5. A copy of Accusation No. 800-2019-061763 is attached as Exhibit A.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2019-061763. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

CULPABILITY

9. Respondent understands and agrees that the charges and allegations in Accusation No. 800-2019-061763 constitute cause for imposing discipline upon his Physician's and Surgeon's Certificate.

10. For the purpose of resolving the Accusation, together with the underlying Illinois board action and any other issues presently known to the Medical Board of California, without

1 the expense and uncertainty of further proceedings, Respondent agrees that his Physician's and

4 **CONTINGENCY**

5 11. This stipulation shall be subject to approval by the Medical Board of California.
6 Respondent understands and agrees that counsel for Complainant and the staff of the Medical

15 12. Respondent agrees that if he ever petitions for early termination or modification of
16 probation, or if an accusation and/or petition to revoke probation is filed against him before the
17 Board, all of the charges and allegations contained in Accusation No. 800-2019-061763 shall be
18 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any
19 other licensing proceeding involving Respondent in the State of California.

20 13. The parties understand and agree that Portable Document Format (PDF) and facsimile
21 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
22 signatures thereto, shall have the same force and effect as the originals.

23 14. In consideration of the foregoing admissions and stipulations, the parties agree that
24 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
25 enter the following Disciplinary Order:

26 **DISCIPLINARY ORDER**

27 IT IS HEREBY ORDERED that the suspension order issued by the Board under Business
28 and Professions Code section 2310(a) is vacated. Physician's and Surgeon's Certificate No. A-

1 165855 issued to Respondent Ryan Majd Gorji, M.D. is revoked. However, the revocation is
2 stayed and Respondent is placed on probation for four (4) years on the following terms and
3 conditions:

4 1. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
5 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
6 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
7 Respondent shall participate in and successfully complete that program. Respondent shall
8 provide any information and documents that the program may deem pertinent. Respondent shall
9 successfully complete the classroom component of the program not later than six (6) months after
10 Respondent's initial enrollment, and the longitudinal component of the program not later than the
11 time specified by the program, but no later than one (1) year after attending the classroom
12 component. The professionalism program shall be at Respondent's expense and shall be in
13 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

14 A professionalism program taken after the acts that gave rise to the charges in the
15 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
16 or its designee, be accepted towards the fulfillment of this condition if the program would have
17 been approved by the Board or its designee had the program been taken after the effective date of
18 this Decision.

19 Respondent shall submit a certification of successful completion to the Board or its
20 designee not later than 15 calendar days after successfully completing the program or not later
21 than 15 calendar days after the effective date of the Decision, whichever is later.

22 2. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the
23 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice
24 where: 1) Respondent merely shares office space with another physician but is not affiliated for
25 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that
26 location.

27 If Respondent fails to establish a practice with another physician or secure employment in
28 an appropriate practice setting within 60 calendar days of the effective date of this Decision,

1 Respondent shall receive a notification from the Board or its designee to cease the practice of
2 medicine within three (3) calendar days after being so notified. The Respondent shall not resume
3 practice until an appropriate practice setting is established.

4 If, during the course of the probation, the Respondent's practice setting changes and the
5 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent
6 shall notify the Board or its designee within five (5) calendar days of the practice setting change.
7 If Respondent fails to establish a practice with another physician or secure employment in an
8 appropriate practice setting within 60 calendar days of the practice setting change, Respondent
9 shall receive a notification from the Board or its designee to cease the practice of medicine within
10 three (3) calendar days after being so notified. The Respondent shall not resume practice until an
11 appropriate practice setting is established.

12 3. PRACTICE RESTRICTION/PRACTICE SUPERVISOR. Within 30 calendar days of
13 the effective date of this Decision, Respondent shall submit to the Board or its designee for prior
14 approval as a physician supervisor, the name and qualifications of one or more licensed
15 physicians whose licenses are valid and in good standing, to act as a Supervisor of Respondent's
16 medical practice, at any location where Respondent is engaged in the practice of medicine.
17 Respondent shall pay any costs associated with supervision of his practice.

18 The Board or its designee shall provide the approved Supervisor(s) with copies of the
19 Decision and Accusation. Within 30 days of approval, the approved Supervisor(s) shall submit to
20 the Board or its designee for approval a written Supervision Plan. Supervision of Respondent
21 shall include, at a minimum: The Supervisor(s) must be physically present at Respondent's
22 practice location at least 50% of the time Respondent is working. At other times, the
23 Supervisor(s) must be immediately available via telephonic and/or electronic modalities, and able
24 to provide necessary supervision and direction. The Supervisor(s) must conduct regular chart
25 reviews of Respondent's patient care, and meet with Respondent on an at least weekly basis to
26 review his patient care, medical practice and other professional activities.

