20 **STIPULATED SETTLEMENT AND**
DISCIPLINARY ORDER

21 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Christine J. Lally (Complainant) is the Interim Executive Director of the Medical
24 Board of California (Board). This action was brought by then Complainant Kimberly
25 Kirchmeyer solely in her official capacity.¹ Complainant is represented in this matter by Xavier
26 Becerra, Attorney General of the State of California, by Rosemary F. Luzon, Deputy Attorney
27 General.

28 ¹ Ms. Kirchmeyer became the Director of the Department of Consumer Affairs on October 28, 2019.

1 2. Respondent Mir Baquar Ali, M.D. (Respondent) is represented in this proceeding by
2 attorney Michael D. Gonzalez, Esq., whose address is: Law Offices of Michael D. Gonzalez, 101
3 N. Brand Boulevard, Suite 1880, Glendale, CA 91203.

4 3. On or about September 3, 1991, the Board issued Physician’s and Surgeon’s
5 Certificate No. G 72359 to Respondent. The Physician’s and Surgeon’s Certificate was in full
6 force and effect at all times relevant to the charges brought in Accusation No. 800-2016-024460,
7 and will expire on July 31, 2021, unless renewed.

8 **JURISDICTION**

9 4. On or about July 5, 2019, Accusation No. 800-2016-024460 was filed before the
10 Board, and is currently pending against Respondent. The Accusation and all other statutorily
11 required documents were properly served on Respondent on July 5, 2019, at his address of record.
12 Respondent timely filed his Notice of Defense contesting the Accusation. A true and correct
13 copy of Accusation No. 800-2016-024460 is attached as Exhibit A and incorporated herein by
14 reference as if fully set forth herein.

15 **ADVISEMENT AND WAIVERS**

16 5. Respondent has carefully read, fully discussed with counsel, and understands the
17 charges and allegations in Accusation No. 800-2016-024460. Respondent has also carefully read,
18 fully discussed with counsel, and understands the effects of this Stipulated Settlement and
19 Disciplinary Order.

20 6. Respondent is fully aware of his legal rights in this matter, including the right to a
21 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
22 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
23 to the issuance of subpoenas to compel the attendance of witnesses and the production of
24 documents; the right to reconsideration and court review of an adverse decision; and all other
25 rights accorded by the California Administrative Procedure Act and other applicable laws, having
26 been fully advised of same by his attorney of record, Michael D. Gonzalez, Esq.

27 7. Having the benefit of counsel, Respondent voluntarily, knowingly, and intelligently
28 waives and gives up each and every right set forth above.

1 **CULPABILITY**

2 8. Respondent does not contest that, at an administrative hearing, Complainant could
3 establish a *prima facie* case with respect to the charges and allegations contained in
4 Accusation No. 800-2016-024460, a copy of which is attached hereto as Exhibit A, and that he
5 has thereby subjected his Physician's and Surgeon's Certificate No. G 72359 to disciplinary
6 action.

7 9. Respondent agrees that if he ever petitions for early termination or modification of
8 this Stipulated Settlement and Disciplinary Order, or if an accusation and/or petition to revoke
9 probation is filed against him before the Medical Board of California, all of the charges and
10 allegations contained in Accusation No. 800-2016-024460 shall be deemed true, correct and fully
11 admitted by Respondent for purposes of that proceeding or any other licensing proceeding
12 involving Respondent in the State of California.

13 10. Respondent agrees that his Physician's and Surgeon's Certificate No. G 72359 is
14 subject to discipline and he agrees to be bound by the Board's imposition of discipline as set forth
15 in the Disciplinary Order below.

16 **CONTINGENCY**

17 11. This Stipulated Settlement and Disciplinary Order shall be subject to approval by the
18 Board. The parties agree that this Stipulated Settlement and Disciplinary Order shall be
19 submitted to the Board for its consideration in the above-entitled matter and, further, that the
20 Board shall have a reasonable period of time in which to consider and act on this Stipulated
21 Settlement and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully
22 understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation
23 prior to the time the Board considers and acts upon it.

