 medicine until the final decision on an accusation and/or a petition to revoke probation is  
22 effective. An accusation and/or petition to revoke probation shall be filed by the Board within 30  
23 days of the notification to cease practice. If the Respondent requests a hearing on the accusation  
24 and/or petition to revoke probation, the Board shall provide the Respondent with a hearing within  
25 30 days of the request, unless the Respondent stipulates to a later hearing. If the case is heard by  
26 an Administrative Law Judge alone, he or she shall forward a Proposed Decision to the Board  
27 within 15 days of submission of the matter. Within 15 days of receipt by the Board of the  
28 Administrative Law Judge's proposed decision, the Board shall issue its Decision, unless good

1 cause can be shown for the delay. If the case is heard by the Board, the Board shall issue its  
2 decision within 15 days of submission of the case, unless good cause can be shown for the delay.  
3 Good cause includes, but is not limited to, non-adoption of the proposed decision, requests for  
4 reconsideration, remands and other interlocutory orders issued by the Board. The cessation of  
5 practice shall not apply to the reduction of the probationary time period.

6 If the Board does not file an accusation or petition to revoke probation within 15 days of the  
7 issuance of the notification to cease practice or does not provide Respondent with a hearing  
8 within 30 days of such a request, the notification of cease practice shall be dissolved.

9 4. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of  
10 the effective date of this Decision, Respondent shall enroll in a professionalism program, that  
11 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
12 Respondent shall participate in and successfully complete that program. Respondent shall  
13 provide any information and documents that the program may deem pertinent. Respondent shall  
14 successfully complete the classroom component of the program not later than six (6) months after  
15 Respondent's initial enrollment, and the longitudinal component of the program not later than the  
16 time specified by the program, but no later than one (1) year after attending the classroom  
17 component. The professionalism program shall be at Respondent's expense and shall be in  
18 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

19 A professionalism program taken after the acts that gave rise to the charges in the  
20 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
21 or its designee, be accepted towards the fulfillment of this condition if the program would have  
22 been approved by the Board or its designee had the program been taken after the effective date of  
23 this Decision.

24 Respondent shall submit a certification of successful completion to the Board or its  
25 designee not later than 15 calendar days after successfully completing the program or not later  
26 than 15 calendar days after the effective date of the Decision, whichever is later.

27 5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
28 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the

1 Chief Executive Officer at every hospital where privileges or membership are extended to  
2 Respondent, at any other facility where Respondent engages in the practice of medicine,  
3 including all physician and locum tenens registries or other similar agencies, and to the Chief  
4 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
5 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
6 calendar days.

7 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

8 6. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
9 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
10 advanced practice nurses.

11 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
12 governing the practice of medicine in California and remain in full compliance with any court  
13 ordered criminal probation, payments, and other orders.

14 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
15 under penalty of perjury on forms provided by the Board, stating whether there has been  
16 compliance with all the conditions of probation.

17 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
18 of the preceding quarter.

19 9. GENERAL PROBATION REQUIREMENTS.

20 Compliance with Probation Unit

21 Respondent shall comply with the Board's probation unit.

22 Address Changes

23 Respondent shall, at all times, keep the Board informed of Respondent's business and  
24 residence addresses, email address (if available), and telephone number. Changes of such  
25 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
26 circumstances shall a post office box serve as an address of record, except as allowed by Business  
27 and Professions Code section 2021(b).

28 Place of Practice

1 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
2 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
3 facility.

4 License Renewal

5 Respondent shall maintain a current and renewed California physician's and surgeon's  
6 license.

7 Travel or Residence Outside California

8 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
9 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
10 (30) calendar days.

11 In the event Respondent should leave the State of California to reside or to practice,  
12 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
13 departure and return.

14 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
15 available in person upon request for interviews either at Respondent's place of business or at the  
16 probation unit office, with or without prior notice throughout the term of probation.

17 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
18 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
19 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
20 defined as any period of time Respondent is not practicing medicine as defined in Business and  
21 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
22 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
23 Respondent resides in California and is considered to be in non-practice, Respondent shall  
24 comply with all terms and conditions of probation. All time spent in an intensive training  
25 program which has been approved by the Board or its designee shall not be considered non-  
26 practice and does not relieve Respondent from complying with all the terms and conditions of  
27 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
28 on probation with the medical licensing authority of that state or jurisdiction shall not be

1 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
2 period of non-practice.