27 If Respondent fails to obtain approval of a Supervisor and the Supervision Plan within 60
28 calendar days of the effective date of this Decision, Respondent shall receive a notification from

1 the Board or its designee to cease the practice of medicine within three (3) calendar days after
2 being so notified. Respondent shall cease the practice of medicine until a Supervisor and
3 Supervision Plan are approved by the Board or its designee. .

4 Each approved Supervisor shall submit a quarterly written report to the Board or its
5 designee which includes a description and evaluation of Respondent's practice, performance,
6 indicating whether Respondent's practices are within the standards of practice of medicine, and
7 whether Respondent is practicing medicine safely. The Supervisor's quarterly report shall include
8 the dates Respondent had face-to-face contact with the Supervisor. It shall be the sole
9 responsibility of Respondent to ensure that each Supervisor submits the quarterly written reports
10 to the Board or its designee within 10 calendar days after the end of the preceding quarter.

11 If a Supervisor resigns or is no longer available, Respondent shall, within 3 calendar days
12 of such resignation or unavailability, submit to the Board or its designee, for prior approval, the
13 name and qualifications of a replacement Supervisor who will be assuming that responsibility
14 within 10 calendar days. If Respondent fails to submit a request for approval a replacement
15 Supervisor within the specified time, Respondent shall receive a notification from the Board or
16 its designee to cease the practice of medicine within three (3) calendar days after being so
17 notified. Respondent shall cease the practice of medicine until a replacement Supervisor is
18 approved and assumes supervisory responsibility.

19 4. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
20 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
21 Chief Executive Officer at every hospital where privileges or membership are extended to
22 Respondent, at any other facility where Respondent engages in the practice of medicine,
23 including all physician and locum tenens registries or other similar agencies, and to the Chief
24 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
25 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
26 calendar days. This condition shall apply to any change(s) in hospitals, other facilities or
27 insurance carrier.

28 ///

1 5. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
2 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
3 advanced practice nurses.

4 6. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
5 governing the practice of medicine in California and remain in full compliance with any court
6 ordered criminal probation, payments, and other orders.

7 7. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
8 under penalty of perjury on forms provided by the Board, stating whether there has been
9 compliance with all the conditions of probation.

10 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
11 of the preceding quarter.

12 8. GENERAL PROBATION REQUIREMENTS.

13 Compliance with Probation Unit

14 Respondent shall comply with the Board's probation unit.

15 Address Changes

16 Respondent shall, at all times, keep the Board informed of Respondent's business and
17 residence addresses, email address (if available), and telephone number. Changes of such
18 addresses shall be immediately communicated in writing to the Board or its designee. Under no
19 circumstances shall a post office box serve as an address of record, except as allowed by Business
20 and Professions Code section 2021(b).

21 Place of Practice

22 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
23 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
24 facility.

25 License Renewal

26 Respondent shall maintain a current and renewed California physician's and surgeon's
27 license.

28 ///

1 Travel or Residence Outside California

2 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
3 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
4 (30) calendar days.

5 In the event Respondent should leave the State of California to reside or to practice,
6 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
7 departure and return.

8 9. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
9 available in person upon request for interviews either at Respondent's place of business or at the
10 probation unit office, with or without prior notice throughout the term of probation.

11 10. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
12 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
13 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
14 defined as any period of time Respondent is not practicing medicine as defined in Business and
15 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
16 patient care, clinical activity or teaching, or other activity as approved by the Board. If
17 Respondent resides in California and is considered to be in non-practice, Respondent shall
18 comply with all terms and conditions of probation. All time spent in an intensive training
19 program which has been approved by the Board or its designee shall not be considered non-
20 practice and does not relieve Respondent from complying with all the terms and conditions of
21 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
22 on probation with the medical licensing authority of that state or jurisdiction shall not be
23 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
24 period of non-practice.

25 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
26 months, Respondent shall successfully complete the Federation of State Medical Board's Special
27 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
28 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model

1 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

2 Respondent's period of non-practice while on probation shall not exceed two (2) years.

3 Periods of non-practice will not apply to the reduction of the probationary term. Periods of non-
4 practice for a Respondent residing outside of California will relieve Respondent of the
5 responsibility to comply with the probationary terms and conditions with the exception of this
6 condition and the following terms and conditions of probation: Obey All Laws; General Probation
7 Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or Controlled
8 Substances; and Biological Fluid Testing.