24 12. The parties agree that this Stipulated Settlement and Disciplinary Order shall be null
25 and void and not binding upon the parties unless approved and adopted by the Board, except for
26 this paragraph, which shall remain in full force and effect. Respondent fully understands and
27 agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and
28 Disciplinary Order, the Board may receive oral and written communications from its staff and/or

1 the Attorney General's office. Communications pursuant to this paragraph shall not disqualify
2 the Board, any member thereof, and/or any other person from future participation in this or any
3 other matter affecting or involving Respondent. In the event that the Board does not, in its
4 discretion, approve and adopt this Stipulated Settlement and Disciplinary Order, with the
5 exception of this paragraph, it shall not become effective, shall be of no evidentiary value
6 whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party
7 hereto. Respondent further agrees that should this Stipulated Settlement and Disciplinary Order
8 be rejected for any reason by the Board, Respondent shall assert no claim that the Board, or any
9 member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this
10 Stipulated Settlement and Disciplinary Order or of any matter or matters related hereto.

11 **ADDITIONAL PROVISIONS**

12 13. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to
13 be an integrated writing representing the complete, final and exclusive embodiment of the
14 agreements of the parties in the above-entitled matter.

15 14. The parties understand and agree that Portable Document Format (PDF) and facsimile
16 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
17 signatures thereto, shall have the same force and effect as the originals.

18 15. In consideration of the foregoing admissions and stipulations, the parties agree that
19 the Board may, without further notice to or opportunity to be heard by Respondent, issue and
20 enter the following Disciplinary Order:

21 **DISCIPLINARY ORDER**

22 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 72359 issued
23 to Respondent Mir Baquar Ali, M.D., is revoked. However, the revocation is stayed and
24 Respondent is placed on probation for five (5) years from the effective date of the Decision on the
25 following terms and conditions.

26 1. **EDUCATION COURSE.** Within 60 calendar days of the effective date of this
27 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee
28 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours

1 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at
2 correcting any areas of deficient practice or knowledge and shall be Category I certified. The
3 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to
4 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the
5 completion of each course, the Board or its designee may administer an examination to test
6 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65
7 hours of CME of which 40 hours were in satisfaction of this condition.

8 2. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective
9 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in
10 advance by the Board or its designee. Respondent shall provide the approved course provider
11 with any information and documents that the approved course provider may deem pertinent.
12 Respondent shall participate in and successfully complete the classroom component of the course
13 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
14 complete any other component of the course within one (1) year of enrollment. The medical
15 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
16 Medical Education (CME) requirements for renewal of licensure.

17 A medical record keeping course taken after the acts that gave rise to the charges in the
18 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
19 or its designee, be accepted towards the fulfillment of this condition, if the course would have
20 been approved by the Board or its designee had the course been taken after the effective date of
21 this Decision.

22 Respondent shall submit a certification of successful completion to the Board or its
23 designee not later than 15 calendar days after successfully completing the course, or not later than
24 15 calendar days after the effective date of the Decision, whichever is later.

25 3. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
26 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
27 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
28 Respondent shall participate in and successfully complete that program. Respondent shall

1 provide any information and documents that the program may deem pertinent. Respondent shall
2 successfully complete the classroom component of the program not later than six (6) months after
3 Respondent's initial enrollment, and the longitudinal component of the program not later than the
4 time specified by the program, but no later than one (1) year after attending the classroom
5 component. The professionalism program shall be at Respondent's expense and shall be in
6 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

7 A professionalism program taken after the acts that gave rise to the charges in the
8 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
9 or its designee, be accepted towards the fulfillment of this condition if the program would have
10 been approved by the Board or its designee had the program been taken after the effective date of
11 this Decision.

12 Respondent shall submit a certification of successful completion to the Board or its
13 designee not later than 15 calendar days after successfully completing the program or not later
14 than 15 calendar days after the effective date of the Decision, whichever is later.

15 4. CLINICAL COMPETENCE ASSESSMENT PROGRAM. Within 60 calendar days
16 of the effective date of this Decision, Respondent shall enroll in a clinical competence assessment
17 program approved in advance by the Board or its designee. Respondent shall successfully
18 complete the program not later than six (6) months after Respondent's initial enrollment unless
19 the Board or its designee agrees in writing to an extension of that time.