3 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
4 months, Respondent shall successfully complete the Federation of State Medical Board's Special  
5 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
6 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
7 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

8 Respondent's period of non-practice while on probation shall not exceed two (2) years.

9 Periods of non-practice will not apply to the reduction of the probationary term.

10 Periods of non-practice for a Respondent residing outside of California will relieve  
11 Respondent of the responsibility to comply with the probationary terms and conditions with the  
12 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
13 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
14 Controlled Substances; and Biological Fluid Testing..

15 12. COMPLETION OF PROBATION. Respondent shall comply with all financial  
16 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
17 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
18 be fully restored.

19 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
20 of probation is a violation of probation. If Respondent violates probation in any respect, the  
21 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
22 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
23 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
24 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
25 the matter is final.

26 14. LICENSE SURRENDER. Following the effective date of this Decision, if  
27 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
28 the terms and conditions of probation, Respondent may request to surrender his or her license.

1 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
2 determining whether or not to grant the request, or to take any other action deemed appropriate  
3 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
4 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
5 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
6 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
7 application shall be treated as a petition for reinstatement of a revoked certificate.

8 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
9 with probation monitoring each and every year of probation, as designated by the Board, which  
10 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
11 California and delivered to the Board or its designee no later than January 31 of each calendar  
12 year.

1  
2 3. This First Amended Accusation, which supersedes the Accusation filed on December

4 references are to the Business and Professions Code (Code) unless otherwise indicated.

5 4. Section 2227 of the Code states:

6 (a) A licensee whose matter has been heard by an administrative law judge of  
7 the Medical Quality Hearing Panel as designated in Section 11371 of the Government  
8 Code, or whose default has been entered, and who is found guilty, or who has entered

11 year upon order of the board.

12 (3) Be placed on probation and be required to pay the costs of probation  
monitoring upon order of the board.

13 (4) Be publicly reprimanded by the board. The public reprimand may include a  
14 requirement that the licensee complete relevant educational courses approved by the  
board.

15 (5) Have any other action taken in relation to discipline as part of an order of  
16 probation, as the board or an administrative law judge may deem proper.

17 (b) Any matter heard pursuant to subdivision (a), except for warning letters,  
18 medical review or advisory conferences, professional competency examinations,  
19 continuing education activities, and cost reimbursement associated therewith that are  
agreed to with the board and successfully completed by the licensee, or other matters  
made confidential or privileged by existing law, is deemed public, and shall be made

20 5. Section 2234 of the Code, states, in pertinent part:

21 The board shall take action against any licensee who is charged with  
22 unprofessional conduct. In addition to other provisions of this article, unprofessional  
conduct includes, but is not limited to, the following:

23 (a) Violating or attempting to violate, directly or indirectly, assisting in or  
24 abetting the violation of, or conspiring to violate any provision of this chapter.

25 ...

26 6. Section 2236 of the Code states:

27 (a) The conviction of any offense substantially related to the qualifications,  
28 functions, or duties of a physician and surgeon constitutes unprofessional conduct

///

1 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record  
2 of conviction shall be conclusive evidence only of the fact that the conviction  
occurred.

3 (b) The district attorney, city attorney, or other prosecuting agency shall notify  
4 the Division of Medical Quality of the pendency of an action against a licensee  
5 charging a felony or misdemeanor immediately upon obtaining information that the  
6 defendant is a licensee. The notice shall identify the licensee and describe the crimes  
7 charged and the facts alleged. The prosecuting agency shall also notify the clerk of  
the court in which the action is pending that the defendant is a licensee, and the clerk  
shall record prominently in the file that the defendant holds a license as a physician  
and surgeon.

8 (c) The clerk of the court in which a licensee is convicted of a crime shall,  
9 within 48 hours after the conviction, transmit a certified copy of the record of  
10 conviction to the board. The division may inquire into the circumstances surrounding  
the commission of a crime in order to fix the degree of discipline or to determine if  
the conviction is of an offense substantially related to the qualifications, functions, or  
duties of a physician and surgeon.

11 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is

14 7. Section 490 of the Code states, in pertinent part:

15 (a) In addition to any other action that a board is permitted to take against a

been convicted of a crime, if the crime is substantially related to the qualifications,  
functions, or duties of the business or profession for which the license was issued.

17 (b) Notwithstanding any other provision of law, a board may exercise any  
18 authority to discipline a licensee for conviction of a crime that is independent of the  
19 authority granted under subdivision (a) only if the crime is substantially related to the

licensee's license was issued.

20 (c) A conviction within the meaning of this section means a plea or verdict of  
21 guilty or a conviction following a plea of nolo contendere. An action that a board is