9 11. COMPLETION OF PROBATION. Respondent shall comply with all financial
10 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
11 completion of probation. Upon successful completion of probation, Respondent's certificate shall
12 be fully restored.

13 12. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
14 of probation is a violation of probation. If Respondent violates probation in any respect, the
15 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
16 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
17 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
18 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
19 the matter is final.

20 13. LICENSE SURRENDER. Following the effective date of this Decision, if
21 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
22 the terms and conditions of probation, Respondent may request to surrender his or her license.
23 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
24 determining whether or not to grant the request, or to take any other action deemed appropriate
25 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
26 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
27 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
28 to the terms and conditions of probation. If Respondent re-applies for a medical license, the

1 application shall be treated as a petition for reinstatement of a revoked certificate.

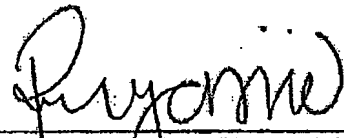

2 14. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
3 with probation monitoring each and every year of probation, as designated by the Board, which
4 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
5 California and delivered to the Board or its designee no later than January 31 of each calendar
6 year.

7 15. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply
8 for a new license or certification, or petition for reinstatement of a license, by any other health
9 care licensing action agency in the State of California, all of the charges and allegations contained
10 in Accusation No. 800-2019-061763 shall be deemed to be true, correct, and admitted by
11 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
12 restrict license.

28 ///

1 **JURISDICTION**

2 3. This Accusation is brought before the Medical Board of California under the
3 authority of the following sections of the California Business and Professions Code (Code) and/or
4 other relevant statutory enactment:

5 A. Section 2227 of the Code provides in part that the Board may revoke, suspend for a
6 period not to exceed one year, or place on probation, the license of any licensee who has
7 been found guilty under the Medical Practice Act, and may recover the costs of probation
8 monitoring.

9 B. Section 2305 of the Code provides, in part, that the revocation, suspension, or other
10 discipline, restriction or limitation imposed by another state upon a license to practice
11 medicine issued by that state, or the revocation, suspension, or restriction of the authority
12 to practice medicine by any agency of the federal government, that would have been
13 grounds for discipline in California under the Medical Practice Act, constitutes grounds for
14 discipline for unprofessional conduct.

15 C. Section 141 of the Code provides:

16 “(a) For any licensee holding a license issued by a board under the
17 jurisdiction of a department, a disciplinary action taken by another state, by any
18 agency of the federal government, or by another country for any act
19 substantially related to the practice regulated by the California license, may be
20 a ground for disciplinary action by the respective state licensing board. A
21 certified copy of the record of the disciplinary action taken against the licensee
22 by another state, an agency of the federal government, or by another country
23 shall be conclusive evidence of the events related therein.

24 “(b) Nothing in this section shall preclude a board from applying a
25 specific statutory provision in the licensing act administered by the board that
26 provides for discipline based upon a disciplinary action taken against the
27 licensee by another state, an agency of the federal government, or another
28 country.”

24 **FIRST CAUSE FOR DISCIPLINE**

25 **(Discipline, Restriction, or Limitation Imposed by Another State)**

26 4. On August 22, 2017, the Illinois Department of Financial and Professional Regulation
27 Division of Professional Regulation (Illinois Department) and Respondent entered in to an
28 Agreement of Care, Counseling and Treatment (Agreement). Under the terms of the Agreement,

1 Respondent, who was enrolled in a residency training program in Illinois, was issued a
2 Temporary Physician License, subject to various terms and conditions. The action of the Illinois
3 Department arose out of a probation and eventual termination by Respondent's prior Residency
4 program, and Respondent's acknowledgment that "he may have been impaired, not due to alcohol
5 or drugs, and that his failure to comply with the terms and conditions of this Agreement shall
6 constitute evidence that he is unable to practice as a Physician in the State of Illinois with
7 reasonable skill, safety and judgment." Terms and conditions of the Agreement included:
8 Respondent was required to abstain from the use of mood altering and/or psychoactive drugs;
9 Respondent was prohibited from self-treating and self-prescribing, or prescribing to family or
10 friends; Respondent was required to take and pass an Ethics and Boundaries Essay Assessment;
11 Respondent's Residency Program Director was to submit quarterly reports; and, Respondent was
12 required to submit quarterly personal statements including his current residential address and
13 telephone number, his current practice location, scope and description of clinical job duties,
14 attendance record and any and all issues arising out of his practice of medicine, the name of his
15 immediate supervisor and/or employer; and information regarding any arrests, criminal or civil
16 actions, including DUI and/or other similar offenses.