20 The program shall consist of a comprehensive assessment of Respondent's physical and
21 mental health and the six general domains of clinical competence as defined by the Accreditation
22 Council on Graduate Medical Education and American Board of Medical Specialties pertaining to
23 Respondent's current or intended area of practice. The program shall take into account data
24 obtained from the pre-assessment, self-report forms and interview, and the Decision, Accusation,
25 and any other information that the Board or its designee deems relevant. The program shall
26 require Respondent's on-site participation for a minimum of three (3) and no more than five (5)
27 days as determined by the program for the assessment and clinical education evaluation.
28 Respondent shall pay all expenses associated with the clinical competence assessment program.

1 At the end of the evaluation, the program will submit a report to the Board or its designee
2 which unequivocally states whether the Respondent has demonstrated the ability to practice
3 safely and independently. Based on Respondent's performance on the clinical competence
4 assessment, the program will advise the Board or its designee of its recommendation(s) for the
5 scope and length of any additional educational or clinical training, evaluation or treatment for any
6 medical condition or psychological condition, or anything else affecting Respondent's practice of
7 medicine. Respondent shall comply with the program's recommendations.

8 Determination as to whether Respondent successfully completed the clinical competence
9 assessment program is solely within the program's jurisdiction.

10 If Respondent fails to enroll, participate in, or successfully complete the clinical
11 competence assessment program within the designated time period, Respondent shall receive a
12 notification from the Board or its designee to cease the practice of medicine within three (3)
13 calendar days after being so notified. The Respondent shall not resume the practice of medicine
14 until enrollment or participation in the outstanding portions of the clinical competence assessment
15 program have been completed. If the Respondent did not successfully complete the clinical
16 competence assessment program, the Respondent shall not resume the practice of medicine until a
17 final decision has been rendered on the accusation and/or a petition to revoke probation. The
18 cessation of practice shall not apply to the reduction of the probationary time period.

19 5. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this
20 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice
21 monitor, the name and qualifications of one or more licensed physicians and surgeons whose
22 licenses are valid and in good standing, and who are preferably American Board of Medical
23 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal
24 relationship with Respondent, or other relationship that could reasonably be expected to
25 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
26 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
27 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

28 ///

1 The Board or its designee shall provide the approved monitor with copies of the Decision
2 and Accusation, and a proposed monitoring plan. Within 15 calendar days of receipt of the
3 Decision, Accusation, and proposed monitoring plan, the monitor shall submit a signed statement
4 that the monitor has read the Decision and Accusation, fully understands the role of a monitor,
5 and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees with the
6 proposed monitoring plan, the monitor shall submit a revised monitoring plan with the signed
7 statement for approval by the Board or its designee.

8 Within 60 calendar days of the effective date of this Decision, and continuing throughout
9 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
10 make all records available for immediate inspection and copying on the premises by the monitor
11 at all times during business hours and shall retain the records for the entire term of probation.

12 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
13 date of this Decision, Respondent shall receive a notification from the Board or its designee to
14 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
15 shall cease the practice of medicine until a monitor is approved to provide monitoring
16 responsibility.

17 The monitor shall submit a quarterly written report to the Board or its designee which
18 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
19 are within the standards of practice of medicine, and whether Respondent is practicing medicine
20 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the
21 quarterly written reports to the Board or its designee within 10 calendar days after the end of the
22 preceding quarter.

23 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
24 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
25 name and qualifications of a replacement monitor who will be assuming that responsibility within
26 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
27 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
28 notification from the Board or its designee to cease the practice of medicine within three (3)

1 calendar days after being so notified. Respondent shall cease the practice of medicine until a
2 replacement monitor is approved and assumes monitoring responsibility.

3 In lieu of a monitor, Respondent may participate in a professional enhancement program
4 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
5 review, semi-annual practice assessment, and semi-annual review of professional growth and
6 education. Respondent shall participate in the professional enhancement program at Respondent's
7 expense during the term of probation.

8 6. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the
9 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice
10 where: 1) Respondent merely shares office space with another physician but is not affiliated for
11 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that
12 location.

13 If Respondent fails to establish a practice with another physician or secure employment in
14 an appropriate practice setting within 60 calendar days of the effective date of this Decision,
15 Respondent shall receive a notification from the Board or its designee to cease the practice of
16 medicine within three (3) calendar days after being so notified. The Respondent shall not resume
17 practice until an appropriate practice setting is established.

18 If, during the course of the probation, the Respondent's practice setting changes and the
19 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent
20 shall notify the Board or its designee within five (5) calendar days of the practice setting change.
21 If Respondent fails to establish a practice with another physician or secure employment in an
22 appropriate practice setting within 60 calendar days of the practice setting change, Respondent
23 shall receive a notification from the Board or its designee to cease the practice of medicine within
24 three (3) calendar days after being so notified. The Respondent shall not resume practice until an
25 appropriate practice setting is established.

26 7. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
27 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
28 Chief Executive Officer at every hospital where privileges or membership are extended to

1 Respondent, at any other facility where Respondent engages in the practice of medicine,
2 including all physician and locum tenens registries or other similar agencies, and to the Chief
3 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
4 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
5 calendar days.

6 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

7 8. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
8 NURSES. During probation, except during the conduct of surgery, Respondent is prohibited
9 from supervising physician assistants and advanced practice nurses.

10 9. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
11 governing the practice of medicine in California and remain in full compliance with any court
12 ordered criminal probation, payments, and other orders.

13 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
14 under penalty of perjury on forms provided by the Board, stating whether there has been
15 compliance with all the conditions of probation.

16 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
17 of the preceding quarter.

18 11. GENERAL PROBATION REQUIREMENTS.

19 Compliance with Probation Unit

20 Respondent shall comply with the Board's probation unit.

21 Address Changes

22 Respondent shall, at all times, keep the Board informed of Respondent's business and
23 residence addresses, email address (if available), and telephone number. Changes of such
24 addresses shall be immediately communicated in writing to the Board or its designee. Under no
25 circumstances shall a post office box serve as an address of record, except as allowed by Business
26 and Professions Code section 2021(b).

27 ///

28 ///

1 Place of Practice

2 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
3 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
4 facility.

5 License Renewal

6 Respondent shall maintain a current and renewed California physician's and surgeon's
7 license.

8 Travel or Residence Outside California

9 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
10 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
11 (30) calendar days.

12 In the event Respondent should leave the State of California to reside or to practice,
13 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
14 departure and return.

15 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
16 available in person upon request for interviews either at Respondent's place of business or at the
17 probation unit office, with or without prior notice throughout the term of probation.

18 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
19 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
20 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
21 defined as any period of time Respondent is not practicing medicine as defined in Business and
22 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
23 patient care, clinical activity or teaching, or other activity as approved by the Board. If
24 Respondent resides in California and is considered to be in non-practice, Respondent shall
25 comply with all terms and conditions of probation. All time spent in an intensive training
26 program which has been approved by the Board or its designee shall not be considered non-
27 practice and does not relieve Respondent from complying with all the terms and conditions of
28 probation. Practicing medicine in another state of the United States or Federal jurisdiction while

1 on probation with the medical licensing authority of that state or jurisdiction shall not be
2 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
3 period of non-practice.

4 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
5 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
6 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
7 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
8 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

9 Respondent's period of non-practice while on probation shall not exceed two (2) years.

10 Periods of non-practice will not apply to the reduction of the probationary term.

11 Periods of non-practice for a Respondent residing outside of California will relieve
12 Respondent of the responsibility to comply with the probationary terms and conditions with the
13 exception of this condition and the following terms and conditions of probation: Obey All Laws;
14 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
15 Controlled Substances; and Biological Fluid Testing.

16 14. COMPLETION OF PROBATION. Respondent shall comply with all financial
17 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
18 completion of probation. Upon successful completion of probation, Respondent's certificate shall
19 be fully restored.

20 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
21 of probation is a violation of probation. If Respondent violates probation in any respect, the
22 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
23 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
24 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
25 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
26 be extended until the matter is final.