17 5. On October 25, 2019, the Illinois Department issued an Order, under which
18 Respondent's Temporary Physician License was Indefinitely Suspended for a minimum period of
19 twelve months. The suspension Order was based on Respondent's violation of the 2017
20 Agreement. The Order including findings that the Illinois Department received information that
21 Respondent was practicing cosmetic medicine by aligning himself with a medical spa and a
22 "concierge" cosmetic medicine practice. The quarterly reports submitted by Respondent to the
23 Illinois Department did not indicate the med spa/cosmetic practice, or any practice beyond his
24 position as a resident in Family Medicine at the University of Chicago.

25 6. A copy of the Order issued by the Illinois Department of Financial and Professional
26 Regulation Division of Professional Regulation, to which the Agreement of Care, Counseling and
27 Treatment and the Order is appended, is attached as Exhibit A.

7. Respondent's conduct and the action of the Illinois Department of Financial and Professional Regulation Division of Professional Regulation, as set forth above, constitute cause for discipline pursuant to sections 2305 and/or 141 of the Code.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate Number A165855, issued to Ryan Majd Gorji, M.D.;
2. Revoking, suspending or denying approval of Ryan Majd Gorji, M.D.'s authority to supervise physician assistants and advanced practice nurses;
3. Ordering Ryan Majd Gorji, M.D., if placed on probation, to pay the Board the costs of probation monitoring; and

ORDER

This matter having come before the Director of the Division of Professional Regulation of the Illinois Department of Financial and Professional Regulation, for the Automatic Suspension of the Illinois Temporary Physician License of Ryan Gorgi, M.D., License No. 125-3678478.

NOW, THEREFORE, I, CECILIA ABUNDIS, ACTING DIRECTOR OF THE DIVISION OF PROFESSIONAL REGULATION OF THE ILLINOIS DEPARTMENT OF FINANCIAL AND PROFESSIONAL REGULATION, after reviewing this matter and the exhibits attached hereto and referenced herein, do hereby find:

1. I have jurisdiction of the parties and subject matter herein.
2. On August 22, 2017, Respondent entered into an Agreement of Care Counseling and Treatment ("CCT") with the Department. See Department Exhibit A, attached hereto and made a part of this Order.
3. Respondent agreed to comply with Paragraph A, subparagraph 6(ii), of said CCT which states the following:

Applicant shall submit personal statements on a quarterly basis to the Medical Coordinator which include the following information:
 - ii. Current practice location, scope and description of clinical job duties,

attendance record and any and all issues arising out his practice of medicine. See Department Exhibit A.

4. Respondent agreed to comply with Paragraph C of said CCT, which states the following:

Applicant agrees that if the Department receives information from his residency program, and/or law enforcement agencies that Applicant has appeared to be under the influence of drugs or if the Applicant violates any condition in this Agreement, the Director of the Division of Professional Regulation may issue an Order forthwith mandating the automatic, immediate and indefinite suspension of Applicant's Temporary Physician License for a minimum of twelve (12) months. This indefinite suspension shall not preclude the Department from taking any other disciplinary or other actions it deems appropriate. In the event Applicant contests in writing (by the filing of an appropriate petition with the Department) the factual basis underlying said indefinite suspension within fifteen (15) days of the imposition thereof, then Applicant shall be afforded a hearing on the merits within thirty (30) days from filing of said Petition. See Department Exhibit A.

5. On October 4, 2019, Brian S. Zachariah, M.D., Chief Medical Coordinator for the Illinois Department of Financial and Professional Regulation, Division of Professional Regulation, received information that Respondent was practicing cosmetic medicine, including but not limited to aligning himself with a so-called Medical Spa (Stella's Skin Care in Skokie, IL). Said cosmetic practice also involved an entity identified as Concierge Cosmetic Medicine, described as a "Group of physicians serving in the convenience of your home." See Department Exhibit B,

Affidavit of Brian S. Zachariah, M.D., attached hereto and made a part of this Order.