27 16. LICENSE SURRENDER. Following the effective date of this Decision, if
28 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy

1 the terms and conditions of probation, Respondent may request to surrender his license. The
2 Board reserves the right to evaluate Respondent's request and to exercise its discretion in
3 determining whether or not to grant the request, or to take any other action deemed appropriate
4 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
5 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
6 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
7 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
8 application shall be treated as a petition for reinstatement of a revoked certificate.

9 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
10 with probation monitoring each and every year of probation, as designated by the Board, which
11 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
12 California and delivered to the Board or its designee no later than January 31 of each calendar
13 year.

1 “(i)(1) Perform surgical procedures without the personal presence of the
2 supervising physician which are customarily performed under local anesthesia. Prior
3 to delegating any such surgical procedures, the supervising physician shall review
4 documentation which indicates that the physician assistant is trained to perform the

6 may be performed by a physician assistant only in the personal presence of a
7 supervising physician.

8 “(2) A physician assistant may also act as first or second assistant in surgery
9 under the supervision of a supervising physician. The physician assistant may so act
10 without the personal presence of the supervising physician if the supervising
11 physician is immediately available to the physician assistant. ‘Immediately available’
12 means the physician is physically accessible and able to return to the patient, without
13 any delay, upon the request of the physician assistant to address any situation
14 requiring the supervising physician’s services.”

15 11. California Code of Regulations, title 16, section 1399.542, states:

16 “The delegation of procedures to a physician assistant under Section 1399.541,
17 subsections (b) and (c) shall not relieve the supervising physician of primary
18 continued responsibility for the welfare of the patient.”

19 12. California Code of Regulations, title 16; section 1399.545, states:

20 “(a) A supervising physician shall be available in person or by electronic
21 communication at all times when the physician assistant is caring for patients.

22 “(b) A supervising physician shall delegate to a physician assistant only those
23 tasks and procedures consistent with the supervising physician’s specialty or usual
24 and customary practice and with the patient’s health and condition.

26 assistant’s performance of all tasks and procedures to be delegated to the physician
27 assistant until assured of competency.

1 “(d) The physician assistant and the supervising physician shall establish in

9 **FIRST CAUSE FOR DISCIPLINE**

10 **(Gross Negligence)**

11 14. Respondent has subjected his Physician’s and Surgeon’s Certificate No. G 72359 to
12 disciplinary action under sections 2227 and 2234, as defined by section 2234, subdivision (b), of
13 the Code, in that he committed gross negligence in his care and treatment of Patient A, as more
14 particularly alleged hereinafter:²

15 15. On or about February 2, 2016, Patient A underwent laparoscopic gastric bypass
16 surgery at Fountain Valley Regional Hospital and Medical Center in Fountain Valley, California.
17 Respondent was the operating surgeon. Patient A remained hospitalized until on or about
18 February 5, 2016, when, under Respondent’s supervision, she was discharged by Physician
19 Assistant, M.C. (PA M.C.).

20 16. On or about February 3, 2016, at approximately 4:38 a.m. and 11:10 a.m., Patient A
21 had an elevated white blood cell (WBC) count with a left shift in the automated differential. That
22 morning, at approximately 7:46 a.m., Patient A was seen by Respondent. Respondent noted that
23 Patient A was slowly improving and, if Patient A was tolerating her bariatric liquid diet, she
24 could be considered for discharge at 5:00 p.m.

25 17. By on or about the afternoon of February 3, 2016, Patient A’s condition had declined.
26 At approximately 2:21 p.m., PA M.C. ordered a CT scan of Patient A’s chest, abdomen, and
27 pelvis after discussion with Respondent. At approximately 3:41 p.m., Patient A had marked

28 ² References to “Patient A” herein are used to protect patient privacy.

1 tachycardia with a heart rate of 150 beats per minute. In addition, Patient A had a low oxygen
2 saturation level of 88%. Moreover, according to a physical therapy evaluation, Patient A was
3 observed to have “severe pain with any touch or movement” and reported a pain score of “10.”
4 At approximately 8:20 p.m., CT scans were performed on Patient A. The CT scan of the chest
5 revealed no evidence of pulmonary embolism, however, the CT scan of the abdomen and pelvis
6 revealed “[m]oderate fluid present within both paracolic gutters extending into the pelvis[.]”

7 18. On or about February 4, 2016, Patient A had persistent tachycardia throughout the
8 day, with a heart rate ranging between 108 to 132 beats per minute. Patient A also reported high
9 pain levels, including pain scores of “6,” “7,” and “10.” The same day, at approximately 6:38
10 a.m., Patient A continued to have an elevated WBC count with a left shift in the automated
11 differential. At approximately 11:05 a.m., Respondent instructed PA M.C. to order a blood
12 transfusion for Patient A to address her tachycardia symptoms, which she received at
13 approximately 11:58 a.m.

14 19. On or about the afternoon of February 4, 2016, at approximately 1:28 p.m., the
15 physical therapist noted that Patient A was lethargic, reported a pain score of “6,” had “slow
16 cadence” in her gait, and “require[d] encouragement to participate in therapy . . . and appear[ed]
17 to lack motivation.” In addition, the physical therapist noted that Patient A’s vitals were
18 “abnormal with HR in 150s and SpO2 at 89% after ambulation.” Later that day, between
19 approximately 1:28 p.m. and 5:16 p.m., Patient A reported pain scores of “6” and “7.” At
20 approximately 9:10 p.m., Patient A continued to have an elevated WBC count. No differential
21 was obtained for this test and no further laboratory testing was ordered for Patient A on this day.

22 20. On or about February 5, 2016, at approximately 7:17 a.m., Patient A’s temperature
23 was elevated at 100.7°F. At approximately 8:03 a.m., Patient A reported a pain score of “6.” At
24 approximately 8:11 a.m., PA M.C. ordered Patient A to be discharged after discussion with
25 Respondent.

26 21. On or about the morning of February 5, 2016, PA M.C. dictated the discharge
27 summary for Patient A. According to the discharge summary prepared by PA M.C., Patient A
28 was being discharged in “satisfactory condition” and her laboratory results were “normal” prior to

1 discharge. PA M.C. concluded that Patient A was “stable by the time of discharge” and “doing
2 well without any issues or symptoms of dizziness or weakness.” The discharge summary
3 erroneously noted that Patient A underwent “a limited UGI study to confirm correct laparoscopic
4 adjustable band placement.” In addition, the discharge summary erroneously noted that an
5 “abdominal drain was removed.” No laboratory testing had been ordered or performed for Patient
6 A on this day.

7 22. On or about the afternoon of February 5, 2016, at approximately 1:55 p.m., Patient A
8 underwent a final physical therapy evaluation. Patient A reported a pain score of “6” with
9 movement and was observed to fatigue quickly. Patient A also exhibited slow gait and short step
10 length with slight veering to the left and right. At approximately 3:55 p.m., Patient A’s heart rate
11 was elevated at 104 beats per minute.

12 23. On or about the afternoon of February 5, 2016, Patient A was released from the
13 hospital.

14 24. Beginning on or about February 10, 2016, Patient A was subsequently hospitalized
15 with multiple complications.

16 25. On or about February 16, 2016, PA M.C. authenticated the February 5, 2016,
17 discharge summary. On or about February 17, 2016, Respondent authenticated the February 5,
18 2016, discharge summary.

19 26. Patient A remained in the hospital until she passed away on or about April 9, 2016.

20 27. Respondent committed gross negligence in his care and treatment of Patient A, which
21 included, but was not limited to, the following:

22 A. Respondent failed to evaluate and examine Patient A prior to her
23 discharge, despite the existence of multiple, abnormal post-operative findings,
24 including, but not limited to, tachycardia, elevated WBC count, abnormal immature
25 forms on differential, fluid in the pelvis and bilateral pelvic gutters on CT scan,
26 elevated pain scores, difficulty ambulating, blood transfusion, and an elevated
27 temperature on the morning of discharge.