6. Dr. Zachariah reviewed Respondent's CCT file and none of Respondent's submitted quarterly reports indicate any practice location, scope or description of clinical job duties involving Stella's Skin Care, Concierge Cosmetic Medicine or any other entity beyond his position as a resident in Family Medicine at the University of Chicago. See Department Exhibit B.
7. Dr. Zachariah reviewed a business card from Concierge Cosmetic Medicine indicating that "Dr. Ryan Gorji, M.D." holds himself out as practicing Family and Aesthetic Medicine with that group. See Department Exhibit B.
8. Dr. Zachariah also reviewed photos posted on an Instagram account connected to "Conciergecosmetics." The photos showed Respondent in a lab coat embroidered with his name and title in various poses including with champagne bottles at so-called "botox parties" and apparently evaluating and treating patients with injectable medications. See Department Exhibit B.

IT IS THEREFORE ORDERED that Illinois Temporary Physician License No. 125-3678478 heretofore issued to Ryan Gorji, M.D. is hereby **Indefinitely Suspended for a minimum period of twelve (12) months.**

IT IS FURTHER ORDERED that Respondent surrender all indicia of licensure to the Illinois Department of Financial and Professional Regulation, Division of Professional Regulation. Upon failure to do so, the Department shall seize said License.

RYAN GORJI, MD License No. 125.3678478	Respondent)	Case No. 2017-6003

AFFIDAVIT OF Brian S. Zachariah, MD

I, Brian S. Zachariah, MD, being duly sworn on oath, depose and make this affidavit on my personal knowledge and, if sworn as a witness in this matter, I would competently testify to the following facts;

1. I am the Chief Medical Coordinator for the Illinois Department of Financial and Professional Regulation, Division of Professional Regulation, hereafter referred to as "the Department", Chicago, Illinois. One of my duties is to administer and supervise the Department's Care, Counseling and Treatment (CCT) program.
2. On or about August 22, 2017 respondent Gorji entered into an Agreement of Care, Counseling and Treatment with the Department.
3. Condition A.6. of said Agreement requires that Respondent submit personal statements on a quarterly basis which include *inter alia* information regarding his current practice location, scope and description of clinical job duties.
4. Condition C of this same Agreement provides in pertinent part that violation of any condition of the Agreement may result in an Order forthwith mandating the automatic, immediate and indefinite suspension of Respondent's Temporary Physician License for a minimum of twelve (12) months.
5. On October 4, 2019 I received information that Respondent was practicing cosmetic medicine including but not limited to aligning himself with a so-called Medical Spa (Stella's Skin Care in Skokie, IL). Said cosmetic practice also involved an entity identified as Conclerge Cosmetic Medicine, described as a "Group of physicians serving in the convenience of your home."
6. I have reviewed Respondent's CCT file and none of his submitted quarterly reports indicate any practice location, scope or description of clinical job duties involving Stella's Skin Care, Conclerge Cosmetic Medicine or any other entity beyond his position as a resident in Family Medicine at the University of Chicago.
7. After this review, I have concluded that Respondent is in violation of Condition A.6. of his Agreement of Care, Counseling and Treatment.

EXHIBIT B

8. In addition, on October 4, 2019 I contacted Respondent by telephone to determine if the Ryan Gorji, MD associated with Concierge Cosmetic Medicine was the same Ryan (Majd) Gorji identified as the Respondent in the above-captioned matter.
9. Respondent indicated that he was, and indicated that he was not actually practicing medicine, only working in marketing for some of his friends involved in aesthetic medicine. Respondent indicated that, in addition to his Family Medicine training at the University of Chicago, he was receiving training in aesthetic medicine through a series of proctored clinical encounters facilitated by community physicians with experience in that area.
10. I have reviewed a business card from Concierge Cosmetic Medicine indicating that "Dr. Ryan Gorji, MD" holds himself out as practicing Family and Aesthetic Medicine with that group. (See exhibits A & B attached) I have also reviewed photos posted on an Instagram account connected to "Conciergecosmetics". These photos show Respondent in a lab coat embroidered with his name and title in various poses including with champagne bottles at so-called "botox parties" and apparently evaluating and treating patients with injectable medications.
11. After my telephone discussion with Respondent and my review of the above-mentioned materials, I have concluded that Respondent is practicing medicine outside the duties, responsibilities and supervision of his Family Medicine residency in violation of the terms under which his Temporary License (No. 125.3678478) was first issued.