1 SECOND CAUSE FOR DISCIPLINE

2 (Gross Negligence)

3 28. Respondent has subjected his Physician's and Surgeon's Certificate No. G 72359 to
4 disciplinary action under sections 2227, 2234, as defined by section 2234, subdivision (b), 3501,
5 and 3502, of the Code, and California Code of Regulations, title 16, sections 1399.540, 1399.541,
6 1399.542, and 1399.545, in that he committed gross negligence, as the supervising physician, by
7 failing to properly supervise PA M.C., a physician assistant, in the care and treatment of Patient
8 A, as more particularly alleged hereinafter:

9 A. Paragraphs 15 through 26, above, are hereby incorporated by reference
10 and realleged as if fully set forth herein.

11 B. On or about June 19, 2007, the Physician Assistant Board of California,
12 Department of Consumer Affairs, issued a Physician Assistant License to PA M.C.

13 C. On or about April 21, 2009, Respondent and PA M.C. entered into an
14 agreement entitled, "Delegation of Services Agreement Between Supervising
15 Physician and Physician Assistant and Written Supervision Guidelines" (Delegation
16 of Services Agreement). The Delegation of Services Agreement defined the terms
17 and conditions under which Respondent would serve as a supervising physician of PA
18 M.C., including that Respondent "shall review, audit and countersign every medical
19 record written by PA [M.C.] within 10 days (*no more than thirty (30) days of the*
20 *encounter*). (Emphasis in original.)

21 D. At all times relevant to the charges and allegations relating to Patient A
22 herein, Respondent was PA M.C.'s supervising physician and both Respondent and
23 PA M.C. were subject to the April 21, 2009, Delegation of Services Agreement.

24 E. PA M.C. failed to identify multiple signs of anastomotic leak following
25 Patient A's February 2, 2016, surgery, which required further evaluation prior to
26 discharge.

27 ///

28 ///

1 F. PA M.C. failed to adequately and accurately document multiple aspects
2 of Patient A's care and treatment in the February 5, 2016, discharge summary,
3 including the surgical procedure and post-surgical procedures performed, the
4 presence of an abdominal drain, the laboratory values prior to discharge, and Patient
5 A's progress and status with respect to, *inter alia*, Patient A's pain, vital signs, and
6 issues noted by other care providers.

7 **THIRD CAUSE FOR DISCIPLINE**

8 **(Failure to Properly Supervise Physician Assistant)**

9 29. Respondent has subjected his Physician's and Surgeon's Certificate No. G 72359 to
10 disciplinary action under sections 2234, subdivision (a), and 3502, of the Code, for unprofessional
11 conduct in that he failed to properly supervise PA M.C., a physician assistant, in the care and
12 treatment of Patient A, as more particularly alleged hereinafter:

13 A. Paragraphs 15 through 26, and 28, above, are hereby incorporated by
14 reference and realleged as if fully set forth herein.

15 B. Respondent allowed PA M.C. to treat and discharge Patient A with
16 minimal supervision, despite the fact that Patient A exhibited multiple, abnormal
17 post-operative findings up to and including Patient A's discharge on February 5,
18 2016.

19 C. Respondent's conduct as described above constitutes unprofessional
20 conduct in violation of section 2234, and thereby provides cause for discipline to
21 Respondent's physician's and surgeon's certificate.

4 disciplinary action under sections 2227 and 2234, as defined by section 2266, of the Code, and
5 California Code of Regulations, title 16, sections 1399.541 and 1399.542, in that Respondent, as
6 the supervising physician of PA M.C. and through PA M.C.'s practice of medicine, Respondent
7 failed to maintain adequate and accurate records in the care and treatment of Patient A, as more
8 particularly alleged hereinafter:

9 A. Paragraphs 15 through 26, and 28, above, are hereby incorporated by
10 reference and realleged as if fully set forth herein.

11 B. PA M.C. failed to adequately and accurately document multiple aspects
12 of Patient A's care and treatment in the February 5, 2016, discharge summary,
13 including the surgical procedure and post-surgical procedures performed, the
14 presence of an abdominal drain, the laboratory values prior to discharge, and Patient
15 A's progress and status with respect to, *inter alia*, Patient A's pain, vital signs, and
16 issues noted by other care providers.

17 **PRAYER**

18 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
